AGENDA ITEM TITLE:
Presentation and discussion regarding an update on the Mayoral Youth Council program.

SITUATION & ANALYSIS:
The Mayor's Youth Council (MYC) is a leadership opportunity for high school students to learn about our community and provide valuable feedback to elected leaders.

Participants are asked to volunteer in a variety of capacities as well as assist the Chino Valley Town Council in identifying and finding solutions to topics impacting our residents. MYC advises Mayor and Town Council regarding youth issues and related matters to the town.

MYC is a year-long program where students interact with the Mayor, Town Council and staff to learn the ins and outs of town government. MYC members will hold their own monthly meetings, participate in community service opportunities and events, tour town departments and projects, and research current town issues.

Students who successfully complete the requirements of the MYC program participate in a special graduation ceremony with the Mayor and their friends and family in attendance.

PROGRAM REQUIREMENTS

1. To be eligible for MYC, youth must live in Chino Valley, attend High School in Chino Valley and be in 9th-12th grade.
2. Each member must make a minimum nine-month commitment to the program (September to May).
3. Attendance is mandatory at the meetings and only two excused absences (unless unforeseen circumstances) are permitted. If you have multiple absences and/or do not actively participate in the program, you may be removed from the MYC.
4. Each member must attend at least one council meeting and one board or commission meeting during the program.
5. MYC is committed to community service. Each student must complete at least 8 hours of community service benefiting Chino Valley residents per school year. If you do not complete your community service, you will not be eligible to graduate the MYC program. Opportunities for community service will also be made available through the program.
6. The Committee may also be asked to assist the Mayor with various assignments, attend meetings or participate in a focus group on various topics. Participation in these events is voluntary.
YOUTH COUNCIL COMPOSITION / APPOINTED LIAISON

1. 6 high school students from grades 9-12 from Chino Valley High School
2. The appointed liaison or their designee shall serve MYC in an advisory capacity. This member is selected for a one-year term by the Chino Valley MYC.

AGENDA ITEM TITLE:
Consideration and possible action to approve a cooperative purchasing agreement with San Tan Auto Partners, LLC, dba San Tan Ford, to purchase a 2024 Ford F250 support truck for the Streets Division for $54,062.67.

RECOMMENDED ACTION:
Approve the Cooperative Purchasing Agreement with San Tan Ford to purchase a 2024 Ford F250 support truck for the Streets Division for $54,062.67.

SITUATION AND ANALYSIS:
Regarding Fleet purchases for fiscal year 2024. The Fleet is requesting approval to purchase one ¾-ton pickup truck for the Town of Chino Valley Streets Division. These trucks are in constant use and a critical part of supporting Streets division goals.

The Streets division currently has only three support pickup trucks in service. The oldest and highest mileage of these is slated for replacement. This was decided during budget discussions this June. This ¾-ton pickup will be used in fueling operations in support of operating equipment in the field. The money for this purchase has been budgeted. The need for this vehicle has been determined.

The base price for the Ford F250 truck is $54,356.00. The government discount is $6,522.00. With options and sales tax, the total purchase price is $54,062.67. The budgeted amount for this truck in the FY 2024 budget is $65,000. Pertinent information is listed below.

COOPERATIVE PURCHASING AGREEMENT
BETWEEN
THE TOWN OF CHINO VALLEY
AND
SAN TAN AUTO PARTNERS, LLC,
D/B/A SAN TAN FORD

THIS COOPERATIVE PURCHASING AGREEMENT (this “Agreement”) is entered into as of October 10, 2023, between the Town of Chino Valley, an Arizona municipal corporation (the “Town”), and San Tan Auto Partners, LLC, an Arizona limited liability company d/b/a San Tan Ford (the “Vendor”). The Town and the Vendor are the only parties to this Agreement; they are each individually a “Party,” and together they are the “Parties.”

RECITALS

A. After a competitive procurement process, the State of Arizona (the “State”) entered into Contract No. CTR059323, dated March 17, 2022, as amended by Amendment No. 1 (undated) (together, the “State Contract”), with the Vendor for the purchase of new vehicles. A copy of the State Contract is attached hereto as Exhibit A and incorporated herein by reference to the extent not inconsistent with this Agreement.

B. The Town is permitted to purchase such vehicles under the State Contract, at its discretion and with the agreement of the Vendor.

C. The Town and the Vendor desire to enter into this Agreement for the purpose of (i) acknowledging their cooperative contractual relationship under the State Contract and this Agreement, (ii) establishing the terms and conditions by which the Vendor may provide the Town with one Ford F250 truck, as more particularly set forth in Section 2 below (the “Vehicle”), and (iii) setting the maximum aggregate amount to be expended pursuant to this Agreement related to the Vehicle.

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing introduction and recitals, which are incorporated herein by reference, the following mutual covenants and conditions, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Town and the Vendor hereby agree as follows:

1. Term of Agreement. This Agreement shall be effective as of the date first set forth above and shall remain in full force and effect until June 30, 2024, unless terminated as otherwise provided in this Agreement or the State Contract.

2. Scope of Work. The Vendor shall provide the Vehicle to the Town under the terms and conditions of the State Contract and in the configuration set forth in the Purchase Order attached hereto as Exhibit B and incorporated herein by reference.
3. **Inspection; Acceptance.** The Vehicle is subject to final inspection and acceptance by the Town. A Vehicle failing to conform to the requirements of this Agreement and/or the State Contract will be held at the Vendor’s risk and may be returned to the Vendor. If so returned, all costs are the responsibility of the Vendor. Upon discovery of a non-conforming Vehicle, the Town may elect to do either of the following by written notice to the Vendor: (i) waive the non-conformance or (ii) bring the Vehicle into compliance and withhold the cost of same from any payments due to the Vendor.

4. **Compensation.** The Town shall pay the Vendor an amount not to exceed $54,062.67 for the Vehicle at the unit rate set forth in the State Contract and as more particularly set forth in the Purchase Order.

5. **Payments.** The Town shall pay the Vendor upon delivery and acceptance of the Vehicle and upon submission and approval of the invoice. The invoice shall (i) contain a reference to this Agreement and the State Contract and (ii) document the Vehicle delivered and accepted to date. Additionally, an invoice submitted without referencing this Agreement and the State Contract will be subject to rejection and may be returned.

6. **Records and Audit Rights.** To ensure that the Vendor and its subcontractors are complying with the warranty under Section 7 below, the Vendor’s and its subcontractors’ books, records, correspondence, accounting procedures and practices, and any other supporting evidence relating to this Agreement, including the papers of any of the Vendor’s and its subcontractors’ employees who perform any work or services pursuant to this Agreement (all of the foregoing hereinafter referred to as “Records”), shall be open to inspection and subject to audit and/or reproduction during normal working hours by the Town, to the extent necessary to adequately permit evaluation of the Vendor’s and its subcontractors’ compliance with the Arizona employer sanctions laws referenced in Section 7 below. To the extent necessary for the Town to audit Records as set forth in this Section, the Vendor and its subcontractors hereby waive any rights to keep such Records confidential. For the purpose of evaluating or verifying such actual or claimed costs or units expended, the Town shall have access to said Records, even if located at its subcontractors’ facilities, from the effective date of this Agreement for the duration of the work and until three years after the date of final payment by the Town to the Vendor pursuant to this Agreement. The Vendor and its subcontractors shall provide the Town with adequate and appropriate workspace so that the Town can conduct audits in compliance with the provisions of this Section. The Town shall give the Vendor or its subcontractors reasonable advance notice of intended audits. The Vendor shall require its subcontractors to comply with the provisions of this Section by insertion of the requirements hereof in any subcontract pursuant to this Agreement.

7. **E-Verify Requirements.** To the extent applicable under **ARIZ. REV. STAT. § 41-4401,** the Vendor and its subcontractors warrant compliance with all federal immigration laws and regulations that relate to their employees and their compliance with the E-Verify requirements under **ARIZ. REV. STAT. § 23-214(A).** The Vendor’s or its subcontractors’ failure to comply with such warranty shall be deemed a material breach of this Agreement and may result in the termination of this Agreement by the Town.

8. **Israel.** To the extent **ARIZ. REV. STAT. § 35-393 through § 35-393.03** apply, the Parties hereby certify that they are not currently engaged in, and agree to not engage in for the
duration of this Agreement, a “boycott” of goods or services from Israel, as that term is defined in ARIZ. REV. STAT. § 35-393.

9. **Conflict of Interest.** This Agreement may be canceled by the Town pursuant to ARIZ. REV. STAT. § 38-511.

10. **Applicable Law; Venue.** This Agreement shall be governed by the laws of the State of Arizona, and a suit pertaining to this Agreement may be brought only in courts in Yavapai County, Arizona.

11. **Agreement Subject to Appropriation.** The Town is obligated only to pay its obligations set forth in this Agreement as may lawfully be made from funds appropriated and budgeted for that purpose during the Town’s then-current fiscal year. The Town’s obligations under this Agreement are current expenses subject to the “budget law” and the unfettered legislative discretion of the Town concerning budgeted purposes and appropriation of funds. Should the Town elect not to appropriate and budget funds to pay its Agreement obligations, this Agreement shall be deemed terminated at the end of the then-current fiscal year term for which such funds were appropriated and budgeted for such purpose, and the Town shall be relieved of any subsequent obligation under this Agreement. The Parties agree that the Town has no obligation or duty of good faith to budget or appropriate the payment of the Town’s obligations set forth in this Agreement in any budget in any fiscal year other than the fiscal year in which this Agreement is executed and delivered. The Town shall be the sole judge and authority in determining the availability of funds for its obligations under this Agreement. The Town shall keep the Vendor informed as to the availability of funds for this Agreement. The Town shall make any payment pursuant to this Agreement is not a general obligation or indebtedness of the Town. The Vendor hereby waives any and all rights to bring any claim against the Town from or relating in any way to the Town’s termination of this Agreement pursuant to this Section.

12. **Conflicting Terms.** In the event of any inconsistency, conflict, or ambiguity among the terms of this Agreement, including any amendments, the State Contract, the Purchase Order, and the invoice, the documents shall govern in the order listed herein. Notwithstanding the foregoing, and in conformity with Section 2 above, unauthorized exceptions, conditions, limitations, or provisions in conflict with the terms of this Agreement or the State Contract (collectively, the “Unauthorized Conditions”), other than the Town’s project-specific requirements, are expressly declared void and shall be of no force and effect. Acceptance by the Town of any invoice containing any such Unauthorized Conditions or failure to demand full compliance with the terms and conditions set forth in this Agreement or under the State Contract shall not alter such terms and conditions or relieve the Vendor from, nor be construed or deemed a waiver of, its requirements and obligations in the performance of this Agreement.

13. **Rights and Privileges.** To the extent provided under the State Contract, the Town shall be afforded all of the rights and privileges afforded to the State and shall be the “State” (as defined in the State Contract) for the purposes of the portions of the State Contract that are incorporated herein by reference.

14. **Indemnification; Insurance.** In addition to and in no way limiting the provisions set forth in Section 13 above, the Town shall be afforded all of the insurance coverage and
indemnifications afforded to the State to the extent provided under the State Contract, and such insurance coverage and indemnifications shall inure and apply with equal effect to the Town under this Agreement including, but not limited to, the Vendor’s obligation to provide the indemnification and insurance.

15. Notices and Requests. Any notice or other communication required or permitted to be given under this Agreement shall be in writing and shall be deemed to have been duly given if (i) delivered to the Party at the address set forth below, (ii) deposited in the U.S. Mail, registered or certified, return receipt requested, to the address set forth below, or (iii) given to a recognized and reputable overnight delivery service, to the address set forth below:

or at such other address, and to the attention of such other person or officer, as any Party may designate in writing by notice duly given pursuant to this subsection. Notices shall be deemed received (i) when delivered to the Party, (ii) three business days after being placed in the U.S. Mail, properly addressed, with sufficient postage, or (iii) the following business day after being given to a recognized overnight delivery service, with the person giving the notice paying all required charges and instructing the delivery service to deliver on the following business day. If a copy of a notice is also given to a Party’s counsel or other recipient, the provisions above governing the date on which a notice is deemed to have been received by a Party shall mean and refer to the date on which the Party, and not its counsel or other recipient to which a copy of the notice may be sent, is deemed to have received the notice.

16. Forced Labor of Ethnic Uyghurs. To the extent applicable under ARIZ. REV. STAT. § 35-394, the Vendor warrants and certifies that it does not currently, and agrees that it will not for the duration of this Agreement use the forced labor, any goods or services produced by the forced labor, or any contractors, subcontractors, or suppliers that use the forced labor or any goods or services produced by the forced labor of ethnic Uyghurs in the People’s Republic of China. If the Vendor becomes aware that it is not in compliance with this paragraph, it shall notify the Town of the noncompliance within five business days of becoming aware of it. If the Vendor fails to provide a written certification that it has remedied the noncompliance within 180 days after that, this Agreement shall terminate unless the termination date of this Agreement occurs before the end of the remedy, in which case this Agreement terminates on its termination date.
17. **Counterparts.** This Agreement may be executed simultaneously or in counterparts, each of which constitutes an original, but all of which together constitute one and the same Agreement.

IN WITNESS WHEREOF, the Parties hereto have executed this Agreement as of the date and year first set forth above.

1. **Statement of Need**

1.1. Pursuant to the Arizona Procurement Code, A.R.S. §41-2501 et seq., the State of Arizona Department of Transportation (Department), has a requirement for New Vehicle Purchase.

2. **Introduction and Background**

2.1 The State of Arizona Department of Transportation (Department) is seeking to contract with a qualified vendor(s) who can provide new vehicles (all fuel types, hybrid, and full electric) including but not limited to: Sedans, Trucks up to 19,500 GVWR, Vans, Sport Utility Vehicles (SUVs), and Crossovers for the State of Arizona and participating Eligible Agencies. These vehicles will be used to support official organizational goals. These vehicles will be used on highways, city/county roads and shall be designed to operate under typical Arizona ambient temperatures.

2.2 Background: The State and its Eligible Agencies currently spend an estimated twenty-one million dollars in the purchase of new vehicles annually.

2.3 The following are the Three Categories covered in this Scope of Work:
- **Category One: Phase One (1) Vehicle Purchases**
- **Category Two: Phase Two (2) Vehicle Purchases**
- **Category Three: FTA Funded Vehicles**

3. **General Requirements**

3.1 Vehicles shall be new and supplied with all equipment and accessories indicated as standard equipment in the manufacturer’s published literature (or website). Optional equipment necessary to meet the minimum requirements shall be included.

3.2 All vehicles ordered through Phase 1 (off the line) shall be Manufacturer's current year models in production throughout the term of this contract and shall be serviced completely by the vendor before delivery and ready in all respects for use. For the initial contract period; vehicles shall be new model year 2022 or greater.

3.3 Vehicles ordered through Phase 2 (on the lot) shall have less than 100 original odometer miles and be new (have never been previously owned) unless pre-approved in writing by the Eligible Agency.

3.4 All vehicles shall meet requirements of applicable Arizona Motor Vehicle laws and all other applicable Federal Motor Vehicle Safety Standards (including the Federal Bridge Formula), whether or not such requirements are specified in detail.

3.5 For Phase Two (2) vehicles, the Contractor shall supply a quote within five (5) calendar days after receiving a request from the Eligible Agency. The quotation shall include but not be limited to the following information: State contract number, vehicle availability and delivery lead-time, Vehicle Identification Number (VIN), dealer stock number, vehicle base bid price, itemized options, applicable tax, delivery cost, total price, and point of contact. For vehicles requiring up-fit/modifications, all applicable cost may be included in quotation or as a separate quotation.
3.6 Delivery location shall be identified on the issuing agency purchase order. Deliveries shall be made within 120 days of receipt of purchase orders, unless factory delays make this impossible. Dealer shall notify the ordering agency of such delays along with a revised delivery estimate from the factory immediately after it becomes known. If the manufacturer has a website available to check order status, this information will be shown in space provided on Offer Response Form.

3.7 All deliveries shall be made Monday through Friday from 8:00 A.M. to 2:00 P.M. The Contractor shall be required to give the using agency a minimum of 24-hour notification prior to delivery with the anticipated time of delivery and number of units to be delivered.

3.8 All vehicles shall be delivered with four (4) entrance tools and a full tank(s) of fuel, less delivery fuel.

3.9 The following documents shall be provided upon delivery of the vehicle(s):
   - 3.9.1 M.S.O. (Manufacturer Statement of Origin) that includes the odometer statement
   - 3.9.2 Warranty Document
   - 3.9.3 Manufacturers unaltered invoice
   - 3.9.4 Delayed warranty / in service start request form (if requested by ordering entity)
   - 3.9.5 Level 1 Inspection if applicable, completed before delivery

3.10 For Phase One (1) the Contractor shall provide the Eligible Agency copies of the manufacturer's vehicle identification numbers (VIN#) to confirm vehicles have been ordered unless impossible due to manufacture delay within ninety (90) calendar days after receipt of a purchase order. If confirmation of manufacturer's VIN #(s) is not received within this timeframe the Eligible Agency has the option to award to the second lowest bidder meeting specifications. This shall be considered a mandatory requirement and the timeframe must be met unless there is a manufacture delay. Failure to provide this document for each vehicle ordered may be cause for determination of default of contract.

4 Specific Requirements

4.1 The Contractors are encouraged to provide a full line of new vehicles (gasoline, hybrid, full electric) including but not limited to the following categories: Sedans, Trucks up to 19,500 GVWR, Vans (cargo, passenger, transit, etc.), Sport Utility Vehicles (SUVs), and Crossovers. Eligible Agencies throughout the State will have varying vehicle needs. Contractors are to provide a full line of manufactured new vehicles and all subsequent variants of each vehicle; including but not be limited to: models and manufacturer options, trim package, etc. to meet each need of an Eligible Agency.

4.2 As new model year vehicles become available, vendor shall submit pricing at either the same rate as the previous model, or submit a request for an increase or decrease based only on the manufacturer’s increase or decrease. Documentation must be submitted to the Procurement Officer within 30 days of the effective date of change. New model year vehicles cannot be offered without approval from the Procurement Officer.

4.3 The following fuel types are allowable under this contract are to include but are not limited too.
   - 4.3.1 Flexible Fuel Vehicles (FFV) also called Ethanol or E85
   - 4.3.2 Diesel
4.3.3 Gasoline
4.3.4 Compressed Natural Gas (CNG): CNG systems must be O.E.M. or O.E.M. approved
4.3.5 Hybrid-Electric Vehicles (HEV)
4.3.6 Plug-in Hybrid Electric Vehicles (PHEV)
4.3.7 Electric Vehicles (EV) also called Battery Electric Vehicles (BEV)
4.3.8 Fuel Cell Vehicles (FCV)

4.4 Vehicle Up-fit / Modifications

4.4.1 The Eligible Agency may request the awarded Contractor(s) to up-fit/modify any vehicle for specific organizational needs. For example, the cab and chassis of ½ ton, ¾ ton, and/or up to 19,500 GVW trucks may require a specialized body (i.e.: dump body, landscape body, etc.). Other vehicles may require interior and/or exterior modifications per the individual Eligible Agency.

4.4.2 The Eligible Agency will supply all up-fit/ modification requests to the Contractor. The Contractor shall identify any conditions that apply to the up-fit/modification on a quotation to the Eligible Agency for review before any work commences.

4.5 Minimum Vehicle Requirements: All prices shall include the following equipment:

4.5.1 All standard factory equipment
4.5.2 Automatic transmission [maximum towing.Payload capacity shall be provided upon request]

4.6.2 Skid plate package and anti-slip differential for four-wheel drive vehicles

4.6.3 Front tow hooks

5  Contractor’s Responsibilities

Contractor shall be responsible for processing the registration, licensing, title and plating of all new vehicles ordered only if requested by the Eligible Agency.

6  Department’s Responsibilities

The Eligible Agencies will provide final acceptance and approval of any equipment and services delivered
1. **CONTRACT TERM**

   The term of any resultant contract shall commence on the effective day of award and shall continue for a period of twelve months (12) thereafter, unless terminated, cancelled or extended as otherwise provided herein.

2. **CONTRACT EXTENSION**

   By mutual written contract amendment, any resultant contract may be extended for supplemental periods of up to a maximum of forty-eight (48) months.

3. **ELIGIBLE AGENCIES**

   This contract shall be for the use of all State of Arizona departments, agencies and boards. In addition, eligible universities, political subdivisions and nonprofit educational or public health institutions may participate at their discretion. In order to participate in any resultant contract, a university, political subdivision or nonprofit educational or public health institution must have entered into a cooperative purchasing agreement with the State Procurement Office as required by Arizona Revised Statutes §41-2632.

4. **NON-EXCLUSIVE CONTRACT**

   This contract shall be for the sole convenience of the Department. The Department reserves the right to obtain like goods or services from another source when necessary. The Off-Contract Purchase Authorization and subsequent procurement shall be consistent with the Arizona Procurement Code.

5. **ORDERING PROCESS**

   The Department shall issue a purchase order to the Contractor. Each purchase order must cite the contract number. This purchase order shall be the only document required for the Department to order and the Contractor to deliver the material and/or service.

   Any attempts to represent any material and/or service not specifically awarded as being under contract is a breach of the contract and a violation of the Arizona Procurement Code. Any such action is subject to the legal and contractual remedies available to the State inclusive of but not limited to contract cancellation, suspension and/or debarment of the Contractor.

6. **SHIPPING TERMS**

   Delivery shall be F.O.B. Destination to the location designated herein. Contractor shall retain title and control of all goods until they are delivered. All risk of transportation and related charges shall be the responsibility of the Contractor. All claims for visible or concealed damage shall be filed by the Contractor. The Department will notify the Contractor promptly of any damaged goods and shall assist the Contractor in arranging for inspection.
7. **DELIVERY**

Contract prices shown for each vehicle include delivery cost within a sixty (60) mile radius of Phoenix. For the purpose of this contract, the address used for mapping the radius within Phoenix will be as follows:

Equipment services shop/ADOT
2225 S 22nd Ave, Phoenix, AZ 85009

Delivery costs for each county outside of the Phoenix area shall be indicated on Offer Response form. This will be an added cost to the contract price. Deliveries shall be completed in accordance with the requirements of the contract. Delivery of the product does not constitute acceptance.

8. **INSPECTION AND ACCEPTANCE**

Each item delivered shall be subject to a complete inspection by the Department within 10 days after delivery. Inspection criteria shall include, but not be limited to, conformity to the specifications, workmanship, quality and materials.

If the delivered product is not accepted and returned for corrective action, an additional fifteen (15) calendar days shall be allowed for inspection of the corrected or replacement product.

The Contractor shall be responsible for the transport of the material to and from the Department for the correction of items or workmanship not in compliance with the specifications.

Product returned for corrective action may delay payment. Invoices will be processed for payment only after the product is accepted.

9. **INVOICING and PAYMENT**

Contractor shall submit all billing notices or invoices to the Eligible Agency or Co-Op Buyer at the address indicated on the applicable Order document.

Separate invoices are required for each shipment of product or delivery of service and shall include at a minimum:

- Department Location’s Name and Address
- Vendor Name, Remit to Address and Contact Information
- Contract Number
- Purchase Order Number
- Invoice Number and Date
- Date the items were shipped to the Department
- Applicable payment terms
- Contract Line Item Number
- Line Item Description or Item or Service
- Quantity Purchased
SPECIAL TERMS AND CONDITIONS

- Line Item Unit of Measure
- Price per Unit and Total per Unit
- Catalog or Other Discount (if applicable)
- Net Unit Price and Total per Unit (if applicable)
- Applicable taxes (as a separate invoice line item)
- Applicable Shipping/Freight Charges etc. (as a separate invoice line item) Materials only.
- Total Invoice Amount Due

Invoices not sent to the proper address, or not containing the necessary and required information may delay payment. A Contractor whose payments are delayed due to improper invoicing shall make no claim against the Department or the State for late or finance charges.

The Department will make every effort to process payment for the purchase of product within thirty (30) calendar days after the Department has conducted the necessary reviews, inspections and acceptance as described herein.

The department acceptance date will be the valid date for starting the thirty (30) calendar day payment period.

Payment due dates, including discount periods, will be computed from the date of acceptance or date of correct invoice (whichever is later) to the date the Department’s warrant is mailed.

10. ESTIMATED USAGE

The Department anticipates considerable usage under this contract. The Department reserves the right to increase or decrease actual quantities ordered as circumstances may require. No guarantees are made concerning actual purchases under this contract.

11. PRICING

1. Phase 1 and 2 pricing for vehicles shall be a minimum Percentage off MSRP, less the manufacturer’s rebates and any additional discounts available for that model/power-train combination.

   a. Contractor shall provide a copy of manufacturer’s invoice to the ordering agency upon request. The manufacturer’s invoice shall be unaltered to include original pricing from the manufacturer.
   b. Transportation costs to transfer a vehicle from another dealer for a Phase 2 or purchase from stock may be added to the cost of the vehicle. The justification for this cost is at the discretion of the Eligible Agency.
   c. Any reference to Phase 1 pricing shall be in reference to vehicles ordered prior to the factory cut-off date.
   d. Any reference to Phase 2 pricing shall be in reference to vehicles purchased from stock or “on the lot”.
   e. Phase 2 pricing shall receive the same cost considerations as Phase 1 pricing, all discounts and rebates should be passed onto the Eligible Agency.
   f. All vehicles are to be billed at prices in effect at the time of order, not the date of shipment.
SPECIAL TERMS AND CONDITIONS

2 CONTRACTOR’S BEST PRICING: Supplier warrants that, for the term of the Contract, the prices and
discounts set out in the Pricing Documents, including any subsequent agreed amendment to it (the
“Contract Pricing”), will be equal to or better than the lowest prices and largest discounts, both
separately and in combination, at which Contractor sells equivalent items of equipment and
materials.

2.1 That price-plus-discount equivalence (“Contractor’s Best Pricing”) is intended to be irrespective
of whether or not those other sales have special purchase terms, conditions, rebates or
allowances.

2.2 If Contractor’s Best Pricing for equivalent items of equipment and materials is better than the
Contract Pricing, then Contractor agrees to adjust the Contract Pricing to match the Contractor’s
Best Pricing for all sales related to the Contractor made after the date when the Contractor’s
Best Pricing was first better than the Contract Pricing.

2.3 For clarification of intent, that date is intended to be the date when the difference first
occurred, which might have been before the difference was first identified. If it was before, then
Supplier agrees to charge at less than the Contract Pricing until the extended difference that
would have been realized (i.e., if the Contractor’s Best Pricing had been applied when it should
have been) has been settled.

3 PRICING-ALL-INCLUSIVE: Pricing is all-inclusive, including any ancillary fees and costs required to
accomplish the Scope of Work and all aspects of Contractor’s offer as accepted by State. Details of
service not explicitly stated in the Scope of Work or in Contractor’s Offer, but necessarily a part of,
are deemed to be understood by Contractor and included herein. All administrative, reporting, or
other requirements, all overhead costs and profit and any other costs toward the accomplishment
of the requirements in the Contract are included in the pricing provided.

4 LARGE VOLUME DISCOUNT PRICING: An Eligible Agency may seek to obtain additional volume
discount pricing for large orders provided Contractor is willing to offer additional discounts for large
volume orders. No amendment to this Contract is necessary for Contractor to offer discount pricing
to an Eligible Agency for large volume purchases.

5 A price reduction adjustment may be offered at any time during the term of a contract and shall
become effective upon notice through a written contract amendment.

12. PRICE INCREASE

The Department will review fully documented requests for price increases for any contract which will or
has been in effect for twelve (12) months. The request shall be submitted no less than 60 days prior to
the contract renewal date. The Contractor shall provide fully documented information which supports
the price increase request. Fully documented means that the request shall present detailed information
and calculations that make it clear how the claimed increase has an impact on the contract unit prices.
All assumptions regarding cost factors that have an impact on the requested increase shall also be
clearly identified and justified. The requested price increase must be based upon a cost increase that was clearly unpredictable at the time of the offer and can be shown to directly affect the price of the item concerned. Any price increase adjustment request prior to the time of contract extension will be a factor in the extension review process. The Department will determine whether the requested price increase or an alternate option, is in the best interest of the State. All pricing should reflect the minimum percentage of MSRP.

13. **SAFETY STANDARDS**

Items supplied under this contract shall comply with all current applicable safety standards and regulations including the Occupational Safety and Health Standards of the State of Arizona Industrial Commission, the National Electric Code and the National Fire Protection Association Standards.

14. **WARRANTY**

The Contractor warrants:

1. That all services performed hereunder shall conform to the requirements of this contract and shall be performed by qualified personnel in accordance with the highest professional standards.

2. At a minimum all equipment supplied under these specifications shall be fully warranted by the vehicle manufacturer against mechanical and electrical defects for a minimum period of thirty-six (36) months from the date vehicle is placed in service.

3. This warranty shall cover such items as actual repair labor, parts, and shipping charges to and from the nearest service facility or other designated repair depot.

4. Any defects of design, workmanship or material, shall be fully corrected by the vendor without cost to the state agency or political subdivision.

5. The written warranty shall be included with the delivered vehicles to the Eligible Agency. The warranty terms shall be stated on Attachment 3-A, where indicated. Failure to provide this general information may result in the offer being rejected.

6. Hybrid / Electric Vehicle Warranty: Hybrid-related components including catalytic convertor, electronic control unit, onboard emissions diagnostic device, high voltage battery, transmission, DC/DC convertor for hybrid vehicles shall be covered for 8 years/100,000 miles, battery for electric vehicles shall be 8/years/100,000 miles and bidder shall indicate limitation of warranty due to voltage and amps. The warranty terms shall be stated where indicated on Attachment 3-A. Failure to provide this general information may result in the bid being rejected.

15. **CURRENT PRODUCTS**

All products supplied under this contract shall be in current and ongoing production; shall have been formally announced for general marketing purposes; shall be a model or type currently functioning in a user (paying customer) environment and capable of meeting or exceeding all specifications and requirements set forth in the contract.

16. **PRODUCT DISCONTINUANCE**
In the event that a product or model is discontinued by the manufacturer, the Department at its sole discretion may allow the Contractor to provide a substitute for the discontinued item. The Contractor shall request authorization to substitute a new product or model and provide the following:

1. A formal announcement from the manufacturer that the product or model has been discontinued.

2. Documentation from the manufacturer that names the replacement product or model.

3. Documentation that provides clear and convincing evidence that the replacement meets or exceeds all specifications required by the original solicitation.

4. Documentation that provides clear and convincing evidence that the replacement will be compatible with all the functions or uses of the discontinued product or model.

5. Documentation confirming that the price for the replacement is the same as or less than the discontinued product or model.

17. CONTRACT ADMINISTRATION

The Contractor shall contact the assigned Procurement Officer for guidance or direction in matters of contract interpretation or questions regarding the terms, conditions or scope of the contract.

18. NOTICES

All notices, requests, demands, consents, approvals, and other communications which may or are required to be served or given hereunder (for the purposes of this provisions collectively called “Notices”), shall be in writing and shall be sent by certified United States mail, return receipt requested, or by any other method that provides evidence of receipt, addressed to the party or parties to receive such notice as follows:

A. If intended for the State, to:

Arizona Department of Transportation, Procurement Group
1739 W. Jackson Street, MD 100P
Phoenix, Arizona 85007-3276

B. If intended for the Contractor, to the address as identified in the Contractor’s electronic vendor profile. Or to such other address as either party may from time to time furnish in writing to the other by notice hereunder. Any notice so mailed shall be deemed to have been given as of the date such notice is received as shown on the return receipt. Furthermore, such notice may be given by delivering personally such notice, if intended for the State, to the Arizona Department of Transportation, Procurement Officer and, if intended for the Contractor, to the person named on the Offer & Contract Award of this contract, or to such other person as either party may from time to time furnish in writing to the other by notice hereunder. Any notice so delivered shall be deemed to have been given as of the date such notice is personally delivered to the other party.
19. CANCELLATION FOR POSSESSION OF WEAPONS ON ADOT PROPERTY

This contract may be cancelled if Contractor or any subcontractors or others in the employ or under the supervision of the Contractor or subcontractors is found to be in possession of weapons.

Possession of weapons (firearms, explosive device, knife or blade of more than three inches, or any other instrument designed for lethal or disabling use) is prohibited on ADOT property.

Further, if the Contractor or any subcontractors or others in the employ or under the supervision of the Contractors or subcontractors are asked by an ADOT official to leave the ADOT property, they are advised that failure to comply with such a request shall result in cancellation of the contract and anyone who refuses, whether armed or not, is subject to prosecution under A.R.S. § 13-1502, "Criminal trespass in the third degree; classification."

20. INDEMNIFICATION CLAUSE

To the fullest extent permitted by law, Contractor shall defend, indemnify, and hold harmless the State of Arizona, and its departments, agencies, boards, commissions, universities, officers, officials, agents, and employees (hereinafter referred to as “Indemnitee”) from and against any and all claims, actions, liabilities, damages, losses, or expenses (including court costs, attorneys’ fees, and costs of claim processing, investigation and litigation) (hereinafter referred to as “Claims”) for bodily injury or personal injury (including death), or loss or damage to tangible or intangible property caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of Contractor or any of its owners, officers, directors, agents, employees or subcontractors. This indemnity includes any claim or amount arising out of, or recovered under, the Workers’ Compensation Law or arising out of the failure of such Contractor to conform to any federal, state, or local law, statute, ordinance, rule, regulation, or court decree. It is the specific intention of the parties that the Indemnitee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by Contractor from and against any and all claims. It is agreed that Contractor will be responsible for primary loss investigation, defense, and judgment costs where this indemnification is applicable. In consideration of the award of this contract, the Contractor agrees to waive all rights of subrogation against the State of Arizona, its officers, officials, agents, and employees for losses arising from the work performed by the Contractor for the State of Arizona. This indemnity shall not apply if the contractor or sub-contractor(s) is/are an agency, board, commission or university of the State of Arizona.

21. INSURANCE REQUIREMENTS

21.1 Contractor and subcontractors shall procure and maintain, until all of their obligations have been discharged, including any warranty periods under this Contract, insurance against claims for injury to persons or damage to property arising from, or in connection with, the performance of the work hereunder by the Contractor, its agents, representatives, employees or subcontractors.

21.2 The Insurance Requirements herein are minimum requirements for this Contract and in no way limit the indemnity covenants contained in this Contract. The State of Arizona in no way
warrants that the minimum limits contained herein are sufficient to protect the Contractor from liabilities that arise out of the performance of the work under this Contract by the Contractor, its agents, representatives, employees or subcontractors, and the Contractor is free to purchase additional insurance.

21.3 Minimum Scope and Limits of Insurance Contractor shall provide coverage with limits of liability not less than those stated below.

21.3.1 Commercial General Liability (CGL) – Occurrence Form

• Each Occurrence $1,000,000

a. The policy shall be endorsed, as required by this written agreement, to include the State of Arizona, and its departments, agencies, boards, commissions, universities, officers, officials, agents, and employees as additional insureds with respect to liability arising out of the activities performed by, or on behalf of, the Contractor.

b. Policy shall contain a waiver of subrogation endorsement, as required by this written agreement, in favor of the State of Arizona, and its departments, agencies, boards, commissions, universities, officers, officials, agents, and employees for losses arising from work performed by or on behalf of the Contractor.

21.3.2 Business Automobile Liability

Bodily Injury and Property Damage for any owned, hired, and/or non-owned automobiles used in the performance of this Contract.

• Combined Single Limit (CSL) $1,000,000

a. Policy shall be endorsed, as required by this written agreement, to include the State of Arizona, and its departments, agencies, boards, commissions, universities, officers, officials, agents, and employees as additional insureds with respect to liability arising out of the activities performed by, or on behalf of, the Contractor involving
automobiles owned, hired and/or non-owned by the Contractor.

b. Policy shall contain a waiver of subrogation endorsement as required by this written agreement in favor of the State of Arizona, and its departments, agencies, boards, commissions, universities, officers, officials, agents, and employees for losses arising from work performed by or on behalf of the Contractor.

21.3.3 Workers’ Compensation and Employers’ Liability

- Workers’ Compensation: Statutory
- Employers’ Liability
  - Each Accident: $1,000,000
  - Disease – Each Employee: $1,000,000
  - Disease – Policy Limit: $1,000,000

a. Policy shall contain a waiver of subrogation endorsement, as required by this written agreement, in favor of the State of Arizona, and its departments, agencies, boards, commissions, universities, officers, officials, agents, and employees for losses arising from work performed by or on behalf of the Contractor.

b. This requirement shall not apply to each Contractor or subcontractor that is exempt under A.R.S. § 23-901, and when such Contractor or subcontractor executes the appropriate waiver form (Sole Proprietor or Independent Contractor).

21.4 Additional Insurance Requirements The policies shall include, or be endorsed to include, as required by this written agreement, the following provisions:

21.4.1 The Contractor’s policies, as applicable, shall stipulate that the insurance afforded the Contractor shall be primary and that any insurance carried by the Department, its agents, officials, employees or the State of Arizona shall be excess and not contributory insurance, as provided by A.R.S. § 41-621 (E).

21.4.2 Insurance provided by the Contractor shall not limit the Contractor’s liability assumed under the indemnification provisions of this Contract.

21.5 Notice of Cancellation Applicable to all insurance policies required within the Insurance Requirements of this Contract, Contractor’s insurance shall not be permitted to expire, be suspended, be canceled, or be materially changed for any reason without thirty (30) days prior written notice to the State of Arizona. Within two (2) business days of receipt, Contractor must provide notice to the State of Arizona if they receive notice of a policy that has been or will be suspended, canceled, materially changed for any reason, has expired, or will be expiring. Such notice shall be sent directly to the Department and shall be mailed, emailed, hand delivered or sent by facsimile transmission to (State Representative’s Name, Address & Fax Number).

21.6 Acceptability of Insurers Contractor’s insurance shall be placed with companies licensed in the State of Arizona or hold approved non-admitted status on the Arizona Department of Insurance List of Qualified Unauthorized Insurers. Insurers shall have an “A.M. Best” rating of
not less than A-VII. The State of Arizona in no way warrants that the above-required minimum insurer rating is sufficient to protect the Contractor from potential insurer insolvency.

21.7 Verification of Coverage Contractor shall furnish the State of Arizona with certificates of insurance (valid ACORD form or equivalent approved by the State of Arizona) evidencing that Contractor has the insurance as required by this Contract. An authorized representative of the insurer shall sign the certificates.

21.7.1 All such certificates of insurance and policy endorsements must be received by the State before work commences. The State’s receipt of any certificates of insurance or policy endorsements that do not comply with this written agreement shall not waive or otherwise affect the requirements of this agreement.

21.7.2 Each insurance policy required by this Contract must be in effect at, or prior to, commencement of work under this Contract. Failure to maintain the insurance policies as required by this Contract, or to provide evidence of renewal, is a material breach of contract.

21.7.3 All certificates required by this Contract shall be sent directly to the Department. The State of Arizona project/contract number and project description shall be noted on the certificate of insurance. The State of Arizona reserves the right to require complete copies of all insurance policies required by this Contract at any time.

