- **Zoning:** Staff had received 17 new applications since January compared to 17 total all last year.

7) **ACTION ITEMS**

The Council may vote to recess the public meeting and hold an Executive Session on any item on this agenda pursuant to A.R.S. § 38-431.03(A)(3) for the purpose of discussion or consultation for legal advice with the Town Attorney. Executive sessions are not open to the public and no action may be taken in executive session.

**a)** Consideration and possible action to:
(i) Hold a public hearing regarding the proposed changes to the Town's admission fees for the Chino Valley Aquatic Center.
(ii) Approve Resolution No. 18-1115 increasing the Town's admission fees, effective May 24, 2018. (Scott Bruner, Community Services Director)

**Recommended Action:**
(i) Hold a public hearing regarding the proposed changes to the Town's admission fees for the Chino Valley Aquatic Center.
(ii) Approve Resolution No. 18-1115 increasing the Town's admission fees, effective May 24, 2018.

Mr. Bruner reported that:
- Aquatic Center user fees were last reviewed and updated in 2012. Since the pool opened, the general fund had subsidized it about $150,000 each year.
- From 2016 through 2020, minimum wage will have increased from $7.65 per hour to $12.00 per hour. These increases will push the general fund subsidy higher each year. In order to keep the subsidy static, staff recommended gradual rate increases over the next three years to coincide with min wage increases and to provide funds for capital repairs and improvements.
- The recommended daily fee increases was $0.50 this year, with $0.25 until 2020. Even with these increases, the Town's fees will be $0.25 less than the nearest municipal pool facility. The projected loss this year with the fee increase was $133,800.

MOVED by Vice-Mayor Lon Turner, seconded by Councilmember Cloyce Kelly, to hold the public hearing.
**Vote:** 6 - 0 PASSED - Unanimously

No one from the public spoke.

MOVED by Vice-Mayor Lon Turner, seconded by Councilmember Jack Miller, to close the public hearing.

b) Consideration and possible action to approve a Conditional Use Permit (CUP 18-002) for approximately 2.82 acres of real property generally located 274 feet north of the northwest corner of West Road 3 North and State Route 89 at 2062 North State Route 89 to allow the installation and replacement of an electronic sign in the CL (Commercial Light) zoning district. (Owner: St. Catherine Laboure Church) (Jason Sanks, Development Services Director)

**Recommended Action:** Approve Conditional Use Permit (CUP 18-002) for approximately 2.82 acres of real property located at 6062-2062 North State Route 89 to permit the proposed electronic sign in the CL (Commercial Light) zoning district, subject to the conditions recommended by staff.

Mr. Sanks reported that:
- The church received approval for an electric sign three years ago and it was recently run over and knocked out. The church was now requesting approval for a taller sign in a slightly modified location. As there was no provision for staff to approve a change to a CUP, it needed Council's approval.
- Staff recommended approval with the standard conditions developed over the last year related to electronic signs and ADOT regulations.

MOVED by Vice-Mayor Lon Turner, seconded by Councilmember Jack Miller to approve Conditional Use Permit (CUP 18-002) for approximately 2.82 acres of real property located at 6062 North State Route 89 to permit the proposed electronic sign in the CL (Commercial Light) zoning district, subject to the conditions recommended by staff.

c) Consideration and possible action to approve Ordinance No. 18-844 rezoning approximately 44 acres of real property generally located on the northeast corner of North Road 1 East and East Perkinsville Road at 1204 East Perkinsville Road, from AR-5 (Agricultural Residential-5 Acre Minimum) zoning district to SR-0.16 (Single Family Residential-7,000 Square Foot Minimum Lot Area) zoning district with a Planned Area Development Overlay zoning district to modify the SR-0.16 zoning district development standards. (Jason Sanks, Development Service Director)

**Recommended Action:** Approve Ordinance No. 18-844 rezoning approximately 44 acres of real property generally located on the northeast corner of North Road 1 East and East Perkinsville Road at 1204 East Perkinsville Road, from AR-5 (Agricultural Residential-5 Acre Minimum) zoning district to SR-0.16 (Single Family Residential-7,000 Square Foot Minimum Lot Area) zoning district with a Planned Area Development Overlay zoning district subject to the conditions recommended by staff.

