b) Consideration and possible action to adopt a Conditional Use Permit (CUP18-003) for approximately 4.55 acres of real property located approximately 1,000 feet south of the southwest corner of East Road 2 North and North Road 1 East at 784 North Road 1 East. Recommended Action: Approve a Conditional Use Permit for APN 306-23-007B to allow the continuation of the operation and maintenance of a well drilling business consisting of storage of vehicles, machinery and supplies in the AR-5 (Agricultural Residential- 5 Acre Minimum) zoning
district, subject to the condition recommended by staff and Planning and Zoning Commission.

Development Services Director Jason Sanks presented on this item:

- **Proposal:** Applicant Mitchell McGee was requesting to renew an expired CUP originally approved through Ordinance No. 297 in 1996.
- **History:** In 1996, owner Daniel McGee applied for a rezone from Agricultural/Residential to Commercial/Light Manufacturing in order to allow for well drilling business operation and equipment maintenance, as well as personal residence. The town attorney at the time recommended that he apply instead for a CUP, which was granted for a five-year period. Mitchell McGee recently inherited the property from his father and was unaware that the business had been operating under an expired CUP.
- **Current condition:** The property’s General Plan Land Use Designation was Commercial/Medium Density Residential. Surrounding properties were a variety of agricultural/residential, public lands, commercial, multi-family residential, and medium density residential.
- **Property uses:** Most of the stored equipment was behind the house and trees to lessen their impact. No known property violations existed. There had been one anonymous call to Code Compliance that resulted in no citation.
- **Recommendation:** Staff and Commission recommended approval with no conditions, as the one recommended in the staff report was already in Code and thus redundant, and with no time restriction.

MOVED by Vice-Mayor Lon Turner, seconded by Councilmember Jack Miller to approve a Conditional Use Permit for APN 306-23-007B to allow the continuation of the operation and maintenance of a well drilling business consisting of storage of vehicles, machinery and supplies in the AR-5 (Agricultural Residential- 5 Acre Minimum) zoning district, subject to the condition recommended by staff and Planning and Zoning Commission.
