WHEREAS, national service represents a unique public-private partnership that invests in community solutions and leverages non-federal resources to strengthen community impact and increase the return on taxpayer dollars; and

Now, Therefore, I, Darryl Croft, Mayor of Chino Valley, AZ, do hereby proclaim April 2, 2019, as National Service Recognition Day, and encourage residents to recognize the positive impact of national service in our community, to thank those who serve; and to find ways to give back to their communities.

March 4, 2019

Dear Mayor Darryl Croft,

My name is Annie Reifsnyder and I am the Training and Program Manager for Arizona Serve, a program of Prescott College that coordinates a local AmeriCorps VISTA and State Team. I myself have given over 54 months to National Service as both a Peace Corps and AmeriCorps member. It is now my honor to coordinating National Service members serving themselves in Yavapai County.

Arizona Serve is celebrating National Service Recognition Day on April 2nd. This is a day where thousands of local leaders promote the impact that National Service members have on communities throughout the United States. We have 31 VISTA and AmeriCorps State members working throughout Yavapai County to improve our communities through initiatives with nonprofits and government agencies. National Service Recognition Day is an occasion for Mayors, like yourself, to lend their support for National Service and to recognize all the positive work being done throughout the year.

To recognize and promote National Service Recognition Day, we would very much appreciate Chino Valley approving the Proclamation for the 2019 Mayor’s Day of Recognition. I have included a copy of the proclamation to this letter.

Additionally, we would very much appreciate your participation at our service project on April, 2nd from 9:30 a.m. to 10:00 a.m. to meet our members and take a group photo with us. National Service Members will be teaming up with the City of Prescott Parks and Recreation Department to assist in a trail clean-up. We will meet and congregate at Granite Creek Park. A representative of Congressman Paul Gossar’s office will also be joining us.

If you would like additional information or supporting material for National Service Recognition Day please let me know.

I look forward to hearing from you and celebrating National Service Recognition Day on April 2nd.

Sincerely,
Annie Reifsnyder

Vietnam War Proclamation
PROCLAMATION

National Vietnam War Veterans Day – March 29, 2019

Whereas, on March 28, 2017 the Senate and House of Representatives of the United States of America, in Congress assembled, added to the Laws of the United States a law that encourages the display of the flag of the United States on “National Vietnam War Veterans Day, March 29”; and

Whereas, on January 12, 1962, Operation Chopper marked America’s first combat mission against the Viet Cong and the beginning of one of our longest and most challenging wars. The Vietnam War is a story of service members of different backgrounds, colors, and creeds who came together to complete a daunting mission; and

Whereas, our Veterans answered our country’s call and served with honor and on March 29, 1973, the last of our troops left Vietnam. Yet, in one of the war’s most profound tragedies, many of these men and women came home to be shunned or neglected, to face treatment unbefitting their courage and a welcome unworthy of their example; and

Whereas, we reaffirm one of our most fundamental obligations: to show all who have worn the uniform of the United States the respect and dignity they deserve and to honor their sacrifice by serving them as well as they served us. We pay tribute to the fallen, the missing, the wounded, the millions who served and the millions more who awaited their return; we honor the Americans who served, we pay tribute to those we have laid to rest and we reaffirm our dedication to showing a generation of veterans the respect and support of a grateful Nation; and

Now, Therefore, I, Darryl Croft, Mayor of the Town of Chino Valley, do hereby acknowledge March 29, 2019 as National Vietnam War Veterans Day in Chino Valley, Arizona, and urge all of our citizens to recognize the valor and sacrifice of our Veterans by displaying the flag of the United States.

In Witness Whereof, I have hereunto set my hand and caused the Seal of the Town of Chino Valley to be affixed this 26th day of March, 2019.

Darryl L. Croft, Mayor

March 12, 2019 minutes
The Town Council of the Town of Chino Valley met for a Regular Meeting in the Chino Valley Council Chambers, located at 202 N. State Route 89, Chino Valley, Arizona, on Tuesday, MARCH 12, 2019.

