NEWS RELEASE

SHELTER IN PLACE ISSUED AS PRECAUTION

On November 7, 2017 at approx. 08:00 a.m. Chino Valley Police was investigating a domestic situation off campus but contacted Territorial Elementary School as a precaution. The contact was done to notify staff of the domestic issue being investigated that involved a child at Territorial Elementary School. Chino Valley PD kept the School Resource Officer on campus during the investigation and the school issued a Shelter in Place order to prevent any access to the campus, while school proceeded.

The involved parent was located, off campus, and arrested on the domestic incident without further incident. The notification of the school was made simply as a precaution as ensuring the safety of students and faculty is a priority to both the Police Department and School District.

The incident was resolved by 8:45 am and the school was notified of the resolution. This afternoon the #ConnectED message was sent to notify parents before their children arrived home.

The Chino Valley Police Department will continue to work with the Chino Valley Unified School District to ensure safety of students and faculty as incidents and situations occur in our community. The ability to quickly work through situations, even when precautionary, shows the great relationship we have with the School District and the focus we share on safety of all on campus.