21.8 Subcontractors Contractor’s certificate(s) shall include all subcontractors as insureds under its policies or Contractor shall be responsible for ensuring and/or verifying that all subcontractors have valid and collectable insurance as evidenced by the certificates of insurance and endorsements for each subcontractor. All coverages for subcontractors shall be subject to the minimum Insurance Requirements identified above. The Department reserves the right to require, at any time throughout the life of the Contract, proof from the Contractor that its subcontractors have the required coverage.

21.9 Approval and Modifications the Contracting Agency, in consultation with State Risk, reserves the right to review or make modifications to the insurance limits, required coverages, or endorsements throughout the life of this contract, as deemed necessary. Such action will not require a formal Contract amendment but may be made by administrative action.

21.10 Exceptions In the event the Contractor or subcontractor(s) is/are a public entity, then the Insurance Requirements shall not apply. Such public entity shall provide a certificate of self-insurance. If the Contractor or subcontractor(s) is/are a State of Arizona agency, board, commission, or university, none of the above shall apply.

22. USAGE REPORT

The Contractor shall furnish Two (2) Usage reports, the first to the Department on a quarterly basis showing purchasing activity under this contract. This usage report shall be provided in a form substantially equivalent to Exhibit 03. Usage reports shall be submitted to the Procurement Officer no later than 30 days after the end of each quarter.
Usage report quarters shall be defined as follows:

- January through March – Report due April 30
- April through June – Report due July 30
- July through September – Report due October 30
- October through December – Report due January 30

Contractor shall submit the second to the State documenting all Contract sales to both Eligible Agencies and Co-Op Buyers, itemized separately. A Quarterly Usage Report shall still be submitted; even if there have been no sales to either Eligible Agencies and/or Co-Op Buyers. Contractor shall further itemize divisions, groups or areas within a given Eligible Agency if they place Orders independently of each other. Failure to submit the report is a material breach of contract, and will entitle State to its remedies under Article 8 and its right to terminate for default under Article 9. Contractor shall submit the report using the forms and following the instructions on the State Procurement Office website:

https://spo.az.gov/contractor-resources/statewide-contracts-administrative-fee

23. CONTRACT ORDER OF PRECEDENCE

In the event of a conflict in the provisions of the Contract, as accepted by the Department and as they may be amended, the following shall prevail in the order set forth below:

- Federal Provisions
- Special Terms and Conditions
- Uniform Terms and Conditions
- Statement or Scope of Work
- Specifications
- Attachments
- Exhibits
- Special Instructions to Offerors
- Uniform Instructions to Offerors
- Other documents referenced or included in the Solicitation

24. LICENSES, PERMITS, CERTIFICATIONS

Contractor, at their expense, shall maintain in current status without any violations, complaints, or suspensions during the term of this contract all Federal, State and Local licenses, permits and certifications required for the operation of a business conducted by the Contractor.

25. CO-OP USAGE

Contractor shall verify if an ordering entity is a bona fide Co-Op Buyer before selling Materials to or providing Services for them under the Contract. The current list of Co-Op Buyers is available on the State Procurement Office website:

https://spo.az.gov/contractor-resources/statewide-contracts-administrative-fee
Contractor shall sell to Co-Op Buyers at the same price, and with the same lead times and other terms and conditions under which it sells to Eligible Agencies. With the sole exception of any legitimate additional costs for extraordinary shipping, or delivery requirements, if the Co-Op Buyer is having Materials delivered or installed or Services performed at locations not contemplated in the contracted pricing (e.g. delivery to a location outside Arizona).

Contractor shall acknowledge each Order from Co-Op Buyers in conformance with each buyer’s instructions given at the time of ordering or in any supplemental participating agreement Contractor might have with them. Orders from Co-Op Buyers create no obligation on State’s part, since they are entirely between the Co-Op Buyer and Contractor. That notwithstanding, Contractor’s obligation under the Contract is to service Co-Op Buyers commercially as though they were with an Eligible Agency, and Contractor’s refusal to do so would be a material breach of the Contract.

26. POST AWARD MEETING

At the discretion of the Department, the Contractor, at their expense, shall attend and participate in post award meetings as scheduled by the Procurement Officer.
1. Definition of Terms

As used in this Solicitation and any resulting Contract, the terms listed below are defined as follows:

1.1. “Attachment” means any item the Solicitation requires the Offeror to submit as part of the Offer.

1.2. “Contract” means the combination of the Solicitation, including the Uniform and Special Instructions to Offerors, the Uniform and Special Terms and Conditions, and the Specifications and Statement or Scope of Work; the Offer and any Best and Final Offers; and any Solicitation Amendments or Contract Amendments.

1.3. "Contract Amendment" means a written document signed by the Procurement Officer that is issued for the purpose of making changes in the Contract.

1.4. “Contractor” means any person who has a Contract with the State.

1.5. “Days” means calendar days unless otherwise specified.

1.6. “Exhibit” means any item labeled as an Exhibit in the Solicitation or placed in the Exhibits section of the Solicitation.

1.7. “Gratuity” means a payment, loan, subscription, advance, deposit of money, services, or anything of more than nominal value, present or promised, unless consideration of substantially equal or greater value is received.

1.8. “Materials” means all property, including equipment, supplies, printing, insurance and leases of property but does not include land, a permanent interest in land or real property or leasing space.

1.9. “Procurement Officer” means the person, or his or her designee, duly authorized by the State to enter into and administer Contracts and make written determinations with respect to the Contract.

1.10. “Services” means the furnishing of labor, time or effort by a contractor or subcontractor which does not involve the delivery of a specific end product other than required reports and performance, but does not include employment agreements or collective bargaining agreements.

1.11. “Subcontract” means any Contract, express or implied, between the Contractor and another party or between a subcontractor and another party delegating or assigning, in whole or in part, the making or furnishing of any material or any service required for the performance of the Contract.

1.12. “State” means the State of Arizona and Department or Agency of the State that executes the Contract.

1.13. “State Fiscal Year” means the period beginning with July 1 and ending June 30.

2. Contract Interpretation

2.1. Arizona Law. The Arizona law applies to this Contract including, where applicable, the Uniform Commercial Code as adopted by the State of Arizona and the Arizona
2.2. **Implied Contract Terms.** Each provision of law and any terms required by law to be in this Contract are a part of this Contract as if fully stated in it.

2.3. **Contract Order of Precedence.** In the event of a conflict in the provisions of the Contract, as accepted by the State and as they may be amended, the following shall prevail in the order set forth below:

- Federal Provisions
- Special Terms and Conditions
- Uniform Terms and Conditions
- Statement or Scope of Work
- Specifications
- Attachments
- Exhibits
- Special Instructions to Offerors
- Uniform Instructions to Offerors
- Other documents referenced or included in the Solicitation

2.4. **Relationship of Parties.** The Contractor under this Contract is an independent Contractor. Neither party to this Contract shall be deemed to be the employee or agent of the other party to the Contract.

2.5. **Severability.** The provisions of this Contract are severable. Any term or condition deemed illegal or invalid shall not affect any other term or condition of the Contract.

2.6. **No Parole Evidence.** This Contract is intended by the parties as a final and complete expression of their agreement. No course of prior dealings between the parties and no usage of the trade shall supplement or explain any terms used in this document and no other understanding either oral or in writing shall be binding.

2.7. **No Waiver.** Either party’s failure to insist on strict performance of any term or condition of the Contract shall not be deemed a waiver of that term or condition even if the party accepting or acquiescing in the nonconforming performance knows of the nature of the performance and fails to object to it.

3. **Contract Administration and Operation**

3.1. **Records.** Under A.R.S. § 35-214 and § 35-215, the Contractor shall retain and shall contractually require each subcontractor to retain all data and other “records” relating to the acquisition and performance of the Contract for a period of five years after the completion of the Contract. All records shall be subject to inspection and audit by the State at reasonable times. Upon request, the Contractor shall produce a legible copy of any or all such records.

3.2. **Non-Discrimination.** The Contractor shall comply with State Executive Order No. 2009-09 and all other applicable Federal and State laws, rules and regulations, including the Americans with Disabilities Act.
3.3. **Audit.** Pursuant to ARS § 35-214, at any time during the term of this Contract and five (5) years thereafter, the Contractor’s or any subcontractor’s books and records shall be subject to audit by the State and, where applicable, the Federal Government, to the extent that the books and records relate to the performance of the Contract or Subcontract.

3.4. **Facilities Inspection and Materials Testing.** The Contractor agrees to permit access to its facilities, subcontractor facilities and the Contractor’s processes or services, at reasonable times for inspection of the facilities or materials covered under this Contract. The State shall also have the right to test, at its own cost, the materials to be supplied under this Contract. Neither inspection of the Contractor’s facilities nor materials testing shall constitute final acceptance of the materials or services. If the State determines non-compliance of the materials, the Contractor shall be responsible for the payment of all costs incurred by the State for testing and inspection.

3.5. **Notices.** Notices to the Contractor required by this Contract shall be made by the State to the person indicated on the Offer and Acceptance form submitted by the Contractor unless otherwise stated in the Contract. Notices to the State required by the Contract shall be made by the Contractor to the Solicitation Contact Person indicated on the Solicitation cover sheet, unless otherwise stated in the Contract. An authorized Procurement Officer and an authorized Contractor representative may change their respective person to whom notice shall be given by written notice to the other and an amendment to the Contract shall not be necessary.

3.6. **Advertising, Publishing and Promotion of Contract.** The Contractor shall not use, advertise or promote information for commercial benefit concerning this Contract without the prior written approval of the Procurement Officer.

3.7. **Property of the State.** Any materials, including reports, computer programs and other deliverables, created under this Contract are the sole property of the State. The Contractor is not entitled to a patent or copyright on those materials and may not transfer the patent or copyright to anyone else. The Contractor shall not use or release these materials without the prior written consent of the State.

3.8. **Ownership of Intellectual Property.** Any and all intellectual property, including but not limited to copyright, invention, trademark, trade name, service mark, and/or trade secrets created or conceived pursuant to or as a result of this contract and any related subcontract (“Intellectual Property”), shall be work made for hire and the State shall be considered the creator of such Intellectual Property. The agency, department, division, board or commission of the State of Arizona requesting the issuance of this contract shall own (for and on behalf of the State) the entire right, title and interest to the Intellectual Property throughout the world. Contractor shall notify the State, within thirty (30) days, of the creation of any Intellectual Property by it or its subcontractor(s). Contractor, on behalf of itself and any subcontractor(s), agrees to execute any and all document(s) necessary to assure ownership of the Intellectual Property vests in the State and shall take no affirmative actions that might have the effect of vesting all or part of the Intellectual Property in any entity other than the State. The Intellectual Property shall not be disclosed by contractor or its subcontractor(s) to any entity not the
State without the express written authorization of the agency, department, division, board or commission of the State of Arizona requesting the issuance of this contract.

3.9. **Federal Immigration and Nationality Act.** The contractor shall comply with all federal, state and local immigration laws and regulations relating to the immigration status of their employees during the term of the contract. Further, the contractor shall flow down this requirement to all subcontractors utilized during the term of the contract. The State shall retain the right to perform random audits of contractor and subcontractor records or to inspect papers of any employee thereof to ensure compliance. Should the State determine that the contractor and/or any subcontractors be found noncompliant, the State may pursue all remedies allowed by law, including, but not limited to; suspension of work, termination of the contract for default and suspension and/or debarment of the contractor.

3.10 **E-Verify Requirements.** In accordance with A.R.S. § 41-4401, Contractor warrants compliance with all Federal immigration laws and regulations relating to employees and warrants its compliance with Section A.R.S. § 23-214, Subsection A.

3.11 **Offshore Performance of Work Prohibited.**
Any services that are described in the specifications or scope of work that directly serve the State of Arizona or its clients and involve access to secure or sensitive data or personal client data shall be performed within the defined territories of the United States. Unless specifically stated otherwise in the specifications, this paragraph does not apply to indirect or 'overhead' services, redundant back-up services or services that are incidental to the performance of the contract. This provision applies to work performed by subcontractors at all tiers.

4. **Costs and Payments**

4.1. **Payments.** Payments shall comply with the requirements of A.R.S. Titles 35 and 41, Net 30 days. Upon receipt and acceptance of goods or services, the Contractor shall submit a complete and accurate invoice for payment from the State within thirty (30) days.

4.2. **Delivery.** Unless stated otherwise in the Contract, all prices shall be F.O.B. Destination and shall include all freight delivery and unloading at the destination.

4.3. **Applicable Taxes.**

4.3.1. **Payment of Taxes.** The Contractor shall be responsible for paying all applicable taxes.

4.3.2. **State and Local Transaction Privilege Taxes.** The State of Arizona is subject to all applicable state and local transaction privilege taxes. Transaction privilege taxes apply to the sale and are the responsibility of the seller to remit. Failure to collect such taxes from the buyer does not relieve the seller from its obligation to remit taxes.

4.3.3. **Tax Indemnification.** Contractor and all subcontractors shall pay all Federal, state and local taxes applicable to its operation and any persons employed by the Contractor. Contractor shall, and require all subcontractors to hold the State harmless from any responsibility for taxes, damages and interest, if
4.3.4. **IRS W9 Form.** In order to receive payment the Contractor shall have a current I.R.S. W9 Form on file with the State of Arizona, unless not required by law.

4.4. **Availability of Funds for the Next State fiscal year.** Funds may not presently be available for performance under this Contract beyond the current state fiscal year. No legal liability on the part of the State for any payment may arise under this Contract beyond the current state fiscal year until funds are made available for performance of this Contract.

4.5. **Availability of Funds for the current State fiscal year.** Should the State Legislature enter back into session and reduce the appropriations or for any reason and these goods or services are not funded, the State may take any of the following actions:

   4.5.1. Accept a decrease in price offered by the contractor;
   4.5.2. Cancel the Contract; or
   4.5.3. Cancel the contract and re-solicit the requirements.

5. **Contract Changes**

5.1. **Amendments.** This Contract is issued under the authority of the Procurement Officer who signed this Contract. The Contract may be modified only through a Contract Amendment within the scope of the Contract. Changes to the Contract, including the addition of work or materials, the revision of payment terms, or the substitution of work or materials, directed by a person who is not specifically authorized by the procurement officer in writing or made unilaterally by the Contractor are violations of the Contract and of applicable law. Such changes, including unauthorized written Contract Amendments shall be void and without effect, and the Contractor shall not be entitled to any claim under this Contract based on those changes.

5.2. **Subcontracts.** The Contractor shall not enter into any Subcontract under this Contract for the performance of this contract without the advance written approval of the Procurement Officer. The Contractor shall clearly list any proposed subcontractors and the subcontractor’s proposed responsibilities. The Subcontract shall incorporate by reference the terms and conditions of this Contract.

5.3. **Assignment and Delegation.** The Contractor shall not assign any right nor delegate any duty under this Contract without the prior written approval of the Procurement Officer. The State shall not unreasonably withhold approval.

6. **Risk and Liability**

6.1. **Risk of Loss:** The Contractor shall bear all loss of conforming material covered under this Contract until received by authorized personnel at the location designated in the purchase order or Contract. Mere receipt does not constitute final acceptance. The risk of loss for nonconforming materials shall remain with the Contractor regardless of receipt.
6.2. **Indemnification**

6.2.1. **Contractor/Vendor Indemnification (Not Public Agency)** The parties to this contract agree that the State of Arizona, its departments, agencies, boards and commissions shall be indemnified and held harmless by the contractor for the vicarious liability of the State as a result of entering into this contract. However, the parties further agree that the State of Arizona, its departments, agencies, boards and commissions shall be responsible for its own negligence. Each party to this contract is responsible for its own negligence.

6.2.2. **Public Agency Language Only** Each party (as 'indemnitor') agrees to indemnify, defend, and hold harmless the other party (as 'indemnitee') from and against any and all claims, losses, liability, costs, or expenses (including reasonable attorney's fees) (hereinafter collectively referred to as 'claims') arising out of bodily injury of any person (including death) or property damage but only to the extent that such claims which result in vicarious/derivative liability to the indemnitee, are caused by the act, omission, negligence, misconduct, or other fault of the indemnitor, its officers, officials, agents, employees, or volunteers.

6.3. **Indemnification - Patent and Copyright.** The Contractor shall indemnify and hold harmless the State against any liability, including costs and expenses, for infringement of any patent, trademark or copyright arising out of Contract performance or use by the State of materials furnished or work performed under this Contract. The State shall reasonably notify the Contractor of any claim for which it may be liable under this paragraph. If the contractor is insured pursuant to A.R.S. § 41-621 and § 35-154, this section shall not apply.

6.4. **Force Majeure.**

6.4.1. Except for payment of sums due, neither party shall be liable to the other nor deemed in default under this Contract if and to the extent that such party’s performance of this Contract is prevented by reason of force majeure. The term “force majeure” means an occurrence that is beyond the control of the party affected and occurs without its fault or negligence. Without limiting the foregoing, force majeure includes acts of God; acts of the public enemy; war; riots; strikes; mobilization; labor disputes; civil disorders; fire; flood; lockouts; injunctions-intervention-acts; or failures or refusals to act by government authority; and other similar occurrences beyond the control of the party declaring force majeure which such party is unable to prevent by exercising reasonable diligence.

6.4.2. Force Majeure shall not include the following occurrences:

6.4.2.1. Late delivery of equipment or materials caused by congestion at a manufacturer’s plant or elsewhere, or an oversold condition of the market;

6.4.2.2. Late performance by a subcontractor unless the delay arises out of a force majeure occurrence in accordance with this force majeure term and condition; or
6.4.2.3. Inability of either the Contractor or any subcontractor to acquire or maintain any required insurance, bonds, licenses or permits.

6.4.3. If either party is delayed at any time in the progress of the work by force majeure, the delayed party shall notify the other party in writing of such delay, as soon as is practicable and no later than the following working day, of the commencement thereof and shall specify the causes of such delay in such notice. Such notice shall be delivered or mailed certified-return receipt and shall make a specific reference to this article, thereby invoking its provisions. The delayed party shall cause such delay to cease as soon as practicable and shall notify the other party in writing when it has done so. The time of completion shall be extended by Contract Amendment for a period of time equal to the time that results or effects of such delay prevent the delayed party from performing in accordance with this Contract.

6.4.4. Any delay or failure in performance by either party hereto shall not constitute default hereunder or give rise to any claim for damages or loss of anticipated profits if, and to the extent that such delay or failure is caused by force majeure.

6.5. Third Party Antitrust Violations. The Contractor assigns to the State any claim for overcharges resulting from antitrust violations to the extent that those violations concern materials or services supplied by third parties to the Contractor, toward fulfillment of this Contract.

7. Warranties

7.1. Liens. The Contractor warrants that the materials supplied under this Contract are free of liens and shall remain free of liens.

7.2. Quality. Unless otherwise modified elsewhere in these terms and conditions, the Contractor warrants that, for one year after acceptance by the State of the materials, they shall be:

7.2.1. Of a quality to pass without objection in the trade under the Contract description;
7.2.2. Fit for the intended purposes for which the materials are used;
7.2.3. Within the variations permitted by the Contract and are of even kind, quantity, and quality within each unit and among all units;
7.2.4. Adequately contained, packaged and marked as the Contract may require; and
7.2.5. Conform to the written promises or affirmations of fact made by the Contractor.

7.3. Fitness. The Contractor warrants that any material supplied to the State shall fully conform to all requirements of the Contract and all representations of the Contractor, and shall be fit for all purposes and uses required by the Contract.

7.4. Inspection/Testing. The warranties set forth in subparagraphs 7.1 through 7.3 of this paragraph are not affected by inspection or testing of or payment for the materials by the State.

7.5. Compliance With Applicable Laws. The materials and services supplied under this
Contract shall comply with all applicable Federal, state and local laws, and the Contractor shall maintain all applicable license and permit requirements.

7.6. **Survival of Rights and Obligations after Contract Expiration or Termination.**

7.6.1. **Contractor’s Representations and Warranties.** All representations and warranties made by the Contractor under this Contract shall survive the expiration or termination hereof. In addition, the parties hereto acknowledge that pursuant to A.R.S. § 12-510, except as provided in A.R.S. § 12-529, the State is not subject to or barred by any limitations of actions prescribed in A.R.S., Title 12, Chapter 5.

7.6.2. **Purchase Orders.** The Contractor shall, in accordance with all terms and conditions of the Contract, fully perform and shall be obligated to comply with all purchase orders received by the Contractor prior to the expiration or termination hereof, unless otherwise directed in writing by the Procurement Officer, including, without limitation, all purchase orders received prior to but not fully performed and satisfied at the expiration or termination of this Contract.

8. **State’s Contractual Remedies**

8.1. **Right to Assurance.** If the State in good faith has reason to believe that the Contractor does not intend to, or is unable to perform or continue performing under this Contract, the Procurement Officer may demand in writing that the Contractor give a written assurance of intent to perform. Failure by the Contractor to provide written assurance within the number of Days specified in the demand may, at the State’s option, be the basis for terminating the Contract under the Uniform Terms and Conditions or other rights and remedies available by law or provided by the contract.

8.2. **Stop Work Order.**

8.2.1. The State may, at any time, by written order to the Contractor, require the Contractor to stop all or any part of the work called for by this Contract for period(s) of days indicated by the State after the order is delivered to the Contractor. The order shall be specifically identified as a stop work order issued under this clause. Upon receipt of the order, the Contractor shall immediately comply with its terms and take all reasonable steps to minimize the incurrence of costs allocable to the work covered by the order during the period of work stoppage.

8.2.2. If a stop work order issued under this clause is canceled or the period of the order or any extension expires, the Contractor shall resume work. The Procurement Officer shall make an equitable adjustment in the delivery schedule or Contract price, or both, and the Contract shall be amended in writing accordingly.

8.3. **Non-exclusive Remedies.** The rights and the remedies of the State under this Contract are not exclusive.

8.4. **Nonconforming Tender.** Materials or services supplied under this Contract shall fully comply with the Contract. The delivery of materials or services or a portion of the
materials or services that do not fully comply constitutes a breach of contract. On delivery of nonconforming materials or services, the State may terminate the Contract for default under applicable termination clauses in the Contract, exercise any of its rights and remedies under the Uniform Commercial Code, or pursue any other right or remedy available to it.

8.5. **Right of Offset.** The State shall be entitled to offset against any sums due the Contractor, any expenses or costs incurred by the State, or damages assessed by the State concerning the Contractor’s non-conforming performance or failure to perform the Contract, including expenses, costs and damages described in the Uniform Terms and Conditions.

9. **Contract Termination**

9.1. **Cancellation for Conflict of Interest.** Pursuant to A.R.S. § 38-511, the State may cancel this Contract within three (3) years after Contract execution without penalty or further obligation if any person significantly involved in initiating, negotiating, securing, drafting or creating the Contract on behalf of the State is or becomes at any time while the Contract or an extension of the Contract is in effect an employee of or a consultant to any other party to this Contract with respect to the subject matter of the Contract. The cancellation shall be effective when the Contractor receives written notice of the cancellation unless the notice specifies a later time. If the Contractor is a political subdivision of the State, it may also cancel this Contract as provided in A.R.S. § 38-511.

9.2. **Gratuities.** The State may, by written notice, terminate this Contract, in whole or in part, if the State determines that employment or a Gratuity was offered or made by the Contractor or a representative of the Contractor to any officer or employee of the State for the purpose of influencing the outcome of the procurement or securing the Contract, an amendment to the Contract, or favorable treatment concerning the Contract, including the making of any determination or decision about contract performance. The State, in addition to any other rights or remedies, shall be entitled to recover exemplary damages in the amount of three times the value of the Gratuity offered by the Contractor.

9.3. **Suspension or Debarment.** The State may, by written notice to the Contractor, immediately terminate this Contract if the State determines that the Contractor has been debarred, suspended or otherwise lawfully prohibited from participating in any public procurement activity, including but not limited to, being disapproved as a subcontractor of any public procurement unit or other governmental body. Submittal of an offer or execution of a contract shall attest that the contractor is not currently suspended or debarred. If the contractor becomes suspended or debarred, the contractor shall immediately notify the State.

9.4. **Termination for Convenience.** The State reserves the right to terminate the Contract, in whole or in part at any time when in the best interest of the State, without penalty or recourse. Upon receipt of the written notice, the Contractor shall stop all work, as directed in the notice, notify all subcontractors of the effective date of the termination and minimize all further costs to the State. In the event of termination under this paragraph, all documents, data and reports prepared by the Contractor under the Contract shall become the property of and be delivered to the State upon demand. The
Contractor shall be entitled to receive just and equitable compensation for work in progress, work completed and materials accepted before the effective date of the termination. The cost principles and procedures provided in A.A.C. R2-7-701 shall apply.

9.5. Termination for Default.

9.5.1. In addition to the rights reserved in the contract, the State may terminate the Contract in whole or in part due to the failure of the Contractor to comply with any term or condition of the Contract, to acquire and maintain all required insurance policies, bonds, licenses and permits, or to make satisfactory progress in performing the Contract. The Procurement Officer shall provide written notice of the termination and the reasons for it to the Contractor.

9.5.2. Upon termination under this paragraph, all goods, materials, documents, data and reports prepared by the Contractor under the Contract shall become the property of and be delivered to the State on demand.

9.5.3. The State may, upon termination of this Contract, procure, on terms and in the manner that it deems appropriate, materials or services to replace those under this Contract. The Contractor shall be liable to the State for any excess costs incurred by the State in procuring materials or services in substitution for those due from the Contractor.

9.6. Continuation of Performance Through Termination. The Contractor shall continue to perform, in accordance with the requirements of the Contract, up to the date of termination, as directed in the termination notice.

10. Contract Claims

All contract claims or controversies under this Contract shall be resolved according to A.R.S. Title 41, Chapter 23, Article 9, and rules adopted thereunder.

11. Arbitration

The parties to this Contract agree to resolve all disputes arising out of or relating to this contract through arbitration, after exhausting applicable administrative review, to the extent required by A.R.S. § 12-1518, except as may be required by other applicable statutes (Title 41).

12. Comments Welcome

The State Procurement Office periodically reviews the Uniform Terms and Conditions and welcomes any comments you may have. Please submit your comments to: State Procurement Administrator, State Procurement Office, 100 North 15th Avenue, Suite 201, Phoenix, Arizona, 85007.
1. INCORPORATION OF FEDERAL TRANSIT ADMINISTRATION (FTA) TERMS

The following provisions include, in part, certain Standard Terms and Conditions required by DOT, whether or not expressly set forth in the preceding contract provisions. All contractual provisions required by DOT, as set forth in FTA Circular 4220 available at: https://www.transit.dot.gov/regulations-and-guidance/fta-circulars/third-party-contracting-guidance are hereby incorporated by reference. Anything to the contrary herein notwithstanding, all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this Agreement. The Contractor shall not perform any act, fail to perform any act, or refuse to comply with any (name of grantee) requests which would cause (name of grantee) to be in violation of the FTA terms and conditions.

The Federal Terms and Conditions under this Contract shall be incorporated in any sub-contractor, or lower-tier agreement for any federally-funded task assignment / project awarded under this Contract.

2. NO FEDERAL GOVERNMENT OBLIGATIONS TO THIRD PARTIES

The Department and Contractor acknowledge and agree that, notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of the underlying contract, absent the express written consent by the Federal Government, the Federal Government is not a party to this contract and shall not be subject to any obligations or liabilities to the Department, Contractor, or any other party (whether or not a party to that contract) pertaining to any matter resulting from the underlying contract.

The Contractor agrees to include the above clause in each subcontract financed in whole or in part with Federal assistance provided by Federal Funding Agency. It is further agreed that the clause shall not be modified, except to identify the subcontractor who will be subject to its provisions.

3. PROGRAM FRAUD AND FALSE OR FRAUDULENT STATEMENTS AND RELATED ACTS

Contractor acknowledges that the provisions of the Program Fraud Civil Remedies Act of 1986, as amended, 31 USC 3801 et seq. and USDOT regulations, "Program Fraud Civil Remedies," 49 CFR 31, apply to its actions pertaining to this project.

Upon execution of the underlying contract, contractor certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to be made, pertaining to the underlying contract or FTA assisted project for which this contract work is being performed. In addition to other penalties that may be applicable, contractor further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submittal, or certification, the US Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act (1986) on contractor to the extent the US Government deems appropriate.
The Contractor also acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with Federal assistance originally awarded by FTA under the authority of 49 U.S.C. § 5307, the Government reserves the right to impose the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5307(n)(1) (5323(l)) on the Contractor, to the extent the Federal Government deems appropriate.

Contractor shall include the above two clauses in each subcontract financed in whole or in part with FTA assistance. The clauses shall not be modified, except to identify the subcontractor who will be subject to the provisions.

4. ACCESS TO RECORDS AND REPORTS

The following access to records requirements apply to this Contract:

1. Where the Purchaser is not a State but a local government and is the FTA Recipient or a subgrantee of the FTA Recipient in accordance with 49 C. F. R. 18.36(i), the Contractor shall - provide the Purchaser, the FTA, the US Comptroller General or their authorized representatives access to any books, documents, papers and contractor records which are pertinent to this contract for the purposes of making audits, examinations, excerpts and transcriptions. Contractor shall also, pursuant to 49 C. F. R. 633.15, provide authorized FTA representative including any PMO Contractor access to Contractor's records and construction sites pertaining to a capital project, defined at 49 U.S.C. 5302(a)1, which is receiving assistance through the programs described at 49 U.S.C. 5307, 5309 or 5311.

2. Where the Purchaser is a State and is the FTA Recipient or a subgrantee of the FTA Recipient in accordance with 49 C.F.R. 633.15, Contractor shall provide the Purchaser, authorized FTA representatives, including any PMO Contractor, access to the Contractor's records and construction sites pertaining to a major capital project, defined at 49 U.S.C. 5302(a)1, which receives FTA assistance through the programs described at 49 U.S.C. 5307, 5309 or 5311. By definition, a major capital project excludes contracts of less than the simplified acquisition threshold currently set at $250,000.00.

3. Where the Purchaser enters into a negotiated contract for other than a small purchase or under the simplified acquisition threshold and is an institution of higher education, a hospital or other non-profit organization and is the FTA Recipient or a subgrantee of the FTA Recipient in accordance with 49 C.F.R. 19.48, Contractor shall provide the Purchaser, FTA, the US Comptroller General or their authorized representatives with access to any books, documents, papers and record of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts and transcriptions.
4. Where a Purchaser which is the FTA Recipient or a subgrantee of the FTA Recipient in accordance with 49 U.S.C. 5325(a) enters into a contract for a capital project or improvement (defined at 49 U.S.C. 5302(a)1) through other than competitive bidding, the Contractor shall make available records related to the contract to the Purchaser, the Secretary of USDOT and the US Comptroller General or any authorized officer or employee of any of them for the purposes of conducting an audit and inspection.

5. Contractor shall permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.

6. The Contractor shall retain, and shall require its subcontractors at all tiers, all books, records, accounts and reports required under this contract for a period of not less than five years after the date of termination or expiration of this contract, except in the event of litigation or settlement of claims arising from the performance of this contract, in which case Contractor agrees to maintain same until the Purchaser, the FTA Administrator, the Comptroller General, or any of their duly authorized representatives, have disposed of all such litigation, appeals, claims or exceptions related thereto. Reference 49 CFR 18.39(i)(11).

5. TERMS OF THE MASTER AGREEMENT AND COMPLIANCE

Contractor shall at all times comply with all applicable Federal Funding Agency laws, regulations, policies, procedures and directives, including without limitation those listed directly or by reference in the Master Agreement, available at https://www.transit.dot.gov/funding/grantee-resources/sample-fta-agreements/fta-grant-agreements, between the Department and FTA, as they may be amended or promulgated from time to time during the term of this contract. This Master Agreement does not have an Expiration Date. This Master Agreement continues to apply to the Recipient and its Underlying Agreement, until modified or superseded by a more recently enacted or issued applicable federal law, regulation, requirement, or guidance, or amendment to this Master Agreement or the Underlying Agreement. To assure compliance the Recipient must take measures to assure that other participants in its Underlying Agreements (e.g., Third Party Participants) comply. Contractor's failure to so comply shall constitute a material breach of this contract.

All contractual provisions required by the U.S. Department of Transportation are hereby incorporated by reference. In the event of additional funding provided by FHWA, the applicable requirements of the Stewardship Agreement, available at https://www.fhwa.dot.gov/federalaid/stewardship, between the Department and FHWA are incorporated by reference.

6. CIVIL RIGHTS REQUIREMENTS

The AGENCY is an Equal Opportunity Employer. As such, the AGENCY agrees to comply
with all applicable Federal civil rights laws and implementing regulations. Apart from inconsistent requirements imposed by Federal laws or regulations, the AGENCY agrees to comply with the requirements of 49 U.S.C. § 5323(h) (3) by not using any Federal assistance awarded by FTA to support procurements using exclusionary or discriminatory specifications.

Under this Agreement, the Contractor shall at all times comply with the following requirements and shall include these requirements in each subcontract entered into as part thereof.

Equal Employment Opportunity

1. Nondiscrimination - In accordance with Title VI of the Civil Rights Act, as amended, 42 U.S.C. § 2000d, section 303 of the Age Discrimination Act of 1975, as amended, 42 U.S.C. § 6102, section 202 of the Americans with Disabilities Act of 1990, 42 U.S.C. § 12132, and Federal transit law at 49 U.S.C. § 5332, the Contractor agrees that it will not discriminate against any employee or applicant for employment because of race, color, religion, national origin, sex (including sexual orientation and gender identity), age, or disability. In addition, the Contractor agrees to comply with applicable Federal implementing regulations and other implementing requirements Federal Funding Agency may issue.

2. Race, Color, religion, National Origin, Sex - In accordance with Title VII of the Civil Rights Act, as amended, 42 U.S.C. § 2000e, and Federal transit laws at 49 U.S.C. § 5332, the Contractor agrees to comply with all applicable equal employment opportunity requirements of U.S. Department of Labor (U.S. DOL) regulations, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," 41 C.F.R. Parts 60 et seq., (which implement Executive Order No. 11246, "Equal Employment Opportunity," as amended by Executive Order No. 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," 42 U.S.C. § 2000e note), and with any applicable Federal statutes, executive orders, regulations, and Federal policies that may in the future affect construction activities undertaken in the course of the Project. The Contractor agrees to take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, creed, national origin, sex, or age. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. In addition, the Contractor agrees to comply with any implementing requirements Federal Funding Agency may issue.

3. Age - In accordance with section 4 of the Age Discrimination in Employment Act of 1967, as amended, 29 U.S.C. § 623 and Federal transit law at 49 U.S.C. § 5332, the Contractor agrees to refrain from discrimination against present and prospective employees for reason of age. In addition, the Contractor agrees to comply with any implementing requirements Federal Funding Agency may issue.
4. Disabilities - In accordance with section 102 of the Americans with Disabilities Act, as amended, 42 U.S.C. § 12112, the Contractor agrees that it will comply with the requirements of U.S. Equal Employment Opportunity Commission, "Regulations to Implement the Equal Employment Provisions of the Americans with Disabilities Act," 29 C.F.R. Part 1630, pertaining to employment of persons with disabilities. In addition, the Contractor agrees to comply with any implementing requirements Federal Funding Agency may issue.

The Contractor also agrees to include these requirements in each subcontract financed in whole or in part with Federal assistance provided, modified only if necessary to identify the affected parties.

7. TERMINATION

Termination of the contract shall be in accordance with the Uniform Terms and Conditions, Section 9., paragraph 9.1 through 9.6.

8. DEBARMENT OR SUSPENSION

This contract is a covered transaction for purposes of 49 CFR Part 29. As such, the contractor is required to verify that none of the contractor, its principals, as defined at 49 CFR 29.995, or affiliates, as defined at 49 CFR 29.905, are excluded or disqualified as defined at 49 CFR 29.940 and 29.945. The contractor is required to comply with 49 CFR 29, Subpart C and must include the requirement to comply with 49 CFR 29, Subpart C in any lower tier covered transaction it enters into.

As such, the Contractor shall verify that its principals, affiliates, and subcontractors are eligible to participate in this federally funded contract and are not presently declared by any Federal department or agency to be:

a) Debarred from participation in any federally assisted Award;
b) Suspended from participation in any federally assisted Award;
c) Proposed for debarment from participation in any federally assisted Award;
d) Declared ineligible to participate in any federally assisted Award;
e) Voluntarily excluded from participation in any federally assisted Award; or
f) Disqualified from participation in any federally assisted Award.

By signing and submitting its bid or proposal, the bidder or proposer certifies as follows:

The certification in this clause is a material representation of fact relied upon by the Department. If it is later determined that the bidder or proposer knowingly rendered an erroneous certification, in addition to remedies available to the Department, the
Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. The bidder or proposer agrees to comply with the requirements of 49 CFR 29, Subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

8.1 GOVERNMENT-WIDE DEBARKMENT AND SUSPENSION (NONPROCUREMENT)

The Contractor agrees to the following:

(1) It will comply with the requirements of 2 C.F.R. part 180, subpart C, as adopted and supplemented by U.S. DOT regulations at 2 C.F.R. part 1200, which include the following:

(a) It will not enter into any arrangement to participate in the development or implementation of the Project with any Third Party Participant that is debarred or suspended except as authorized by: 1 U.S. DOT regulations, “Nonprocurement Suspension and Debarment,” 2 C.F.R. part 1200, 2 U.S. OMB, “Guidelines to Agencies on Government wide Debarment and Suspension (Nonprocurement),” 2 C.F.R. part 180, including any amendments thereto, and 3 Executive Orders Nos. 12549 and 12689, “Debarment and Suspension,” 31 U.S.C. § 6101 note,

(b) It will review the U.S. GSA “System for Award Management,” https://www.sam.gov, if required by U.S. DOT regulations, 2 C.F.R. part 1200, and

(c) It will include, and require each of its Third Party Participants to include, a similar provision in each lower tier covered transaction, ensuring that each lower tier Third Party Participant:

(1) Will comply with Federal debarment and suspension requirements, and 2 Reviews the “System for Award Management” at https://www.sam.gov, if necessary to comply with U.S. DOT regulations, 2 C.F.R. part 1200, and

If the Department suspends, debars, or takes any similar action against a Third Party Participant or individual, the Department will provide immediate written notice to the:

(a) FTA Regional Counsel for the Region in which the Recipient is located or implements the Project,

(b) FTA Project Manager if the Project is
administered by an FTA Headquarters Office, or

(c) FTA Chief Counsel.

9. IMPLEMENTATION OF CLEAN AIR ACT AND FEDERAL WATER POLLUTION CONTROL ACT

Clean Water
Contractor shall comply with all applicable standards, orders or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 USC 1251 et seq. Contractor shall report each violation to the recipient and understands and agrees that the recipient shall, in turn, report each violation as required to FTA and the appropriate EPA Regional Office. Contractor shall include these requirements in each subcontract exceeding $150,000 financed in whole or in part with FTA assistance.

Clean Air
1) Contractor shall comply with all applicable standards, orders or regulations pursuant to the Clean Air Act, 42 USC 7401 et seq. Contractor shall report each violation to the recipient and understands and agrees that the recipient will, in turn, report each violation as required to FTA and the appropriate EPA Regional Office.

