NEWS RELEASE

NEWEST CANINE TEAM CERTIFIED

Officer Tiffany Farmer, our first female canine handler, obtained her National Police Canine Association certification with her K9 Partner Jax today! The joy and excitement of your first certification is a milestone that can only be understood by those few select officers that have been blessed to be a handler. In many areas and for many people certification is a goal, not so with Officer Tiffany Farmer. This is but a hesitation as she embarks on more training, learning and developing of this critical law enforcement skill. Her desire, dedication and drive can only be matched by that of her K9 partner Jax a Belgian Malinois.

This chapter of her career continues as she heads down to the Department of Corrections K9 Academy for 8 weeks of developing the skills started by our home K9 Training Team lead by Sgt. Mike Pereda and Officer Dave McNally. They have laid the very critical foundation for her to launch into success as a handler.

When she returns and joins Officer Dave McNally and his K9 Partner Gus on the road there will be no place for those with drugs, using drugs or transporting drugs to hide.

We know she will be successful, we know she will an example to others and we know she will represent our agency with pride! Congratulations!
