c) Consideration and possible action to adopt Resolution No. 2019-1133 ordering and calling an election to be held in and for the Town of Chino Valley, Arizona on May 21, 2019, to submit to the qualified electors thereof the questions of (1) the proposed amount to be raised by an initial primary (ad valorem) property tax to fund a road construction and maintenance program, and (2) voter authorization for purchase of certain water companies to expand the Town’s water utility system. Funds to come from General Fund, Town Clerk Elections expenditure line. (Jami Lewis, Town Clerk)

Recommended Action: Adopt Resolution No. 2019-1133 ordering and calling a special election to be held on May 21, 2019, for the purpose of submitting two questions to the voters related to a property tax levy of $________ to fund a road construction and maintenance program, and utility system acquisitions.

Public Works Director/Town Engineer Marbury reported that:
- The Roads and Streets Committee developed a potential solution to the lack of funding for the degradation of the Town’s road system.
- They determined a minimum of $1.2 million additional funding per year was needed to keep the roads at the current maintenance level and they were recommending $1.5 million per year to improve the condition of the roadways and provide for future expansion.
- Town staff met with over 200 citizens and 21 organizations for input.
- The recommended ballot measure was to ask voters to approve a primary property tax levy in the amount decided by Council for a 20-year program dedicated to road maintenance and construction.
- The second ballot question concerned the ability of the Town to enter into negotiations to purchase private or public water distribution systems as the opportunities arose. The measure would specifically name each system within the Town. Voters would be asked to grant Council permission to purchase the named companies when conditions are favorable.
- The feedback from the community regarding these items had been favorable.

Councilmember Mendoza added that:
- The Community was concerned about what would happen when the current Council did not hold office, but he reminded the community that the councilmembers were also citizens of the community. The Roads and Streets Committee believed that implementing a property tax for an additional $1.5 million per year was best solution to the issue.

Councilmember Kelly reported that he had received a huge amount of correspondence concerning the road situation and there was quite a bit of misinformation. There would be several more public question and answer meetings including one on January 17 at the Nazarene Church. He encouraged the community to attend to get the facts.
Town Manager Grittman explained that the bulk of the public meetings would occur closer to the election and would begin in March.

Mrs. Lewis reported that:

- This would be a vote by mail election.
- Citizens would receive a voter pamphlet approximately 35 days before the election which would contain the information that was presented at the public meetings. Any citizen that wanted to submit an argument (pro/con statement) to be included in the pamphlet must submit it by February 20 with an $80 fee.
- Voter registration would close April 22 and the ballots would be mailed that week. Onsite voting would be available at the Yavapai County Administration Building.
- The Town website had relevant information located under News Flash and under the Ballot Measures and Propositions page.

MOVED by Vice-Mayor Jack Miller, seconded by Councilmember Cloyce Kelly to adopt Resolution No. 2019-1133 ordering and calling a special election to be held on May 21, 2019, for the purpose of submitting two questions to the voters: (1) related to a property tax levy of $1.5 million to fund a road construction and maintenance program, and (2) utility system acquisitions.

AYE: Mayor Darryl Croft, Vice-Mayor Jack Miller, Councilmember Mike Best, Councilmember Cloyce Kelly, Councilmember Annie Perkins, Councilmember Corey Mendoza, Councilmember Lon Turner

PASSED - Unanimously

d) Consideration and possible action to approve a Conditional Use Permit (CUP18-007) for 14.46 acres (approx. 629,877 sq. ft.) of real property, Assessor's Parcel No. 306-18-010K, located approximately 0.25 miles south of the southeast corner of East Perkinsville Road and North Road 1 East at 1525 North Road 1 East to rehabilitate the existing well site within the PL (Public Land) zoning district. (Owner of Record: City of Prescott) (Alex Lerma, Planner)

Recommended Action: Approve Conditional Use Permit (CUP18-007) to allow the rehabilitation of the existing well site including removal of the existing building and construction of a new facility within the PL (Public Land) zoning district.

Mr. Lerma reported that:

- The 2008 approved CUP for arsenic equipment had expired.
- The City of Prescott was requesting a CUP in order rehabilitate their facilities. They proposed to demo the existing steel building and remove the walls that enclosed it and develop a new 912 sq. ft. 15-foot high concrete block building that would house a new pump house and motor.
- The landscaping plan would be implemented within six months of approval of the CUP and lighting would only be turned on when staff was on site or during an emergency.
- The Planning and Zoning Commission voted unanimously to recommend approval of the CUP.
MOVED by Vice-Mayor Jack Miller, seconded by Councilmember Cloyce Kelly to approve Conditional Use Permit (CUP18-007) to allow the rehabilitation of the existing well site including removal of the existing building and construction of a new facility within the PL (Public Land) zoning district.

e) Consideration and possible action to adopt Ordinance 2019-858 to rezone 2.71 acres of real property, Assessor's Parcel No. 306-04-010U, located approximately 375 feet east of the northeast corner of State Route 89 and Road 4 North intersection at 868 East Road 4 North from CH (Commercial Heavy) zoning district to CL (Commercial Light) zoning district. (Owner of Record: Corey and Robin Mendoza) (Alex Lerma, Planner)

Recommended Action: Adopt Ordinance 2019-858 to rezone 2.71 acres of real property from CH (Commercial Heavy) zoning district to CL (Commercial Light) zoning district.

Councilmember Mendoza recused himself from this item at 6:45 p.m.

Mr. Lerma reported that:

- The property included an office building and three steel buildings. In 2010, Council approved a zone change from the AR-5 district to the CH district, which allowed the applicant to operate the C&R Trucking business currently located onsite. In 2017, Council approved a CUP to allow a marijuana research facility.
- The applicant was moving the current business to another location and believed the CH zone was no longer necessary.
- The General Plan land use designation was identified as a potential community core and one of the goals was to have diversity or a mix of uses. The rezone of the property would fall into that category and the zone change would have less impact on the surrounding area.

The Planning and Zoning Commission unanimously voted to recommend approval to the Council.

MOVED by Vice-Mayor Jack Miller, seconded by Councilmember Lon Turner to adopt Ordinance 2019-858 to rezone 2.71 acres of real property from CH (Commercial Heavy) zoning district to CL (Commercial Light) zoning district.