2) Contractor shall include these requirements in each subcontract exceeding $150,000 financed in whole or in part with FTA assistance.

10. BUY AMERICA

In any task assignment / project for construction, acquisition of goods, or rolling stock valued at more than $150,000, the contractor agrees to comply with 49 U.S.C. 5323(j) and 49 C.F.R. part 661, which provide that Federal funds may not be obligated unless all steel, iron, and manufactured products used in FTA funded projects are produced in the United States, unless a waiver has been granted by FTA or the product is subject to a general waiver. General waivers are listed in 49 C.F.R. § 661.7. Separate requirements for rolling stock are set out at 49 U.S.C. 5323(j)(2)(C) and 49 C.F.R. § 661.11.

Contractor shall comply with 49 USC 5323(j) and 49 CFR 661, stating that Federal funds may not be obligated unless steel, iron, and manufactured products used in FTA-funded projects are produced in the United States, unless a waiver has been granted by FTA or the product is subject to a general waiver. General waivers are listed in 49 CFR 661.7, and include software, microcomputer equipment and small purchases (currently less than $150,000) made with capital, operating, or planning funds. Separate requirements for rolling stock are stated at 5323(j)(2)(C) and 49 CFR 661.11. Rolling stock must be manufactured in the US and have a minimum 65% domestic content for FY2019 and a minimum 70% domestic content for FY2020 and beyond. A bidder or offeror shall submit appropriate Buy America certification to the recipient with all bids on FTA-funded contracts, except those subject to a general waiver. Proposals not accompanied by a completed certification shall be rejected as
nonresponsive. This requirement does not apply to lower tier subcontractors.

11. BREACHES AND DISPUTE RESOLUTION

The duties and obligations imposed by the Contract Documents and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law. No action or failure to act by the (Recipient), (Architect) or Contractor shall constitute a waiver of any right or duty afforded any of them under the Contract, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach thereunder, except as may be specifically agreed in writing.

Disputes arising in the performance of this contract which are not resolved by agreement of the parties shall be decided in writing by the Department. This decision shall be final and conclusive unless within ten days from the date of receipt of its copy, contractor mails or otherwise furnishes a written appeal to the Department. In connection with such appeal, contractor shall be afforded an opportunity to be heard and to offer evidence in support of its position. The decision of the Department shall be binding upon contractor and contractor shall abide by the decision. FTA has a vested interest in the settlement of any violation of Federal law including the False Claims Act, 31 U.S.C. § 3729.

Performance During Dispute - Unless otherwise directed by the recipient, contractor shall continue performance under this contract while matters in dispute are being resolved. Claims for Damages - Should either party to the contract suffer injury or damage to person or property because of any act or omission of the party or of any of its employees, agents or others for whose acts it is legally liable, a claim for damages therefore shall be made in writing to such other party within ten days after the first observance of such injury or damage.

Remedies - Unless this contract provides otherwise, all claims, counterclaims, disputes and other matters in question between the Department and contractor arising out of or relating to this agreement or its breach will be decided by arbitration if the parties mutually agree, or in a court of competent jurisdiction within the residing State.

Rights and Remedies - Duties and obligations imposed by the contract documents and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law. No action or failure to act by the Department or contractor shall constitute a waiver of any right or duty afforded any of them under the contract, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach thereunder, except as may be specifically agreed in writing.

12. LOBBYING

The Contractor agrees to comply with the provisions of Title 31, U.S. C 1352 as
Procurement

amended by the Lobbying Disclosure Act of 1995, P.L. 104-65 [to be codified at 2
U.S.C. 1601, et seq.] and (Public Law 101.121) as codified in Title 48, Federal
Acquisition Regulations Subpart 3.8 and Subpart 52.203-11. The legislation prohibits
Federal funds from being expended by a recipient or any lower tier sub- recipients of
a Federal contract, grant, loan, or cooperative agreement to pay any person for
influencing or attempting to influence a Federal agency or Congress in connection
with the award of any Federal contract, the making of any Federal grant or loan, or
entering into any cooperative agreement, including the extension, continuation,
renewal, amendment or modification of any Federal contract, grant, loan or
cooperative agreement. All disclosure statements are to be furnished to the
Department.

Contractors who apply or propose/bid for an award of $100,000 or more in value shall
file the attached Lobbying Certification [01Lobbying Certification document] required
by 49 CFR part 20, "New Restrictions on Lobbying." Each tier certifies to the tier above
that it will not and has not used Federal appropriated funds to pay any person or
organization for influencing or attempting to influence an officer or employee of any
agency, a member of Congress, officer or employee of Congress, or an employee of a
member of Congress in connection with obtaining any Federal contract, grant or any
other award covered by 31 U.S.C. 1352. Each tier shall also disclose the name of any
registrant under the Lobbying Disclosure Act of 1995 who has made lobbying contacts
on its behalf with non-Federal funds with respect to that Federal contract, grant or
award covered by 31 U.S.C. 1352. Such disclosures are forwarded from tier to tier up
to the recipient.

13. FLY AMERICA

The Contractor agrees to comply with 49 U.S.C. 40118 (the "Fly America" Act) in
accordance with the General Services Administration's regulations at 41 CFR Part
301-10, which provide that recipients of Federal funds and their contractors are
required to use U.S. Flag air carriers for U.S Government- financed international air
travel and transportation of their personal effects or property, to the extent such
service is available, unless travel by foreign air carrier is a matter of necessity, as
defined by the Fly America Act. The Contractor shall submit, if a foreign air carrier
was used, an appropriate certification or memorandum adequately explaining why
service by a U.S. flag air carrier was not
available or why it was necessary to use a foreign air carrier and shall, in any event,
provide a certificate of compliance with the Fly America requirements. The
Contractor agrees to include the requirements of this section in all subcontracts that
may involve international air transportation.

14. ENERGY CONSERVATION

The contractor agrees to comply with mandatory standards and policies relating to
energy efficiency, stated in the state energy conservation plan issued in compliance
15. CONFLICTS OF INTEREST / EMPLOYMENT OF FEDERAL PERSONNEL

Contractors will maintain a written code of standards of conduct governing the performance of their employees engaged in the award and administration of contracts. No employee, officer or agent of the Department or the Federal funding agency shall participate in selection, or in the award or administration of a contract supported by Federal funds if a conflict of interest, real or apparent, would be involved. Such a conflict would arise when: The employee, officer or agent, any member of his immediate family, His or her partner, or an organization which employs, or is about to employ, any of the above, has a financial or other interest in the firm selected for award. Department officers, employees or agents will neither solicit nor accept gratuities, favors or anything of monetary value from contractors, potential contractors, or parties to subagreements.

16. COPYRIGHT AND PATENT

To the extent permitted by A.R.S. § 41-621 and § 35-154, the Contractor shall indemnify and hold harmless ADOT against any liability, including costs and expenses, for infringement of any patent, trademark or copyright arising out of this contract performance or use by ADOT of materials furnished or work performed under this contract. ADOT shall reasonably notify the Contractor of any claim for which it may be liable under this paragraph.

Copyrights pursuant to 23 CFR 420.121 (b): The Department, as a State DOT may copyright any books, publications, or other copyrightable materials developed in the course of the project, and does herein exercise that right. The federal funding agency reserves a royalty-free, nonexclusive and irrevocable right to reproduce, publish, or otherwise use, and to authorize others to use, the work for Government purposes.

Patents pursuant to 23 CFR 420.121 (i): The Department, as a State DOT is subject to the provisions of 37 CFR part 401 governing patents and inventions and must include or cite the standard patent rights clause at 37 CFR 401.14, except for §401.14(g), in all subgrants or contracts. In addition, State DOTs must include the following clause, suitably modified to identify the parties, in all subgrants or contracts, regardless of tier, for experimental, developmental or research work: “The subgrantee or contractor will retain all rights provided for the State in this clause, and the State will not, as part of the consideration for awarding the subgrant or contract, obtain rights in the subgrantee's or contractor's subject inventions.”

Standard Patent Rights required pursuant to 37 CFR 401.14:

(a) Definitions

(1) Invention means any invention or discovery which is or may be patentable or otherwise protectable under Title 35 of the United States Code, or any novel variety of plant which is or may be protected under the Plant Variety Protection Act (7 U.S.C.
2321 et seq.).

(2) Subject invention means any invention of the contractor conceived or first actually reduced to practice in the performance of work under this contract, provided that in the case of a variety of plant, the date of determination (as defined in section 41(d) of the Plant Variety Protection Act, 7 U.S.C. 2401(d)) must also occur during the period of contract performance.

(3) Practical Application means to manufacture in the case of a composition or product, to practice in the case of a process or method, or to operate in the case of a machine or system; and, in each case, under such conditions as to establish that the invention is being utilized and that its benefits are, to the extent permitted by law or government regulations, available to the public on reasonable terms.

(4) Made when used in relation to any invention means the conception or first actual reduction to practice of such invention.

(5) Small Business Firm means a small business concern as defined at section 2 of Pub. L. 85-536 (15 U.S.C. 632) and implementing regulations of the Administrator of the Small Business Administration. For the purpose of this clause, the size standards for small business concerns involved in government procurement and subcontracting at 13 CFR 121.3-8 and 13 CFR 121.3-12, respectively, will be used.

(6) Nonprofit Organization means a university or other institution of higher education or an organization of the type described in section 501(c)(3) of the Internal Revenue Code of 1954 (26 U.S.C. 501(c) and exempt from taxation under section 501(a) of the Internal Revenue Code (25 U.S.C. 501(a)) or any nonprofit scientific or educational organization qualified under a state nonprofit organization statute.

(7) The term statutory period means the one-year period before the effective filing date of a claimed invention during which exceptions to prior art exist per 35 U.S.C. 102(b) as amended by the Leahy-Smith America Invents Act, Public Law 112-29.

(8) The term contractor means any person, small business firm or nonprofit organization, or, as set forth in section 1, paragraph (b)(4) of Executive Order 12591, as amended, any business firm regardless of size, which is a party to a funding agreement.

(b) Allocation of Principal Rights

The Contractor may retain the entire right, title, and interest throughout the world to each subject invention subject to the provisions of this clause and 35 U.S.C. 203. With respect to any subject invention in which the Contractor retains title, the Federal government shall have a nonexclusive, nontransferable, irrevocable, paid-up license to practice or have practiced for or on behalf of the United States the subject invention.
throughout the world.

(c) Invention Disclosure, Election of Title and Filing of Patent Application by Contractor

(1) The contractor will disclose each subject invention to the Federal Agency within two months after the inventor discloses it in writing to contractor personnel responsible for patent matters. The disclosure to the agency shall be in the form of a written report and shall identify the contract under which the invention was made and the inventor(s). It shall be sufficiently complete in technical detail to convey a clear understanding to the extent known at the time of the disclosure, of the nature, purpose, operation, and the physical, chemical, biological or electrical characteristics of the invention. The disclosure shall also identify any publication, on sale or public use of the invention and whether a manuscript describing the invention has been submitted for publication and, if so, whether it has been accepted for publication at the time of disclosure. In addition, after disclosure to the agency, the Contractor will promptly notify the agency of the acceptance of any manuscript describing the invention for publication or of any on sale or public use planned by the contractor.

(2) The contractor will elect in writing whether or not to retain title to any such invention by notifying the Federal agency within two years of disclosure to the Federal agency. However, in any case where a patent, a printed publication, public use, sale, or other availability to the public has initiated the one year statutory period wherein valid patent protection can still be obtained in the United States, the period for election of title may be shortened by the agency to a date that is no more than 60 days prior to the end of the statutory period.

(3) The contractor will file its initial patent application on a subject invention to which it elects to retain title within one year after election of title or, if earlier, prior to the end of any statutory period wherein valid patent protection can be obtained in the United States after a publication, on sale, or public use. If the contractor files a provisional application as its initial patent application, it shall file a non-provisional application within 10 months of the filing of the provisional application. The contractor will file patent applications in additional countries or international patent offices within either ten months of the first filed patent application or six months from the date permission is granted by the Commissioner of Patents to file foreign patent applications where such filing has been prohibited by a Secrecy Order.

(4) For any subject invention with Federal agency and contractor co-inventors, where the Federal agency employing such co-inventor determines that it would be in the interest of the government, pursuant to 35 U.S.C. 207(a)(3), to file an initial patent application on the subject invention, the Federal agency employing such co-inventor, at its discretion and in consultation with the contractor, may file such application at its own expense, provided that the contractor retains the ability to elect title pursuant to 35 U.S.C. 202(a).

(5) Requests for extension of the time for disclosure, election, and filing under
paragraphs (1), (2), and (3) of this clause may, at the discretion of the Federal agency, be granted. When a contractor has requested an extension for filing a non-provisional application after filing a provisional application, a one-year extension will be granted unless the Federal agency notifies the contractor within 60 days of receiving the request.

(d) Conditions When the Government May Obtain Title

The contractor will convey to the Federal agency, upon written request, title to any subject invention—

(1) If the contractor fails to disclose or elect title to the subject invention within the times specified in paragraph (c) of this clause, or elects not to retain title.

(2) In those countries in which the contractor fails to file patent applications within the times specified in paragraph (c) of this clause; provided, however, that if the contractor has filed a patent application in a country after the times specified in paragraph (c) of this clause, but prior to its receipt of the written request of the Federal agency, the contractor shall continue to retain title in that country.

(3) In any country in which the contractor decides not to continue the prosecution of any non-provisional patent application for, to pay a maintenance, annuity or renewal fee on, or to defend in a reexamination or opposition proceeding on, a patent on a subject invention.

(e) Minimum Rights to Contractor and Protection of the Contractor Right to File

(1) The contractor will retain a nonexclusive royalty-free license throughout the world in each subject invention to which the Government obtains title, except if the contractor fails to disclose the invention within the times specified in (c), above. The contractor's license extends to its domestic subsidiary and affiliates, if any, within the corporate structure of which the contractor is a party and includes the right to grant sublicenses of the same scope to the extent the contractor was legally obligated to do so at the time the contract was awarded. The license is transferable only with the approval of the Federal agency except when transferred to the successor of that party of the contractor's business to which the invention pertains.

(2) The contractor's domestic license may be revoked or modified by the funding Federal agency to the extent necessary to achieve expeditious practical application of the subject invention pursuant to an application for an exclusive license submitted in accordance with applicable provisions at 37 CFR part 404 and agency licensing regulations (if any). This license will not be revoked in that field of use or the geographical areas in which the contractor has achieved practical application and continues to make the benefits of the invention reasonably accessible to the public. The license in any foreign country may be revoked or modified at the discretion of the funding Federal agency to the extent the contractor, its licensees, or the domestic
subsidiaries or affiliates have failed to achieve practical application in that foreign
country.

(3) Before revocation or modification of the license, the funding Federal agency will
furnish the contractor a written notice of its intention to revoke or modify the license,
and the contractor will be allowed thirty days (or such other time as may be
authorized by the funding Federal agency for good cause shown by the contractor)
after the notice to show cause why the license should not be revoked or modified. The
contractor has the right to appeal, in accordance with applicable regulations in 37 CFR
part 404 and agency regulations (if any) concerning the licensing of Government-
owned inventions, any decision concerning the revocation or modification of the
license.

(f) Contractor Action to Protect the Government's Interest

(1) The contractor agrees to execute or to have executed and promptly deliver to the
Federal agency all instruments necessary to (i) establish or confirm the rights the
Government has throughout the world in those subject inventions to which the
contractor elects to retain title, and (ii) convey title to the Federal agency when
requested under paragraph (d) above and to enable the government to obtain patent
protection throughout the world in that subject invention.

(2) The contractor agrees to require, by written agreement, its employees, other than
clerical and nontechnical employees, to disclose promptly in writing to personnel
identified as responsible for the administration of patent matters and in a format
suggested by the contractor each subject invention made under contract in order that
the contractor can comply with the disclosure provisions of paragraph (c) of this
clause, to assign to the contractor the entire right, title and interest in and to each
subject invention made under contract, and to execute all papers necessary to file
patent applications on subject inventions and to establish the government's rights in
the subject inventions. This disclosure format should require, as a minimum, the
information required by paragraph (c)(1) of this clause. The contractor shall instruct
such employees through employee agreements or other suitable educational
programs on the importance of reporting inventions in sufficient time to permit the
filing of patent applications prior to U.S. or foreign statutory bars.

(3) For each subject invention, the contractor will, no less than 60 days prior to the
expiration of the statutory deadline, notify the Federal agency of any decision: Not to
continue the prosecution of a non-provisional patent application; not to pay a
maintenance, annuity or renewal fee; not to defend in a reexamination or opposition
proceeding on a patent, in any country; to request, be a party to, or take action in a
trial proceeding before the Patent Trial and Appeals Board of the U.S. Patent and
Trademark Office, including but not limited to post-grant review, review of a business
method patent, inter partes review, and derivation proceeding; or to request, be a
party to, or take action in a non-trial submission of art or information at the U.S.
Patent and Trademark Office, including but not limited to a pre-issuance submission, a
post-issuance submission, and supplemental examination.

(4) The contractor agrees to include, within the specification of any United States patent applications and any patent issuing thereon covering a subject invention, the following statement, “This invention was made with government support under (identify the contract) awarded by (identify the Federal agency). The government has certain rights in the invention.”

(g) Subcontracts

(1) The contractor will include this clause, suitably modified to identify the parties, in all subcontracts, regardless of tier, for experimental, developmental or research work to be performed by a subcontractor. The subcontractor will retain all rights provided for the contractor in this clause, and the contractor will not, as part of the consideration for awarding the subcontract, obtain rights in the subcontractor’s subject inventions.

(2) The contractor will include in all other subcontracts, regardless of tier, for experimental developmental or research work the patent rights clause required by (cite section of agency implementing regulations or FAR).

(3) In the case of subcontracts, at any tier, when the prime award with the Federal agency was a contract (but not a grant or cooperative agreement), the agency, subcontractor, and the contractor agree that the mutual obligations of the parties created by this clause constitute a contract between the subcontractor and the Federal agency with respect to the matters covered by the clause; provided, however, that nothing in this paragraph is intended to confer any jurisdiction under the Contract Disputes Act in connection with proceedings under paragraph (j) of this clause.

(h) Reporting on Utilization of Subject Inventions

The Contractor agrees to submit on request periodic reports no more frequently than annually on the utilization of a subject invention or on efforts at obtaining such utilization that are being made by the contractor or its licensees or assignees. Such reports shall include information regarding the status of development, date of first commercial sale or use, gross royalties received by the contractor, and such other data and information as the agency may reasonably specify. The contractor also agrees to provide additional reports as may be requested by the agency in connection with any march-in proceeding undertaken by the agency in accordance with paragraph (j) of this clause. As required by 35 U.S.C. 202(c)(5), the agency agrees it will not disclose such information to persons outside the government without permission of the contractor.

(i) Preference for United States Industry

Notwithstanding any other provision of this clause, the contractor agrees that neither
it nor any assignee will grant to any person the exclusive right to use or sell any subject inventions in the United States unless such person agrees that any products embodying the subject invention or produced through the use of the subject invention will be manufactured substantially in the United States. However, in individual cases, the requirement for such an agreement may be waived by the Federal agency upon a showing by the contractor or its assignee that reasonable but unsuccessful efforts have been made to grant licenses on similar terms to potential licensees that would be likely to manufacture substantially in the United States or that under the circumstances domestic manufacture is not commercially feasible.

(j) March-in Rights

The contractor agrees that with respect to any subject invention in which it has acquired title, the Federal agency has the right in accordance with the procedures in 37 CFR 401.6 and any supplemental regulations of the agency to require the contractor, an assignee or exclusive licensee of a subject invention to grant a nonexclusive, partially exclusive, or exclusive license in any field of use to a responsible applicant or applicants, upon terms that are reasonable under the circumstances, and if the contractor, assignee, or exclusive licensee refuses such a request the Federal agency has the right to grant such a license itself if the Federal agency determines that:

(1) Such action is necessary because the contractor or assignee has not taken, or is not expected to take within a reasonable time, effective steps to achieve practical application of the subject invention in such field of use.

(2) Such action is necessary to alleviate health or safety needs which are not reasonably satisfied by the contractor, assignee or their licensees;

(3) Such action is necessary to meet requirements for public use specified by Federal regulations and such requirements are not reasonably satisfied by the contractor, assignee or licensees; or

(4) Such action is necessary because the agreement required by paragraph (i) of this clause has not been obtained or waived or because a licensee of the exclusive right to use or sell any subject invention in the United States is in breach of such agreement.

(k) Special Provisions for Contracts with Nonprofit Organizations

If the contractor is a nonprofit organization, it agrees that:

(1) Rights to a subject invention in the United States may not be assigned without the approval of the Federal agency, except where such assignment is made to an organization which has as one of its primary functions the management of inventions, provided that such assignee will be subject to the same provisions as the contractor;
(2) The contractor will share royalties collected on a subject invention with the inventor, including Federal employee co-inventors (when the agency deems it appropriate) when the subject invention is assigned in accordance with 35 U.S.C. 202(e) and 37 CFR 401.10;

(3) The balance of any royalties or income earned by the contractor with respect to subject inventions, after payment of expenses (including payments to inventors) incidental to the administration of subject inventions, will be utilized for the support of scientific research or education; and

(4) It will make efforts that are reasonable under the circumstances to attract licensees of subject inventions that are small business firms and that it will give a preference to a small business firm when licensing a subject invention if the contractor determines that the small business firm has a plan or proposal for marketing the invention which, if executed, is equally as likely to bring the invention to practical application as any plans or proposals from applicants that are not small business firms; provided, that the contractor is also satisfied that the small business firm has the capability and resources to carry out its plan or proposal. The decision whether to give a preference in any specific case will be at the discretion of the contractor. However, the contractor agrees that the Federal agency may review the contractor's licensing program and decisions regarding small business applicants, and the contractor will negotiate changes to its licensing policies, procedures, or practices with the Federal agency when the Federal agency's review discloses that the contractor could take reasonable steps to implement more effectively the requirements of this paragraph (k)(4). In accordance with 37 CFR 401.7, the Federal agency or the contractor may request that the Secretary review the contractor's licensing program and decisions regarding small business applicants.

17. RECOVERED MATERIALS

The Contractor agrees to provide a preference for those products and services that conserve natural resources, protect the environment, and are energy efficient by complying with and facilitating compliance with Section 6002 of the Resource Conservation and Recovery Act, as amended, 42 U.S.C. § 6962, and U.S. Environmental Protection Agency (U.S. EPA), “Comprehensive Procurement Guideline for Products Containing Recovered Materials,” 40 C.F.R. part 247.

18. SAFE OPERATION OF MOTOR VEHICLES

   (1) Adopting and promoting on-the-job seat belt use policies and programs for its employees and other personnel that operate company-owned vehicles, company-rented vehicles, or personally operated vehicles, and
(2) Including a “Seat Belt Use” provision in each third party agreement related to the Award.

b. Distracted Driving, Including Text Messaging While Driving. The Recipient agrees to comply with:

(2) U.S. DOT Order 3902.10, “Text Messaging While Driving,” December 30, 2009, and

(3) The following U.S. DOT Special Provision pertaining to Distracted Driving:

(a) Safety. The Recipient agrees to adopt and enforce workplace safety policies to decrease crashes caused by distracted drivers, including policies to ban text messaging while using an electronic device supplied by an employer, and driving a vehicle the driver owns or rents, a vehicle Recipient owns, leases, or rents, or a privately-owned vehicle when on official business in connection with the Award, or when performing any work for or on behalf of the Award,

(b) Recipient Size. The Recipient agrees to conduct workplace safety initiatives in a manner commensurate with its size, such as establishing new rules and programs to prohibit text messaging while driving, re-evaluating the existing programs to prohibit text messaging while driving, and providing education, awareness, and other outreach to employees about the safety risks associated with texting while driving, and

(c) Extension of Provision. The Recipient agrees to include the preceding Special Provision of section 34.b(3)(a) – (b) of this Master Agreement in its third party agreements, and encourage its Third Party Participants to comply with this Special Provision, and include this Special Provision in each third party subagreement at each tier supported with federal assistance.

19. CERTIFICATION AND ASSURANCES

The FTA Certifications and Assurances are incorporated herein by reference. Upon award or contract renewal, the Contractor must agree to comply with the most current FTA Certifications and Assurances by signing and submitting the signature page provided by the Department. In the event FTA issues new Certifications and Assurances, the Department reserves the right to require submission of a new signature page agreeing to comply; to be added to the terms and conditions by Amendment. All such requests are a condition of continued award.
20. DISADVANTAGED BUSINESS ENTERPRISES

1.0 Policy:

The Arizona Department of Transportation (hereinafter the Department) has established a Disadvantaged Business Enterprise (DBE) program in accordance with the regulations of the U.S. Department of Transportation (USDOT), 49 CFR Part 26. The Department has received Federal financial assistance from the U.S. Department of Transportation and as a condition of receiving this assistance, the Department has signed an assurance that it will comply with 49 CFR Part 26.

It is the policy of the Department to ensure that DBEs, as defined in Part 26, have an equal opportunity to receive and participate in USDOT-assisted contracts. It is also the policy of the Department:

1. To ensure nondiscrimination in the award and administration of USDOT-assisted contracts;
2. To create a level playing field on which DBEs can compete fairly for USDOT-assisted contracts;
3. To ensure that the DBE program is narrowly tailored in accordance with applicable law;
4. To ensure that only firms that fully meet 49 CFR Part 26 eligibility standards are counted as DBEs;
5. To help remove barriers to the participation of DBEs in USDOT-assisted contracts;
6. To assist in the development of firms that can compete successfully in the market place outside the DBE program; and
7. To promote the use of DBEs in all types of federally-assisted contracts and procurement activities.

It is also the policy of the Department to facilitate and encourage participation of Small Business Concerns (SBCs), as defined herein, in USDOT-assisted contracts. The Department encourages contractors to take reasonable steps to eliminate obstacles to SBCs’ participation and to utilize SBCs in performing contracts.

2.0 Assurances of Non-Discrimination:

The contractor, subrecipient, or subcontractor shall not discriminate on the basis of race, color, sex or national origin in the performance of this contract. The contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT assisted contracts. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the Department deems appropriate, which may include, but are not limited to:

1. Withholding monthly progress payments;
2. Assessing sanctions;
3. Liquidated damages;
4. Suspension or Debarment per Uniform Terms and Conditions Paragraph 9.3 of the contractor from future bidding; and/or
5. Cancellation, termination, or suspension of the Contract, in whole or in part.

The contractor, subrecipient, or subcontractor shall ensure that all subcontract agreements contain this non-discrimination assurance.

3.0 Definitions:

(A) **Commercially Useful Function (CUF):** Commercially Useful Function is defined fully in 49 CFR 26.55, which definition is incorporated herein by reference.

(B) **Disadvantaged Business Enterprise (DBE):** a for-profit small business concern which meets both of the following requirements:

   (1) Is at least 51 percent owned by one or more socially and economically disadvantaged individuals or, in the case of any publicly owned business, at least 51 percent of the stock is owned by one or more such individuals; and,

   (2) Whose management and daily business operations are controlled by one or more of the socially and economically disadvantaged individuals who own it.

(C) **NAICS Code:** The North American Industry Classification System (NAICS) is the standard used by Federal statistical agencies in classifying business establishments for the purpose of collecting, analyzing, and publishing statistical data related to the U.S. business economy.

(D) **Non-DBE:** any firm that is not a DBE.

(E) **Race-Conscious (RC):** a measure or program focused specifically on assisting only DBEs, including women-owned DBEs.

(F) **Race-Neutral (RN):** a measure or program used to assist all small businesses. For the purposes of this part, race-neutral includes gender-neutrality.

(G) **Small Business Concern (SBC):** a business that meets all of the following conditions:

   (1) Operates as a for-profit business registered to do business in Arizona;

   (2) Operates a place of business primarily within the U.S., or makes a significant contribution to the U.S. economy through payment of taxes.
(3) Is independently owned and operated;

(4) Is not dominant in its field on a national basis; and

(5) Does not have annual gross receipts that exceed the Small Business Administration size standards average annual income criteria for its primary North American Industry Classification System (NAICS) code.

(H) Socially and Economically Disadvantaged Individuals: any individual who is a citizen (or lawfully admitted permanent resident) of the United States and who is:

(1) Any individual who is found to be a socially and economically disadvantaged individual on a case-by-case basis.

(2) Any individual in the following groups, members of which are rebuttably presumed to be socially and economically disadvantaged:

   (i) "Black Americans," which includes persons having origins in any of the Black racial groups of Africa;

   (ii) "Hispanic Americans," which includes persons of Mexican, Puerto Rican, Cuban, Dominican, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;

   (iii) "Native Americans," which includes persons who are enrolled members of federally or State recognized Indian tribe, Alaskan Natives or Native Hawaiians;

   (iv) “Asian-Pacific Americans,” which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Vietnam, Laos, Cambodia (Kampuchea), Thailand, Malaysia, Indonesia, the Philippines, Brunei, Samoa, Guam, the U.S. Trust Territories of the Pacific Islands (Republic of Palau), the Republic of the Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Tuvalu, Nauru, Federated States of Micronesia, or Hong Kong;

   (v) “Subcontinent Asian Americans,” which includes persons whose origins are from India, Pakistan, Bangladesh, Bhutan, the Maldives Islands, Nepal or Sri Lanka;

   (vi) "Women;"

   (vii) Any additional groups whose members are designated as socially and economically disadvantaged by the Small Business Administration.
4.0 Working with DBEs:

The Department works with DBEs and assists them in their efforts to participate in the highway construction. All proposers should contact the Department’s Business Engagement and Compliance Office (BECO) by phone, through email, or at the address shown below, for assistance in their efforts to use DBEs in the highway construction industry. BECO contact information is as follows:

Arizona Department of Transportation Business Engagement and Compliance Office 1801 W. Jefferson St., Ste. 101, Mail Drop 154A Phoenix, AZ 85007 Phone (602) 712-7761 FAX (602) 712-8429 Email: contractorcompliance@azdot.gov Website: www.azdot.gov/bec

4.01 Mentor-Protégé Program:

The Department has established a Mentor-Protégé program as an initiative to encourage and develop disadvantaged businesses in the highway construction industry. The program encourages prime contractors to provide certain types of assistance to certified DBE subcontractors. ADOT encourages contractors and certified DBE subcontractors to engage in a Mentor-Protégé agreement under certain conditions. Such an agreement must be mutually beneficial to both parties and to ADOT in fulfilling requirements of 49 CFR Part 23. For guidance regarding this program refer to the Mentor-Protégé Program Guidelines available on the BECO website.

The Mentor-Protégé program is intended to increase legitimate DBE activities. The program does not diminish the DBE rules or regulations, and participants may not circumvent these rules.

5.0 Applicability:

The Department has established an overall annual goal for DBE participation on Federal aid contracts. The Department intends for the goal to be met with a combination of race conscious efforts and race neutral efforts. Race conscious participation occurs when the contractor uses a percentage of DBEs, as defined herein, to meet the contract specified goal. Race neutral efforts are those that are, or can be, used to assist all small businesses or increase opportunities for all small businesses. The regulation, 49 CFR 26, defines race neutral as when a DBE wins a prime contract through customary competitive procurement procedures or is awarded a subcontract
on a prime contract that does not carry a DBE contract goal.

Prime contractors are encouraged to obtain DBE participation even if a DBE goal was not established on a contract.

The DBE provisions are applicable to all contractors including DBE contractors.

6.0 Certification and Registration:

6.1 DBE Certification:

Certification as a DBE shall be predicated on:

(1) The completion and execution of an application for certification as a "Disadvantaged Business Enterprise".

(2) The submission of documents pertaining to the firm(s) as stated in the application(s), including but not limited to a statement of social disadvantage and a personal financial statement.

(3) The submission of any additional information which the Department or the applicable Arizona Unified Certification (UCP) agency may require to determine the firm’s eligibility to participate in the DBE program.

(4) The information obtained during the on-site visits to the offices of the firm and to active job-sites.

Applications for certification may be filed online with the Department or the applicable UCP agency at any time through the Arizona Unified Transportation Registration and Certification System (AZ UTRACS) website at http://www.azutracs.com.

DBE firms and firms seeking DBE certification shall cooperate fully with requests for information relevant to the certification process. Failure or refusal to provide such information is a ground for denial or removal of certification.

ADOT is a member of the AZ Unified Certification Program (AZUCP). Only DBE firms that are certified by the AZUCP are eligible for credit on ADOT projects. A list of DBE firms certified by AZUCP is available on the internet at http://www.azutracs.com/. The list will indicate contact information and specialty for each DBE firm, and may be sorted in a variety of ways. However, ADOT does not guarantee the accuracy and/or completeness of this information, nor does ADOT represent that any licenses or registrations are appropriate for the work to be done.

The Department’s certification of a DBE is not a representation of qualifications and/or abilities nor does it mean that a DBE firm is guaranteed or entitled to receive or be awarded a contract. Being certified simply means that a firm has met the criteria for
DBE certification as outlined in 49 CFR Part 26. The contractor bears all risks of ensuring that DBE firms selected by the contractor are able to perform the work.

6.2 SBC Registration:

To comply with 49 CFR Part 26.39, ADOT’s DBE Program incorporates contracting requirements to facilitate participation by Small Business Concerns (SBCs) in federally assisted contracts. SBCs are for-profit businesses authorized to do businesses in Arizona that meet the Small Business Administration (SBA) size standards for average annual revenue criteria for its primary North American Industry Classification System (NAICS) code.

While the SBC component of the DBE program does not require utilization of goals on projects, ADOT strongly encourages contractors to utilize small businesses that are registered in AZ UTRACS on their contracts, in addition to DBEs meeting the certification requirement. The contractor may use the AZ UTRACS website to search for certified DBEs and registered SBCs that can be used on the contract. However, SBCs that are not DBEs will not be counted toward DBE participation.

SBCs can register online at the AZ UTRACS website.

The Department’s registration of SBCs is not a representation of qualifications and/or abilities nor does it mean that an SBC firm is guaranteed or entitled to receive or be awarded a contract. Being SBC registered simply means that a firm has met the criteria for SBC registration as outlined in 49 CFR Part 26. The contractor bears all risks of ensuring that SBC firms selected by the contractor are able to perform the work.

7.0 DBE Financial Institutions:

The Department thoroughly investigates the full extent of services offered by financial institutions owned and controlled by socially and economically disadvantaged individuals in its service area and makes reasonable efforts to use these institutions. The Department encourages prime contractors to use such institutions on USDOT assisted contracts. However, use of DBE financial institutions will not be counted toward DBE participation.

The Department encourages prime contractors to research the Federal Reserve Board website at www.federalreserve.gov to identify minority-owned banks in Arizona derived from the Consolidated Reports of Condition and Income filed quarterly by banks (FFIEC 031 and 041) and from other information on the Board’s National Information Center database.

8.0 Time is of the Essence:

TIME IS OF THE ESSENCE IN RESPECT TO THE DBE PROVISIONS.
9.0 Computation of Time:

In computing any period of time described in this DBE special provision, such as calendar days, the day from which the period begins to run is not counted, and when the last day of the period is a Saturday, Sunday, or Federal or State holiday, the period extends to the next day that is not a Saturday, Sunday, or Federal or State holiday. In circumstances where the Department’s offices are closed for all or part of the last day, the period extends to the next day on which the Department’s offices are open.

10.0 Contractor and Subcontractor Requirements:

10.1 General:

Each contractor shall establish a program that will ensure nondiscrimination in the award and administration of contracts and subcontracts.

Agreements between the bidder and a DBE in which the DBE promises not to provide subcontracting quotations to other bidders are prohibited.

10.2 DBE Liaison:

The contractor shall designate a DBE Liaison responsible for the administration of the contractor’s DBE program. The name of the designated DBE Liaison shall be included in the DBE Intended Participation Affidavit Summary.

11.0 DBE Goals

The Department has not established contract goals for DBE participation in this contract.

Contractors are still encouraged to employ reasonable means to obtain DBE participation. Contractors must retain records in accordance with these DBE specifications. The contractor is notified that this record keeping is important to the Department so that it can track DBE participation where only race neutral efforts are employed.

11.1 Race Neutral Contract (With No DBE Goal)

The Department has established a Disadvantaged Business Enterprise (DBE) program in accordance with the regulations of the U.S. Department of Transportation (USDOT), 49 CFR Part 26. ADOT has received federal financial assistance from the USDOT and as a condition of receiving this assistance, ADOT has signed an assurance that it shall comply with 49 CFR Part 26.

It is ADOT’s policy to ensure that DBEs, as defined in 49 CFR Part 26, have an equal opportunity to receive and participate in federally-funded contracts.
NO CONTRACT DBE GOAL HAS BEEN ESTABLISHED FOR DBE PARTICIPATION ON THIS CONTRACT.

Contractors are still encouraged to employ reasonable means to obtain DBE participation. Contractors must retain records in accordance with these DBE specifications. The consultant is notified that this record keeping is important to the Department so that it can track DBE participation where only race neutral efforts are employed.

12.0 Bidders/Proposers List and AZ UTRACS Registration Requirement:

Under Title 49 CFR of the Code of Federal Regulations, Part 26.11, DOTs are required to collect certain information from all contractors and subcontractors who seek to work on federally-assisted contracts in order to set overall and contract DBE goals. ADOT collects this information when firms register their companies on the Arizona Unified Transportation Registration and Certification System (AZ UTRACS) web portal at http://www.azutracs.com/ a centralized database for companies that seek to do business with ADOT. This information will be maintained as confidential to the extent allowed by federal and state law.

Prime contractors and all subcontractors, including DBEs listed in the offer must be registered in AZUTRACS. Proposers may verify that their firm and each subcontractor is registered using the AZUTRACS website.

Proposers may obtain additional information at the AZ UTRACS website or by contacting BECO.

All proposers shall create a Bidders/Proposers list in the AZ UTRACS by selecting all firms, service providers, and vendors that expressed interest or submitted proposals or quotes for this contract. The Bidders/Proposers List form must be complete and must include the names for all subcontractors, service providers, and vendors that submitted proposals or quotes on this project regardless of the proposer’s intentions to use the those firms on the project.

All proposers must complete and submit the Bidders/Proposers List online at AZ UTRACS prior to Offer submittal. A confirmation email will be generated by the system. This email confirmation shall be submitted with the Offer.

13.0 Payment Reporting:

The contractor shall report on a monthly basis indicating the amounts paid to all subcontractors, of all tiers, working on the project. Reporting shall be in accordance with below.

Subcontracts:

a. Sub-Contract Terms:
1. The Contractor agrees to execute a written Contract with all Subcontractors for work to be completed under this Contract. The executed Contract shall include Subcontractor’s Scope of Work and all the Uniform Terms and Conditions set forth in this Contract.

2. The Contractor shall provide electronic copies of signed subcontract agreements with all Subcontractors to ADOT Business Engagement and Compliance Office (BECO) by uploading them to the BECO’s online DBE Contract & Labor Compliance Management System (DBE System) at https://adot.dbesystem.com. Subcontract agreements shall include all required assurances and required clauses as outlined in this Contract. Each agreement and required attachment shall be dated and signed by the Subcontractor in order for the subcontract to be considered valid.