1) CALL TO ORDER, PLEDGE OF ALLEGIANCE; ROLL CALL

Present: Mayor Darryl Croft; Vice-Mayor Jack Miller; Councilmember Mike Best; Councilmember Corey Mendoza; Councilmember Lon Turner

Absent: Councilmember Cloyce Kelly; Councilmember Annie Perkins

Staff Present: Town Manager Cecilia Grittman; Town Attorney Andrew McGuire (electronically); Public Works Director/Town Engineer Frank Marbury; Customer Service Manager (recorder) JoAnn Brookins; Kathy Frohock (videographer)

Mayor Croft called the meeting to order at 6:00 p.m. and led the Pledge of Allegiance.

2) INTRODUCTIONS, PRESENTATIONS, AND PROCLAMATIONS

3) CALL TO THE PUBLIC

Call to the Public is an opportunity for the public to address the Council on any issue within the jurisdiction of the Council that is not on the agenda. Public comment is encouraged. Individuals are limited to speak for three (3) minutes. The total time for Call to the Public may be up to 30 minutes per meeting. Council action taken as a result of public comment will be limited to directing staff to study the matter, scheduling the matter for further consideration and decision at a later date, or responding to criticism.

- Beth Vickory spoke about leading an Easter egg decorating class at the Chino Valley Library to work toward her Eagle Level Frontier Girls Diamond Award, and craft supply donations being appreciated.
- Todd League with the Parks and Recreation Advisory Board spoke about a group of folks desiring to develop a pickleball court in the Town. Mayor Croft asked the Board to bring a proposal.

4) RESPONSE TO THE PUBLIC

Response to the Public is an opportunity for the Mayor to inform the public about how Town officials addressed matters raised during Call to the Public at a previous meeting.

a) Request for clarification regarding the necessity of off-premise signs for businesses.
Mayor Croft reported that Gary Denney had received a citation for an off-premises sign in a residential area leading to his restaurant, which was off the highway and behind the residential area. The judge ordered Mr. Denney to talk with the planning department to apply for proper permits and approval if available. When the Town Council rewrote the sign code in March 2017, there was no provision in the code for this type of signage and the current code prohibited off-premise signage. The Town intended to develop a program with ADOT that would allow off-site signage on the highway with ADOT’s guidelines.

5) CURRENT EVENT SUMMARIES AND REPORTS

This item is for information only. The Mayor, any Councilmember, or Town Manager may present a brief summary or report of current events. If listed below, there may also be a presentation on information requested by the Mayor and Council and questions may be answered. No action will be taken.

a) Status reports by Mayor and Council regarding current events.

b) Status report by Town Manager Cecilia Grittman regarding Town accomplishments, and current or upcoming projects.

Ms. Grittman reported on the following:
- JoAnn Brookins stepping in to clerk this meeting.
- Council and employees who attended the dedication held earlier today.
- A citizen’s commendation of Police Officer Silva for assisting her during the recent snow storm.
- Community outreach regarding the water and tax ballot measure proposals.
- A Council retreat on March 19.
- Interviews scheduled for the next day for the Economic Development Project Management position.

c) Presentation regarding the May 21, 2019 Special Election Ballot Questions. (Frank Marbury, Public Works Director/Town Engineer; Joe Duffy, Finance Director)

Mr. Marbury and Ms. Grittman presented the following:
- There were five water companies operating within the Town limits, one of which was the Town’s. Some of these have expressed that they may no longer want to stay in the business.
- Due to recent court cases, if the Town wanted to acquire those properties, the voters needed to approve each water company by name. The ballot measure gave the Council the authority, when the timing or deal was right, to be able to purchase the water companies and then bring them under the umbrella of the Town’s utility system.
- With low interest loans, the acquisition and operation of the water companies fell within the Town’s current billing rate structure.
- Ballots will go out around April 2nd and the election will end on May 21.
6) CONSENT AGENDA