Mr. Sanks presented on this item:
- **Proposal and background:** The subject property, located directly north of the Community Center, was acquired by the current owner a few years ago to cultivate medical marijuana, but the business plan did not work out. The owner now proposed a smaller lot single family residential subdivision.
- **Development plan:** The proposed 159 lots would be no smaller than 7,000 square feet, most likely with site-built homes. The PAD overlay proposed modified development standards typical of other smaller subdivisions, such as Bright Star. The plan also depicted centralized open space throughout the project. Justification for the deviations included additional enhancements to the project related to the landscape plan, wall perimeter design, trail, and pocket park.
- **Utilities:** The development would connect to Town water and sewer.
- **Circulation:** Dedications will be required on three abutting roads and internal public roads. The Traffic impact statement anticipated 1,502 daily trips.
- **Conditions:** Staff recommended conditions with regard to conformance to the site plan, wall plan, and landscape plan. The Planning and Zoning Commission added a condition related to a shuttle or bus pull out location.
- **Recommendation:** As this location was a good fit for this type of subdivision, due to its proximity to the community core, Community Center, highway, and Old Home Manor (OHM) Industrial Park, staff recommended approval.

Council and staff further discussed the item:

- **Age and home restrictions:** The development proposed no age restrictions. There were no restrictions per code with regard to manufactured versus site-built homes. Park models would require an amendment.
- **Crosswalk across Perkinsville Road:** This could addressed during the platting phase and would need to be analyzed from an engineering perspective. Council believed it will be necessary and requested that staff add the following condition: “A safe crossing or pedestrian crossing shall be provided or explored on either mid-block or the intersection as approved by the Town’s public works director.”
- **Time restrictions:** As a PAD was an overlay on top of the zoning, the overlay, zone change, and conditions should last into perpetuity and run with the land.
- **Roadway dedications:** With the coming development at OHM, Perkinsville Road could eventually need four lanes and 100-foot width, so the Town was asking for a 50-foot half-width dedication.
- **Sidewalks:** A sidewalk will be required on Perkinsville.
- **Bus turnout:** The exact location was not yet identified.

MOVED by Vice-Mayor Lon Turner, seconded by Councilmember Jack Miller to approve Ordinance No. 18-844 rezoning approximately 44 acres of real property generally located on the northeast comer of North Road 1 East and East Perkinsville Road at 1204 East Perkinsville Road, from AR-5 (Agricultural Residential-5 Acre Minimum) zoning district to SR-0.16 (Single Family Residential-7,000 Square Foot Minimum Lot Area) zoning district with a Planned Area Development Overlay zoning district subject to the conditions recommended by staff.

**Vote:** 6 - 0 PASSED - Unanimously

(Alex Lerma, Associate Planner)

**Recommended Action:** Approve Ordinance No. 18-845 rezoning approximately 2.5 acres of real property located at 3845 Durham Drive from CL (Commercial Light) zoning district to CH (Commercial Heavy) zoning district.

Councilmember Mendoza recused himself from this item and stepped down from the dais.

Mr. Lerma presented this item:

- **Proposal:** The owner proposed to construct an office/maintenance shop, as well as storage/caretaker residence.
- **Current condition:** The property was currently vacant; its general plan land use designation was commercial/multi-family residential; and it was surrounded by commercial heavy uses. As such, the request was in compliance with Town regulations.
- **Citizen participation:** One property owner attended the March 20th neighborhood meeting; the attendee supported the proposal and only desired to know the timeframe for development.
- **Staff recommendation:** As the proposal would not impact current surrounding uses, staff recommended approval.

MOVED by Vice-Mayor Lon Turner, seconded by Councilmember Jack Miller to approve Ordinance No. 18-845 rezoning approximately 2.5 acres of real property located at 3845 Durham Drive from CL (Commercial Light) zoning district to CH (Commercial Heavy) zoning district.

**Vote:** 5 - 0 PASSED