3. The Contractor may be in breach of this Contract if the Contractor materially modifies the federal regulations and State statutes in its subcontract agreements terms and conditions with its Subcontractors. Deviations from the terms of this Contract may result in termination of the Contract, or any other such remedy as deemed appropriate by the Department.

b. Sub-Contract Payments

1. Retention: If the prime contract does not provide for retention, the contractor and each subcontractor of any tier shall not withhold retention on any subcontract. If the prime contract provides for retention, the prime contractor and each subcontractor of any tier shall not retain a higher percentage than the Department may retain under the prime contract. Retainage shall be paid to the subcontractor within 7 days of satisfactory completion of the work performed by the subcontractor.

2. No Set-offs Arising from Other Contracts: If a subcontractor is performing work on multiple contracts for the same contractor or subcontractor of any tier, the contractor or subcontractor of any tier shall not withhold or reduce payment from its subcontractors on the contract because of disputes or claims on another contract.

3. Partial Payment: The contractor and each subcontractor of any tier shall make prompt partial payments to its subcontractors within seven days of receipt of payment from the Department. Notwithstanding any provision of Arizona Revised Statutes Section 28-411, the parties may not agree otherwise.

4. Final Payment: The contractor and each subcontractor of any tier shall make prompt final payment to each of its subcontractors. The contractor and each subcontractor of any tier shall pay all monies, including retention, due to its subcontractor within seven days of receipt of payment. Notwithstanding any provision of Arizona Revised Statutes Section 28-411, the parties may not agree otherwise.

5. Payment Reporting: For the purposes of this subsection “Reportable Contracts” means any subcontract, of any tier, DBE or non-DBE, by which work shall be performed on behalf of the contractor and any contract of any
FEDERAL PROVISIONS

Procurement

tier with a DBE material or service supplier.

The requirements of this subsection apply to all Reportable Contracts.

Payment Reporting for all Reportable Contracts shall be done through the Department’s web-based DBE System. The DBE System can be accessed from the Department’s BECO website. No later than fifteen calendar days after the Notice to Proceed is issued, the contractor shall log into the Department’s web based DBE System and enter or verify the name, contact information, and subcontract amounts for Reportable Contracts on the project. As Reportable Contracts are approved over the course of the contract, the contractor shall enter them in the system. Reportable contracts shall be entered into the system no later than five calendar days after approval by the Department.

The contractor shall report on a monthly basis indicating the amounts actually paid and the dates of each payment under any Reportable Contract on the project. In addition, the contractor shall require that all participants in any Reportable Contract electronically verify receipt of payment on the contract by the last day of the month and the contractor shall actively monitor the Department’s DBE System to ensure that the verifications are input. The contractor shall proactively work to resolve any payment discrepancies in the DBE System between payment amounts it reports and payment confirmation amounts reported by others.

The contractor shall ensure that all Reportable Contract activity is reported to the Department. This includes all lower-tier Reportable Contracts, regardless of whether a DBE is involved or not.

The contractor shall maintain records for each payment explaining the amount requested by the subcontractor, and the amount actually paid pursuant to the request, which may include but are not limited to, estimates, invoices, pay requests, copies of checks or wire transfers, and lien waivers in support of the monthly payments in the DBE System.

The contractor shall provide information for payments made on all Reportable Contracts during the previous month by the 15th day of the current month. In the event that no payments were made during a given month, the contractor shall identify that by entering a dollar value of zero. If the contractor does not pay the full amount of any invoice from a subcontractor, the contractor shall note that and provide the reasons in the comment section of the Monthly Payment Audit of the DBE System.

For each Reportable Contract on which the contractor fails to submit timely payment information the Department will retain $1,000.00 as liquidated damages, from the monies due to the contractor. Liquidated damages will be deducted each month for each Reportable Contract on which the contractor fails to submit payment information until the contractor provides the required information as described herein. After 90 consecutive days of non-reporting, the liquidated damages will increase to $2,000.00 for each subsequent month, for each Reportable Contract on which the contractor fails to report until the information is provided. These liquidated damages
shall be in addition to all other retention or liquidated damages provided for elsewhere in the contract.

Payment reporting requirements apply to all contracts, federal and non-federal funded.

The contractor shall ensure that a copy of this Subsection is included in every Reportable Contract of every tier.

(a) Sanctions for Inadequate Reporting:

For each Reportable Contract on which the contractor fails to submit timely and complete payment information the Department will retain $1,000.00 as liquidated damages, from the monies due to the contractor. Liquidated damages will be deducted each month for each Reportable Contract on which the contractor fails to submit payment information until the contractor provides the required information as described herein. After 90 consecutive days of non-reporting, the liquidated damages will increase to $2,000.00 for each subsequent month, for each Reportable Contract on which the contractor fails to report until the information is provided. These liquidated damages shall be in addition to all other retention or liquidated damages provided for elsewhere in the contract.

6. Completion of Work: A subcontractor’s work is satisfactorily completed when all the tasks called for in the subcontract have been accomplished, documented, and accepted by the Department.

7. Disputes: If disputes arise regarding payment of subcontractors, the contractor shall immediately provide the ADOT Project Manager with a written, verifiable explanation if:

- The contractor does not pay the full amount of any invoice from a subcontractor within seven days of receipt of a progress payment from the Department, or
- The monthly estimate does not include all work claimed by a subcontractor to have been performed.

The Department will determine whether the contractor has acted in good faith concerning any such explanations. The Department reserves the right to request and receive documents from the contractor and all subcontractors of any tier, in order to determine whether termination requirements were met. The contractor shall implement and use the dispute resolution process outlined in the subcontract, as described in Uniform Terms and Conditions Paragraph, to resolve payment disputes.

8. Non-Compliance: Failure to make prompt partial payment or prompt final payment including any retention, within the time frames established in this contract, will result in remedies, as the Department deems appropriate, which may include, but are not limited to:

- Liquidated Damages: These liquidated damages shall be in addition to all other retention or liquidated damages provided for elsewhere in the
contract.

(i) The Department will withhold two times the disputed dollar amount not paid to each subcontractor.

(ii) If full payment is made within 30 days of the Department’s payment to the contractor, the amount withheld by the Department will be released.

(iii) If full payment is made after 30 days of the Department’s payment to the contractor, the Department will release 75 percent of the funds withheld. The Department will retain 25 percent of the monies withheld as liquidated damages.

• Additional Remedies: If the contractor fails to make prompt payment for three consecutive months, or any four months over the course of one project, or if the contractor fails to make prompt payment on two or more contracts within 24 months, the Department may, in addition, invoke the following remedies:

(i) Withhold monthly progress payments until the issue is resolved and full payment has been made to all subcontractors and vendors subject to the requirements outlined under “Liquidated Damages” above,

(ii) Terminate the contract for default in accordance with this Contract, and/or

(iii) Suspension or Debarment per Uniform Terms and Conditions Paragraph 9.3 of the contractor from future bidding temporarily or permanently, depending on the number and severity of violation.

(iv) Reflect the contractor’s performance in submitting payment reports and making subcontractor payments utilizing the Department’s Vendor Performance Report.

14.0 Crediting DBE Participation:

14.01 General Requirements:

To count toward DBE participation, the DBE firms must be certified at the time of Offer submission in each NAICS code applicable to the kind of work the firm will perform on the contract. NAICS for each DBE can be found on the AZ UTRACS website. General descriptions of all NAICS codes can be found at http://www.naics.com/search/.

Credit is given only after the DBE has been paid for the work performed.

The entire amount of a contract that is performed by the DBE’s own forces, including the cost of supplies and materials purchased by the DBE for the work on the contract and equipment leased by the DBE will be credited toward DBE participation. Supplies and equipment the DBE subcontractor purchases or leases from the prime contractor or its affiliate will not be credited toward DBE participation.

The contractor bears the responsibility to determine whether the DBE possesses the
proper contractor’s license(s) to perform the work and, if DBE credit is requested, that the DBE subcontractor is certified for the requested type of work.

The Department’s certification is not a representation of a DBE’s qualifications and/or abilities. The contractor bears all risks that the DBE may not be able to perform its work for any reason.

A DBE may participate as a prime contractor, subcontractor, or as a vendor of materials or supplies. The dollar amount of work to be accomplished by DBEs, including partial amount of a lump sum or other similar item, shall be on the basis of subcontract, purchase order, hourly rate, rate per ton, etc., as agreed to between parties.

DBE credit may be obtained only for specific work done for the project, supply of equipment specifically for physical work on the project, or supply of materials to be incorporated in the work. DBE credit will not be allowed for costs such as overhead items, capital expenditures (for example, purchase of equipment), and office items.

The contractor may credit second-tier subcontracts issued to DBEs by non-DBE subcontractors. Any second-tier subcontract to a DBE must meet the requirements of a first-tier DBE subcontract.

A prime contractor may credit the entire amount of that portion of a contract that is performed by the DBE’s own forces. The cost of supplies and materials obtained by the DBE for the work of the contract can be included so long as that cost is reasonable. Leased equipment may also be included. No credit is permitted for supplies purchased or equipment leased from the prime contractor or its affiliate(s).

When a DBE subcontracts a part of the work of its contract to another firm, the value of the subcontract may be credited towards DBE participation only if the DBE’s subcontractor is itself a DBE and performs the work with its own forces. Work that a DBE subcontracts to a non-DBE firm does not count toward DBE participation.

A prime contractor may credit the entire amount of fees or commissions charged by a DBE firm for providing a bona fide service, such as professional, technical, consulting, or managerial services, or for providing bonds or insurance specifically required for the performance of a USDOT-assisted contract, provided the fees are reasonable and not excessive as compared with fees customarily allowed for similar services.

14.02  DBE Prime Contractor:

When a certified DBE firm proposes on a contract/Task Assignment all the work that is performed by the DBE contractor or any other DBE subcontractors and DBE suppliers will count toward DBE participation.

14.03  Effect of Loss of DBE Eligibility:
For On-Call Task Assignment contracts, if a DBE is deemed ineligible (decertified) or suspended by ADOT or one of its UCP Partner Agencies in accordance with 49 CFR 26.87 and 26.88, the DBE may not be count toward DBE participation on a new Task Assignment, but may be considered for the contract/Task Assignment DBE participation if a subcontract or contract modification for the work to be completed on the Task Assignment was executed before the DBE suspension or decertification is effective.

A subcontract or contract modification for work on the task assignment means, any subcontract or agreement for the task assignment, which includes a specific ADOT TRACS/Project Number, defined scope, duration and budget for the work to be completed under the Task Assignment that is duly signed by the contractor/contractor and subcontractor/subcontractor.

When the contractor/contractor intents to use an ineligible DBE firm or ADOT made a commitment to use an ineligible DBE prime contractor/contractor, but a subcontract or Contract Modification for the work to be completed on the Task Assignment has not been executed before a decertification notice is issued to the DBE firm by its certifying agency, the ineligible firm does not count toward DBE participation. When a subcontract or contract modification is executed with the DBE firm for the work to be completed on the Task Assignment before ADOT notified the firm of its ineligibility, the DBE’s work on the Task Assignment may continue to be credited toward DBE participation for the firm's work.

14.04 Notifying the Contractor of DBE Certification Status:

Each DBE contract at any tier shall require any DBE subcontractor or supplier that is either decertified or certified during the term of the contract to immediately notify the contractor and all parties to the DBE contract in writing, with the date of decertification or certification. The contractor shall require that this provision be incorporated in any contract of any tier in which a DBE is a participant.

14.05 Commercially Useful Function:

A prime contractor can credit expenditures to a DBE subcontractor only if the DBE performs a Commercially Useful Function (CUF).

A DBE performs a CUF when it is responsible for execution of the work of a contract and carries out its responsibilities by actually performing, managing, and supervising the work involved. To perform a commercially useful function, the DBE must also be responsible, with respect to materials and supplies on the contract, for negotiating price, determining quality and quantity, ordering the material, and installing (where applicable) and paying for the material itself that it uses on the project. To determine whether a DBE is performing a commercially useful function, the Department will evaluate the amount of work subcontracted, industry practices, whether the amount the firm is to be paid under the contract is commensurate with the work it is actually
performing and the DBE credit claimed for its performance of the work, and other relevant factors.

A DBE will not be considered to perform a commercially useful function if its role is limited to that of an extra participant in a transaction, contract, or project through which funds are passed in order to obtain the appearance of DBE participation. In determining whether a DBE is such an extra participant, the Department will examine similar transactions, particularly those in which DBEs do not participate.

If a DBE does not perform or exercise responsibility for at least 30 percent of the total cost of its contract with its own work force, or if the DBE subcontracts a greater portion of the work of a contract than would be expected on the basis of normal industry practice for the type of work involved, the Department will presume that the DBE is not performing a commercially useful function.

When a DBE is presumed not to be performing a commercially useful function as provided above, the DBE may present evidence to rebut this presumption. The Department will determine if the firm is performing a CUF given the type of work involved and normal industry practices.

The Department will notify the contractor, in writing, if it determines that the contractor’s DBE subcontractor is not performing a CUF. The contractor will be notified within seven calendar days of the Department’s decision.

Decisions on CUF may be appealed to the Chief Procurement Officer (CPO). The appeal must be in writing and personally delivered or sent by certified mail, return receipt requested, to the CPO. The appeal must be received by the CPO no later than seven calendar days after the decision of BECO. BECO’s decision remains in place unless and until the CPO reverses or modifies BECO’s decision. CPO will promptly consider any appeals under this subsection and notify the contractor of CPO’s findings and decisions. Decisions on CUF matters are not administratively appealable to USDOT.

The BECO may conduct project site visits on the contract to confirm that DBEs are performing a CUF. The contractor shall cooperate during the site visits and the BECO’s staff will make every effort not to disrupt work on the project.

15.0 Required Provisions for DBE Subcontracts:

All subcontracts of any tier, all supply contracts, and any other contracts in which a DBE is a participant shall include as a physical attachment, DBE Subcontractor Compliance Assurances refer to the Federal Attachments and Exhibits.

Contractors executing agreements with subcontractors, DBE or non-DBE, that materially modify federal regulation and state statutes such as, prompt payment and retention requirements, through subcontract terms and conditions will be found in breach of contract which may result in termination of the contract, or any other such
remedy as the deemed appropriate as outlined in DBE Subsection 2.0 of these DBE provisions.

The Department reserves the right to conduct random reviews of DBE and non-DBE subcontract documentation to ensure compliance with federal requirements.

The contractor shall ensure that all subcontracts or agreements with DBEs to supply labor or materials require that the subcontract and all lower tier subcontracts be performed in accordance with 49 CFR Part 26 provisions.

The Contractor shall provide electronic copies of subcontract agreements with all Subcontractors by uploading them within 15 calendar days of an executed contract to the ADOT DBE System. Subcontract agreements shall include all required assurances and clauses as outlined in DBE Subcontractor Compliance Assurances refer to the Federal Attachments and Exhibits of the Contract. Each agreement and required attachment shall be dated and signed by the Subcontractor in order for the subcontract to be considered valid.

The Contractor shall be in breach of this Contract if the Contractor materially modifies the federal regulations and State statutes in its subcontract agreements terms and conditions with its Subcontractors. Deviations from the terms of this Contract may result in termination of the Contract, or any other such remedy as deemed appropriate by the Department

16.0 Certification of Final DBE Payments:

DBE participation on the contract is measured by actual payments made to the DBEs. The contractor shall submit the “Certification of Final DBE Payments” form for each DBE firm working on the contract. This form shall be signed by the contractor and the relevant DBE, and submitted to the Engineer no later than 30 days after the DBE completes its work.

The contractor will not be released from the obligations of the contract until the “Certification of Final DBE Payments” forms are received and deemed acceptable by the Engineer and BECO.

17.0 False, Fraudulent, or Dishonest Conduct:

In addition to any other remedies or actions, the Department will bring to the attention of the US Department of Transportation any appearance of false, fraudulent, or dishonest conduct in connection with the DBE program, so that USDOT can take steps such as referral to the Department of Justice for criminal prosecution, referral to the USDOT Inspector General for possible initiation of suspension and debarment proceedings against the offending parties or application of “Program Fraud and Civil Penalties” rules provided in 49 CFR Part 31.
21. NONDISCRIMINATION

1. During the performance of this Contract, the Consultant, for itself, its Subconsultants, assignees and successors shall:

   a. Not discriminate on the basis of race, color, national origin, or sex and shall carry out applicable requirements of 49 CFR Part 26 in the performance of this Contract. Failure by the Consultant to carry out these requirements is a material breach of this Contract, which may result in the termination of this Contract, disqualification from proposing on other Contracts or other remedy as the State deems appropriate.

   b. Comply with Executive Order 2009-09, "Prohibition of Discrimination in Employment by Government Contractors and Subcontractors," which is hereby included in its entirety by reference and considered a part of this Contract.

   c. Comply with the provisions of Executive Order 11246, entitled "Equal Employment Opportunity," as amended by Executive Order 11375, and as supplemented in Department of Labor Regulations (41 CFR Part 60). Said provisions are made applicable by reference and are hereinafter considered a part of this Contract.

   d. Post in conspicuous places available to employees and applicants for employment, the following notice:

      "It is the policy of this company not to discriminate against any employee, or applicant for employment, because of race, color, religion, creed, national origin, sex, age, handicapped, or disabled veterans and Vietnam era veterans. Such actions shall include, but are not limited to: employment, upgrading, demotion, transfer, recruitment, or recruitment advertising; laying-off or termination; rates of pay or other compensation; and selection for training, and on-the-job training. Also, it is the policy to ensure and maintain a working environment free of harassment, intimidation and coercion."

   e. Comply with the Regulations relative to nondiscrimination in Federally-assisted programs of the U.S. Department of Transportation (hereinafter USDOT), 49 CFR Part 21, as they may be amended from time to time, (hereinafter referred to as the Regulations), which are herein incorporated by reference and made a part of this Contract.

   f. Not discriminate on the grounds of race, color, sex, or national origin in the selection and retention of Subconsultants, including procurement of materials and leases of equipment. The Consultant shall not participate either directly or
indirectly in the discrimination prohibited by Section 21.5 of the Regulations, including employment practices.

g. In all solicitations either by competitive bidding or negotiations made by the Consultant for work to be performed under a subcontract, including procurement of materials or leases of equipment, notify each potential Subconsultant or supplier of the Consultant’s obligations under this Contract and the Regulations relative to nondiscrimination on the ground of race, color, or national origin.

h. Provide all information and reports required by the Regulations or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information and its facilities as may be determined by the State to be pertinent to ascertain compliance with such Regulations, orders and instructions. Where any information required of a Consultant is in the exclusive possession of another who fails or refuses to furnish this information, the Consultant shall so certify to the State as appropriate, and shall set forth what efforts it has made to obtain the information.

2. In the event of the Consultant’s noncompliance with the NONDISCRIMINATION provision (Section A) of this Contract, the State shall impose such Contract sanctions as the State or FHWA may determine to be appropriate, including but not limited to:

   a. Withholding of payments to the Consultant under the Contract until the Consultant complies,

   and/or;

   b. Cancellation, termination, or suspension of the Contract, in whole or in part.

3. The Consultant shall include the provisions of paragraph 1.a. through 1.h. in every subcontract with Subconsultants, DBEs and non-DBEs, including procurement of materials and equipment leases, unless exempt by the Regulations or directives issued pursuant thereto.

4. The Consultant shall take such action with respect to any Subconsultants or procurement as the State or the Federal Aviation Administration (FAA), FHWA and the Federal Transit Administration (FTA) may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, however, that in the event the Consultant becomes involved in or is threatened with litigation with a Subconsultant or supplier as a result of such direction, the Consultant may request the State to enter into such litigation to protect the interests of the State, and in addition, the Consultant may request the United States to enter into such litigation to protect the interests of the United States.
22. AFFIRMATIVE ACTION

Contractor shall take the following affirmative action steps with respect to securing supplies, equipment, or services under the terms of this contract:

a. Include qualified firms owned by socially and economically disadvantaged individuals on solicitation lists.

b. Assure that firms owned by socially and economically disadvantaged individuals are solicited whenever they are potential sources.

c. When economically feasible, divide total requirements into smaller tasks or quantities so as to permit maximum participation by firms owned by socially and economically disadvantaged individuals.

d. Where the requirement permits, establish delivery schedules which will encourage participation by firms owned by socially and economically disadvantaged individuals.

e. Use the services and assistance of the Small Business Administration, the Office of Minority Business Enterprise of the Department of Commerce, and the Community Services Administration, as required.

23. CONTRACT WORK HOURS AND SAFETY STANDARDS ACT

The following clauses apply to any Federal-aid contract in an amount in excess of $100,000 and subject to the overtime provisions of the Contract Work Hours and Safety Standards Act. These clauses shall be inserted in addition to the clauses required by 29 CFR 5.5(a) or 29 CFR 4.6. As used in this paragraph, the terms laborers and mechanics include watchmen and guards.

Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (1.) of this section, the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed
with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1.) of this section, in the sum of $10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1.) of this section.

**Withholding for unpaid wages and liquidated damages.** The FHWA or the contacting agency shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2.) of this section.

**Subcontracts.** The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (1.) through (4.) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (1.) through (4.) of this section.

**24. FEDERAL CHANGES**

The Contactor and its sub-contractors shall comply with all applicable FTA regulations, policies, procedures and directives, including without limitation those listed directly or by reference in the Master Agreement between the Department and FTA, as they be amended or promulgated from time to time during the term of the contract. Contractor’s failure to comply shall constitute a material breach of the contract.

**25. PROMPT PAY**

The prime contractor agrees to pay each subcontractor under this prime contract for satisfactory performance of its contract no later than 30 days from the receipt of each payment the prime contract receives from the Recipient. The prime contractor agrees further to return retainage payments to each subcontractor within 30 days after the subcontractors work is satisfactorily completed. Any delay or postponement of payment from the above referenced time frame may occur only for good cause following written approval of the Recipient. This clause applies to both DBE and non-DBE subcontracts.

**26. FULL AND OPEN COMPETITION**

In accordance with 49 U.S.C. § 5325(h) all procurement transactions shall be
conducted in a manner that provides full and open competition.

27. PROHIBITION AGAINST EXCLUSIONARY OR DISCRIMINATORY SPECIFICATIONS

Apart from inconsistent requirements imposed by Federal statute or regulations, the contractor shall comply with the requirements of 49 USC 5323(h)(2) by refraining from using any FTA assistance to support procurements using exclusionary or discriminatory specifications.

28. CONFORMANCE WITH ITS NATIONAL ARCHITECTURE

Contractor shall conform, to the extent applicable, to the National Intelligent Transportation Standards architecture as required by SAFETEA-LU Section 5307(c), 23 U.S.C. Section 512 note and follow the provisions of FTA Notice, “FTA National Architecture Policy on Transit Projects,” 66 Fed. Reg.1455 et seq., January 8, 2001, and any other implementing directives FTA may issue at a later date, except to the extent FTA determines otherwise in writing.

29. ACCESS REQUIREMENTS FOR PERSONS WITH DISABILITIES

Contractor shall comply with 49 USC 5301(d), stating Federal policy that the elderly and persons with disabilities have the same rights as other persons to use mass transportation services and facilities and that special efforts shall be made in planning and designing those services and facilities to implement that policy.

Contractor shall also comply with all applicable requirements of Sec. 504 of the Rehabilitation Act (1973), as amended, 29 USC 794, which prohibits discrimination on the basis of handicaps, and the Americans with Disabilities Act of 1990 (ADA), as amended, 42 USC 12101 et seq., which requires that accessible facilities and services be made available to persons with disabilities, including any subsequent amendments thereto.

30. NOTIFICATION OF FEDERAL PARTICIPATION

To the extent required by law, in the announcement of any third party contract award for goods and services (including construction services) having an aggregate value of $500,000 or more, contractor shall specify the amount of Federal assistance to be used in financing that acquisition of goods and services and to express that amount of Federal assistance as a percentage of the total cost of the third party contract.

31. INTEREST OF MEMBERS OR DELEGATES TO CONGRESS

No members of, or delegates to, the US Congress shall be admitted to any share or part of this contract nor to any benefit arising therefrom.
32. INELIGIBLE CONTRACTORS AND SUBCONTRACTORS

Any name appearing upon the Comptroller General’s list of ineligible contractors for federally-assisted contracts shall be ineligible to act as a subcontractor for contractor pursuant to this contract. If contractor is on the Comptroller General’s list of ineligible contractors (https://www.sam.gov/SAM/) for federally financed or assisted construction, the recipient shall cancel, terminate or suspend this contract.

33. OTHER CONTRACT REQUIREMENTS

To the extent not inconsistent with the foregoing Federal requirements, this contract shall also include those standard clauses attached hereto, and shall comply with the recipient’s Procurement Guidelines, available upon request from the Department.

34. COMPLIANCE WITH FEDERAL REGULATIONS

Any contract entered pursuant to this solicitation shall contain the following provisions: All USDOT- required contractual provisions, as set forth in FTA Circular 4220, are incorporated by reference. Anything to the contrary herein notwithstanding, FTA mandated terms shall control in the event of a conflict with other provisions contained in this Agreement. Contractor shall not perform any act, fail to perform any act, or refuse to comply with any grantee request that would cause the recipient to be in violation of FTA terms and conditions. Contractor shall comply with all applicable FTA regulations, policies, procedures and directives, including, without limitation, those listed directly or incorporated by reference in the Master Agreement between the recipient and FTA, as may be amended or promulgated from time to time during the term of this contract. Contractor’s failure to so comply shall constitute a material breach of this contract.

35. REAL PROPERTY

Any contract entered into shall contain the following provisions: Contractor shall at all times comply with all applicable statutes and USDOT regulations, policies, procedures and directives governing the acquisition, use and disposal of real property, including, but not limited to, 49 CFR 18.31-18.34, 49 CFR 19.30-19.37, 49 CFR Part 24, 49 CFR 5326 as amended by Map-21, 49 CFR part 18 or 19, 49 USC 5334, applicable FTA Circular 5010, and FTA Master Agreement, as they may be amended or promulgated during the term of this contract. Contractor’s failure to so comply shall constitute a material breach of this contract.

36. ACCESS TO SERVICES FOR PERSONS WITH LIMITED ENGLISH PROFICIENCY

To the extent applicable and except to the extent that FTA determines otherwise in writing, the Recipient agrees to comply with the policies of Executive Order No. 13166, "Improving Access to Services for Persons with Limited English Proficiency," 42 U.S.C. § 2000d 1 note, and with the provisions of U.S. DOT Notice, “DOT Guidance to Recipients on Special Language Services to Limited English Proficient (LEP)
37. ENVIRONMENTAL JUSTICE

38. ENVIRONMENTAL PROTECTIONS

Compliance is required with any applicable Federal laws imposing environmental and resource conservation requirements for the project. Some, but not all, of the major Federal laws that may affect the project include: the National Environmental Policy Act of 1969; the Clean Air Act; the Resource Conservation and Recovery Act; the comprehensive Environmental response, Compensation and Liability Act; as well as environmental provisions with Title 23 U.S.C., and 49 U.C. chapter 53. The U.S. EPA, FHWA and other federal agencies may issue other federal regulations and directives that may affect the project. Compliance is required with any applicable Federal laws and regulations in effect now or that become effective in the future.

39. GEOGRAPHIC INFORMATION RELATED TO SPATIAL DATA

Any project activities involving spatial data or geographic information systems activities financed with Federal assistance are required to be consistent with the National Spatial Data Infrastructure promulgated by the Federal Geographic Data Committee, except to the extent that FTA determines otherwise in writing.

40. GEOGRAPHIC PREFERENCE

Pursuant to 2 CFR 200.319(b), all procurements must be conducted in a manner that prohibits the use of statutorily or administratively imposed state, local, or tribal geographical preferences in the evaluation of bids or proposals, except in those cases where applicable Federal statutes expressly mandate or encourage geographic preference. Nothing in this section preempts state licensing laws. When contracting for architectural and engineering (A/E) services, geographic location may be a selection criterion provided its application leaves an appropriate number of qualified firms, given the nature and size of the project, to compete for the contract.

41. ORGANIZATIONAL CONFLICTS OF INTEREST
The Recipient agrees that it will not enter into a procurement that involves a real or apparent organizational conflict of interest described as follows:

(1) When It Occurs. An organizational conflict of interest occurs when the Project work, without appropriate restrictions on certain future activities, results in an unfair competitive advantage:

   (a) To that Third Party Participant or another Third Party Participant performing the Project work, and
   (b) That impairs that Third Party Participant’s objectivity in performing the Project work, or

(2) Other. An organizational conflict of interest may involve other situations resulting in fundamentally unfair competitive conditions,

(3) Disclosure Requirements. Consistent with FTA policies, the Recipient must disclose to FTA, and each of its Subrecipients must disclose to the Recipient:

   (a) Any instances of organizational conflict of interest, or
   (b) Violations of federal criminal law, involving fraud, bribery, or gratuity violations potentially affecting the federal award, and

(4) Failure to Disclose. Failure to make required disclosures can result in remedies for noncompliance, including debarment or suspension.

42. VETERANS PREFERENCE

As provided by 49 U.S.C. § 5325(k), to the extent practicable, the Recipient agrees and assures that each of its Subrecipients:

(1) Will give a hiring preference to veterans, as defined in 5 U.S.C. § 2108, who have the skills and abilities required to perform construction work required under a third party contract in connection with a Capital Project supported with federal assistance appropriated or made available for 49 U.S.C. chapter 53, and

(2) Will not require an employer to give a preference to any veteran over any equally qualified applicant who is a member of any racial or ethnic minority, female, an individual with a disability, or a former employee.

43. CATALOG OF FEDERAL DOMESTIC ASSISTANCE (CFDA) IDENTIFICATION NUMBER

The municipal project sponsor is required to identify in its accounts all Federal awards received and expended, and the Federal programs under which they were received. Federal program and award identification shall include, as applicable, the CFDA title and number, award number and year, name of the Federal agency, and name of the pass-through entity.
44. AMERICANS WITH DISABILITIES ACT (ADA)

The contractor agrees to comply with the requirements of 49 U.S.C. § 5301 (d), which states the Federal policy that the elderly and persons with disabilities have the same right as other persons to use mass transportation service and facilities, and that special efforts shall be made in planning and designing those services and facilities to implement that policy. The contractor also agrees to comply with all applicable requirements of section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. § 794, which prohibits discrimination on the basis of handicaps, with the Americans with Disabilities Act of 1990 (ADA), as amended, 42 U.S.C. §§ 12101 et seq., which requires that accessible facilities and services be made available to persons with disabilities, including any subsequent amendments to that Act, and with the Architectural Barriers Act of 1968, as amended, 42 U.S.C. §§ 4151 et seq., which requires that buildings and public accommodations be accessible to persons with disabilities, including any subsequent amendments to that Act. In addition, the contractor agrees to comply with any and all applicable requirements issued by the FTA, DOT, DOJ, U.S. GSA, U.S. EEOC, U.S. FCC, any subsequent amendments thereto and any other nondiscrimination statute(s) that may apply to the Project.

45. BYRD ANTI-LOBBING AMENDMENT

Contractors who apply or bid for an award of $100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with nonfederal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the Agency.”

46. NO GOVERNMENT OBLIGATION TO THIRD PARTIES

The Agency and Contractor acknowledge and agree that, notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of the underlying Contract, absent the express written consent by the Federal Government, the Federal Government is not a party to this Contract and shall not be subject to any obligations or liabilities to the Agency, Contractor or any other party (whether or not a party to that contract) pertaining to any matter resulting from the underlying Contract. The Contractor agrees to include the above clause in each subcontract financed in whole or in part with Federal assistance provided by the FTA. It is further agreed that the clause shall not be modified, except to identify the subcontractor who will be subject to its provisions.

44. BUS TESTING

The operator of the bust testing facility is required to provide the resulting test report to the entity that submits the bus for testing. The manufacturer or dealer of a new bus
model or a bus produced with a major change in component or configuration is required to provide a copy of the corresponding full bus testing report and any applicable partial testing report(s) to the Agency during the point in the procurement process specified by the Agency, but in all cases before final acceptance of the first bus by the Agency. The complete bus testing report requirements are provide in 49 C.F.R. § 665.11.

45. CARGO PREFERENCE REQUIREMENTS

The contractor agrees:

a. to use privately owned United States-Flag commercial vessels to ship at least 50 percent of the gross tonnage (computed separately for dry bulk carriers, dry cargo liners, and tankers) involved, whenever shipping any equipment, material, or commodities pursuant to the underlying contract to the extent such vessels are available at fair and reasonable rates for United States-Flag commercial vessels;

b. to furnish within 20 working days following the date of loading for shipments originating within the United States or within 30 working days following the date of loading for shipments originating outside the United States, a legible copy of a rated, "onboard" commercial ocean bill-of-lading in English for each shipment of cargo described in the preceding paragraph to the Division of National Cargo, Office of Market Development, Maritime Administration, Washington, DC 20590 and to the FTA Recipient (through the contractor in the case of a subcontractor's bill-of-lading); and

c. to include these requirements in all subcontracts issued pursuant to this contract when the subcontract may involve the transport of equipment, material, or commodities by ocean vessel.

46. E-AWARD AND POST-DELIVERY AUDITS OF ROLLING STOCK PURCHASES

The Contractor agrees to comply with 49 U.S.C. § 5323(m) and FTA's implementing regulation at 49 C.F.R. part 663. The Contractor shall comply with the Buy America certification(s) submitted with its proposal/bid. The Contractor agrees to participate and cooperate in any pre-award and post-delivery audits performed pursuant to 49 C.F.R. part 663 and related FTA guidance.
During the performance of this contract, the contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "contractor") agrees as follows:

1. **Compliance with Regulations:** The contractor (hereinafter includes consultants) will comply with the Acts and the Regulations relative to Non-discrimination in Federally-assisted programs of the U.S. Department of Transportation, the Federal Highway Administration, as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.

2. **Non-discrimination:** The contractor, with regard to the work performance by it during the contract, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The contractor will not participate directly or indirectly in the discrimination prohibited by the Acts and the Regulations, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR Part 21.

3. **Solicitations for Subcontracts, Including Procurements of Materials and Equipment:** In all solicitations, either by competitive bidding, or negotiation made by the contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the contractor of the contractor's obligations under this contract and the Acts and Regulations relative to Non-discrimination on the grounds of race, color, or national origin.

4. **Information and Reports:** The contractor will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Recipient or the Federal Highway Administration to be pertinent to ascertain compliance with such Acts, Regulations, and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the contractor will so certify to the Recipient or the Federal Highway Administration, as appropriate, and will set forth what efforts it has made to obtain the information.

5. **Sanctions for Noncompliance:** In the event of a contractor's noncompliance with the Non-discrimination provisions of this contract, the Recipient will impose such contract sanctions as it or the Federal Highway Administration may determine to be appropriate, including, but not limited to:
   a. withholding payments to the contractor under the contract until the contractor complies; and/or
   b. cancelling, terminating, or suspending a contract, in whole or in part.

6. **Incorporation of Provisions:** The contractor will include the provisions of paragraphs one through six in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. The contractor will take action with request to any subcontract or procurement as the Recipient or the Federal Highway Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the contractor becomes involved in, or is threatened with litigation by a subcontractor or supplier because of such direction, the contractor may request the Recipient to enter into any litigation to protect the interests of the Recipient. In addition, the contractor may request the United States to enter into the litigation to protect the interests of the United States.
During the performance of this contract, the contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "contractor") agrees to comply with the following non-discrimination statutes and authorities; including but not limited to:

**Pertinent Non-Discrimination Authorities:**
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 U.S.C. § 4601), (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Federal-Aid Highway Act of 1973, (23 U.S.C. § 324 et seq.), (prohibits discrimination on the basis of sex);
- The Age Discrimination Act of 1975, as amended, (42 U.S.C. § 6101 et seq.), (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC § 471, Section 47123), as amended, (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12131-12189) as implemented by Department of Transportation regulations at 49 C.F.R. parts 37 and 38;
- The Federal Aviation Administration's Non-discrimination statute (49 U.S.C. § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 Fed. Reg. at 74087 to 74100);
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 U.S.C. 1687 et. seq).

**PRE-AWARD AUDIT (before issuing purchase order)**

A recipient purchasing revenue service rolling stock with FTA funds must ensure that a pre-award audit under this part is completed before the recipient enters into a formal contract for the purchase of such rolling stock.

**49 CFR 661.13 Grantee Responsibility**

(a) The grantee shall adhere to the Buy America clause set forth in its grant contract with FTA Section 16: Preference for United States Products and Services:

1. Buy America: Domestic preference procurement requirements of:
   (1) 49 U.S.C. 65323(j), as amended by FAST Act, and
   (2) FTA regulations, "Buy America Requirements," 49 C.F.R. part 601, to the extent consistent with FAST Act,

(b) A description of pre-award audit. A pre-award audit under this part includes—

1. A Buy America certification as described in §663.25 of this part;
2. A purchaser's requirements certification as described in §663.27 of this part; and
3. Where appropriate, a manufacturer's Federal Motor Vehicle Safety certification information as described in §663.41 or §663.43 of this part.

**49 CFR § 663.25**

1. A Buy America certification:
   a) There is a letter from FTA which grants a waiver or.

2. **49 CFR § 663.27**

   a) The rolling stock the recipient is contracting for is the same product described in the purchaser's solicitation specification; and
   b) The proposed manufacturer is a responsible manufacturer with the capability to produce a vehicle that meets the recipient's requirements.

3. **49 CFR § 663.41**

   a) If a vehicle purchased under this part is subject to the Federal Motor Vehicle Safety Standards issued by the National Highway Traffic Safety Administration in part 571 of this title, a recipient shall keep on file its certification that it received, both at the pre-award and post-delivery stage, a copy of the manufacturer's self-certification information that the vehicle complies with relevant Federal Motor Vehicle Safety Standards.

4. **49 CFR § 663.43**

   a) Except for rolling stock subject to paragraph (b) of this section, if a vehicle purchased under this part is not subject to the Federal Motor Vehicle Safety Standards issued by the National Highway Traffic Safety Administration in part 571 of this title, the recipient shall keep on file its certification that it received a statement to that effect from the manufacturer.

