- The Rhythm Cats dinner theater with a buffet dinner and instrumental music in Mesa event was discussed for a possible November event.
- A Mesa Flea Market November trip was also being considered.

d) Nutrition -

e) Community Services - Cyndi Thomas

Cyndi Thomas reported:

- The NACOG annual federal audit was scheduled for the upcoming week. Last year there were no critical violations or corrective actions necessary, so there would only be an abbreviated monitoring for the upcoming audit. The Chino Senior Center was the only facility in Northern Arizona that qualified for the abbreviated audit.
- The Board needed to discuss the new meeting times after approving the bylaws that changed the frequency of the meeting dates to no less than four times per year with special meetings as necessary. The Clerk’s office suggested having the meetings on the second Tuesday of the first month of each new quarter.
- Meals-on-Wheels drivers were needed as backup drivers. The positions were volunteer positions.
- The meal numbers have been strange. The Meals-on-Wheels numbers were consistent. The congregate meals were fluctuating and had not been menu driven as in the past. Staff thought that the numbers would be more consistent once there was some longevity of the kitchen staff and the community became more familiar with them. It also could be the summer season that kept people away.
6) CALL TO THE PUBLIC

Call to the Public is an opportunity for the public to address the Board concerning a subject that is not on the agenda. Public comment is encouraged. Individuals are limited to speak for three (3) minutes. The total time for Call to the Public may be up to 15 minutes per meeting. Board action taken as a result of public comment will be limited to directing staff to study the matter, scheduling the matter for further consideration and decision at a later date, or responding to criticism.

7) UNFINISHED BUSINESS

8) NEW BUSINESS

a) Discussion and possible recommendation regarding upcoming holidays such as Meals on Wheels Halloween, Christmas or special events meal delivery.

Cyndi Thomas discussed the following:
- Consider putting a booth together for the Trunk or Treating in the Park at Memory Park. There would be 40 pounds of candy provided. The event included a pyrotechnic show, food trucks, photo booths, spooky stories and 1000’s of kids. The Board Members supported the idea and members volunteered to help.
- A special treat for Meals-on-Wheels Halloween was discussed. The Board committed providing tricks and treats for the participants delivered on Halloween. The goodie bags would need to be put together on Wednesday, the day before Halloween.
- Staff recommended that the Board postpone the October 8th meeting until October 30th to have a working meeting. That would eliminate the need for two meetings and two agendas for the month of October.

MOVED by Board Member Somerville, seconded by Board Member Johnson to have a Halloween Booth at the Trunk or Treat Memory Park Halloween event.