All those items listed below are considered to be routine and may be enacted by one motion. Any Councilmember may request to remove an item from the Consent Agenda to be considered and discussed separately.

a) Consideration and possible action to award the construction contract for the Country West Well #1 Improvement Project to R.W. Turner & Sons Pump & Windmill Co. Inc. in the amount of $35,742.24. (Frank Marbury, Public Works Director/Town Engineer)

Recommended Action: Award the construction contract for the Country West Well #1 Improvement Project to R.W. Turner & Sons Pump & Windmill Co. Inc. in the amount of $35,742.24.

Frank Marbury reported on the following:

- The Town acquired two wells at the Country West Mobile Home Park several years ago as a backup well to the main one located in Bright Star, and the main production well in Country West had been down for two years.
- A solution had been determined, and the project put out to bid in January. Bids were opened in February, with one responsive bidder that fit within the engineers estimate of just under $36,000.

PROJECT DESCRIPTION

Prescott Valley Growers is a family owned tree and shrub wholesale supply company. They have been supplying plants and trees to the wholesale landscape trade since 1991. They currently occupy the property directly east of the subject parcel for their business as well as another location in Prescott Valley.

The applicant is requesting to rezone the property from SR-1 to CL in order to allow wholesale nursery. The applicant plans to install post and wire rows for trees and greenhouses for shrubs and perennials. This will be similar to the tree farm they currently operate to the east of the subject parcel. All four sides of the property will have extensive, permanent landscaping to beautify and shelter the trees.

The applicant is also applying for a CUP (Conditional Use Permit) to allow the existing single-family residential use within the CL (Commercial Light) zoning district. The yard foreman will occupy the existing house and an additional house is planned for development in the near future. The existing barn is being used for storage purposes. See Appendix A: Site Plan

CITIZENS REVIEW & PUBLIC HEARING PROCESS

Town Staff notified property owners within a 300’ radius, resulting in eight (8) notices for the neighborhood meeting and public hearings. To date, staff has received an email from a property owner directly west of the subject property. The concerns he raised dealt with the potential decrease of his property value being next to a commercial business and the risk of negative impact the commercial business might cause. He concluded by requesting a privacy fence or barrier between both properties.

The neighborhood meeting was held on October 15, 2018 at Town Hall. There were four residents who attended the meeting. Those who attended were provided a conceptual site plan of the subject property.
Mrs. Cox explained to them her desire to develop the subject property as a nursery similar to her property to the east.

One property owner was concerned about the nursery being open to the public and becoming similar to retail and by doing so would increase traffic in the area. Mrs. Cox clarified that the intent was to use the property for growing and for wholesale. She explained that all shrubs and trees would be shipped to their Prescott Valley location once orders were placed. Staff informed the residents that if the subject property was to be rezoned to the requested CL (Commercial Light) zoning district, by right the property could develop into any of the land uses allowed within the CL classification.

A neighboring property owner also raised the issue that rezoning the subject property to Commercial Light would start a pattern of commercial development further west along West Road 4 North. Staff clarified that when applicants request a change of zoning on their properties, said properties need to be in conformance with the Town of Chino Valley General Plan land use designations. Staff explained that the area west of the subject property has a land use designation of Medium Density Residential (2 acres or less) on the General Plan Map and that the Town did not foresee any commercial development west of the subject property.

PLANNING AND ZONING MEETING

The item went before the Planning and Zoning Commission on November 6, 2018. Staff gave a brief presentation regarding the applicant’s intentions for developing the property into a wholesale nursery and presented staff findings and analysis. During discussions between the Commission, staff and the applicant, the Commission inquired about the traffic that would be generated by the proposed use. The applicant stated that typically there would be two trucks per week onsite and a couple times a year there would be shipments coming in from other suppliers.