- **§653.33** Description of post-delivery audit: A post-delivery audit under this part includes—
  
  (a) A post-delivery Buyer America certification as described in §653.35 of this part;
  
  (b) There is a letter from PTAs which grants a waiver to the rolling stock received from the Buyer America requirements under sections 105 (1) or (b)(4) of the Surface Transportation Assistance Act of 1982 as amended or
  
  (c) The recipient is satisfied that the rolling stock received meets the requirements of section 105 (a) or (b)(3) of the Surface Transportation Assistance Act of 1982, as amended, after having reviewed the report of an audit prepared by someone other than the manufacturer or its agent documentation provided by the manufacturer which includes—
  
  (1) Components and sub-component parts of the rolling stock identified by manufacturer of the parts, their country of origin and costs; and
  
  (2) The actual location of the final assembly point for the rolling stock including a description of the activities which took place at the final assembly point and the cost of the final assembly

- **§653.37** Post-delivery purchaser’s requirements certification. For purposes of this part, a post-delivery purchaser’s requirements certification is a certification that the recipient keeps on file that—
  
  (a) Except for procurements covered under paragraph (c) in this section, a resident inspector (other than an agent or employee of the manufacturer) was at the manufacturing site throughout the period of manufacture of the rolling stock to be purchased and monitored and completed a report on the manufacture of such rolling stock. Such a report, if any, must be—
  
  (1) Provide accurate records of all vehicle construction activities; and
  
  (2) Address how the construction and operation of the vehicles fulfill the contract specifications

- **§653.39** When appropriate, a manufacturer’s Federal Motor Vehicle Safety Standard self-certification information as described in §653.41 or §653.43 of this part

- **§653.41** Certification of compliance with Federal motor vehicle safety standards. If a vehicle purchased under this part is subject to the Federal Motor Vehicle Safety Standards issued by the National Highway Traffic Safety Administration in part 571 of this title, the recipient shall keep on file its certification that it received, both at the pre-award and post-delivery phase, a copy of the manufacturer’s self-certification information that the vehicle complies with relevant Federal Motor Vehicle Safety Standards.

- **§653.43** Certification that Federal motor vehicle standards do not apply:
  
  (a) Exempt for rolling stock subject to paragraph (b) of this section, if a vehicle purchased under this part is not subject to the Federal Motor Vehicle Safety Standards issued by the National Highway Traffic Safety Administration in part 571 of this title, the recipient shall keep on file its certification that it received a statement to that effect from the manufacturer.

- **§653.45** This subpart shall not apply to rolling stock that is not a motor vehicle.

Pursuant to the Uniform Instructions to Offerors, Item B.6, Solicitation Amendments, the above referenced solicitation shall be amended as follows:

1. The solicitation due date has been changed from January 17, 2022 at 3:00 PM MST to January 19, 2022 at 3:00 PM MST.

2. All other terms, conditions and provisions of this solicitation remain unchanged.
Pursuant to the Uniform Instructions to Offerors, Item B.6, Solicitation Amendments, the above referenced solicitation shall be amended as follows:

1. Specifications
   The following sections are hereby modified to read:
   a. **Paragraph 2.1** “The State of Arizona Department of Transportation (Department) is seeking to contract with a qualified vendor(s) who can provide new vehicles (all fuel types, hybrid, and full electric) including but not limited to: Sedans, Trucks up to 19,500 GVWR, Vans, Sport Utility Vehicles (SUVs), and Crossovers for the State of Arizona and participating Eligible Agencies. These vehicles will be used to support official organizational goals. These vehicles will be used on highways, city/county roads and shall be designed to operate under typical Arizona ambient temperatures.”
   b. **Paragraph 3.3.1, 3.5.1 and 3.5.2** is hereby removed.
   c. **Paragraph 4.1**: “The Contractors are encouraged to provide a full line of new vehicles (gasoline, hybrid, full electric) including but not limited to the following categories: Sedans, Trucks up to 19,500 GVWR, Vans (cargo, passenger, transit, etc.), Sport Utility Vehicles (SUVs), and Crossovers. Eligible Agencies throughout the State will have varying vehicle needs. Contractors are to provide a full line of manufactured new vehicles and all subsequent variants of each vehicle; including but not be limited to: models and manufacturer options, trim package, etc. to meet each need of an Eligible Agency.”
   d. **Paragraph 4.1.1** is hereby removed.
   e. **Paragraph 4.4.1**: “The Eligible Agency may request the awarded Contractor(s) to up-fit/modify any vehicle for specific organizational needs. For example, the cab and chassis of ½ ton, ¾ ton, and/or up to 19,500 GVW trucks may require a specialized body (i.e.: dump body, landscape body, etc.). Other vehicles may require interior and/or exterior modifications per the individual Eligible Agency.”
   f. **Paragraph 4.6.1**: ” Anti-slip differential for two-wheel drive pickup trucks, ¾ ton, up to 19,500 GVW.”

2. Special Terms and Conditions
   The following sections are hereby modified to read:
   a. **Paragraph 11.1**, (a-g): “Phase 1 and 2 pricing for vehicles shall be a minimum Percentage off MSRP, less the manufacturer’s rebates and any additional discounts available for that model/power-train combination.
      a. Contractor shall provide a copy of manufacturer’s invoice to the ordering agency upon request. The manufacturer’s invoice shall be unaltered to include original pricing from the manufacturer.

Pursuant to the Uniform Instructions to Offerors, Item B.6, Solicitation Amendments, the above referenced solicitation shall be amended as follows:

1. **Specifications**
   The following sections are hereby modified to read:

   a. **Paragraph 3.5** “For Phase Two (2) vehicles, the Contractor shall supply a quote within five (5) calendar days after receiving a request from the Eligible Agency. The quotation shall include but not be limited to the following information: State contract number, vehicle availability and delivery lead-time, Vehicle Identification Number (VIN), dealer stock number, vehicle base bid price, itemized options, applicable tax, delivery cost, total price, and point of contact. For vehicles requiring up-fit/modifications, all applicable cost may be included in quotation or as a separate quotation.”

   b. **Paragraph 3.10**: “For Phase One (1) the Contractor shall provide the Eligible Agency copies of the manufacturer’s vehicle identification numbers (VIN#) to confirm vehicles have been ordered unless impossible due to manufacture delay within ninety (90) calendar days after receipt of a purchase order. If confirmation of manufacturer’s VIN #(s) is not received within this timeframe the Eligible Agency has the option to award to the second lowest bidder meeting specifications. This shall be considered a mandatory requirement and the timeframe must be met unless there is a manufacture delay. Failure to provide this document for each vehicle ordered may be cause for determination of default of contract.”

2. All other terms, conditions and provisions of this solicitation remain unchanged.

b. Transportation costs to transfer a vehicle from another dealer for a Phase 2 or purchase from stock may be added to the cost of the vehicle. The justification for this cost is at the discretion of the Eligible Agency.

c. Any reference to Phase 1 pricing shall be in reference to vehicles ordered prior to the factory cut-off date.

d. Any reference to Phase 2 pricing shall be in reference to vehicles purchased from stock or “on the lot”.

e. Phase 2 pricing shall receive the same cost considerations as Phase 1 pricing, all discounts and rebates should be passed onto the Eligible Agency.

f. All vehicles are to be billed at prices in effect at the time of order, not the date of shipment.

g. Pricing for vehicles shall include all discounts and deductions, less Federal and State taxes. Pricing shall be firm for life of contract unless amended by way of contract change order.

b. Paragraph 22 is hereby replaced with the following: “The Contractor shall furnish Two (2) Usage reports, the first to the Department on a quarterly basis showing purchasing activity under this contract. This usage report shall be provided in a form substantially equivalent to Exhibit 03. Usage reports shall be submitted to the Procurement Officer no later than 30 days after the end of each quarter.

Usage report quarters shall be defined as follows:
- January through March – Report due April 30
- April through June – Report due July 30
- July through September – Report due October 30
- October through December – Report due January 30

Contractor shall submit the second to the State documenting all Contract sales to both Eligible Agencies and Co-Op Buyers, itemized separately. A Quarterly Usage Report shall still be submitted; even if there have been no sales to either Eligible Agencies and/or Co-Op Buyers. Contractor shall further itemize divisions, groups or areas within a given Eligible Agency if they place Orders independently of each other. Failure to submit the report is a material breach of contract, and will entitle State to its remedies under Article 8 and its right to terminate for default under Article 9. Contractor shall submit the report using the forms and following the instructions on the State Procurement Office website:

https://spo.az.gov/contractor-resources/statewide-contracts-administrative-fee"

c. Paragraph 25: Co-op administrative fee has hereby been removed.

<td>Ford is increasing the 5-year 60,000-mile limited powertrain warranty to 5-years, 100,000 miles. Only Fleet purchasers with a valid Fleet Identification Number (FIN code) will receive the extended warranty. When the sale is entered into the sales reporting system with a sales type fleet along with a valid FIN code, the warranty extension will automatically be added to the vehicle. The extension will stay with the vehicle even if it is subsequently sold to a non-fleet customer before the expiration. This extension applies to both gas and diesel powertrains. Dealers can check for the warranty extension on eligible fleet vehicles in OASIS. Please refer to the Warranty and Policy Manual section 3.13.00 Gas Engine Commercial Warranty. This change will also be reflected in the printed Warranty Guided distributed with the purchase of every new vehicle.</td>

AGENDA ITEM TITLE:
Consideration and possible action to approve a cooperative purchasing agreement with San Tan Auto Partners, LLC, dba San Tan Ford, to purchase a 2024 Ford F550 dump truck for the Streets Division for $82,631.91.

RECOMMENDED ACTION:
Approve the Cooperative Purchasing Agreement with San Tan Ford to purchase a 2024 Ford F550 dump truck for the Streets Division for $82,631.91.

Other Pertinent Documents Available Upon Request:
Regarding Fleet purchases for fiscal year 2024. The Fleet department is requesting approval to purchase one 2-ton Dump Truck for use by the Town of Chino Valley Streets Department. These trucks are in constant use and a critical part of supporting Streets Department goals.

The Streets Department currently has four of these 2-ton Dump Trucks in service. Three of the four trucks are over 15 years old and have over 150,000 miles. The oldest and highest mileage of these is slated for replacement. This was decided during budget discussions this June.

The money for this purchase has been budgeted. The base price for the truck is $62,864. The government discount is $7,543.00. With options and the dump body, the total price is $82,631.91.

THE TOWN OF CHINO VALLEY
AND
SAN TAN AUTO PARTNERS, LLC,
D/B/A SAN TAN FORD

THIS COOPERATIVE PURCHASING AGREEMENT (this “Agreement”) is entered into as of October 10, 2023, between the Town of Chino Valley, an Arizona municipal corporation (the “Town”), and San Tan Auto Partners, LLC, an Arizona limited liability company d/b/a San Tan Ford (the “Vendor”). The Town and the Vendor are the only parties to this Agreement; they are each individually a “Party,” and together they are the “Parties.”

RECITALS

A. After a competitive procurement process, the State of Arizona (the “State”) entered into Contract No. CTR059323, dated March 17, 2022, as amended by Amendment No. 1 (undated) (together, the “State Contract”), with the Vendor for the purchase of new vehicles. A copy of the State Contract is attached hereto as Exhibit A and incorporated herein by reference to the extent not inconsistent with this Agreement.

B. The Town is permitted to purchase such vehicles under the State Contract, at its discretion and with the agreement of the Vendor.

C. The Town and the Vendor desire to enter into this Agreement for the purpose of (i) acknowledging their cooperative contractual relationship under the State Contract and this Agreement, (ii) establishing the terms and conditions by which the Vendor may provide the Town with one Ford F550 truck, as more particularly set forth in Section 2 below (the “Vehicle”), and (iii) setting the maximum aggregate amount to be expended pursuant to this Agreement related to the Vehicle.

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing introduction and recitals, which are incorporated herein by reference, the following mutual covenants and conditions, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Town and the Vendor hereby agree as follows:

1. Term of Agreement. This Agreement shall be effective as of the date first set forth above and shall remain in full force and effect until June 30, 2024, unless terminated as otherwise provided in this Agreement or the State Contract.

2. Scope of Work. The Vendor shall provide the Vehicle to the Town under the terms and conditions of the State Contract and in the configuration set forth in the Purchase Order attached hereto as Exhibit B and incorporated herein by reference.
3. **Inspection; Acceptance.** The Vehicle is subject to final inspection and acceptance by the Town. A Vehicle failing to conform to the requirements of this Agreement and/or the State Contract will be held at the Vendor’s risk and may be returned to the Vendor. If so returned, all costs are the responsibility of the Vendor. Upon discovery of a non-conforming Vehicle, the Town may elect to do either of the following by written notice to the Vendor: (i) waive the non-conformance or (ii) bring the Vehicle into compliance and withhold the cost of same from any payments due to the Vendor.

4. **Compensation.** The Town shall pay the Vendor an amount not to exceed $82,631.91 for the Vehicle at the unit rate set forth in the State Contract and as more particularly set forth in the Purchase Order.

5. **Payments.** The Town shall pay the Vendor upon delivery and acceptance of the Vehicle and upon submission and approval of the invoice. The invoice shall (i) contain a reference to this Agreement and the State Contract and (ii) document the Vehicle delivered and accepted to date. Additionally, an invoice submitted without referencing this Agreement and the State Contract will be subject to rejection and may be returned.

6. **Records and Audit Rights.** To ensure that the Vendor and its subcontractors are complying with the warranty under Section 7 below, the Vendor’s and its subcontractors’ books, records, correspondence, accounting procedures and practices, and any other supporting evidence relating to this Agreement, including the papers of any of the Vendor’s and its subcontractors’ employees who perform any work or services pursuant to this Agreement (all of the foregoing hereinafter referred to as “Records”), shall be open to inspection and subject to audit and/or reproduction during normal working hours by the Town, to the extent necessary to adequately permit evaluation of the Vendor’s and its subcontractors’ compliance with the Arizona employer sanctions laws referenced in Section 7 below. To the extent necessary for the Town to audit Records as set forth in this Section, the Vendor and its subcontractors hereby waive any rights to keep such Records confidential. For the purpose of evaluating or verifying such actual or claimed costs or units expended, the Town shall have access to said Records, even if located at its subcontractors’ facilities, from the effective date of this Agreement for the duration of the work and until three years after the date of final payment by the Town to the Vendor pursuant to this Agreement. The Vendor and its subcontractors shall provide the Town with adequate and appropriate workspace so that the Town can conduct audits in compliance with the provisions of this Section. The Town shall give the Vendor or its subcontractors reasonable advance notice of intended audits. The Vendor shall require its subcontractors to comply with the provisions of this Section by insertion of the requirements hereof in any subcontract pursuant to this Agreement.

7. **E-Verify Requirements.** To the extent applicable under ARIZ. REV. STAT. § 41-4401, the Vendor and its subcontractors warrant compliance with all federal immigration laws and regulations that relate to their employees and their compliance with the E-Verify requirements under ARIZ. REV. STAT. § 23-214(A). The Vendor’s or its subcontractors’ failure to comply with such warranty shall be deemed a material breach of this Agreement and may result in the termination of this Agreement by the Town.

8. **Israel.** To the extent ARIZ. REV. STAT. § 35-393 through § 35-393.03 apply, the Parties hereby certify that they are not currently engaged in, and agree to not engage in for the
duration of this Agreement, a “boycott” of goods or services from Israel, as that term is defined in ARIZ. REV. STAT. § 35-393.

9. **Conflict of Interest.** This Agreement may be canceled by the Town pursuant to ARIZ. REV. STAT. § 38-511.

10. **Applicable Law; Venue.** This Agreement shall be governed by the laws of the State of Arizona, and a suit pertaining to this Agreement may be brought only in courts in Yavapai County, Arizona.

11. **Agreement Subject to Appropriation.** The Town is obligated only to pay its obligations set forth in this Agreement as may lawfully be made from funds appropriated and budgeted for that purpose during the Town’s then-current fiscal year. The Town’s obligations under this Agreement are current expenses subject to the “budget law” and the unfettered legislative discretion of the Town concerning budgeted purposes and appropriation of funds. Should the Town elect not to appropriate and budget funds to pay its Agreement obligations, this Agreement shall be deemed terminated at the end of the then-current fiscal year term for which such funds were appropriated and budgeted for such purpose, and the Town shall be relieved of any subsequent obligation under this Agreement. The Parties agree that the Town has no obligation or duty of good faith to budget or appropriate the payment of the Town’s obligations set forth in this Agreement in any budget in any fiscal year other than the fiscal year in which this Agreement is executed and delivered. The Town shall be the sole judge and authority in determining the availability of funds for its obligations under this Agreement. The Town shall keep the Vendor informed as to the availability of funds for this Agreement. The obligation of the Town to make any payment pursuant to this Agreement is not a general obligation or indebtedness of the Town. The Vendor hereby waives any and all rights to bring any claim against the Town from or relating in any way to the Town’s termination of this Agreement pursuant to this Section.

12. **Conflicting Terms.** In the event of any inconsistency, conflict, or ambiguity among the terms of this Agreement, including any amendments, the State Contract, the Purchase Order, and the invoice, the documents shall govern in the order listed herein. Notwithstanding the foregoing, and in conformity with Section 2 above, unauthorized exceptions, conditions, limitations, or provisions in conflict with the terms of this Agreement or the State Contract (collectively, the “Unauthorized Conditions”), other than the Town’s project-specific requirements, are expressly declared void and shall be of no force and effect. Acceptance by the Town of any invoice containing any such Unauthorized Conditions or failure to demand full compliance with the terms and conditions set forth in this Agreement or under the State Contract shall not alter such terms and conditions or relieve the Vendor from, nor be construed or deemed a waiver of, its requirements and obligations in the performance of this Agreement.

13. **Rights and Privileges.** To the extent provided under the State Contract, the Town shall be afforded all of the rights and privileges afforded to the State and shall be the “State” (as defined in the State Contract) for the purposes of the portions of the State Contract that are incorporated herein by reference.

14. **Indemnification; Insurance.** In addition to and in no way limiting the provisions set forth in Section 13 above, the Town shall be afforded all of the insurance coverage and
indemnifications afforded to the State to the extent provided under the State Contract, and such
insurance coverage and indemnifications shall inure and apply with equal effect to the Town under
this Agreement including, but not limited to, the Vendor’s obligation to provide the
indemnification and insurance.

15. Notices and Requests. Any notice or other communication required or permitted
to be given under this Agreement shall be in writing and shall be deemed to have been duly given
if (i) delivered to the Party at the address set forth below, (ii) deposited in the U.S. Mail, registered
or certified, return receipt requested, to the address set forth below, or (iii) given to a recognized
and reputable overnight delivery service, to the address set forth below:

Gilbert, Arizona 85297-0410
Attn: Joe Sanchez

or at such other address, and to the attention of such other person or officer, as any Party may
designate in writing by notice duly given pursuant to this subsection. Notices shall be deemed
received (i) when delivered to the Party, (ii) three business days after being placed in the U.S.
Mail, properly addressed, with sufficient postage, or (iii) the following business day after being
given to a recognized overnight delivery service, with the person giving the notice paying all
required charges and instructing the delivery service to deliver on the following business day. If
a copy of a notice is also given to a Party’s counsel or other recipient, the provisions above
governing the date on which a notice is deemed to have been received by a Party shall mean and
refer to the date on which the Party, and not its counsel or other recipient to which a copy of the
notice may be sent, is deemed to have received the notice.

16. Forced Labor of Ethnic Uyghurs. To the extent applicable under ARIZ. REV.
STAT. § 35-394, the Vendor warrants and certifies that it does not currently, and agrees that it will
not for the duration of this Agreement use the forced labor, any goods or services produced by the
forced labor, or any contractors, subcontractors, or suppliers that use the forced labor or any goods
or services produced by the forced labor of ethnic Uyghurs in the People’s Republic of China. If
the Vendor becomes aware that it is not in compliance with this paragraph, it shall notify the Town
of the noncompliance within five business days of becoming aware of it. If the Vendor fails to
provide a written certification that it has remedied the noncompliance within 180 days after that,
this Agreement shall terminate unless the termination date of this Agreement occurs before the
end of the remedy, in which case this Agreement terminates on its termination date.
17. **Counterparts.** This Agreement may be executed simultaneously or in counterparts, each of which constitutes an original, but all of which together constitute one and the same Agreement.

IN WITNESS WHEREOF, the Parties hereto have executed this Agreement as of the date and year first set forth above.

SCOPE OF WORK

1. Statement of Need

1.1. Pursuant to the Arizona Procurement Code, A.R.S. §41-2501 et seq., the State of Arizona Department of Transportation (Department), has a requirement for New Vehicle Purchase.

2. Introduction and Background

2.1 The State of Arizona Department of Transportation (Department) is seeking to contract with a qualified vendor(s) who can provide new vehicles (all fuel types, hybrid, and full electric) including but not limited to: Sedans, Trucks up to 19,500 GVWR, Vans, Sport Utility Vehicles (SUVs), and Crossovers for the State of Arizona and participating Eligible Agencies. These vehicles will be used to support official organizational goals. These vehicles will be used on highways, city/county roads and shall be designed to operate under typical Arizona ambient temperatures.

2.2 Background: The State and its Eligible Agencies currently spend an estimated twenty-one million dollars in the purchase of new vehicles annually.

2.3 The following are the Three Categories covered in this Scope of Work:

- **Category One: Phase One (1) Vehicle Purchases**
- **Category Two: Phase Two (2) Vehicle Purchases**
- **Category Three: FTA Funded Vehicles**

3. General Requirements

3.1 Vehicles shall be new and supplied with all equipment and accessories indicated as standard equipment in the manufacturer’s published literature (or website). Optional equipment necessary to meet the minimum requirements shall be included.

3.2 All vehicles ordered through Phase 1 (off the line) shall be Manufacturer’s current year models in production throughout the term of this contract and shall be serviced completely by the vendor before delivery and ready in all respects for use. For the initial contract period; vehicles shall be new model year 2022 or greater.

3.3 Vehicles ordered through Phase 2 (on the lot) shall have less than 100 original odometer miles and be new (have never been previously owned) unless pre-approved in writing by the Eligible Agency.

3.4 All vehicles shall meet requirements of applicable Arizona Motor Vehicle laws and all other applicable Federal Motor Vehicle Safety Standards (including the Federal Bridge Formula), whether or not such requirements are specified in detail.

3.5 For Phase Two (2) vehicles, the Contractor shall supply a quote within five (5) calendar days after receiving a request from the Eligible Agency. The quotation shall include but not be limited to the following information: State contract number, vehicle availability and delivery lead-time, Vehicle Identification Number (VIN), dealer stock number, vehicle base bid price, itemized options, applicable tax, delivery cost, total price, and point of contact. For vehicles requiring up-fit/modifications, all applicable cost may be included in quotation or as a separate quotation.
3.6 Delivery location shall be identified on the issuing agency purchase order. Deliveries shall be made within 120 days of receipt of purchase orders, unless factory delays make this impossible. Dealer shall notify the ordering agency of such delays along with a revised delivery estimate from the factory immediately after it becomes known. If the manufacturer has a website available to check order status, this information will be shown in space provided on Offer Response Form.

3.7 All deliveries shall be made Monday through Friday from 8:00 A.M. to 2:00 P.M. The Contractor shall be required to give the using agency a minimum of 24-hour notification prior to delivery with the anticipated time of delivery and number of units to be delivered.

3.8 All vehicles shall be delivered with four (4) entrance tools and a full tank(s) of fuel, less delivery fuel.

3.9 The following documents shall be provided upon delivery of the vehicle(s):

3.9.1 M.S.O. (Manufacturer Statement of Origin) that includes the odometer statement
3.9.2 Warranty Document
3.9.3 Manufacturers unaltered invoice
3.9.4 Delayed warranty / in service start request form (if requested by ordering entity)
3.9.5 Level 1 Inspection if applicable, completed before delivery

3.10 For Phase One (1) the Contractor shall provide the Eligible Agency copies of the manufacturer’s vehicle identification numbers (VIN#) to confirm vehicles have been ordered unless impossible due to manufacture delay within ninety (90) calendar days after receipt of a purchase order. If confirmation of manufacturer’s VIN # is not received within this timeframe the Eligible Agency has the option to award to the second lowest bidder meeting specifications. This shall be considered a mandatory requirement and the timeframe must be met unless there is a manufacture delay. Failure to provide this document for each vehicle ordered may be cause for determination of default of contract.

4 Specific Requirements

4.1 The Contractors are encouraged to provide a full line of new vehicles (gasoline, hybrid, full electric) including but not limited to the following categories: Sedans, Trucks up to 19,500 GVWR, Vans (cargo, passenger, transit, etc.), Sport Utility Vehicles (SUVs), and Crossovers. Eligible Agencies throughout the State will have varying vehicle needs. Contractors are to provide a full line of manufactured new vehicles and all subsequent variants of each vehicle; including but not be limited to: models and manufacturer options, trim package, etc. to meet each need of an Eligible Agency.

4.2 As new model year vehicles become available, vendor shall submit pricing at either the same rate as the previous model, or submit a request for an increase or decrease based only on the manufacturer’s increase or decrease. Documentation must be submitted to the Procurement Officer within 30 days of the effective date of change. New model year vehicles cannot be offered without approval from the Procurement Officer.

4.3 The following fuel types are allowable under this contract are to include but are not limited too.

4.3.1 Flexible Fuel Vehicles (FFV) also called Ethanol or E85
4.3.2 Diesel
4.3.3 Gasoline
4.3.4 Compressed Natural Gas (CNG): CNG systems must be O.E.M. or O.E.M. approved
4.3.5 Hybrid-Electric Vehicles (HEV)
4.3.6 Plug-in Hybrid Electric Vehicles (PHEV)
4.3.7 Electric Vehicles (EV) also called Battery Electric Vehicles (BEV)
4.3.8 Fuel Cell Vehicles (FCV)

4.4 Vehicle Up-fit / Modifications

4.4.1 The Eligible Agency may request the awarded Contractor(s) to up-fit/modify any vehicle for specific organizational needs. For example, the cab and chassis of ½ ton, ¾ ton, and/or up to 19,500 GVW trucks may require a specialized body (i.e.: dump body, landscape body, etc.). Other vehicles may require interior and/or exterior modifications per the individual Eligible Agency.

4.4.2 The Eligible Agency will supply all up-fit/modification requests to the Contractor. The Contractor shall identify any conditions that apply to the up-fit/modification on a quotation to the Eligible Agency for review before any work commences.

4.5 Minimum Vehicle Requirements: All prices shall include the following equipment:

4.5.1 All standard factory equipment
4.5.2 Automatic transmission [maximum towing(payload capacity shall be provided upon request]
4.5.3 Bluetooth capabilities
4.5.4 AM/FM radio

4.6.3 Front tow hooks

5 Contractor’s Responsibilities

Contractor shall be responsible for processing the registration, licensing, title and plating of all new vehicles ordered only if requested by the Eligible Agency.

6 Department’s Responsibilities

The Eligible Agencies will provide final acceptance and approval of any equipment and services delivered
1. **CONTRACT TERM**

The term of any resultant contract shall commence on the effective day of award and shall continue for a period of twelve months (12) thereafter, unless terminated, cancelled or extended as otherwise provided herein.

2. **CONTRACT EXTENSION**

By mutual written contract amendment, any resultant contract may be extended for supplemental periods of up to a maximum of forty-eight (48) months.

3. **ELIGIBLE AGENCIES**

This contract shall be for the use of all State of Arizona departments, agencies and boards. In addition, eligible universities, political subdivisions and nonprofit educational or public health institutions may participate at their discretion. In order to participate in any resultant contract, a university, political subdivision or nonprofit educational or public health institution must have entered into a cooperative purchasing agreement with the State Procurement Office as required by Arizona Revised Statutes §41-2632.

4. **NON-EXCLUSIVE CONTRACT**

This contract shall be for the sole convenience of the Department. The Department reserves the right to obtain like goods or services from another source when necessary. The Off-Contract Purchase Authorization and subsequent procurement shall be consistent with the Arizona Procurement Code.

5. **ORDERING PROCESS**

The Department shall issue a purchase order to the Contractor. Each purchase order must cite the contract number. This purchase order shall be the only document required for the Department to order and the Contractor to deliver the material and/or service.

Any attempts to represent any material and/or service not specifically awarded as being under contract is a breach of the contract and a violation of the Arizona Procurement Code. Any such action is subject to the legal and contractual remedies available to the State inclusive of but not limited to contract cancellation, suspension and/or debarment of the Contractor.

6. **SHIPPING TERMS**

Delivery shall be F.O.B. Destination to the location designated herein. Contractor shall retain title and control of all goods until they are delivered. All risk of transportation and related charges shall be the responsibility of the Contractor. All claims for visible or concealed damage shall be filed by the Contractor. The Department will notify the Contractor promptly of any damaged goods and shall assist the Contractor in arranging for inspection.
7. **DELIVERY**

Contract prices shown for each vehicle include delivery cost within a sixty (60) mile radius of Phoenix. For the purpose of this contract, the address used for mapping the radius within Phoenix will be as follows:

   Equipment services shop/ADOT  
   2225 S 22nd Ave, Phoenix, AZ 85009

Delivery costs for each county outside of the Phoenix area shall be indicated on Offer Response form. This will be an added cost to the contract price. Deliveries shall be completed in accordance with the requirements of the contract. Delivery of the product does not constitute acceptance.

8. **INSPECTION AND ACCEPTANCE**

Each item delivered shall be subject to a complete inspection by the Department within 10 days after delivery. Inspection criteria shall include, but not be limited to, conformity to the specifications, workmanship, quality and materials.

If the delivered product is not accepted and returned for corrective action, an additional fifteen (15) calendar days shall be allowed for inspection of the corrected or replacement product.

The Contractor shall be responsible for the transport of the material to and from the Department for the correction of items or workmanship not in compliance with the specifications.

Product returned for corrective action may delay payment. Invoices will be processed for payment only after the product is accepted.

9. **INVOICING and PAYMENT**

Contractor shall submit all billing notices or invoices to the Eligible Agency or Co-Op Buyer at the address indicated on the applicable Order document.

Separate invoices are required for each shipment of product or delivery of service and shall include at a minimum:

- Department Location’s Name and Address
- Vendor Name, Remit to Address and Contact Information
- Contract Number
- Purchase Order Number
- Invoice Number and Date
- Date the items were shipped to the Department
- Applicable payment terms
- Contract Line Item Number
- Line Item Description or Item or Service
- Quantity Purchased
10. ESTIMATED USAGE

The Department anticipates considerable usage under this contract. The Department reserves the right to increase or decrease actual quantities ordered as circumstances may require. No guarantees are made concerning actual purchases under this contract.

11. PRICING

1. Phase 1 and 2 pricing for vehicles shall be a minimum Percentage off MSRP, less the manufacturer’s rebates and any additional discounts available for that model/power-train combination.

a. Contractor shall provide a copy of manufacturer’s invoice to the ordering agency upon request. The manufacturer’s invoice shall be unaltered to include original pricing from the manufacturer.

b. Transportation costs to transfer a vehicle from another dealer for a Phase 2 or purchase from stock may be added to the cost of the vehicle. The justification for this cost is at the discretion of the Eligible Agency.

c. Any reference to Phase 1 pricing shall be in reference to vehicles ordered prior to the factory cut-off date.

d. Any reference to Phase 2 pricing shall be in reference to vehicles purchased from stock or “on the lot”.

e. Phase 2 pricing shall receive the same cost considerations as Phase 1 pricing, all discounts and rebates should be passed onto the Eligible Agency.

f. All vehicles are to be billed at prices in effect at the time of order, not the date of shipment.
g. Pricing for vehicles shall include all discounts and deductions, less Federal and State taxes. Pricing shall be firm for life of contract unless amended by way of contract change order.

2 CONTRACTOR’S BEST PRICING: Supplier warrants that, for the term of the Contract, the prices and discounts set out in the Pricing Documents, including any subsequent agreed amendment to it (the “Contract Pricing”), will be equal to or better than the lowest prices and largest discounts, both separately and in combination, at which Contractor sells equivalent items of equipment and materials.

2.1 That price-plus-discount equivalence (“Contractor’s Best Pricing”) is intended to be irrespective of whether or not those other sales have special purchase terms, conditions, rebates or allowances.

2.2 If Contractor’s Best Pricing for equivalent items of equipment and materials is better than the Contract Pricing, then Contractor agrees to adjust the Contract Pricing to match the Contractor’s Best Pricing for all sales related to the Contractor made after the date when the Contractor’s Best Pricing was first better than the Contract Pricing.

2.3 For clarification of intent, that date is intended to be the date when the difference first occurred, which might have been before the difference was first identified. If it was before, then Supplier agrees to charge at less than the Contract Pricing until the extended difference that would have been realized (i.e., if the Contractor’s Best Pricing had been applied when it should have been) has been settled.

3 PRICING-ALL-INCLUSIVE: Pricing is all-inclusive, including any ancillary fees and costs required to accomplish the Scope of Work and all aspects of Contractor’s offer as accepted by State. Details of service not explicitly stated in the Scope of Work or in Contractor’s Offer, but necessarily a part of, are deemed to be understood by Contractor and included herein. All administrative, reporting, or other requirements, all overhead costs and profit and any other costs toward the accomplishment of the requirements in the Contract are included in the pricing provided.

4 LARGE VOLUME DISCOUNT PRICING: An Eligible Agency may seek to obtain additional volume discount pricing for large orders provided Contractor is willing to offer additional discounts for large volume orders. No amendment to this Contract is necessary for Contractor to offer discount pricing to an Eligible Agency for large volume purchases.

5 A price reduction adjustment may be offered at any time during the term of a contract and shall become effective upon notice through a written contract amendment.

12. PRICE INCREASE

The Department will review fully documented requests for price increases for any contract which will or has been in effect for twelve (12) months. The request shall be submitted no less than 60 days prior to the contract renewal date. The Contractor shall provide fully documented information which supports the price increase request. Fully documented means that the request shall present detailed information and calculations that make it clear how the claimed increase has an impact on the contract unit prices. All assumptions regarding cost factors that have an impact on the requested increase shall also be
13. **SAFETY STANDARDS**

Items supplied under this contract shall comply with all current applicable safety standards and regulations including the Occupational Safety and Health Standards of the State of Arizona Industrial Commission, the National Electric Code and the National Fire Protection Association Standards.

14. **WARRANTY**

The Contractor warrants:

1. That all services performed hereunder shall conform to the requirements of this contract and shall be performed by qualified personnel in accordance with the highest professional standards.

2. At a minimum all equipment supplied under these specifications shall be fully warranted by the vehicle manufacturer against mechanical and electrical defects for a minimum period of thirty-six (36) months from the date vehicle is placed in service.

3. This warranty shall cover such items as actual repair labor, parts, and shipping charges to and from the nearest service facility or other designated repair depot.

4. Any defects of design, workmanship or material, shall be fully corrected by the vendor without cost to the state agency or political subdivision.

5. The written warranty shall be included with the delivered vehicles to the Eligible Agency. The warranty terms shall be stated on Attachment 3-A, where indicated. Failure to provide this general information may result in the offer being rejected.

6. Hybrid / Electric Vehicle Warranty: Hybrid-related components including catalytic convertor, electronic control unit, onboard emissions diagnostic device, high voltage battery, transmission, DC/DC convertor for hybrid vehicles shall be covered for 8 years/100,000 miles, battery for electric vehicles shall be 8/years/100,000 miles and bidder shall indicate limitation of warranty due to voltage and amps. The warranty terms shall be stated where indicated on Attachment 3-A. Failure to provide this general information may result in the bid being rejected.

15. **CURRENT PRODUCTS**

All products supplied under this contract shall be in current and ongoing production; shall have been formally announced for general marketing purposes; shall be a model or type currently functioning in a user (paying customer) environment and capable of meeting or exceeding all specifications and requirements set forth in the contract.

16. **PRODUCT DISCONTINUANCE**
In the event that a product or model is discontinued by the manufacturer, the Department at its sole discretion may allow the Contractor to provide a substitute for the discontinued item. The Contractor shall request authorization to substitute a new product or model and provide the following:

1. A formal announcement from the manufacturer that the product or model has been discontinued.
2. Documentation from the manufacturer that names the replacement product or model.
3. Documentation that provides clear and convincing evidence that the replacement meets or exceeds all specifications required by the original solicitation.
4. Documentation that provides clear and convincing evidence that the replacement will be compatible with all the functions or uses of the discontinued product or model.
5. Documentation confirming that the price for the replacement is the same as or less than the discontinued product or model.

17. CONTRACT ADMINISTRATION

The Contractor shall contact the assigned Procurement Officer for guidance or direction in matters of contract interpretation or questions regarding the terms, conditions or scope of the contract.

18. NOTICES

All notices, requests, demands, consents, approvals, and other communications which may or are required to be served or given hereunder (for the purposes of this provisions collectively called “Notices”), shall be in writing and shall be sent by certified United States mail, return receipt requested, or by any other method that provides evidence of receipt, addressed to the party or parties to receive such notice as follows:

A. If intended for the State, to:

   Arizona Department of Transportation, Procurement Group
   1739 W. Jackson Street, MD 100P
   Phoenix, Arizona 85007-3276

B. If intended for the Contractor, to the address as identified in the Contractor’s electronic vendor profile. Or to such other address as either party may from time to time furnish in writing to the other by notice hereunder. Any notice so mailed shall be deemed to have been given as of the date such notice is received as shown on the return receipt. Furthermore, such notice may be given by delivering personally such notice, if intended for the State, to the Arizona Department of Transportation, Procurement Officer and, if intended for the Contractor, to the person named on the Offer & Contract Award of this contract, or to such other person as either party may from time to time furnish in writing to the other by notice hereunder. Any notice so delivered shall be deemed to have been given as of the date such notice is personally delivered to the other party.
19. CANCELLATION FOR POSSESSION OF WEAPONS ON ADOT PROPERTY

This contract may be cancelled if Contractor or any subcontractors or others in the employ or under the supervision of the Contractor or subcontractors is found to be in possession of weapons.

Possession of weapons (firearms, explosive device, knife or blade of more than three inches, or any other instrument designed for lethal or disabling use) is prohibited on ADOT property.

Further, if the Contractor or any subcontractors or others in the employ or under the supervision of the Contractors or subcontractors are asked by an ADOT official to leave the ADOT property, they are advised that failure to comply with such a request shall result in cancellation of the contract and anyone who refuses, whether armed or not, is subject to prosecution under A.R.S. § 13-1502, "Criminal trespass in the third degree; classification."

20. INDEMNIFICATION CLAUSE

To the fullest extent permitted by law, Contractor shall defend, indemnify, and hold harmless the State of Arizona, and its departments, agencies, boards, commissions, universities, officers, officials, agents, and employees (hereinafter referred to as “Indemnitee”) from and against any and all claims, actions, liabilities, damages, losses, or expenses (including court costs, attorneys’ fees, and costs of claim processing, investigation and litigation) (hereinafter referred to as “Claims”) for bodily injury or personal injury (including death), or loss or damage to tangible or intangible property caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of Contractor or any of its owners, officers, directors, agents, employees or subcontractors. This indemnity includes any claim or amount arising out of, or recovered under, the Workers’ Compensation Law or arising out of the failure of such Contractor to conform to any federal, state, or local law, statute, ordinance, rule, regulation, or court decree. It is the specific intention of the parties that the Indemnitee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by Contractor from and against any and all claims. It is agreed that Contractor will be responsible for primary loss investigation, defense, and judgment costs where this indemnification is applicable. In consideration of the award of this contract, the Contractor agrees to waive all rights of subrogation against the State of Arizona, its officers, officials, agents, and employees for losses arising from the work performed by the Contractor for the State of Arizona. This indemnity shall not apply if the contractor or sub-contractor(s) is/are an agency, board, commission or university of the State of Arizona.

21. INSURANCE REQUIREMENTS

21.1 Contractor and subcontractors shall procure and maintain, until all of their obligations have been discharged, including any warranty periods under this Contract, insurance against claims for injury to persons or damage to property arising from, or in connection with, the performance of the work hereunder by the Contractor, its agents, representatives, employees or subcontractors.

