Wayne Moyer, resident near the JC Ranch development, requested that Council reconsider the block wall from Road 4 North to Bumblebee, as landscaping alone would not be sufficient to avoid liability issues with new residents and horses in his neighborhood.
Jeff Champ, Farmers Insurance owner, spoke about being willing to pay half the cost to extend the sidewalk flags flown along SR89 on holidays to Perkinsville Road, and requested that the Town consider paying other half.

Richard Straub, former Acting Public Works Director/Town Engineer, commended staff for job well done on the small police range planning, design, and construction.

Robert Schoon, resident near JC Ranch development, asked Council to reconsider the six-foot wall between JC Ranch and their properties, as sidewalks will promote more pedestrian use in their neighborhood.

John Garden spoke about the Big Chino project’s public meetings, statistics, the ITC’s website, and an informational brochure.

4) RESPONSE TO THE PUBLIC

Response to the Public is an opportunity for the Mayor to inform the public about how Town officials addressed matters raised during Call to the Public at a previous meeting.

- **Request:** The applicants desired to rezone a portion of their property and divide the lot. They intended to continue current uses in the AR-5 portion and divide the SR-1 portion in the future.
- **Current condition:** The current lot was being used for animal rescue and hay sales. The General Plan designation was medium density residential. Surrounding uses were residential to the north, south and west.
- **Public comment:** No one from the public attended the neighborhood meeting or contacted staff with comments.
- **Recommendation:** The Planning and Zoning Commission and staff recommended approval.

Council asked if the applicants were aware of the restrictions for further subdividing the SR-1 portion of the property. Mr. Lerma stated that they knew they could only divide it into three parcels.

MOVED by Councilmember Jack Miller, seconded by Councilmember Mike Best to adopt Ordinance No. 18-851 to rezone 8.7 acres of a 15.8-acre site from AR-5 to SR-1.

**Vote:** 6 - 0 PASSED - Unanimously
c) Consideration and possible action to approve a Conditional Use Permit (CUP18-005) to allow a food truck court on CL (Commercial Light) zoned property, 1.38 acres of real property, Assessor's Parcel No. 306-23-057, located approximately 0.25 miles north of the northwest corner of Center Street and State Route 89 intersection at 246 North State Route 89. d) Consideration and possible action to approve a Conditional Use Permit (CUP18-005) to allow the existing single family residential use within the CL (Commercial Light) zoning district for 0.55 acres of real property, Assessor's Parcel No. 306-20-127B, located on the southwest corner of North Road 1 East and East Road 3 North at 985 East Road 3 North. Owners/Applicants: Nathan Peabody and Ana Hurtado. (Alex Lerma, Planner)

**Recommended Action:** Approve a Conditional Use Permit (CUP18-005) for APN 306-20-127B to allow the existing single family residential use within the CL (Commercial Light) zoning district.

Mr. Lerma presented on this item:

- **Request:** Approval would place the home in conformance within the commercial zoning district and allow it to be expanded.
- **Current condition:** A single-family residential home and garage were located on the property. The parcel was surrounded by single-family residential to the north and west.
- **History:** In 2000, the home was constructed on a 2.20-acre parcel. In December 2005, the property owner recorded a lot split into two 1.20-acre lots. In April 2016, Council adopted an Ordinance to rezone the property to Commercial Light, creating a legal non-conforming use and a condition under which the home could not be expanded. The applicant could have applied for a CUP, or a rezone, which would require a general plan amendment. As the area was commercial, staff supported the CUP option.
- **Public comment:** One citizen contacted staff with a concern that the property owners would establish a commercial use on the site. While the CL zoning permitted some types of commercial uses, the property owners had no plans to convert to commercial use.
- **Recommendation:** The Planning and Zoning Commission and staff recommended approval.

Council asked how the CUP would affect the property, as the home was now for sale. Mr. Lerma stated that the CUP would be attached to the property regardless of who owned it.
MOVED by Councilmember Jack Miller, seconded by Councilmember Mike Best to approve a Conditional Use Permit (CUP18-005) for APN 306-20-127B to allow the existing single family residential use within the CL (Commercial Light) zoning district.

e) Consideration and possible action to award a construction contract to Sunland Asphalt in an amount not to exceed $375,579.41 for the Road 1 East Construction Project. (Frank Marbury, Public Works Director/Town Engineer)

**Recommended Action:** Award construction contract to Sunland Asphalt in an amount not to exceed $375,579.41 for the Road 1 East Construction Project.

Mr. Marbury on this item:
- *Request:* Staff proposed to use a cooperative contract through Buckeye to hire Sunland to complete Road 1 East.
- *Millings:* Staff had hoped to recycle some existing millings for the project, but found it to be cost prohibitive. As an alternative, Sunland will crush the millings into road base, thus saving $200,000. It was not ideal, but for the cost involved, this was the best way to go.
- *Timeframe:* Staff hoped to complete the project in mid-September.

Council asked if this will complete ADOT’s requirements. Mr. Marbury stated that it would.

MOVED by Councilmember Jack Miller, seconded by Councilmember Mike Best to award construction contract to Sunland Asphalt in an amount not to exceed $375,579.41 for the Road 1 East Construction Project.