One of the Commissioners stated that wholesale growing of trees and bushes was an agricultural use and that staff should explore the AR-5 zoning, which would be a more appropriate zone for a nursery use. Staff stated that the AR-5 zoning would limit the applicant to whole sale use and that the applicant wanted the option of having outside sales in the future. Staff further stated that there are 4 other nurseries in Town. Three of those nurseries are in a commercial zoning district. Bonnie Plants, which is located in the AR-5 zoning district, is a commercial green house where all growing is done within enclosed greenhouses. Staff stated that the General Plan designation of the property was Commercial/Multi-Family Residential and that the CL zoning district was in conformance with its General Plan land use designation.

During public comment, two residents spoke in opposition of the CL zoning request, stating that the zoning district would allow all the permitted uses within the proposed zoning district and that in the future the applicant could sell the property and that the nursery could be converted into another type of commercial use.

The Commission voted on continuing the item to the next scheduled Planning and Zoning Commission meeting to give staff some time to do further research and see if limitations of uses could be put on the zoning district.
FOLLOW UP TO PLANNING AND ZONING MEETING

Staff met with the applicant after the Planning and Zoning meeting to discuss the options available for here going forward.

Staff determined that permitted uses within any zoning district are uses that are allowed by right by the Unified Development Ordinance. Since these uses are allowed by right, Staff cannot prohibit any list of uses through a condition of approval or other means. Doing so would violate the uniformity requirements of the UDO.

DECEMBER 4TH PLANNING AND ZONING MEETING

The item went before the Planning and Zoning Commission as a continued item on December 4, 2018. Staff presented a brief summary of the project and discussed follow up conversations between staff and the applicant. Staff noted that neither the Commission nor staff could put limitations or prohibit any uses that are allowed by right on the requested zoning. Staff indicated that the applicant did not want to revise the application and wanted to proceed forward with the CL zoning request to allow the option for outside sales of nursery stock for the future.

The Commission asked for clarification on why a Conditional Use Permit was needed. Staff explained that the subject property has an existing home located to the rear of the property. The CUP is needed to bring the residential use into conformance within the CL zoning district if the requested zone change is approved. In addition, staff stated that the applicant desired to locate a second residence on site as shown in the submitted site plan. Staff concluded that the Unified Development Ordinance did not limit the number of residences when requested through a CUP, and that staff recommends add two conditions of approval for the CUP limiting the property to two (2) homes and regulating the size of the second home.

Some of the Commissioners voiced their concerns about the future uses of the site permitted by the CL zoning district and the impact such uses would have on surrounding residential properties.

Vote for Recommendation of approval for Rezone Request Vote: 3-4 Failed
Vote for Recommendation of denial for CUP: 5-2 Passed

STAFF ANALYSIS AND RECOMMENDATION

GENERAL PLAN CONFORMANCE

The zoning request of CL (Commercial Light) will be in conformance with the property’s Commercial/ Multi-Family Residential General Plan land use designation. The Commercial/ Multi-Family Residential designation will continue to focus on the Land Use Goals and Strategies promoting local commercial businesses. See Figure 3: General Plan Map
ZONING

Section 3.15.B.14 of the Unified Development Ordinance list “indoor and outdoor sales of nursery stock” as a permitted use in the Commercial Light zoning district. The operation and design of the site will be very similar to the property to the east. The landscaping along the property perimeters will serve not only as a means to beautify the property but will also serve as a natural buffer from the single family residential lots to the west and all other future residential development in the area. The impact of a whole sale nursery will have minimal impact on surrounding properties. If the applicant decides to open up the nursery to the public for outside retail, the site will be regulated at a staff level so that impact on surrounding properties be minimal.

CONDITIONAL USE PERMIT

Section 3.15.C.1 list Single-family residences as a permitted use in the Commercial Light zoning district with a Conditional Use Permit. The Conditional Use Permit is subject to discretionary approval by Council if the location and context of the site is suitable for the requested use. The subject property is located in a residential area with single family residence/agricultural residential zoning to the west and south of the subject property.