21.2 The Insurance Requirements herein are minimum requirements for this Contract and in no way limit the indemnity covenants contained in this Contract. The State of Arizona in no way
warrants that the minimum limits contained herein are sufficient to protect the Contractor from liabilities that arise out of the performance of the work under this Contract by the Contractor, its agents, representatives, employees or subcontractors, and the Contractor is free to purchase additional insurance.

21.3 Minimum Scope and Limits of Insurance 
Contractor shall provide coverage with limits of liability not less than those stated below.

21.3.1 Commercial General Liability (CGL) – Occurrence Form
The Contractor shall furnish Certificate(s) of Insurance inclusive of the following requirements to the Department. Certificate(s) shall be received within 10 calendar days of notification of contract award by the Procurement Officer.

Policy shall include bodily injury, property damage, and broad form contractual liability coverage.

- General Aggregate $2,000,000
- Products – Completed Operations Aggregate $1,000,000
- Personal and Advertising Injury $1,000,000
- Damage to Rented Premises $50,000
- Each Occurrence $1,000,000

a. The policy shall be endorsed, as required by this written agreement, to include the State of Arizona, and its departments, agencies, boards, commissions, universities, officers, officials, agents, and employees as additional insureds with respect to liability arising out of the activities performed by, or on behalf of, the Contractor.

b. Policy shall contain a waiver of subrogation endorsement, as required by this written agreement, in favor of the State of Arizona, and its departments, agencies, boards, commissions, universities, officers, officials, agents, and employees for losses arising from work performed by, or on behalf of, the Contractor.

21.3.2 Business Automobile Liability
Bodily Injury and Property Damage for any owned, hired, and/or non-owned automobiles used in the performance of this Contract.

- Combined Single Limit (CSL) $1,000,000

a. Policy shall be endorsed, as required by this written agreement, to include the State of Arizona, and its departments, agencies, boards, commissions, universities, officers, officials, agents, and employees as additional insureds with respect to liability arising out of the activities performed by, or on behalf of, the Contractor involving
automobiles owned, hired and/or non-owned by the Contractor.

b. Policy shall contain a waiver of subrogation endorsement as required by this written agreement in favor of the State of Arizona, and its departments, agencies, boards, commissions, universities, officers, officials, agents, and employees for losses arising from work performed by or on behalf of the Contractor.

21.3.3 Workers’ Compensation and Employers’ Liability

• Workers’ Compensation  Statutory
• Employers’ Liability
  o Each Accident  $1,000,000
  o Disease – Each Employee  $1,000,000
  o Disease – Policy Limit  $1,000,000

a. Policy shall contain a waiver of subrogation endorsement, as required by this written agreement, in favor of the State of Arizona, and its departments, agencies, boards, commissions, universities, officers, officials, agents, and employees for losses arising from work performed by or on behalf of the Contractor.

b. This requirement shall not apply to each Contractor or subcontractor that is exempt under A.R.S. § 23-901, and when such Contractor or subcontractor executes the appropriate waiver form (Sole Proprietor or Independent Contractor).

21.4 Additional Insurance Requirements

The policies shall include, or be endorsed to include, as required by this written agreement, the following provisions:

21.4.1 The Contractor’s policies, as applicable, shall stipulate that the insurance afforded the Contractor shall be primary and that any insurance carried by the Department, its agents, officials, employees or the State of Arizona shall be excess and not contributory insurance, as provided by A.R.S. § 41-621 (E).

21.4.2 Insurance provided by the Contractor shall not limit the Contractor’s liability assumed under the indemnification provisions of this Contract.

21.5 Notice of Cancellation

Applicable to all insurance policies required within the Insurance Requirements of this Contract, Contractor’s insurance shall not be permitted to expire, be suspended, be canceled, or be materially changed for any reason without thirty (30) days prior written notice to the State of Arizona. Within two (2) business days of receipt, Contractor must provide notice to the State of Arizona if they receive notice of a policy that has been or will be suspended, canceled, materially changed for any reason, has expired, or will be expiring. Such notice shall be sent directly to the Department and shall be mailed, emailed, hand delivered or sent by facsimile transmission to (State Representative’s Name, Address & Fax Number).

21.6 Acceptability of Insurers

Contractor’s insurance shall be placed with companies licensed in the State of Arizona or hold approved non-admitted status on the Arizona Department of Insurance List of Qualified Unauthorized Insurers. Insurers shall have an “A.M. Best” rating of
not less than A- VII. The State of Arizona in no way warrants that the above-required minimum insurer rating is sufficient to protect the Contractor from potential insurer insolvency.

21.7 Verification of Coverage Contractor shall furnish the State of Arizona with certificates of insurance (valid ACORD form or equivalent approved by the State of Arizona) evidencing that Contractor has the insurance as required by this Contract. An authorized representative of the insurer shall sign the certificates.

21.7.1 All such certificates of insurance and policy endorsements must be received by the State before work commences. The State’s receipt of any certificates of insurance or policy endorsements that do not comply with this written agreement shall not waive or otherwise affect the requirements of this agreement.

21.7.2 Each insurance policy required by this Contract must be in effect at, or prior to, commencement of work under this Contract. Failure to maintain the insurance policies as required by this Contract, or to provide evidence of renewal, is a material breach of contract.

21.7.3 All certificates required by this Contract shall be sent directly to the Department. The State of Arizona project/contract number and project description shall be noted on the certificate of insurance. The State of Arizona reserves the right to require complete copies of all insurance policies required by this Contract at any time.

21.8 Subcontractors Contractor’s certificate(s) shall include all subcontractors as insureds under its policies or Contractor shall be responsible for ensuring and/or verifying that all subcontractors have valid and collectable insurance as evidenced by the certificates of insurance and endorsements for each subcontractor. All coverages for subcontractors shall be subject to the minimum Insurance Requirements identified above. The Department reserves the right to require, at any time throughout the life of the Contract, proof from the Contractor that its subcontractors have the required coverage.

21.9 Approval and Modifications the Contracting Agency, in consultation with State Risk, reserves the right to review or make modifications to the insurance limits, required coverages, or endorsements throughout the life of this contract, as deemed necessary. Such action will not require a formal Contract amendment but may be made by administrative action.

21.10 Exceptions In the event the Contractor or subcontractor(s) is/are a public entity, then the Insurance Requirements shall not apply. Such public entity shall provide a certificate of self-insurance. If the Contractor or subcontractor(s) is/are a State of Arizona agency, board, commission, or university, none of the above shall apply.

22. USAGE REPORT

The Contractor shall furnish Two (2) Usage reports, the first to the Department on a quarterly basis showing purchasing activity under this contract. This usage report shall be provided in a form substantially equivalent to Exhibit 03. Usage reports shall be submitted to the Procurement Officer no later than 30 days after the end of each quarter.
Usage report quarters shall be defined as follows:
- January through March – Report due April 30
- April through June – Report due July 30
- July through September – Report due October 30
- October through December – Report due January 30

Contractor shall submit the second to the State documenting all Contract sales to both Eligible Agencies and Co-Op Buyers, itemized separately. A Quarterly Usage Report shall still be submitted; even if there have been no sales to either Eligible Agencies and/or Co-Op Buyers. Contractor shall further itemize divisions, groups or areas within a given Eligible Agency if they place Orders independently of each other. Failure to submit the report is a material breach of contract, and will entitle State to its remedies under Article 8 and its right to terminate for default under Article 9. Contractor shall submit the report using the forms and following the instructions on the State Procurement Office website:

https://spo.az.gov/contractor-resources/statewide-contracts-administrative-fee

23. **CONTRACT ORDER OF PRECEDENCE**

In the event of a conflict in the provisions of the Contract, as accepted by the Department and as they may be amended, the following shall prevail in the order set forth below:

- Federal Provisions
- Special Terms and Conditions
- Uniform Terms and Conditions
- Statement or Scope of Work
- Specifications
- Attachments
- Exhibits
- Special Instructions to Offerors
- Uniform Instructions to Offerors
- Other documents referenced or included in the Solicitation

24. **LICENSES, PERMITS, CERTIFICATIONS**

Contractor, at their expense, shall maintain in current status without any violations, complaints, or suspensions during the term of this contract all Federal, State and Local licenses, permits and certifications required for the operation of a business conducted by the Contractor.

25. **CO-OP USAGE**

Contractor shall verify if an ordering entity is a bona fide Co-Op Buyer before selling Materials to or providing Services for them under the Contract. The current list of Co-Op Buyers is available on the State Procurement Office website:

https://spo.az.gov/contractor-resources/statewide-contracts-administrative-fee
Contractor shall sell to Co-Op Buyers at the same price, and with the same lead times and other terms and conditions under which it sells to Eligible Agencies. With the sole exception of any legitimate additional costs for extraordinary shipping, or delivery requirements, if the Co-Op Buyer is having Materials delivered or installed or Services performed at locations not contemplated in the contracted pricing (e.g. delivery to a location outside Arizona).

Contractor shall acknowledge each Order from Co-Op Buyers in conformance with each buyer’s instructions given at the time of ordering or in any supplemental participating agreement Contractor might have with them. Orders from Co-Op Buyers create no obligation on State’s part, since they are entirely between the Co-Op Buyer and Contractor. That notwithstanding, Contractor’s obligation under the Contract is to service Co-Op Buyers commercially as though they were with an Eligible Agency, and Contractor’s refusal to do so would be a material breach of the Contract.

26. POST AWARD MEETING

At the discretion of the Department, the Contractor, at their expense, shall attend and participate in post award meetings as scheduled by the Procurement Officer.
1. Definition of Terms

As used in this Solicitation and any resulting Contract, the terms listed below are defined as follows:

1.1. “Attachment” means any item the Solicitation requires the Offeror to submit as part of the Offer.

1.2. “Contract” means the combination of the Solicitation, including the Uniform and Special Instructions to Offerors, the Uniform and Special Terms and Conditions, and the Specifications and Statement or Scope of Work; the Offer and any Best and Final Offers; and any Solicitation Amendments or Contract Amendments.

1.3. “Contract Amendment” means a written document signed by the Procurement Officer that is issued for the purpose of making changes in the Contract.

1.4. “Contractor” means any person who has a Contract with the State.

1.5. “Days” means calendar days unless otherwise specified.

1.6. “Exhibit” means any item labeled as an Exhibit in the Solicitation or placed in the Exhibits section of the Solicitation.

1.7. “Gratuity” means a payment, loan, subscription, advance, deposit of money, services, or anything of more than nominal value, present or promised, unless consideration of substantially equal or greater value is received.

1.8. “Materials” means all property, including equipment, supplies, printing, insurance and leases of property but does not include land, a permanent interest in land or real property or leasing space.

1.9. “Procurement Officer” means the person, or his or her designee, duly authorized by the State to enter into and administer Contracts and make written determinations with respect to the Contract.

1.10. “Services” means the furnishing of labor, time or effort by a contractor or subcontractor which does not involve the delivery of a specific end product other than required reports and performance, but does not include employment agreements or collective bargaining agreements.

1.11. “Subcontract” means any Contract, express or implied, between the Contractor and another party or between a subcontractor and another party delegating or assigning, in whole or in part, the making or furnishing of any material or any service required for the performance of the Contract.

1.12. “State” means the State of Arizona and Department or Agency of the State that executes the Contract.

1.13. “State Fiscal Year” means the period beginning with July 1 and ending June 30.

2. Contract Interpretation

2.1. Arizona Law. The Arizona law applies to this Contract including, where applicable, the Uniform Commercial Code as adopted by the State of Arizona and the Arizona
UNIFORM TERMS AND CONDITIONS

2.2. **Implied Contract Terms.** Each provision of law and any terms required by law to be in this Contract are a part of this Contract as if fully stated in it.

2.3. **Contract Order of Precedence.** In the event of a conflict in the provisions of the Contract, as accepted by the State and as they may be amended, the following shall prevail in the order set forth below:

- Federal Provisions
- Special Terms and Conditions
- Uniform Terms and Conditions
- Statement or Scope of Work
- Specifications
- Attachments
- Exhibits
- Special Instructions to Offerors
- Uniform Instructions to Offerors
- Other documents referenced or included in the Solicitation

2.4. **Relationship of Parties.** The Contractor under this Contract is an independent Contractor. Neither party to this Contract shall be deemed to be the employee or agent of the other party to the Contract.

2.5. **Severability.** The provisions of this Contract are severable. Any term or condition deemed illegal or invalid shall not affect any other term or condition of the Contract.

2.6. **No Parole Evidence.** This Contract is intended by the parties as a final and complete expression of their agreement. No course of prior dealings between the parties and no usage of the trade shall supplement or explain any terms used in this document and no other understanding either oral or in writing shall be binding.

2.7. **No Waiver.** Either party’s failure to insist on strict performance of any term or condition of the Contract shall not be deemed a waiver of that term or condition even if the party accepting or acquiescing in the nonconforming performance knows of the nature of the performance and fails to object to it.

3. **Contract Administration and Operation**

3.1. **Records.** Under A.R.S. § 35-214 and § 35-215, the Contractor shall retain and shall contractually require each subcontractor to retain all data and other “records” relating to the acquisition and performance of the Contract for a period of five years after the completion of the Contract. All records shall be subject to inspection and audit by the State at reasonable times. Upon request, the Contractor shall produce a legible copy of any or all such records.

3.2. **Non-Discrimination.** The Contractor shall comply with State Executive Order No. 2009-09 and all other applicable Federal and State laws, rules and regulations, including the Americans with Disabilities Act.
3.3. **Audit.** Pursuant to ARS § 35-214, at any time during the term of this Contract and five (5) years thereafter, the Contractor’s or any subcontractor’s books and records shall be subject to audit by the State and, where applicable, the Federal Government, to the extent that the books and records relate to the performance of the Contract or Subcontract.

3.4. **Facilities Inspection and Materials Testing.** The Contractor agrees to permit access to its facilities, subcontractor facilities and the Contractor’s processes or services, at reasonable times for inspection of the facilities or materials covered under this Contract. The State shall also have the right to test, at its own cost, the materials to be supplied under this Contract. Neither inspection of the Contractor’s facilities nor materials testing shall constitute final acceptance of the materials or services. If the State determines non-compliance of the materials, the Contractor shall be responsible for the payment of all costs incurred by the State for testing and inspection.

3.5. **Notices.** Notices to the Contractor required by this Contract shall be made by the State to the person indicated on the Offer and Acceptance form submitted by the Contractor unless otherwise stated in the Contract. Notices to the State required by the Contract shall be made by the Contractor to the Solicitation Contact Person indicated on the Solicitation cover sheet, unless otherwise stated in the Contract. An authorized Procurement Officer and an authorized Contractor representative may change their respective person to whom notice shall be given by written notice to the other and an amendment to the Contract shall not be necessary.

3.6. **Advertising, Publishing and Promotion of Contract.** The Contractor shall not use, advertise or promote information for commercial benefit concerning this Contract without the prior written approval of the Procurement Officer.

3.7. **Property of the State.** Any materials, including reports, computer programs and other deliverables, created under this Contract are the sole property of the State. The Contractor is not entitled to a patent or copyright on those materials and may not transfer the patent or copyright to anyone else. The Contractor shall not use or release these materials without the prior written consent of the State.

3.8. **Ownership of Intellectual Property.** Any and all intellectual property, including but not limited to copyright, invention, trademark, trade name, service mark, and/or trade secrets created or conceived pursuant to or as a result of this contract and any related subcontract (“Intellectual Property”), shall be work made for hire and the State shall be considered the creator of such Intellectual Property. The agency, department, division, board or commission of the State of Arizona requesting the issuance of this contract shall own (for and on behalf of the State) the entire right, title and interest to the Intellectual Property throughout the world. Contractor shall notify the State, within thirty (30) days, of the creation of any Intellectual Property by it or its subcontractor(s). Contractor, on behalf of itself and any subcontractor(s), agrees to execute any and all document(s) necessary to assure ownership of the Intellectual Property vests in the State and shall take no affirmative actions that might have the effect of vesting all or part of the Intellectual Property in any entity other than the State. The Intellectual Property shall not be disclosed by contractor or its subcontractor(s) to any entity not the
State without the express written authorization of the agency, department, division, board or commission of the State of Arizona requesting the issuance of this contract.

3.9. Federal Immigration and Nationality Act. The contractor shall comply with all federal, state and local immigration laws and regulations relating to the immigration status of their employees during the term of the contract. Further, the contractor shall flow down this requirement to all subcontractors utilized during the term of the contract. The State shall retain the right to perform random audits of contractor and subcontractor records or to inspect papers of any employee thereof to ensure compliance. Should the State determine that the contractor and/or any subcontractors be found noncompliant, the State may pursue all remedies allowed by law, including, but not limited to; suspension of work, termination of the contract for default and suspension and/or debarment of the contractor.

3.10 E-Verify Requirements. In accordance with A.R.S. § 41-4401, Contractor warrants compliance with all Federal immigration laws and regulations relating to employees and warrants its compliance with Section A.R.S. § 23-214, Subsection A.

3.11 Offshore Performance of Work Prohibited. Any services that are described in the specifications or scope of work that directly serve the State of Arizona or its clients and involve access to secure or sensitive data or personal client data shall be performed within the defined territories of the United States. Unless specifically stated otherwise in the specifications, this paragraph does not apply to indirect or 'overhead' services, redundant back-up services or services that are incidental to the performance of the contract. This provision applies to work performed by subcontractors at all tiers.

4. Costs and Payments

4.1. Payments. Payments shall comply with the requirements of A.R.S. Titles 35 and 41, Net 30 days. Upon receipt and acceptance of goods or services, the Contractor shall submit a complete and accurate invoice for payment from the State within thirty (30) days.

4.2. Delivery. Unless stated otherwise in the Contract, all prices shall be F.O.B. Destination and shall include all freight delivery and unloading at the destination.

4.3. Applicable Taxes.

4.3.1. Payment of Taxes. The Contractor shall be responsible for paying all applicable taxes.

4.3.2. State and Local Transaction Privilege Taxes. The State of Arizona is subject to all applicable state and local transaction privilege taxes. Transaction privilege taxes apply to the sale and are the responsibility of the seller to remit. Failure to collect such taxes from the buyer does not relieve the seller from its obligation to remit taxes.

4.3.3. Tax Indemnification. Contractor and all subcontractors shall pay all Federal, state and local taxes applicable to its operation and any persons employed by the Contractor. Contractor shall, and require all subcontractors to hold the State harmless from any responsibility for taxes, damages and interest, if
applicable, contributions required under Federal, and/or state and local laws and regulations and any other costs including transaction privilege taxes, unemployment compensation insurance, Social Security and Worker’s Compensation.

4.3.4. **IRS W9 Form.** In order to receive payment the Contractor shall have a current I.R.S. W9 Form on file with the State of Arizona, unless not required by law.

4.4. **Availability of Funds for the Next State fiscal year.** Funds may not presently be available for performance under this Contract beyond the current state fiscal year. No legal liability on the part of the State for any payment may arise under this Contract beyond the current state fiscal year until funds are made available for performance of this Contract.

4.5. **Availability of Funds for the current State fiscal year.** Should the State Legislature enter back into session and reduce the appropriations or for any reason and these goods or services are not funded, the State may take any of the following actions:

4.5.1. Accept a decrease in price offered by the contractor;

4.5.2. Cancel the Contract; or

4.5.3. Cancel the contract and re-solicit the requirements.

5. **Contract Changes**

5.1. **Amendments.** This Contract is issued under the authority of the Procurement Officer who signed this Contract. The Contract may be modified only through a Contract Amendment within the scope of the Contract. Changes to the Contract, including the addition of work or materials, the revision of payment terms, or the substitution of work or materials, directed by a person who is not specifically authorized by the procurement officer in writing or made unilaterally by the Contractor are violations of the Contract and of applicable law. Such changes, including unauthorized written Contract Amendments shall be void and without effect, and the Contractor shall not be entitled to any claim under this Contract based on those changes.

5.2. **Subcontracts.** The Contractor shall not enter into any Subcontract under this Contract for the performance of this contract without the advance written approval of the Procurement Officer. The Contractor shall clearly list any proposed subcontractors and the subcontractor’s proposed responsibilities. The Subcontract shall incorporate by reference the terms and conditions of this Contract.

5.3. **Assignment and Delegation.** The Contractor shall not assign any right nor delegate any duty under this Contract without the prior written approval of the Procurement Officer. The State shall not unreasonably withhold approval.

6. **Risk and Liability**

6.1. **Risk of Loss:** The Contractor shall bear all loss of conforming material covered under this Contract until received by authorized personnel at the location designated in the purchase order or Contract. Mere receipt does not constitute final acceptance. The risk of loss for nonconforming materials shall remain with the Contractor regardless of receipt.
6.2. **Indemnification**

6.2.1. **Contractor/Vendor Indemnification (Not Public Agency)** The parties to this contract agree that the State of Arizona, its departments, agencies, boards and commissions shall be indemnified and held harmless by the contractor for the vicarious liability of the State as a result of entering into this contract. However, the parties further agree that the State of Arizona, its departments, agencies, boards and commissions shall be responsible for its own negligence. Each party to this contract is responsible for its own negligence.

6.2.2. **Public Agency Language Only** Each party (as 'indemnitor') agrees to indemnify, defend, and hold harmless the other party (as 'indemnitee') from and against any and all claims, losses, liability, costs, or expenses (including reasonable attorney's fees) (hereinafter collectively referred to as 'claims') arising out of bodily injury of any person (including death) or property damage but only to the extent that such claims which result in vicarious/derivative liability to the indemnitee, are caused by the act, omission, negligence, misconduct, or other fault of the indemnitor, its officers, officials, agents, employees, or volunteers."

6.3. **Indemnification - Patent and Copyright** The Contractor shall indemnify and hold harmless the State against any liability, including costs and expenses, for infringement of any patent, trademark or copyright arising out of Contract performance or use by the State of materials furnished or work performed under this Contract. The State shall reasonably notify the Contractor of any claim for which it may be liable under this paragraph. If the contractor is insured pursuant to A.R.S. § 41-621 and § 35-154, this section shall not apply.

6.4. **Force Majeure.**

6.4.1 Except for payment of sums due, neither party shall be liable to the other nor deemed in default under this Contract if and to the extent that such party's performance of this Contract is prevented by reason of force majeure. The term "force majeure" means an occurrence that is beyond the control of the party affected and occurs without its fault or negligence. Without limiting the foregoing, force majeure includes acts of God; acts of the public enemy; war; riots; strikes; mobilization; labor disputes; civil disorders; fire; flood; lockouts; injunctions-intervention-acts; or failures or refusals to act by government authority; and other similar occurrences beyond the control of the party declaring force majeure which such party is unable to prevent by exercising reasonable diligence.

6.4.2. Force Majeure shall not include the following occurrences:

6.4.2.1. Late delivery of equipment or materials caused by congestion at a manufacturer’s plant or elsewhere, or an oversold condition of the market;

6.4.2.2. Late performance by a subcontractor unless the delay arises out of a force majeure occurrence in accordance with this force majeure term and condition; or
6.4.2.3. Inability of either the Contractor or any subcontractor to acquire or maintain any required insurance, bonds, licenses or permits.

6.4.3. If either party is delayed at any time in the progress of the work by force majeure, the delayed party shall notify the other party in writing of such delay, as soon as is practicable and no later than the following working day, of the commencement thereof and shall specify the causes of such delay in such notice. Such notice shall be delivered or mailed certified-return receipt and shall make a specific reference to this article, thereby invoking its provisions. The delayed party shall cause such delay to cease as soon as practicable and shall notify the other party in writing when it has done so. The time of completion shall be extended by Contract Amendment for a period of time equal to the time that results or effects of such delay prevent the delayed party from performing in accordance with this Contract.

6.4.4. Any delay or failure in performance by either party hereto shall not constitute default hereunder or give rise to any claim for damages or loss of anticipated profits if, and to the extent that such delay or failure is caused by force majeure.

6.5. Third Party Antitrust Violations. The Contractor assigns to the State any claim for overcharges resulting from antitrust violations to the extent that those violations concern materials or services supplied by third parties to the Contractor, toward fulfillment of this Contract.

7. Warranties

7.1. Liens. The Contractor warrants that the materials supplied under this Contract are free of liens and shall remain free of liens.

7.2. Quality. Unless otherwise modified elsewhere in these terms and conditions, the Contractor warrants that, for one year after acceptance by the State of the materials, they shall be:

7.2.1. Of a quality to pass without objection in the trade under the Contract description;

7.2.2. Fit for the intended purposes for which the materials are used;

7.2.3. Within the variations permitted by the Contract and are of even kind, quantity, and quality within each unit and among all units;

7.2.4. Adequately contained, packaged and marked as the Contract may require; and

7.2.5. Conform to the written promises or affirmations of fact made by the Contractor.

7.3. Fitness. The Contractor warrants that any material supplied to the State shall fully conform to all requirements of the Contract and all representations of the Contractor, and shall be fit for all purposes and uses required by the Contract.

7.4. Inspection/Testing. The warranties set forth in subparagraphs 7.1 through 7.3 of this paragraph are not affected by inspection or testing of or payment for the materials by the State.

7.5. Compliance With Applicable Laws. The materials and services supplied under this
Contract shall comply with all applicable Federal, state and local laws, and the Contractor shall maintain all applicable license and permit requirements.

7.6. **Survival of Rights and Obligations after Contract Expiration or Termination.**

7.6.1. **Contractor's Representations and Warranties.** All representations and warranties made by the Contractor under this Contract shall survive the expiration or termination hereof. In addition, the parties hereto acknowledge that pursuant to A.R.S. § 12-510, except as provided in A.R.S. § 12-529, the State is not subject to or barred by any limitations of actions prescribed in A.R.S., Title 12, Chapter 5.

7.6.2. **Purchase Orders.** The Contractor shall, in accordance with all terms and conditions of the Contract, fully perform and shall be obligated to comply with all purchase orders received by the Contractor prior to the expiration or termination hereof, unless otherwise directed in writing by the Procurement Officer, including, without limitation, all purchase orders received prior to but not fully performed and satisfied at the expiration or termination of this Contract.

8. **State's Contractual Remedies**

8.1. **Right to Assurance.** If the State in good faith has reason to believe that the Contractor does not intend to, or is unable to perform or continue performing under this Contract, the Procurement Officer may demand in writing that the Contractor give a written assurance of intent to perform. Failure by the Contractor to provide written assurance within the number of Days specified in the demand may, at the State’s option, be the basis for terminating the Contract under the Uniform Terms and Conditions or other rights and remedies available by law or provided by the contract.

8.2. **Stop Work Order.**

8.2.1. The State may, at any time, by written order to the Contractor, require the Contractor to stop all or any part, of the work called for by this Contract for period(s) of days indicated by the State after the order is delivered to the Contractor. The order shall be specifically identified as a stop work order issued under this clause. Upon receipt of the order, the Contractor shall immediately comply with its terms and take all reasonable steps to minimize the incurrence of costs allocable to the work covered by the order during the period of work stoppage.

8.2.2. If a stop work order issued under this clause is canceled or the period of the order or any extension expires, the Contractor shall resume work. The Procurement Officer shall make an equitable adjustment in the delivery schedule or Contract price, or both, and the Contract shall be amended in writing accordingly.

8.3. **Non-exclusive Remedies.** The rights and the remedies of the State under this Contract are not exclusive.

8.4. **Nonconforming Tender.** Materials or services supplied under this Contract shall fully comply with the Contract. The delivery of materials or services or a portion of the
materials or services that do not fully comply constitutes a breach of contract. On delivery of nonconforming materials or services, the State may terminate the Contract for default under applicable termination clauses in the Contract, exercise any of its rights and remedies under the Uniform Commercial Code, or pursue any other right or remedy available to it.

8.5. **Right of Offset.** The State shall be entitled to offset against any sums due the Contractor, any expenses or costs incurred by the State, or damages assessed by the State concerning the Contractor’s non-conforming performance or failure to perform the Contract, including expenses, costs and damages described in the Uniform Terms and Conditions.

9. **Contract Termination**

9.1. **Cancellation for Conflict of Interest.** Pursuant to A.R.S. § 38-511, the State may cancel this Contract within three (3) years after Contract execution without penalty or further obligation if any person significantly involved in initiating, negotiating, securing, drafting or creating the Contract on behalf of the State is or becomes at any time while the Contract or an extension of the Contract is in effect an employee of or a consultant to any other party to this Contract with respect to the subject matter of the Contract. The cancellation shall be effective when the Contractor receives written notice of the cancellation unless the notice specifies a later time. If the Contractor is a political subdivision of the State, it may also cancel this Contract as provided in A.R.S. § 38-511.

9.2. **Gratuities.** The State may, by written notice, terminate this Contract, in whole or in part, if the State determines that employment or a Gratuity was offered or made by the Contractor or a representative of the Contractor to any officer or employee of the State for the purpose of influencing the outcome of the procurement or securing the Contract, an amendment to the Contract, or favorable treatment concerning the Contract, including the making of any determination or decision about contract performance. The State, in addition to any other rights or remedies, shall be entitled to recover exemplary damages in the amount of three times the value of the Gratuity offered by the Contractor.

9.3. **Suspension or Debarment.** The State may, by written notice to the Contractor, immediately terminate this Contract if the State determines that the Contractor has been debarred, suspended or otherwise lawfully prohibited from participating in any public procurement activity, including but not limited to, being disapproved as a subcontractor of any public procurement unit or other governmental body. Submittal of an offer or execution of a contract shall attest that the contractor is not currently suspended or debarred. If the contractor becomes suspended or debarred, the contractor shall immediately notify the State.

9.4. **Termination for Convenience.** The State reserves the right to terminate the Contract, in whole or in part at any time when in the best interest of the State, without penalty or recourse. Upon receipt of the written notice, the Contractor shall stop all work, as directed in the notice, notify all subcontractors of the effective date of the termination and minimize all further costs to the State. In the event of termination under this paragraph, all documents, data and reports prepared by the Contractor under the Contract shall become the property of and be delivered to the State upon demand. The
Contractor shall be entitled to receive just and equitable compensation for work in progress, work completed and materials accepted before the effective date of the termination. The cost principles and procedures provided in A.A.C. R2-7-701 shall apply.

9.5.  **Termination for Default.**

9.5.1. In addition to the rights reserved in the contract, the State may terminate the Contract in whole or in part due to the failure of the Contractor to comply with any term or condition of the Contract, to acquire and maintain all required insurance policies, bonds, licenses and permits, or to make satisfactory progress in performing the Contract. The Procurement Officer shall provide written notice of the termination and the reasons for it to the Contractor.

9.5.2. Upon termination under this paragraph, all goods, materials, documents, data and reports prepared by the Contractor under the Contract shall become the property of and be delivered to the State on demand.

9.5.3. The State may, upon termination of this Contract, procure, on terms and in the manner that it deems appropriate, materials or services to replace those under this Contract. The Contractor shall be liable to the State for any excess costs incurred by the State in procuring materials or services in substitution for those due from the Contractor.

9.6. **Continuation of Performance Through Termination.** The Contractor shall continue to perform, in accordance with the requirements of the Contract, up to the date of termination, as directed in the termination notice.

10. **Contract Claims**

All contract claims or controversies under this Contract shall be resolved according to A.R.S. Title 41, Chapter 23, Article 9, and rules adopted thereunder.

11. **Arbitration**

The parties to this Contract agree to resolve all disputes arising out of or relating to this contract through arbitration, after exhausting applicable administrative review, to the extent required by A.R.S. § 12-1518, except as may be required by other applicable statutes (Title 41).

12. **Comments Welcome**

The State Procurement Office periodically reviews the Uniform Terms and Conditions and welcomes any comments you may have. Please submit your comments to: State Procurement Administrator, State Procurement Office, 100 North 15th Avenue, Suite 201, Phoenix, Arizona, 85007.
1. **INCORPORATION OF FEDERAL TRANSIT ADMINISTRATION (FTA) TERMS**

The following provisions include, in part, certain Standard Terms and Conditions required by DOT, whether or not expressly set forth in the preceding contract provisions. All contractual provisions required by DOT, as set forth in FTA Circular 4220 available at: https://www.transit.dot.gov/regulations-and-guidance/fta-circulars/third-party-contracting-guidance are hereby incorporated by reference. Anything to the contrary herein notwithstanding, all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this Agreement. The Contractor shall not perform any act, fail to perform any act, or refuse to comply with any (name of grantee) requests which would cause (name of grantee) to be in violation of the FTA terms and conditions.

The Federal Terms and Conditions under this Contract shall be incorporated in any sub-contractor, or lower-tier agreement for any federally-funded task assignment / project awarded under this Contract.

2. **NO FEDERAL GOVERNMENT OBLIGATIONS TO THIRD PARTIES**

The Department and Contractor acknowledge and agree that, notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of the underlying contract, absent the express written consent by the Federal Government, the Federal Government is not a party to this contract and shall not be subject to any obligations or liabilities to the Department, Contractor, or any other party (whether or not a party to that contract) pertaining to any matter resulting from the underlying contract.

The Contractor agrees to include the above clause in each subcontract financed in whole or in part with Federal assistance provided by Federal Funding Agency. It is further agreed that the clause shall not be modified, except to identify the subcontractor who will be subject to its provisions.

3. **PROGRAM FRAUD AND FALSE OR FRAUDULENT STATEMENTS AND RELATED ACTS**

Contractor acknowledges that the provisions of the Program Fraud Civil Remedies Act of 1986, as amended, 31 USC 3801 et seq. and USDOT regulations, "Program Fraud Civil Remedies," 49 CFR 31, apply to its actions pertaining to this project.

Upon execution of the underlying contract, contractor certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to be made, pertaining to the underlying contract or FTA assisted project for which this contract work is being performed. In addition to other penalties that may be applicable, contractor further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submittal, or certification, the US Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act (1986) on contractor to the extent the US Government deems appropriate.
The Contractor also acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with Federal assistance originally awarded by FTA under the authority of 49 U.S.C. § 5307, the Government reserves the right to impose the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5307(n)(1) (5323(I)) on the Contractor, to the extent the Federal Government deems appropriate.

Contractor shall include the above two clauses in each subcontract financed in whole or in part with FTA assistance. The clauses shall not be modified, except to identify the subcontractor who will be subject to the provisions.

4. ACCESS TO RECORDS AND REPORTS

The following access to records requirements apply to this Contract:

1. Where the Purchaser is not a State but a local government and is the FTA Recipient or a subgrantee of the FTA Recipient in accordance with 49 C. F. R. 18.36(i), the Contractor shall provide the Purchaser, the FTA, the US Comptroller General or their authorized representatives access to any books, documents, papers and contractor records which are pertinent to this contract for the purposes of making audits, examinations, excerpts and transcriptions. Contractor shall also, pursuant to 49 C. F. R. 633.15, provide authorized FTA representative including any PMO Contractor access to Contractor’s records and construction sites pertaining to a capital project, defined at 49 U.S.C. 5302(a)1, which is receiving assistance through the programs described at 49 U.S.C. 5307, 5309 or 5311.

2. Where the Purchaser is a State and is the FTA Recipient or a subgrantee of the FTA Recipient in accordance with 49 C.F.R. 633.15, Contractor shall provide the Purchaser, authorized FTA representatives, including any PMO Contractor, access to the Contractor’s records and construction sites pertaining to a major capital project, defined at 49 U.S.C. 5302(a)1, which receives FTA assistance through the programs described at 49 U.S.C. 5307, 5309 or 5311. By definition, a major capital project excludes contracts of less than the simplified acquisition threshold currently set at $250,000.00.

3. Where the Purchaser enters into a negotiated contract for other than a small purchase or under the simplified acquisition threshold and is an institution of higher education, a hospital or other non-profit organization and is the FTA Recipient or a subgrantee of the FTA Recipient in accordance with 49 C.F.R. 19.48, Contractor shall provide the Purchaser, FTA, the US Comptroller General or their authorized representatives with access to any books, documents, papers and record of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts and transcriptions.
4. Where a Purchaser which is the FTA Recipient or a subgrantee of the FTA Recipient in accordance with 49 U.S.C. 5325(a) enters into a contract for a capital project or improvement (defined at 49 U.S.C. 5302(a)(1)) through other than competitive bidding, the Contractor shall make available records related to the contract to the Purchaser, the Secretary of USDOT and the US Comptroller General or any authorized officer or employee of any of them for the purposes of conducting an audit and inspection.

5. Contractor shall permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.

6. The Contractor shall retain, and shall require its subcontractors at all tiers, all books, records, accounts and reports required under this contract for a period of not less than five years after the date of termination or expiration of this contract, except in the event of litigation or settlement of claims arising from the performance of this contract, in which case Contractor agrees to maintain same until the Purchaser, the FTA Administrator, the Comptroller General, or any of their duly authorized representatives, have disposed of all such litigation, appeals, claims or exceptions related thereto. Reference 49 CFR 18.39(i)(11).

5. TERMS OF THE MASTER AGREEMENT AND COMPLIANCE

Contractor shall at all times comply with all applicable Federal Funding Agency laws, regulations, policies, procedures and directives, including without limitation those listed directly or by reference in the Master Agreement, available at https://www.transit.dot.gov/funding/grantee-resources/sample-fta-agreements/fta-grant-agreements, between the Department and FTA, as they may be amended or promulgated from time to time during the term of this contract. This Master Agreement does not have an Expiration Date. This Master Agreement continues to apply to the Recipient and its Underlying Agreement, until modified or superseded by a more recently enacted or issued applicable federal law, regulation, requirement, or guidance, or amendment to this Master Agreement or the Underlying Agreement. To assure compliance the Recipient must take measures to assure that other participants in its Underlying Agreements (e.g., Third Party Participants) comply. Contractor’s failure to so comply shall constitute a material breach of this contract.

All contractual provisions required by the U.S. Department of Transportation are hereby incorporated by reference. In the event of additional funding provided by FHWA, the applicable requirements of the Stewardship Agreement, available at https://www.fhwa.dot.gov/federalaid/stewardship, between the Department and FHWA are incorporated by reference.

6. CIVIL RIGHTS REQUIREMENTS

The AGENCY is an Equal Opportunity Employer. As such, the AGENCY agrees to comply
with all applicable Federal civil rights laws and implementing regulations. Apart from inconsistent requirements imposed by Federal laws or regulations, the AGENCY agrees to comply with the requirements of 49 U.S.C. § 5323(h) (3) by not using any Federal assistance awarded by FTA to support procurements using exclusionary or discriminatory specifications.

Under this Agreement, the Contractor shall at all times comply with the following requirements and shall include these requirements in each subcontract entered into as part thereof.

Equal Employment Opportunity

1. Nondiscrimination - In accordance with Title VI of the Civil Rights Act, as amended, 42 U.S.C. § 2000d, section 303 of the Age Discrimination Act of 1975, as amended, 42 U.S.C. § 6102, section 202 of the Americans with Disabilities Act of 1990, 42 U.S.C. § 12132, and Federal transit law at 49 U.S.C. § 5332, the Contractor agrees that it will not discriminate against any employee or applicant for employment because of race, color, religion, national origin, sex (including sexual orientation and gender identity), age, or disability. In addition, the Contractor agrees to comply with applicable Federal implementing regulations and other implementing requirements Federal Funding Agency may issue.