Based upon the above considerations, Staff recommends **APPROVAL** the requested zone change and Conditional Use Permit with the following for the CUP:

1) No more than two (2) residential structures will be allowed on the property.
2) Second residence will be limited to no more than 12,000 square feet.
RECOMMENDATION ON REQUESTED REZONE

Staff recommends that Town Council adopt Ordinance 2019-866 rezoning 12.35 acres of real property from SR-1 (Single Family Residential- 1 acre minimum) zoning district to CL (Commercial Light) zoning district.

The Planning and Zoning Commission recommendation that Town Council deny Ordinance 2019-866 rezoning 12.35 acres of real property from SR-1 (Single Family Residential- 1 acre minimum) zoning district to CL (Commercial Light) zoning district.

RECOMMENDATION ON REQUESTED CONDITIONAL USE PERMIT

Staff recommends that Town Council approve Conditional Use Permit (CUP19-001) for APN 306-14-003S to allow the existing single family residential use within the Commercial Light zoning district with the following condition:

1) No more than two (2) residential structures will be allowed on the property.
2) Second residence will be limited to no more than 12,000 square feet.

The Planning and Zoning Commission recommendation that Town Council deny Conditional Use Permit (CUP19-001) for APN 306-14-003S to allow the existing single family residential use within the Commercial Light zoning district.

STAFF ANALYSIS AND RECOMMENDATION

GENERAL PLAN CONFORMANCE

The zoning request of CL (Commercial Light) will be in conformance with the property’s Commercial/ Multi- Family Residential General Plan land use designation. The Commercial/ Multi- Family Residential designation will continue to focus on the Land Use Goals and Strategies promoting local commercial businesses. See Figure 3: General Plan Map
ZONING

Section 3.15.B.14 of the Unified Development Ordinance list “indoor and outdoor sales of nursery stock” as a permitted use in the Commercial Light zoning district. The operation and design of the site will be very similar to the property to the east. The landscaping along the property perimeters will serve not only as a means to beautify the property but will also serve as a natural buffer from the single family residential lots to the west and all other future residential development in the area. The impact of a whole sale nursery will have minimal impact on surrounding properties. If the applicant decides to open up the nursery to the public for outside retail, the site will be regulated at a staff level so that impact on surrounding properties be minimal.

CONDITIONAL USE PERMIT

Section 3.15.C.1 list Single-family residences as a permitted use in the Commercial Light zoning district with a Conditional Use Permit. The Conditional Use Permit is subject to discretionary approval by Council if the location and context of the site is suitable for the requested use. The subject property is located in a residential area with single family residence/agricultural residential zoning to the west and south of the subject property.

Based upon the above considerations, Staff recommends **APPROVAL** the requested zone change and Conditional Use Permit with the following for the CUP:

1) No more than two (2) residential structures will be allowed on the property.
2) Second residence will be limited to no more than 12,000 square feet.
RECOMMENDATION ON REQUESTED REZONE

Staff recommends that Town Council adopt Ordinance 2019-866 rezoning 12.35 acres of real property from SR-1 (Single Family Residential- 1 acre minimum) zoning district to CL (Commercial Light) zoning district.

The Planning and Zoning Commission recommendation that Town Council deny Ordinance 2019-866 rezoning 12.35 acres of real property from SR-1 (Single Family Residential- 1 acre minimum) zoning district to CL (Commercial Light) zoning district.

RECOMMENDATION ON REQUESTED CONDITIONAL USE PERMIT

Staff recommends that Town Council approve Conditional Use Permit (CUP19-001) for APN 306-14-003S to allow the existing single family residential use within the Commercial Light zoning district with the following condition:

1) No more than two (2) residential structures will be allowed on the property.
2) Second residence will be limited to no more than 12,000 square feet.