2. Race, Color, religion, National Origin, Sex - In accordance with Title VII of the Civil Rights Act, as amended, 42 U.S.C. § 2000e, and Federal transit laws at 49 U.S.C. § 5332, the Contractor agrees to comply with all applicable equal employment opportunity requirements of U.S. Department of Labor (U.S. DOL) regulations, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," 41 C.F.R. Parts 60 et seq., (which implement Executive Order No. 11246, "Equal Employment Opportunity," as amended by Executive Order No. 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," 42 U.S.C. § 2000e note), and with any applicable Federal statutes, executive orders, regulations, and Federal policies that may in the future affect construction activities undertaken in the course of the Project. The Contractor agrees to take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, creed, national origin, sex, or age. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. In addition, the Contractor agrees to comply with any implementing requirements Federal Funding Agency may issue.

3. Age - In accordance with section 4 of the Age Discrimination in Employment Act of 1967, as amended, 29 U.S.C. § 623 and Federal transit law at 49 U.S.C. § 5332, the Contractor agrees to refrain from discrimination against present and prospective employees for reason of age. In addition, the Contractor agrees to comply with any implementing requirements Federal Funding Agency may issue.
4. Disabilities - In accordance with section 102 of the Americans with Disabilities Act, as amended, 42 U.S.C. § 12112, the Contractor agrees that it will comply with the requirements of U.S. Equal Employment Opportunity Commission, "Regulations to Implement the Equal Employment Provisions of the Americans with Disabilities Act," 29 C.F.R. Part 1630, pertaining to employment of persons with disabilities. In addition, the Contractor agrees to comply with any implementing requirements Federal Funding Agency may issue.

The Contractor also agrees to include these requirements in each subcontract financed in whole or in part with Federal assistance provided, modified only if necessary to identify the affected parties.

7. TERMINATION

Termination of the contract shall be in accordance with the Uniform Terms and Conditions, Section 9., paragraph 9.1 through 9.6.

8. DEBARMMENT OR SUSPENSION

This contract is a covered transaction for purposes of 49 CFR Part 29. As such, the contractor is required to verify that none of the contractor, its principals, as defined at 49 CFR 29.995, or affiliates, as defined at 49 CFR 29.905, are excluded or disqualified as defined at 49 CFR 29.940 and 29.945. The contractor is required to comply with 49 CFR 29, Subpart C and must include the requirement to comply with 49 CFR 29, Subpart C in any lower tier covered transaction it enters into.

As such, the Contractor shall verify that its principals, affiliates, and subcontractors are eligible to participate in this federally funded contract and are not presently declared by any Federal department or agency to be:

a) Debarred from participation in any federally assisted Award;
b) Suspended from participation in any federally assisted Award;
c) Proposed for debarment from participation in any federally assisted Award;
d) Declared ineligible to participate in any federally assisted Award;
e) Voluntarily excluded from participation in any federally assisted Award; or
f) Disqualified from participation in any federally assisted Award.

By signing and submitting its bid or proposal, the bidder or proposer certifies as follows:

The certification in this clause is a material representation of fact relied upon by the Department. If it is later determined that the bidder or proposer knowingly rendered an erroneous certification, in addition to remedies available to the Department, the
Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. The bidder or proposer agrees to comply with the requirements of 49 CFR 29, Subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

8.1 GOVERNMENT-WIDE DEBARMENT AND SUSPENSION (NONPROCUREMENT)

The Contractor agrees to the following:

(1) It will comply with the requirements of 2 C.F.R. part 180, subpart C, as adopted and supplemented by U.S. DOT regulations at 2 C.F.R. part 1200, which include the following:

(a) It will not enter into any arrangement to participate in the development or implementation of the Project with any Third Party Participant that is debarred or suspended except as authorized by: 1 U.S. DOT regulations, “Nonprocurement Suspension and Debarment,” 2 C.F.R. part 1200, 2 U.S. OMB, “Guidelines to Agencies on Government wide Debarment and Suspension (Nonprocurement),” 2 C.F.R. part 180, including any amendments thereto, and 3 Executive Orders Nos. 12549 and 12689, “Debarment and Suspension,” 31 U.S.C. § 6101 note,

(b) It will review the U.S. GSA “System for Award Management,” https://www.sam.gov, if required by U.S. DOT regulations, 2 C.F.R. part 1200, and

(c) It will include, and require each of its Third Party Participants to include, a similar provision in each lower tier covered transaction, ensuring that each lower tier Third Party Participant:

(1) Will comply with Federal debarment and suspension requirements, and 2 Reviews the “System for Award Management” at https://www.sam.gov, if necessary to comply with U.S. DOT regulations, 2 C.F.R. part 1200, and

If the Department suspends, debars, or takes any similar action against a Third Party Participant or individual, the Department will provide immediate written notice to the:

(a) FTA Regional Counsel for the Region in which the Recipient is located or implements the Project,

(b) FTA Project Manager if the Project is
administered by an FTA Headquarters Office, 
or 
(c) FTA Chief Counsel.

9. IMPLEMENTATION OF CLEAN AIR ACT AND FEDERAL WATER

POLLUTION CONTROL ACT Clean Water
Contractor shall comply with all applicable standards, orders or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 USC 1251 et seq. Contractor shall report each violation to the recipient and understands and agrees that the recipient shall, in turn, report each violation as required to FTA and the appropriate EPA Regional Office. Contractor shall include these requirements in each subcontract exceeding $150,000 financed in whole or in part with FTA assistance.

Clean Air
1) Contractor shall comply with all applicable standards, orders or regulations pursuant to the Clean Air Act, 42 USC 7401 et seq. Contractor shall report each violation to the recipient and understands and agrees that the recipient will, in turn, report each violation as required to FTA and the appropriate EPA Regional Office.

2) Contractor shall include these requirements in each subcontract exceeding $150,000 financed in whole or in part with FTA assistance.

10. BUY AMERICA

In any task assignment / project for construction, acquisition of goods, or rolling stock valued at more than $150,000, the contractor agrees to comply with 49 U.S.C. 5323(j) and 49 C.F.R. part 661, which provide that Federal funds may not be obligated unless all steel, iron, and manufactured products used in FTA funded projects are produced in the United States, unless a waiver has been granted by FTA or the product is subject to a general waiver. General waivers are listed in 49 C.F.R. § 661.7. Separate requirements for rolling stock are set out at 49 U.S.C. 5323(j)(2)(C) and 49 C.F.R. § 661.11.

Contractor shall comply with 49 USC 5323(j) and 49 CFR 661, stating that Federal funds may not be obligated unless steel, iron, and manufactured products used in FTA-funded projects are produced in the United States, unless a waiver has been granted by FTA or the product is subject to a general waiver. General waivers are listed in 49 CFR 661.7, and include software, microcomputer equipment and small purchases (currently less than $150,000) made with capital, operating, or planning funds. Separate requirements for rolling stock are stated at 5323(j)(2)(C) and 49 CFR 661.11. Rolling stock must be manufactured in the US and have a minimum 65% domestic content for FY2019 and a minimum 70% domestic content for FY2020 and beyond. A bidder or offeror shall submit appropriate Buy America certification to the recipient with all bids on FTA-funded contracts, except those subject to a general waiver. Proposals not accompanied by a completed a certification shall be rejected as
11. BREACHES AND DISPUTE RESOLUTION

The duties and obligations imposed by the Contract Documents and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law. No action or failure to act by the (Recipient), (Architect) or Contractor shall constitute a waiver of any right or duty afforded any of them under the Contract, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach thereunder, except as may be specifically agreed in writing.

Disputes arising in the performance of this contract which are not resolved by agreement of the parties shall be decided in writing by the Department. This decision shall be final and conclusive unless within ten days from the date of receipt of its copy, contractor mails or otherwise furnishes a written appeal to the Department. In connection with such appeal, contractor shall be afforded an opportunity to be heard and to offer evidence in support of its position. The decision of the Department shall be binding upon contractor and contractor shall abide by the decision. FTA has a vested interest in the settlement of any violation of Federal law including the False Claims Act, 31 U.S.C. § 3729.

Performance During Dispute - Unless otherwise directed by the recipient, contractor shall continue performance under this contract while matters in dispute are being resolved. Claims for Damages - Should either party to the contract suffer injury or damage to person or property because of any act or omission of the party or of any of its employees, agents or others for whose acts it is legally liable, a claim for damages therefore shall be made in writing to such other party within ten days after the first observance of such injury or damage.

Remedies - Unless this contract provides otherwise, all claims, counterclaims, disputes and other matters in question between the Department and contractor arising out of or relating to this agreement or its breach will be decided by arbitration if the parties mutually agree, or in a court of competent jurisdiction within the residing State.

Rights and Remedies - Duties and obligations imposed by the contract documents and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law. No action or failure to act by the Department or contractor shall constitute a waiver of any right or duty afforded any of them under the contract, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach thereunder, except as may be specifically agreed in writing.

12. LOBBYING

The Contractor agrees to comply with the provisions of Title 31, U.S. C 1352 as nonresponsive. This requirement does not apply to lower tier subcontractors.
amended by the Lobbying Disclosure Act of 1995, P.L. 104-65 [to be codified at 2
U.S.C. 1601, et seq.] and (Public Law 101.121) as codified in Title 48, Federal
Acquisition Regulations Subpart 3.8 and Subpart 52.203-11. The legislation prohibits
Federal funds from being expended by a recipient or any lower tier sub- recipients of
a Federal contract, grant, loan, or cooperative agreement to pay any person for
influencing or attempting to influence a Federal agency or Congress in connection
with the award of any Federal contract, the making of any Federal grant or loan, or
entering into any cooperative agreement, including the extension, continuation,
renewal, amendment or modification of any Federal contract, grant, loan or
cooperative agreement. All disclosure statements are to be furnished to the
Department.

Contractors who apply or propose/bid for an award of $100,000 or more in value shall
file the attached Lobbying Certification [01Lobbying Certification document] required
by 49 CFR part 20, "New Restrictions on Lobbying." Each tier certifies to the tier above
that it will not and has not used Federal appropriated funds to pay any person or
organization for influencing or attempting to influence an officer or employee of any
agency, a member of Congress, officer or employee of Congress, or an employee of a
member of Congress in connection with obtaining any Federal contract, grant or any
other award covered by 31 U.S.C. 1352. Each tier shall also disclose the name of any
registrant under the Lobbying Disclosure Act of 1995 who has made lobbying contacts
on its behalf with non-Federal funds with respect to that Federal contract, grant or
award covered by 31 U.S.C. 1352. Such disclosures are forwarded from tier to tier up
to the recipient.

13. FLY AMERICA

The Contractor agrees to comply with 49 U.S.C. 40118 (the "Fly America" Act) in
accordance with the General Services Administration's regulations at 41 CFR Part
301-10, which provide that recipients of Federal funds and their contractors are
required to use U.S. Flag air carriers for U.S Government- financed international air
travel and transportation of their personal effects or property, to the extent such
service is available, unless travel by foreign air carrier is a matter of necessity, as
defined by the Fly America Act. The Contractor shall submit, if a foreign air carrier
was used, an appropriate certification or memorandum adequately explaining why
service by a U.S. flag air carrier was not
available or why it was necessary to use a foreign air carrier and shall, in any event,
provide a certificate of compliance with the Fly America requirements. The
Contractor agrees to include the requirements of this section in all subcontracts that
may involve international air transportation.

14. ENERGY CONSERVATION

The contractor agrees to comply with mandatory standards and policies relating to
energy efficiency, stated in the state energy conservation plan issued in compliance
15. CONFLICTS OF INTEREST / EMPLOYMENT OF FEDERAL PERSONNEL

Contractors will maintain a written code of standards of conduct governing the performance of their employees engaged in the award and administration of contracts. No employee, officer or agent of the Department or the Federal funding agency shall participate in selection, or in the award or administration of a contract supported by Federal funds if a conflict of interest, real or apparent, would be involved. Such a conflict would arise when: The employee, officer or agent, any member of his immediate family, His or her partner, or an organization which employs, or is about to employ, any of the above, has a financial or other interest in the firm selected for award. Department officers, employees or agents will neither solicit nor accept gratuities, favors or anything of monetary value from contractors, potential contractors, or parties to subagreements.

16. COPYRIGHT AND PATENT

To the extent permitted by A.R.S. § 41-621 and § 35-154, the Contractor shall indemnify and hold harmless ADOT against any liability, including costs and expenses, for infringement of any patent, trademark or copyright arising out of this contract performance or use by ADOT of materials furnished or work performed under this contract. ADOT shall reasonably notify the Contractor of any claim for which it may be liable under this paragraph.

Copyrights pursuant to 23 CFR 420.121 (b): The Department, as a State DOT may copyright any books, publications, or other copyrightable materials developed in the course of the project, and does herein exercise that right. The federal funding agency reserves a royalty-free, nonexclusive and irrevocable right to reproduce, publish, or otherwise use, and to authorize others to use, the work for Government purposes.

Patents pursuant to 23 CFR 420.121 (i): The Department, as a State DOT is subject to the provisions of 37 CFR part 401 governing patents and inventions and must include or cite the standard patent rights clause at 37 CFR 401.14, except for §401.14(g), in all subgrants or contracts. In addition, State DOTs must include the following clause, suitably modified to identify the parties, in all subgrants or contracts, regardless of tier, for experimental, developmental or research work: “The subgrantee or contractor will retain all rights provided for the State in this clause, and the State will not, as part of the consideration for awarding the subgrant or contract, obtain rights in the subgrantee's or contractor's subject inventions.”

Standard Patent Rights required pursuant to 37 CFR 401.14:

(a) Definitions

(1) Invention means any invention or discovery which is or may be patentable or otherwise protectable under Title 35 of the United States Code, or any novel variety of plant which is or may be protected under the Plant Variety Protection Act (7 U.S.C.
2321 et seq.).

(2) Subject invention means any invention of the contractor conceived or first actually reduced to practice in the performance of work under this contract, provided that in the case of a variety of plant, the date of determination (as defined in section 41(d) of the Plant Variety Protection Act, 7 U.S.C. 2401(d)) must also occur during the period of contract performance.

(3) Practical Application means to manufacture in the case of a composition or product, to practice in the case of a process or method, or to operate in the case of a machine or system; and, in each case, under such conditions as to establish that the invention is being utilized and that its benefits are, to the extent permitted by law or government regulations, available to the public on reasonable terms.

(4) Made when used in relation to any invention means the conception or first actual reduction to practice of such invention.

(5) Small Business Firm means a small business concern as defined at section 2 of Pub. L. 85-536 (15 U.S.C. 632) and implementing regulations of the Administrator of the Small Business Administration. For the purpose of this clause, the size standards for small business concerns involved in government procurement and subcontracting at 13 CFR 121.3-8 and 13 CFR 121.3-12, respectively, will be used.

(6) Nonprofit Organization means a university or other institution of higher education or an organization of the type described in section 501(c)(3) of the Internal Revenue Code of 1954 (26 U.S.C. 501(c) and exempt from taxation under section 501(a) of the Internal Revenue Code (25 U.S.C. 501(a)) or any nonprofit scientific or educational organization qualified under a state nonprofit organization statute.

(7) The term statutory period means the one-year period before the effective filing date of a claimed invention during which exceptions to prior art exist per 35 U.S.C. 102(b) as amended by the Leahy-Smith America Invents Act, Public Law 112-29.

(8) The term contractor means any person, small business firm or nonprofit organization, or, as set forth in section 1, paragraph (b)(4) of Executive Order 12591, as amended, any business firm regardless of size, which is a party to a funding agreement.

(b) Allocation of Principal Rights

The Contractor may retain the entire right, title, and interest throughout the world to each subject invention subject to the provisions of this clause and 35 U.S.C. 203. With respect to any subject invention in which the Contractor retains title, the Federal government shall have a nonexclusive, nontransferable, irrevocable, paid-up license to practice or have practiced for or on behalf of the United States the subject invention.
throughout the world.

(c) Invention Disclosure, Election of Title and Filing of Patent Application by Contractor

(1) The contractor will disclose each subject invention to the Federal Agency within two months after the inventor discloses it in writing to contractor personnel responsible for patent matters. The disclosure to the agency shall be in the form of a written report and shall identify the contract under which the invention was made and the inventor(s). It shall be sufficiently complete in technical detail to convey a clear understanding to the extent known at the time of the disclosure, of the nature, purpose, operation, and the physical, chemical, biological or electrical characteristics of the invention. The disclosure shall also identify any publication, on sale or public use of the invention and whether a manuscript describing the invention has been submitted for publication and, if so, whether it has been accepted for publication at the time of disclosure. In addition, after disclosure to the agency, the Contractor will promptly notify the agency of the acceptance of any manuscript describing the invention for publication or of any on sale or public use planned by the contractor.

(2) The contractor will elect in writing whether or not to retain title to any such invention by notifying the Federal agency within two years of disclosure to the Federal agency. However, in any case where a patent, a printed publication, public use, sale, or other availability to the public has initiated the one year statutory period wherein valid patent protection can still be obtained in the United States, the period for election of title may be shortened by the agency to a date that is no more than 60 days prior to the end of the statutory period.

(3) The contractor will file its initial patent application on a subject invention to which it elects to retain title within one year after election of title or, if earlier, prior to the end of any statutory period wherein valid patent protection can be obtained in the United States after a publication, on sale, or public use. If the contractor files a provisional application as its initial patent application, it shall file a non-provisional application within 10 months of the filing of the provisional application. The contractor will file patent applications in additional countries or international patent offices within either ten months of the first filed patent application or six months from the date permission is granted by the Commissioner of Patents to file foreign patent applications where such filing has been prohibited by a Secrecy Order.

(4) For any subject invention with Federal agency and contractor co-inventors, where the Federal agency employing such co-inventor determines that it would be in the interest of the government, pursuant to 35 U.S.C. 207(a)(3), to file an initial patent application on the subject invention, the Federal agency employing such co-inventor, at its discretion and in consultation with the contractor, may file such application at its own expense, provided that the contractor retains the ability to elect title pursuant to 35 U.S.C. 202(a).

(5) Requests for extension of the time for disclosure, election, and filing under
paragraphs (1), (2), and (3) of this clause may, at the discretion of the Federal agency, be granted. When a contractor has requested an extension for filing a non-provisional application after filing a provisional application, a one-year extension will be granted unless the Federal agency notifies the contractor within 60 days of receiving the request.

(d) Conditions When the Government May Obtain Title

The contractor will convey to the Federal agency, upon written request, title to any subject invention—

(1) If the contractor fails to disclose or elect title to the subject invention within the times specified in paragraph (c) of this clause, or elects not to retain title.

(2) In those countries in which the contractor fails to file patent applications within the times specified in paragraph (c) of this clause; provided, however, that if the contractor has filed a patent application in a country after the times specified in paragraph (c) of this clause, but prior to its receipt of the written request of the Federal agency, the contractor shall continue to retain title in that country.

(3) In any country in which the contractor decides not to continue the prosecution of any non-provisional patent application for, to pay a maintenance, annuity or renewal fee on, or to defend in a reexamination or opposition proceeding on, a patent on a subject invention.

(e) Minimum Rights to Contractor and Protection of the Contractor Right to File

(1) The contractor will retain a nonexclusive royalty-free license throughout the world in each subject invention to which the Government obtains title, except if the contractor fails to disclose the invention within the times specified in (c), above. The contractor's license extends to its domestic subsidiary and affiliates, if any, within the corporate structure of which the contractor is a party and includes the right to grant sublicenses of the same scope to the extent the contractor was legally obligated to do so at the time the contract was awarded. The license is transferable only with the approval of the Federal agency except when transferred to the successor of that party of the contractor's business to which the invention pertains.

(2) The contractor's domestic license may be revoked or modified by the funding Federal agency to the extent necessary to achieve expeditious practical application of the subject invention pursuant to an application for an exclusive license submitted in accordance with applicable provisions at 37 CFR part 404 and agency licensing regulations (if any). This license will not be revoked in that field of use or the geographical areas in which the contractor has achieved practical application and continues to make the benefits of the invention reasonably accessible to the public. The license in any foreign country may be revoked or modified at the discretion of the funding Federal agency to the extent the contractor, its licensees, or the domestic
subsidiaries or affiliates have failed to achieve practical application in that foreign country.

(3) Before revocation or modification of the license, the funding Federal agency will furnish the contractor a written notice of its intention to revoke or modify the license, and the contractor will be allowed thirty days (or such other time as may be authorized by the funding Federal agency for good cause shown by the contractor) after the notice to show cause why the license should not be revoked or modified. The contractor has the right to appeal, in accordance with applicable regulations in 37 CFR part 404 and agency regulations (if any) concerning the licensing of Government-owned inventions, any decision concerning the revocation or modification of the license.

(f) Contractor Action to Protect the Government's Interest

(1) The contractor agrees to execute or to have executed and promptly deliver to the Federal agency all instruments necessary to (i) establish or confirm the rights the Government has throughout the world in those subject inventions to which the contractor elects to retain title, and (ii) convey title to the Federal agency when requested under paragraph (d) above and to enable the government to obtain patent protection throughout the world in that subject invention.

(2) The contractor agrees to require, by written agreement, its employees, other than clerical and nontechnical employees, to disclose promptly in writing to personnel identified as responsible for the administration of patent matters and in a format suggested by the contractor each subject invention made under contract in order that the contractor can comply with the disclosure provisions of paragraph (c) of this clause, to assign to the contractor the entire right, title and interest in and to each subject invention made under contract, and to execute all papers necessary to file patent applications on subject inventions and to establish the government's rights in the subject inventions. This disclosure format should require, as a minimum, the information required by paragraph (c)(1) of this clause. The contractor shall instruct such employees through employee agreements or other suitable educational programs on the importance of reporting inventions in sufficient time to permit the filing of patent applications prior to U.S. or foreign statutory bars.

(3) For each subject invention, the contractor will, no less than 60 days prior to the expiration of the statutory deadline, notify the Federal agency of any decision: Not to continue the prosecution of a non-provisional patent application; not to pay a maintenance, annuity or renewal fee; not to defend in a reexamination or opposition proceeding on a patent, in any country; to request, be a party to, or take action in a trial proceeding before the Patent Trial and Appeals Board of the U.S. Patent and Trademark Office, including but not limited to post-grant review, review of a business method patent, inter partes review, and derivation proceeding; or to request, be a party to, or take action in a non-trial submission of art or information at the U.S. Patent and Trademark Office, including but not limited to a pre-issuance submission, a
post-issuance submission, and supplemental examination.

(4) The contractor agrees to include, within the specification of any United States patent applications and any patent issuing thereon covering a subject invention, the following statement, “This invention was made with government support under (identify the contract) awarded by (identify the Federal agency). The government has certain rights in the invention.”

(g) Subcontracts

(1) The contractor will include this clause, suitably modified to identify the parties, in all subcontracts, regardless of tier, for experimental, developmental or research work to be performed by a subcontractor. The subcontractor will retain all rights provided for the contractor in this clause, and the contractor will not, as part of the consideration for awarding the subcontract, obtain rights in the subcontractor's subject inventions.

(2) The contractor will include in all other subcontracts, regardless of tier, for experimental developmental or research work the patent rights clause required by (cite section of agency implementing regulations or FAR).

(3) In the case of subcontracts, at any tier, when the prime award with the Federal agency was a contract (but not a grant or cooperative agreement), the agency, subcontractor, and the contractor agree that the mutual obligations of the parties created by this clause constitute a contract between the subcontractor and the Federal agency with respect to the matters covered by the clause; provided, however, that nothing in this paragraph is intended to confer any jurisdiction under the Contract Disputes Act in connection with proceedings under paragraph (j) of this clause.

(h) Reporting on Utilization of Subject Inventions

The Contractor agrees to submit on request periodic reports no more frequently than annually on the utilization of a subject invention or on efforts at obtaining such utilization that are being made by the contractor or its licensees or assignees. Such reports shall include information regarding the status of development, date of first commercial sale or use, gross royalties received by the contractor, and such other data and information as the agency may reasonably specify. The contractor also agrees to provide additional reports as may be requested by the agency in connection with any march-in proceeding undertaken by the agency in accordance with paragraph (j) of this clause. As required by 35 U.S.C. 202(c)(5), the agency agrees it will not disclose such information to persons outside the government without permission of the contractor.

(i) Preference for United States Industry

Notwithstanding any other provision of this clause, the contractor agrees that neither
it nor any assignee will grant to any person the exclusive right to use or sell any subject inventions in the United States unless such person agrees that any products embodying the subject invention or produced through the use of the subject invention will be manufactured substantially in the United States. However, in individual cases, the requirement for such an agreement may be waived by the Federal agency upon a showing by the contractor or its assignee that reasonable but unsuccessful efforts have been made to grant licenses on similar terms to potential licensees that would be likely to manufacture substantially in the United States or that under the circumstances domestic manufacture is not commercially feasible.

(j) March-in Rights

The contractor agrees that with respect to any subject invention in which it has acquired title, the Federal agency has the right in accordance with the procedures in 37 CFR 401.6 and any supplemental regulations of the agency to require the contractor, an assignee or exclusive licensee of a subject invention to grant a nonexclusive, partially exclusive, or exclusive license in any field of use to a responsible applicant or applicants, upon terms that are reasonable under the circumstances, and if the contractor, assignee, or exclusive licensee refuses such a request the Federal agency has the right to grant such a license itself if the Federal agency determines that:

(1) Such action is necessary because the contractor or assignee has not taken, or is not expected to take within a reasonable time, effective steps to achieve practical application of the subject invention in such field of use.

(2) Such action is necessary to alleviate health or safety needs which are not reasonably satisfied by the contractor, assignee or their licensees;

(3) Such action is necessary to meet requirements for public use specified by Federal regulations and such requirements are not reasonably satisfied by the contractor, assignee or licensees; or

(4) Such action is necessary because the agreement required by paragraph (i) of this clause has not been obtained or waived or because a licensee of the exclusive right to use or sell any subject invention in the United States is in breach of such agreement.

(k) Special Provisions for Contracts with Nonprofit Organizations

If the contractor is a nonprofit organization, it agrees that:

(1) Rights to a subject invention in the United States may not be assigned without the approval of the Federal agency, except where such assignment is made to an organization which has as one of its primary functions the management of inventions, provided that such assignee will be subject to the same provisions as the contractor;
(2) The contractor will share royalties collected on a subject invention with the inventor, including Federal employee co-inventors (when the agency deems it appropriate) when the subject invention is assigned in accordance with 35 U.S.C. 202(e) and 37 CFR 401.10;

(3) The balance of any royalties or income earned by the contractor with respect to subject inventions, after payment of expenses (including payments to inventors) incidental to the administration of subject inventions, will be utilized for the support of scientific research or education; and

(4) It will make efforts that are reasonable under the circumstances to attract licensees of subject inventions that are small business firms and that it will give a preference to a small business firm when licensing a subject invention if the contractor determines that the small business firm has a plan or proposal for marketing the invention which, if executed, is equally as likely to bring the invention to practical application as any plans or proposals from applicants that are not small business firms; provided, that the contractor is also satisfied that the small business firm has the capability and resources to carry out its plan or proposal. The decision whether to give a preference in any specific case will be at the discretion of the contractor. However, the contractor agrees that the Federal agency may review the contractor's licensing program and decisions regarding small business applicants, and the contractor will negotiate changes to its licensing policies, procedures, or practices with the Federal agency when the Federal agency's review discloses that the contractor could take reasonable steps to implement more effectively the requirements of this paragraph (k)(4). In accordance with 37 CFR 401.7, the Federal agency or the contractor may request that the Secretary review the contractor's licensing program and decisions regarding small business applicants.

17. RECOVERED MATERIALS

The Contractor agrees to provide a preference for those products and services that conserve natural resources, protect the environment, and are energy efficient by complying with and facilitating compliance with Section 6002 of the Resource Conservation and Recovery Act, as amended, 42 U.S.C. § 6962, and U.S. Environmental Protection Agency (U.S. EPA), “Comprehensive Procurement Guideline for Products Containing Recovered Materials,” 40 C.F.R. part 247.

18. SAFE OPERATION OF MOTOR VEHICLES

(1) Adopting and promoting on-the-job seat belt use policies and programs for its employees and other personnel that operate company-owned vehicles, company-rented vehicles, or personally operated vehicles, and
(2) Including a “Seat Belt Use” provision in each third party agreement related to the Award.

b. Distracted Driving, Including Text Messaging While Driving. The Recipient agrees to comply with:

(2) U.S. DOT Order 3902.10, “Text Messaging While Driving,” December 30, 2009, and

(3) The following U.S. DOT Special Provision pertaining to Distracted Driving:

(a) Safety. The Recipient agrees to adopt and enforce workplace safety policies to decrease crashes caused by distracted drivers, including policies to ban text messaging while using an electronic device supplied by an employer, and driving a vehicle the driver owns or rents, a vehicle Recipient owns, leases, or rents, or a privately-owned vehicle when on official business in connection with the Award, or when performing any work for or on behalf of the Award,

(b) Recipient Size. The Recipient agrees to conduct workplace safety initiatives in a manner commensurate with its size, such as establishing new rules and programs to prohibit text messaging while driving, re-evaluating the existing programs to prohibit text messaging while driving, and providing education, awareness, and other outreach to employees about the safety risks associated with texting while driving, and

(c) Extension of Provision. The Recipient agrees to include the preceding Special Provision of section 34.b(3)(a) – (b) of this Master Agreement in its third party agreements, and encourage its Third Party Participants to comply with this Special Provision, and include this Special Provision in each third party subagreement at each tier supported with federal assistance.

19. CERTIFICATION AND ASSURANCES

The FTA Certifications and Assurances are incorporated herein by reference. Upon award or contract renewal, the Contractor must agree to comply with the most current FTA Certifications and Assurances by signing and submitting the signature page provided by the Department. In the event FTA issues new Certifications and Assurances, the Department reserves the right to require submission of a new signature page agreeing to comply; to be added to the terms and conditions by Amendment. All such requests are a condition of continued award.
20. DISADVANTAGED BUSINESS ENTERPRISES

1.0 Policy:

The Arizona Department of Transportation (hereinafter the Department) has established a Disadvantaged Business Enterprise (DBE) program in accordance with the regulations of the U.S. Department of Transportation (USDOT), 49 CFR Part 26. The Department has received Federal financial assistance from the U.S. Department of Transportation and as a condition of receiving this assistance, the Department has signed an assurance that it will comply with 49 CFR Part 26.

It is the policy of the Department to ensure that DBEs, as defined in Part 26, have an equal opportunity to receive and participate in USDOT-assisted contracts. It is also the policy of the Department:

1. To ensure nondiscrimination in the award and administration of USDOT-assisted contracts;
2. To create a level playing field on which DBEs can compete fairly for USDOT-assisted contracts;
3. To ensure that the DBE program is narrowly tailored in accordance with applicable law;
4. To ensure that only firms that fully meet 49 CFR Part 26 eligibility standards are counted as DBEs;
5. To help remove barriers to the participation of DBEs in USDOT-assisted contracts;
6. To assist in the development of firms that can compete successfully in the market place outside the DBE program; and
7. To promote the use of DBEs in all types of federally-assisted contracts and procurement activities.

It is also the policy of the Department to facilitate and encourage participation of Small Business Concerns (SBCs), as defined herein, in USDOT-assisted contracts. The Department encourages contractors to take reasonable steps to eliminate obstacles to SBCs' participation and to utilize SBCs in performing contracts.

2.0 Assurances of Non-Discrimination:

The contractor, subrecipient, or subcontractor shall not discriminate on the basis of race, color, sex or national origin in the performance of this contract. The contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT assisted contracts. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the Department deems appropriate, which may include, but are not limited to:

1. Withholding monthly progress payments;
2. Assessing sanctions;
3. Liquidated damages;
4. Suspension or Debarment per Uniform Terms and Conditions Paragraph 9.3 of the contractor from future bidding; and/or
5. Cancellation, termination, or suspension of the Contract, in whole or in part.

The contractor, subrecipient, or subcontractor shall ensure that all subcontract agreements contain this non-discrimination assurance.

3.0 Definitions:

(A) Commercially Useful Function (CUF): Commercially Useful Function is defined fully in 49 CFR 26.55, which definition is incorporated herein by reference.

(B) Disadvantaged Business Enterprise (DBE): a for-profit small business concern which meets both of the following requirements:

(1) Is at least 51 percent owned by one or more socially and economically disadvantaged individuals or, in the case of any publicly owned business, at least 51 percent of the stock is owned by one or more such individuals; and,

(2) Whose management and daily business operations are controlled by one or more of the socially and economically disadvantaged individuals who own it.

(C) NAICS Code: The North American Industry Classification System (NAICS) is the standard used by Federal statistical agencies in classifying business establishments for the purpose of collecting, analyzing, and publishing statistical data related to the U.S. business economy.

(D) Non-DBE: any firm that is not a DBE.

(E) Race-Conscious (RC): a measure or program focused specifically on assisting only DBEs, including women-owned DBEs.

(F) Race-Neutral (RN): a measure or program used to assist all small businesses. For the purposes of this part, race-neutral includes gender-neutrality.

(G) Small Business Concern (SBC): a business that meets all of the following conditions:

(1) Operates as a for-profit business registered to do business in Arizona;

(2) Operates a place of business primarily within the U.S., or makes a significant contribution to the U.S. economy through payment of taxes
or use of American products, materials, or labor;

(3) Is independently owned and operated;

(4) Is not dominant in its field on a national basis; and

(5) Does not have annual gross receipts that exceed the Small Business Administration size standards average annual income criteria for its primary North American Industry Classification System (NAICS) code.

(H) **Socially and Economically Disadvantaged Individuals**: any individual who is a citizen (or lawfully admitted permanent resident) of the United States and who is:

(1) Any individual who is found to be a socially and economically disadvantaged individual on a case-by-case basis.

(2) Any individual in the following groups, members of which are rebuttably presumed to be socially and economically disadvantaged:

(i) "Black Americans," which includes persons having origins in any of the Black racial groups of Africa;

(ii) "Hispanic Americans," which includes persons of Mexican, Puerto Rican, Cuban, Dominican, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;

(iii) "Native Americans," which includes persons who are enrolled members of federally or State recognized Indian tribe, Alaskan Natives or Native Hawaiians;

(iv) “Asian-Pacific Americans,” which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Vietnam, Laos, Cambodia (Kampuchea), Thailand, Malaysia, Indonesia, the Philippines, Brunei, Samoa, Guam, the U.S. Trust Territories of the Pacific Islands (Republic of Palau), the Republic of the Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Tuvalu, Nauru, Federated States of Micronesia, or Hong Kong;

(v) “Subcontinent Asian Americans,” which includes persons whose origins are from India, Pakistan, Bangladesh, Bhutan, the Maldives Islands, Nepal or Sri Lanka;

(vi) "Women;"

(vii) Any additional groups whose members are designated as socially and economically disadvantaged by the Small Business
Administration (SBA), at such time as the SBA designation becomes effective.

4.0  Working with DBEs:

The Department works with DBEs and assists them in their efforts to participate in the highway construction. All proposers should contact the Department’s Business Engagement and Compliance Office (BECO) by phone, through email, or at the address shown below, for assistance in their efforts to use DBEs in the highway construction industry. BECO contact information is as follows:

Arizona Department of Transportation Business Engagement and Compliance Office 1801 W. Jefferson St., Ste. 101, Mail Drop 154A Phoenix, AZ 85007 Phone (602) 712-7761 FAX (602) 712-8429 Email: contractorcompliance@azdot.gov Website: www.azdot.gov/bec

4.01  Mentor-Protégé Program:

The Department has established a Mentor-Protégé program as an initiative to encourage and develop disadvantaged businesses in the highway construction industry. The program encourages prime contractors to provide certain types of assistance to certified DBE subcontractors. ADOT encourages contractors and certified DBE subcontractors to engage in a Mentor-Protégé agreement under certain conditions. Such an agreement must be mutually beneficial to both parties and to ADOT in fulfilling requirements of 49 CFR Part 23. For guidance regarding this program refer to the Mentor-Protégé Program Guidelines available on the BECO website.

The Mentor-Protégé program is intended to increase legitimate DBE activities. The program does not diminish the DBE rules or regulations, and participants may not circumvent these rules.

5.0  Applicability:

The Department has established an overall annual goal for DBE participation on Federal aid contracts. The Department intends for the goal to be met with a combination of race conscious efforts and race neutral efforts. Race conscious participation occurs when the contractor uses a percentage of DBEs, as defined herein, to meet the contract specified goal. Race neutral efforts are those that are, or can be, used to assist all small businesses or increase opportunities for all small businesses. The regulation, 49 CFR 26, defines race neutral as when a DBE wins a prime contract through customary competitive procurement procedures or is awarded a subcontract...
on a prime contract that does not carry a DBE contract goal.

Prime contractors are encouraged to obtain DBE participation even if a DBE goal was not established on a contract.

The DBE provisions are applicable to all contractors including DBE contractors.

6.0 Certification and Registration:

6.1 DBE Certification:

Certification as a DBE shall be predicated on:

(1) The completion and execution of an application for certification as a "Disadvantaged Business Enterprise".

(2) The submission of documents pertaining to the firm(s) as stated in the application(s), including but not limited to a statement of social disadvantage and a personal financial statement.

(3) The submission of any additional information which the Department or the applicable Arizona Unified Certification (UCP) agency may require to determine the firm's eligibility to participate in the DBE program.

(4) The information obtained during the on-site visits to the offices of the firm and to active job-sites.

Applications for certification may be filed online with the Department or the applicable UCP agency at any time through the Arizona Unified Transportation Registration and Certification System (AZ UTRACS) website at http://www.azutracs.com.

DBE firms and firms seeking DBE certification shall cooperate fully with requests for information relevant to the certification process. Failure or refusal to provide such information is a ground for denial or removal of certification.

ADOT is a member of the AZ Unified Certification Program (AZUCP). Only DBE firms that are certified by the AZUCP are eligible for credit on ADOT projects. A list of DBE firms certified by AZUCP is available on the internet at http://www.azutracs.com/. The list will indicate contact information and specialty for each DBE firm, and may be sorted in a variety of ways. However, ADOT does not guarantee the accuracy and/or completeness of this information, nor does ADOT represent that any licenses or registrations are appropriate for the work to be done.

The Department’s certification of a DBE is not a representation of qualifications and/or abilities nor does it mean that a DBE firm is guaranteed or entitled to receive or be awarded a contract. Being certified simply means that a firm has met the criteria for
DBE certification as outlined in 49 CFR Part 26. The contractor bears all risks of ensuring that DBE firms selected by the contractor are able to perform the work.

6.2 SBC Registration:

To comply with 49 CFR Part 26.39, ADOT’s DBE Program incorporates contracting requirements to facilitate participation by Small Business Concerns (SBCs) in federally assisted contracts. SBCs are for-profit businesses authorized to do businesses in Arizona that meet the Small Business Administration (SBA) size standards for average annual revenue criteria for its primary North American Industry Classification System (NAICS) code.

While the SBC component of the DBE program does not require utilization of goals on projects, ADOT strongly encourages contractors to utilize small businesses that are registered in AZ UTRACS on their contracts, in addition to DBEs meeting the certification requirement. The contractor may use the AZ UTRACS website to search for certified DBEs and registered SBCs that can be used on the contract. However, SBCs that are not DBEs will not be counted toward DBE participation.

SBCs can register online at the AZ UTRACS website.

The Department’s registration of SBCs is not a representation of qualifications and/or abilities nor does it mean that an SBC firm is guaranteed or entitled to receive or be awarded a contract. Being SBC registered simply means that a firm has met the criteria for SBC registration as outlined in 49 CFR Part 26. The contractor bears all risks of ensuring that SBC firms selected by the contractor are able to perform the work.

7.0 DBE Financial Institutions:

The Department thoroughly investigates the full extent of services offered by financial institutions owned and controlled by socially and economically disadvantaged individuals in its service area and makes reasonable efforts to use these institutions. The Department encourages prime contractors to use such institutions on USDOT assisted contracts. However, use of DBE financial institutions will not be counted toward DBE participation.

The Department encourages prime contractors to research the Federal Reserve Board website at www.federalreserve.gov to identify minority-owned banks in Arizona derived from the Consolidated Reports of Condition and Income filed quarterly by banks (FFIEC 031 and 041) and from other information on the Board’s National Information Center database.

8.0 Time is of the Essence:

TIME IS OF THE ESSENCE IN RESPECT TO THE DBE PROVISIONS.
9.0 Computation of Time:

In computing any period of time described in this DBE special provision, such as calendar days, the day from which the period begins to run is not counted, and when the last day of the period is a Saturday, Sunday, or Federal or State holiday, the period extends to the next day that is not a Saturday, Sunday, or Federal or State holiday. In circumstances where the Department’s offices are closed for all or part of the last day, the period extends to the next day on which the Department’s offices are open.

10.0 Contractor and Subcontractor Requirements:

10.1 General:

Each contractor shall establish a program that will ensure nondiscrimination in the award and administration of contracts and subcontracts.

Agreements between the bidder and a DBE in which the DBE promises not to provide subcontracting quotations to other bidders are prohibited.

10.2 DBE Liaison:

The contractor shall designate a DBE Liaison responsible for the administration of the contractor’s DBE program. The name of the designated DBE Liaison shall be included in the DBE Intended Participation Affidavit Summary.

11.0 DBE Goals

The Department has not established contract goals for DBE participation in this contract.

Contractors are still encouraged to employ reasonable means to obtain DBE participation. Contractors must retain records in accordance with these DBE specifications. The contractor is notified that this record keeping is important to the Department so that it can track DBE participation where only race neutral efforts are employed.

11.1 Race Neutral Contract (With No DBE Goal)

The Department has established a Disadvantaged Business Enterprise (DBE) program in accordance with the regulations of the U.S. Department of Transportation (USDOT), 49 CFR Part 26. ADOT has received federal financial assistance from the USDOT and as a condition of receiving this assistance, ADOT has signed an assurance that it shall comply with 49 CFR Part 26.

It is ADOT’s policy to ensure that DBEs, as defined in 49 CFR Part 26, have an equal opportunity to receive and participate in federally-funded contracts.
NO CONTRACT DBE GOAL HAS BEEN ESTABLISHED FOR DBE PARTICIPATION ON THIS CONTRACT.

Contractors are still encouraged to employ reasonable means to obtain DBE participation. Contractors must retain records in accordance with these DBE specifications. The consultant is notified that this record keeping is important to the Department so that it can track DBE participation where only race neutral efforts are employed.

12.0 Bidders/Proposers List and AZ UTRACS Registration Requirement:

Under Title 49 CFR of the Code of Federal Regulations, Part 26.11, DOTs are required to collect certain information from all contractors and subcontractors who seek to work on federally-assisted contracts in order to set overall and contract DBE goals. ADOT collects this information when firms register their companies on the Arizona Unified Transportation Registration and Certification System (AZ UTRACS) web portal at http://www.azutracs.com/ a centralized database for companies that seek to do business with ADOT. This information will be maintained as confidential to the extent allowed by federal and state law.

Prime contractors and all subcontractors, including DBEs listed in the offer must be registered in AZUTRACS. Proposers may verify that their firm and each subcontractor is registered using the AZUTRACS website.

Proposers may obtain additional information at the AZ UTRACS website or by contacting BECO.

All proposers shall create a Bidders/Proposers list in the AZ UTRACS by selecting all firms, service providers, and vendors that expressed interest or submitted proposals or quotes for this contract. The Bidders/Proposers List form must be complete and must include the names for all subcontractors, service providers, and vendors that submitted proposals or quotes on this project regardless of the proposer’s intentions to use the those firms on the project.

All proposers must complete and submit the Bidders/Proposers List online at AZ UTRACS prior to Offer submittal. A confirmation email will be generated by the system. This email confirmation shall be submitted with the Offer.

13.0 Payment Reporting:

The contractor shall report on a monthly basis indicating the amounts paid to all subcontractors, of all tiers, working on the project. Reporting shall be in accordance with below.

Subcontracts:

a. Sub-Contract Terms:
1. The Contractor agrees to execute a written Contract with all Subcontractors for work to be completed under this Contract. The executed Contract shall include Subcontractor’s Scope of Work and all the Uniform Terms and Conditions set forth in this Contract.

2. The Contractor shall provide electronic copies of signed subcontract agreements with all Subcontractors to ADOT Business Engagement and Compliance Office (BECO) by uploading them to the BECO’s online DBE Contract & Labor Compliance Management System (DBE System) at https://adot.dbesystem.com. Subcontract agreements shall include all required assurances and required clauses as outlined in this Contract. Each agreement and required attachment shall be dated and signed by the Subcontractor in order for the subcontract to be considered valid.

3. The Contractor may be in breach of this Contract if the Contractor materially modifies the federal regulations and State statutes in its subcontract agreements terms and conditions with its Subcontractors. Deviations from the terms of this Contract may result in termination of the Contract, or any other such remedy as deemed appropriate by the Department.

b. Sub-Contract Payments

1. Retention: If the prime contract does not provide for retention, the contractor and each subcontractor of any tier shall not withhold retention on any subcontract. If the prime contract provides for retention, the prime contractor and each subcontractor of any tier shall not retain a higher percentage than the Department may retain under the prime contract. Retainage shall be paid to the subcontractor within 7 days of satisfactory completion of the work performed by the subcontractor.

2. No Set-offs Arising from Other Contracts: If a subcontractor is performing work on multiple contracts for the same contractor or subcontractor of any tier, the contractor or subcontractor of any tier shall not withhold or reduce payment from its subcontractors on the contract because of disputes or claims on another contract.

3. Partial Payment: The contractor and each subcontractor of any tier shall make prompt partial payments to its subcontractors within seven days of receipt of payment from the Department. Notwithstanding any provision of Arizona Revised Statutes Section 28-411, the parties may not agree otherwise.

4. Final Payment: The contractor and each subcontractor of any tier shall make prompt final payment to each of its subcontractors. The contractor and each subcontractor of any tier shall pay all monies, including retention, due to its subcontractor within seven days of receipt of payment. Notwithstanding any provision of Arizona Revised Statutes Section 28-411, the parties may not agree otherwise.

5. Payment Reporting: For the purposes of this subsection “Reportable Contracts” means any subcontract, of any tier, DBE or non-DBE, by which work shall be performed on behalf of the contractor and any contract of any...
tier with a DBE material or service supplier.

The requirements of this subsection apply to all Reportable Contracts.

Payment Reporting for all Reportable Contracts shall be done through the Department’s web-based DBE System. The DBE System can be accessed from the Department’s BECO website. No later than fifteen calendar days after the Notice to Proceed is issued, the contractor shall log into the Department’s web based DBE System and enter or verify the name, contact information, and subcontract amounts for Reportable Contracts on the project. As Reportable Contracts are approved over the course of the contract, the contractor shall enter them in the system. Reportable contracts shall be entered into the system no later than five calendar days after approval by the Department.

The contractor shall report on a monthly basis indicating the amounts actually paid and the dates of each payment under any Reportable Contract on the project. In addition, the contractor shall require that all participants in any Reportable Contract electronically verify receipt of payment on the contract by the last day of the month and the contractor shall actively monitor the Department’s DBE System to ensure that the verifications are input. The contractor shall proactively work to resolve any payment discrepancies in the DBE System between payment amounts it reports and payment confirmation amounts reported by others.

The contractor shall ensure that all Reportable Contract activity is reported to the Department. This includes all lower-tier Reportable Contracts, regardless of whether a DBE is involved or not.

The contractor shall maintain records for each payment explaining the amount requested by the subcontractor, and the amount actually paid pursuant to the request, which may include but are not limited to, estimates, invoices, pay requests, copies of checks or wire transfers, and lien waivers in support of the monthly payments in the DBE System.

The contractor shall provide information for payments made on all Reportable Contracts during the previous month by the 15th day of the current month. In the event that no payments were made during a given month, the contractor shall identify that by entering a dollar value of zero. If the contractor does not pay the full amount of any invoice from a subcontractor, the contractor shall note that and provide the reasons in the comment section of the Monthly Payment Audit of the DBE System.

For each Reportable Contract on which the contractor fails to submit timely payment information the Department will retainer $1,000.00 as liquidated damages, from the monies due to the contractor. Liquidated damages will be deducted each month for each Reportable Contract on which the contractor fails to submit payment information until the contractor provides the required information as described herein. After 90 consecutive days of non-reporting, the liquidated damages will increase to $2,000.00 for each subsequent month, for each Reportable Contract on which the contractor fails to report until the information is provided. These liquidated damages
shall be in addition to all other retention or liquidated damages provided for elsewhere in the contract.

Payment reporting requirements apply to all contracts, federal and non-federal funded.

The contractor shall ensure that a copy of this Subsection is included in every Reportable Contract of every tier.

(a) Sanctions for Inadequate Reporting:

For each Reportable Contract on which the contractor fails to submit timely and complete payment information the Department will retain $1,000.00 as liquidated damages, from the monies due to the contractor. Liquidated damages will be deducted each month for each Reportable Contract on which the contractor fails to submit payment information until the contractor provides the required information as described herein. After 90 consecutive days of non-reporting, the liquidated damages will increase to $2,000.00 for each subsequent month, for each Reportable Contract on which the contractor fails to report until the information is provided. These liquidated damages shall be in addition to all other retention or liquidated damages provided for elsewhere in the contract.

6. Completion of Work: A subcontractor’s work is satisfactorily completed when all the tasks called for in the subcontract have been accomplished, documented, and accepted by the Department.

7. Disputes: If disputes arise regarding payment of subcontractors, the contractor shall immediately provide the ADOT Project Manager with a written, verifiable explanation if:

- The contractor does not pay the full amount of any invoice from a subcontractor within seven days of receipt of a progress payment from the Department, or
- The monthly estimate does not include all work claimed by a subcontractor to have been performed.

The Department will determine whether the contractor has acted in good faith concerning any such explanations. The Department reserves the right to request and receive documents from the contractor and all subcontractors of any tier, in order to determine whether termination requirements were met. The contractor shall implement and use the dispute resolution process outlined in the subcontract, as described in Uniform Terms and Conditions Paragraph, to resolve payment disputes.

8. Non-Compliance: Failure to make prompt partial payment or prompt final payment including any retention, within the time frames established in this contract, will result in remedies, as the Department deems appropriate, which may include, but are not limited to:

- Liquidated Damages: These liquidated damages shall be in addition to all other retention or liquidated damages provided for elsewhere in the
contract.

(i) The Department will withhold two times the disputed dollar amount not paid to each subcontractor.

(ii) If full payment is made within 30 days of the Department’s payment to the contractor, the amount withheld by the Department will be released.

(iii) If full payment is made after 30 days of the Department’s payment to the contractor, the Department will release 75 percent of the funds withheld. The Department will retain 25 percent of the monies withheld as liquidated damages.

• Additional Remedies: If the contractor fails to make prompt payment for three consecutive months, or any four months over the course of one project, or if the contractor fails to make prompt payment on two or more contracts within 24 months, the Department may, in addition, invoke the following remedies:

(i) Withhold monthly progress payments until the issue is resolved and full payment has been made to all subcontractors and vendors subject to the requirements outlined under “Liquidated Damages” above,

(ii) Terminate the contract for default in accordance with this Contract, and/or

(iii) Suspension or Debarment per Uniform Terms and Conditions Paragraph 9.3 of the contractor from future bidding temporarily or permanently, depending on the number and severity of violation.

(iv) Reflect the contractor’s performance in submitting payment reports and making subcontractor payments utilizing the Department’s Vendor Performance Report.

14.0 Crediting DBE Participation:

14.01 General Requirements:

To count toward DBE participation, the DBE firms must be certified at the time of Offer submission in each NAICS code applicable to the kind of work the firm will perform on the contract. NAICS for each DBE can be found on the AZ UTRACS website. General descriptions of all NAICS codes can be found at http://www.naics.com/search/.

Credit is given only after the DBE has been paid for the work performed.

The entire amount of a contract that is performed by the DBE’s own forces, including the cost of supplies and materials purchased by the DBE for the work on the contract and equipment leased by the DBE will be credited toward DBE participation. Supplies and equipment the DBE subcontractor purchases or leases from the prime contractor or its affiliate will not be credited toward DBE participation.

The contractor bears the responsibility to determine whether the DBE possesses the
proper contractor’s license(s) to perform the work and, if DBE credit is requested, that the DBE subcontractor is certified for the requested type of work.

The Department’s certification is not a representation of a DBE’s qualifications and/or abilities. The contractor bears all risks that the DBE may not be able to perform its work for any reason.

A DBE may participate as a prime contractor, subcontractor, or as a vendor of materials or supplies. The dollar amount of work to be accomplished by DBEs, including partial amount of a lump sum or other similar item, shall be on the basis of subcontract, purchase order, hourly rate, rate per ton, etc., as agreed to between parties.

DBE credit may be obtained only for specific work done for the project, supply of equipment specifically for physical work on the project, or supply of materials to be incorporated in the work. DBE credit will not be allowed for costs such as overhead items, capital expenditures (for example, purchase of equipment), and office items.

The contractor may credit second-tier subcontracts issued to DBEs by non-DBE subcontractors. Any second-tier subcontract to a DBE must meet the requirements of a first-tier DBE subcontract.

A prime contractor may credit the entire amount of that portion of a contract that is performed by the DBE’s own forces. The cost of supplies and materials obtained by the DBE for the work of the contract can be included so long as that cost is reasonable. Leased equipment may also be included. No credit is permitted for supplies purchased or equipment leased from the prime contractor or its affiliate(s).

When a DBE subcontracts a part of the work of its contract to another firm, the value of the subcontract may be credited towards DBE participation only if the DBE’s subcontractor is itself a DBE and performs the work with its own forces. Work that a DBE subcontracts to a non-DBE firm does not count toward DBE participation.

A prime contractor may credit the entire amount of fees or commissions charged by a DBE firm for providing a bona fide service, such as professional, technical, consulting, or managerial services, or for providing bonds or insurance specifically required for the performance of a USDOT-assisted contract, provided the fees are reasonable and not excessive as compared with fees customarily allowed for similar services.

14.02 DBE Prime Contractor:

When a certified DBE firm proposes on a contract/Task Assignment all the work that is performed by the DBE contractor or any other DBE subcontractors and DBE suppliers will count toward DBE participation.

14.03 Effect of Loss of DBE Eligibility:
For On-Call Task Assignment contracts, if a DBE is deemed ineligible (decertified) or suspended by ADOT or one of its UCP Partner Agencies in accordance with 49 CFR 26.87 and 26.88, the DBE may not be count toward DBE participation on a new Task Assignment, but may be considered for the contract/Task Assignment DBE participation if a subcontract or contract modification for the work to be completed on the Task Assignment was executed before the DBE suspension or decertification is effective.

A subcontract or contract modification for work on the task assignment means, any subcontract or agreement for the task assignment, which includes a specific ADOT TRACS/Project Number, defined scope, duration and budget for the work to be completed under the Task Assignment that is duly signed by the contractor/contractor and subcontractor/subcontractor.

When the contractor/contractor intends to use an ineligible DBE firm or ADOT made a commitment to use an ineligible DBE prime contractor/contractor, but a subcontract or Contract Modification for the work to be completed on the Task Assignment has not been executed before a decertification notice is issued to the DBE firm by its certifying agency, the ineligible firm does not count toward DBE participation. When a subcontract or contract modification is executed with the DBE firm for the work to be completed on the Task Assignment before ADOT notified the firm of its ineligibility, the DBE’s work on the Task Assignment may continue to be credited toward DBE participation for the firm's work.

### 14.04 Notifying the Contractor of DBE Certification Status:

Each DBE contract at any tier shall require any DBE subcontractor or supplier that is either decertified or certified during the term of the contract to immediately notify the contractor and all parties to the DBE contract in writing, with the date of decertification or certification. The contractor shall require that this provision be incorporated in any contract of any tier in which a DBE is a participant.

### 14.05 Commercially Useful Function:

A prime contractor can credit expenditures to a DBE subcontractor only if the DBE performs a Commercially Useful Function (CUF).

A DBE performs a CUF when it is responsible for execution of the work of a contract and carries out its responsibilities by actually performing, managing, and supervising the work involved. To perform a commercially useful function, the DBE must also be responsible, with respect to materials and supplies on the contract, for negotiating price, determining quality and quantity, ordering the material, and installing (where applicable) and paying for the material itself that it uses on the project. To determine whether a DBE is performing a commercially useful function, the Department will evaluate the amount of work subcontracted, industry practices, whether the amount the firm is to be paid under the contract is commensurate with the work it is actually
performing and the DBE credit claimed for its performance of the work, and other relevant factors.

A DBE will not be considered to perform a commercially useful function if its role is limited to that of an extra participant in a transaction, contract, or project through which funds are passed in order to obtain the appearance of DBE participation. In determining whether a DBE is such an extra participant, the Department will examine similar transactions, particularly those in which DBEs do not participate.

If a DBE does not perform or exercise responsibility for at least 30 percent of the total cost of its contract with its own work force, or if the DBE subcontracts a greater portion of the work of a contract than would be expected on the basis of normal industry practice for the type of work involved, the Department will presume that the DBE is not performing a commercially useful function.

When a DBE is presumed not to be performing a commercially useful function as provided above, the DBE may present evidence to rebut this presumption. The Department will determine if the firm is performing a CUF given the type of work involved and normal industry practices.

The Department will notify the contractor, in writing, if it determines that the contractor’s DBE subcontractor is not performing a CUF. The contractor will be notified within seven calendar days of the Department’s decision.

Decisions on CUF may be appealed to the Chief Procurement Officer (CPO). The appeal must be in writing and personally delivered or sent by certified mail, return receipt requested, to the CPO. The appeal must be received by the CPO no later than seven calendar days after the decision of BECO. BECO’s decision remains in place unless and until the CPO reverses or modifies BECO’s decision. CPO will promptly consider any appeals under this subsection and notify the contractor of CPO’s findings and decisions. Decisions on CUF matters are not administratively appealable to USDOT.

The BECO may conduct project site visits on the contract to confirm that DBEs are performing a CUF. The contractor shall cooperate during the site visits and the BECO’s staff will make every effort not to disrupt work on the project.

15.0 Required Provisions for DBE Subcontracts:

All subcontracts of any tier, all supply contracts, and any other contracts in which a DBE is a participant shall include as a physical attachment, DBE Subcontractor Compliance Assurances refer to the Federal Attachments and Exhibits.

Contractors executing agreements with subcontractors, DBE or non-DBE, that materially modify federal regulation and state statutes such as, prompt payment and retention requirements, through subcontract terms and conditions will be found in breach of contract which may result in termination of the contract, or any other such
remedy as the deemed appropriate as outlined in DBE Subsection 2.0 of these DBE provisions.

The Department reserves the right to conduct random reviews of DBE and non-DBE subcontract documentation to ensure compliance with federal requirements.

The contractor shall ensure that all subcontracts or agreements with DBEs to supply labor or materials require that the subcontract and all lower tier subcontracts be performed in accordance with 49 CFR Part 26 provisions.

The Contractor shall provide electronic copies of subcontract agreements with all Subcontractors by uploading them within 15 calendar days of an executed contract to the ADOT DBE System. Subcontract agreements shall include all required assurances and clauses as outlined in DBE Subcontractor Compliance Assurances refer to the Federal Attachments and Exhibits of the Contract. Each agreement and required attachment shall be dated and signed by the Subcontractor in order for the subcontract to be considered valid.

The Contractor shall be in breach of this Contract if the Contractor materially modifies the federal regulations and State statutes in its subcontract agreements terms and conditions with its Subcontractors. Deviations from the terms of this Contract may result in termination of the Contract, or any other such remedy as deemed appropriate by the Department.

16.0 Certification of Final DBE Payments:

DBE participation on the contract is measured by actual payments made to the DBEs. The contractor shall submit the “Certification of Final DBE Payments” form for each DBE firm working on the contract. This form shall be signed by the contractor and the relevant DBE, and submitted to the Engineer no later than 30 days after the DBE completes its work.

The contractor will not be released from the obligations of the contract until the “Certification of Final DBE Payments” forms are received and deemed acceptable by the Engineer and BECO.

17.0 False, Fraudulent, or Dishonest Conduct:

In addition to any other remedies or actions, the Department will bring to the attention of the US Department of Transportation any appearance of false, fraudulent, or dishonest conduct in connection with the DBE program, so that USDOT can take steps such as referral to the Department of Justice for criminal prosecution, referral to the USDOT Inspector General for possible initiation of suspension and debarment proceedings against the offending parties or application of “Program Fraud and Civil Penalties” rules provided in 49 CFR Part 31.
21. NONDISCRIMINATION

1. During the performance of this Contract, the Consultant, for itself, its Subconsultants, assignees and successors shall:

   a. Not discriminate on the basis of race, color, national origin, or sex and shall carry out applicable requirements of 49 CFR Part 26 in the performance of this Contract. Failure by the Consultant to carry out these requirements is a material breach of this Contract, which may result in the termination of this Contract, disqualification from proposing on other Contracts or other remedy as the State deems appropriate.

   b. Comply with Executive Order 2009-09, "Prohibition of Discrimination in Employment by Government Contractors and Subcontractors," which is hereby included in its entirety by reference and considered a part of this Contract.

   c. Comply with the provisions of Executive Order 11246, entitled "Equal Employment Opportunity," as amended by Executive Order 11375, and as supplemented in Department of Labor Regulations (41 CFR Part 60). Said provisions are made applicable by reference and are hereinafter considered a part of this Contract.

   d. Post in conspicuous places available to employees and applicants for employment, the following notice:

   "It is the policy of this company not to discriminate against any employee, or applicant for employment, because of race, color, religion, creed, national origin, sex, age, handicapped, or disabled veterans and Vietnam era veterans. Such actions shall include, but are not limited to: employment, upgrading, demotion, transfer, recruitment, or recruitment advertising; laying-off or termination; rates of pay or other compensation; and selection for training, and on-the-job training. Also, it is the policy to ensure and maintain a working environment free of harassment, intimidation and coercion."

   e. Comply with the Regulations relative to nondiscrimination in Federally-assisted programs of the U.S. Department of Transportation (hereinafter USDOT), 49 CFR Part 21, as they may be amended from time to time, (hereinafter referred to as the Regulations), which are herein incorporated by reference and made a part of this Contract.

   f. Not discriminate on the grounds of race, color, sex, or national origin in the selection and retention of Subconsultants, including procurement of materials and leases of equipment. The Consultant shall not participate either directly or
indirectly in the discrimination prohibited by Section 21.5 of the Regulations, including employment practices.

g. In all solicitations either by competitive bidding or negotiations made by the Consultant for work to be performed under a subcontract, including procurement of materials or leases of equipment, notify each potential Subconsultant or supplier of the Consultant’s obligations under this Contract and the Regulations relative to nondiscrimination on the ground of race, color, or national origin.

h. Provide all information and reports required by the Regulations or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information and its facilities as may be determined by the State to be pertinent to ascertain compliance with such Regulations, orders and instructions. Where any information required of a Consultant is in the exclusive possession of another who fails or refuses to furnish this information, the Consultant shall so certify to the State as appropriate, and shall set forth what efforts it has made to obtain the information.

2. In the event of the Consultant’s noncompliance with the NONDISCRIMININATION provision (Section A) of this Contract, the State shall impose such Contract sanctions as the State or FHWA may determine to be appropriate, including but not limited to:

a. Withholding of payments to the Consultant under the Contract until the Consultant complies,

and/or;

b. Cancellation, termination, or suspension of the Contract, in whole or in part.

3. The Consultant shall include the provisions of paragraph 1.a. through 1.h. in every subcontract with Subconsultants, DBEs and non-DBEs, including procurement of materials and equipment leases, unless exempt by the Regulations or directives issued pursuant thereto.

4. The Consultant shall take such action with respect to any Subconsultants or procurement as the State or the Federal Aviation Administration (FAA), FHWA and the Federal Transit Administration (FTA) may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, however, that in the event the Consultant becomes involved in or is threatened with litigation with a Subconsultant or supplier as a result of such direction, the Consultant may request the State to enter into such litigation to protect the interests of the State, and in addition, the Consultant may request the United States to enter into such litigation to protect the interests of the United States.
22. AFFIRMATIVE ACTION

Contractor shall take the following affirmative action steps with respect to securing supplies, equipment, or services under the terms of this contract:

a. Include qualified firms owned by socially and economically disadvantaged individuals on solicitation lists.

b. Assure that firms owned by socially and economically disadvantaged individuals are solicited whenever they are potential sources.

c. When economically feasible, divide total requirements into smaller tasks or quantities so as to permit maximum participation by firms owned by socially and economically disadvantaged individuals.

d. Where the requirement permits, establish delivery schedules which will encourage participation by firms owned by socially and economically disadvantaged individuals.

e. Use the services and assistance of the Small Business Administration, the Office of Minority Business Enterprise of the Department of Commerce, and the Community Services Administration, as required.

23. CONTRACT WORK HOURS AND SAFETY STANDARDS ACT

The following clauses apply to any Federal-aid contract in an amount in excess of $100,000 and subject to the overtime provisions of the Contract Work Hours and Safety Standards Act. These clauses shall be inserted in addition to the clauses required by 29 CFR 5.5(a) or 29 CFR 4.6. As used in this paragraph, the terms laborers and mechanics include watchmen and guards.

Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (1.) of this section, the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed
with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1.) of this section, in the sum of $10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1.) of this section.

**Withholding for unpaid wages and liquidated damages.** The FHWA or the contacting agency shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2.) of this section.

**Subcontracts.** The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (1.) through (4.) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (1.) through (4.) of this section.

**24. FEDERAL CHANGES**

The Contactee and its sub-contractors shall comply with all applicable FTA regulations, policies, procedures and directives, including without limitation those listed directly or by reference in the Master Agreement between the Department and FTA, as they be amended or promulgated from time to time during the term of the contract. Contractor's failure to comply shall constitute a material breach of the contract.

**25. PROMPT PAY**

The prime contractor agrees to pay each subcontractor under this prime contract for satisfactory performance of its contract no later than 30 days from the receipt of each payment the prime contract receives from the Recipient. The prime contractor agrees further to return retainage payments to each subcontractor within 30 days after the subcontractors work is satisfactorily completed. Any delay or postponement of payment from the above referenced time frame may occur only for good cause following written approval of the Recipient. This clause applies to both DBE and non-DBE subcontracts.

**26. FULL AND OPEN COMPETITION**

In accordance with 49 U.S.C. § 5325(h) all procurement transactions shall be
conducted in a manner that provides full and open competition.

27. PROHIBITION AGAINST EXCLUSIONARY OR DISCRIMINATORY SPECIFICATIONS

Apart from inconsistent requirements imposed by Federal statute or regulations, the contractor shall comply with the requirements of 49 USC 5323(h)(2) by refraining from using any FTA assistance to support procurements using exclusionary or discriminatory specifications.

28. CONFORMANCE WITH ITS NATIONAL ARCHITECTURE

Contractor shall conform, to the extent applicable, to the National Intelligent Transportation Standards architecture as required by SAFETEA-LU Section 5307(c), 23 U.S.C. Section 512 note and follow the provisions of FTA Notice, “FTA National Architecture Policy on Transit Projects,” 66 Fed. Reg.1455 et seq., January 8, 2001, and any other implementing directives FTA may issue at a later date, except to the extent FTA determines otherwise in writing.

29. ACCESS REQUIREMENTS FOR PERSONS WITH DISABILITIES

Contractor shall comply with 49 USC 5301(d), stating Federal policy that the elderly and persons with disabilities have the same rights as other persons to use mass transportation services and facilities and that special efforts shall be made in planning and designing those services and facilities to implement that policy.

Contractor shall also comply with all applicable requirements of Sec. 504 of the Rehabilitation Act (1973), as amended, 29 USC 794, which prohibits discrimination on the basis of handicaps, and the Americans with Disabilities Act of 1990 (ADA), as amended, 42 USC 12101 et seq., which requires that accessible facilities and services be made available to persons with disabilities, including any subsequent amendments thereto.

30. NOTIFICATION OF FEDERAL PARTICIPATION

To the extent required by law, in the announcement of any third party contract award for goods and services (including construction services) having an aggregate value of $500,000 or more, contractor shall specify the amount of Federal assistance to be used in financing that acquisition of goods and services and to express that amount of Federal assistance as a percentage of the total cost of the third party contract.

31. INTEREST OF MEMBERS OR DELEGATES TO CONGRESS

No members of, or delegates to, the US Congress shall be admitted to any share or part of this contract nor to any benefit arising therefrom.
32. INELIGIBLE CONTRACTORS AND SUBCONTRACTORS

Any name appearing upon the Comptroller General’s list of ineligible contractors for federally-assisted contracts shall be ineligible to act as a subcontractor for contractor pursuant to this contract. If contractor is on the Comptroller General’s list of ineligible contractors (https://www.sam.gov/SAM/) for federally financed or assisted construction, the recipient shall cancel, terminate or suspend this contract.

33. OTHER CONTRACT REQUIREMENTS

To the extent not inconsistent with the foregoing Federal requirements, this contract shall also include those standard clauses attached hereto, and shall comply with the recipient’s Procurement Guidelines, available upon request from the Department.

34. COMPLIANCE WITH FEDERAL REGULATIONS

Any contract entered pursuant to this solicitation shall contain the following provisions: All USDOT- required contractual provisions, as set forth in FTA Circular 4220, are incorporated by reference. Anything to the contrary herein notwithstanding, FTA mandated terms shall control in the event of a conflict with other provisions contained in this Agreement. Contractor shall not perform any act, fail to perform any act, or refuse to comply with any grantee request that would cause the recipient to be in violation of FTA terms and conditions. Contractor shall comply with all applicable FTA regulations, policies, procedures and directives, including, without limitation, those listed directly or incorporated by reference in the Master Agreement between the recipient and FTA, as may be amended or promulgated from time to time during the term of this contract. Contractor’s failure to so comply shall constitute a material breach of this contract.

35. REAL PROPERTY

Any contract entered into shall contain the following provisions: Contractor shall at all times comply with all applicable statutes and USDOT regulations, policies, procedures and directives governing the acquisition, use and disposal of real property, including, but not limited to, 49 CFR 18.31-18.34, 49 CFR 19.30-19.37, 49 CFR Part 24, 49 CFR 5326 as amended by Map-21, 49 CFR part 18 or 19, 49 USC 5334, applicable FTA Circular 5010, and FTA Master Agreement, as they may be amended or promulgated during the term of this contract. Contractor’s failure to so comply shall constitute a material breach of this contract.

36. ACCESS TO SERVICES FOR PERSONS WITH LIMITED ENGLISH PROFICIENCY

To the extent applicable and except to the extent that FTA determines otherwise in writing, the Recipient agrees to comply with the policies of Executive Order No. 13166, "Improving Access to Services for Persons with Limited English Proficiency," 42 U.S.C. § 2000d 1 note, and with the provisions of U.S. DOT Notice, “DOT Guidance to Recipients on Special Language Services to Limited English Proficient (LEP)
37. ENVIRONMENTAL JUSTICE

38. ENVIRONMENTAL PROTECTIONS

Compliance is required with any applicable Federal laws imposing environmental and resource conservation requirements for the project. Some, but not all, of the major Federal laws that may affect the project include: the National Environmental Policy Act of 1969; the Clean Air Act; the Resource Conservation and Recovery Act; the comprehensive Environmental response, Compensation and Liability Act; as well as environmental provisions with Title 23 U.S.C., and 49 U.C. chapter 53. The U.S. EPA, FHWA and other federal agencies may issue other federal regulations and directives that may affect the project. Compliance is required with any applicable Federal laws and regulations in effect now or that become effective in the future.

39. GEOGRAPHIC INFORMATION RELATED TO SPATIAL DATA

Any project activities involving spatial data or geographic information systems activities financed with Federal assistance are required to be consistent with the National Spatial Data Infrastructure promulgated by the Federal Geographic Data Committee, except to the extent that FTA determines otherwise in writing.

40. GEOGRAPHIC PREFERENCE

Pursuant to 2 CFR 200.319(b), all procurements must be conducted in a manner that prohibits the use of statutorily or administratively imposed state, local, or tribal geographical preferences in the evaluation of bids or proposals, except in those cases where applicable Federal statutes expressly mandate or encourage geographic preference. Nothing in this section preempts state licensing laws. When contracting for architectural and engineering (A/E) services, geographic location may be a selection criterion provided its application leaves an appropriate number of qualified firms, given the nature and size of the project, to compete for the contract.

41. ORGANIZATIONAL CONFLICTS OF INTEREST
The Recipient agrees that it will not enter into a procurement that involves a real or apparent organizational conflict of interest described as follows:

(1) When It Occurs. An organizational conflict of interest occurs when the Project work, without appropriate restrictions on certain future activities, results in an unfair competitive advantage:

(a) To that Third Party Participant or another Third Party Participant performing the Project work, and
(b) That impairs that Third Party Participant’s objectivity in performing the Project work, or

(2) Other. An organizational conflict of interest may involve other situations resulting in fundamentally unfair competitive conditions,

(3) Disclosure Requirements. Consistent with FTA policies, the Recipient must disclose to FTA, and each of its Subrecipients must disclose to the Recipient:

(a) Any instances of organizational conflict of interest, or
(b) Violations of federal criminal law, involving fraud, bribery, or gratuity violations potentially affecting the federal award, and

(4) Failure to Disclose. Failure to make required disclosures can result in remedies for noncompliance, including debarment or suspension.

42. VETRANS PREFERENCE

As provided by 49 U.S.C. § 5325(k), to the extent practicable, the Recipient agrees and assures that each of its Subrecipients:

(1) Will give a hiring preference to veterans, as defined in 5 U.S.C. § 2108, who have the skills and abilities required to perform construction work required under a third party contract in connection with a Capital Project supported with federal assistance appropriated or made available for 49 U.S.C. chapter 53, and
(2) Will not require an employer to give a preference to any veteran over any equally qualified applicant who is a member of any racial or ethnic minority, female, an individual with a disability, or a former employee.

43. CATALOG OF FEDERAL DOMESTIC ASSISTANCE (CFDA) IDENTIFICATION NUMBER

The municipal project sponsor is required to identify in its accounts all Federal awards received and expended, and the Federal programs under which they were received. Federal program and award identification shall include, as applicable, the CFDA title and number, award number and year, name of the Federal agency, and name of the pass-through entity.
44. AMERICANS WITH DISABILITIES ACT (ADA)

The contractor agrees to comply with the requirements of 49 U.S.C. § 5301 (d), which states the Federal policy that the elderly and persons with disabilities have the same right as other persons to use mass transportation service and facilities, and that special efforts shall be made in planning and designing those services and facilities to implement that policy. The contractor also agrees to comply with all applicable requirements of section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. § 794, which prohibits discrimination on the basis of handicaps, with the Americans with Disabilities Act of 1990 (ADA), as amended, 42 U.S.C. §§ 12101 et seq., which requires that accessible facilities and services be made available to persons with disabilities, including any subsequent amendments to that Act, and with the Architectural Barriers Act of 1968, as amended, 42 U.S.C. §§ 4151 et seq., which requires that buildings and public accommodations be accessible to persons with disabilities, including any subsequent amendments to that Act. In addition, the contractor agrees to comply with any and all applicable requirements issued by the FTA, DOT, DOJ, U.S. GSA, U.S. EEOC, U.S. FCC, any subsequent amendments thereto and any other nondiscrimination statute(s) that may apply to the Project.

45. BYRD ANTI-LOBBYING AMENDMENT

Contractors who apply or bid for an award of $100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with nonfederal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the Agency.

46. NO GOVERNMENT OBLIGATION TO THIRD PARTIES

The Agency and Contractor acknowledge and agree that, notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of the underlying Contract, absent the express written consent by the Federal Government, the Federal Government is not a party to this Contract and shall not be subject to any obligations or liabilities to the Agency, Contractor or any other party (whether or not a party to that contract) pertaining to any matter resulting from the underlying Contract. The Contractor agrees to include the above clause in each subcontract financed in whole or in part with Federal assistance provided by the FTA. It is further agreed that the clause shall not be modified, except to identify the subcontractor who will be subject to its provisions.

44. BUS TESTING

The operator of the bust testing facility is required to provide the resulting test report to the entity that submits the bus for testing. The manufacturer or dealer of a new bus
model or a bus produced with a major change in component or configuration is required to provide a copy of the corresponding full bus testing report and any applicable partial testing report(s) to the Agency during the point in the procurement process specified by the Agency, but in all cases before final acceptance of the first bus by the Agency. The complete bus testing report requirements are provide in 49 C.F.R. § 665.11.

45. CARGO PREFERENCE REQUIREMENTS

The contractor agrees:

a. to use privately owned United States-Flag commercial vessels to ship at least 50 percent of the gross tonnage (computed separately for dry bulk carriers, dry cargo liners, and tankers) involved, whenever shipping any equipment, material, or commodities pursuant to the underlying contract to the extent such vessels are available at fair and reasonable rates for United States-Flag commercial vessels;

b. to furnish within 20 working days following the date of loading for shipments originating within the United States or within 30 working days following the date of loading for shipments originating outside the United States, a legible copy of a rated, "onboard" commercial ocean bill-of-lading in English for each shipment of cargo described in the preceding paragraph to the Division of National Cargo, Office of Market Development, Maritime Administration, Washington, DC 20590 and to the FTA Recipient (through the contractor in the case of a subcontractor's bill-of-lading.); and

c. to include these requirements in all subcontracts issued pursuant to this contract when the subcontract may involve the transport of equipment, material, or commodities by ocean vessel.

46. E-AWARD AND POST-DELIVERY AUDITS OF ROLLING STOCK PURCHASES

The Contractor agrees to comply with 49 U.S.C. § 5323(m) and FTA's implementing regulation at 49 C.F.R. part 663. The Contractor shall comply with the Buy America certification(s) submitted with its proposal/bid. The Contractor agrees to participate and cooperate in any pre-award and post-delivery audits performed pursuant to 49 C.F.R. part 663 and related FTA guidance.
During the performance of this contract, the contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "contractor") agrees as follows:

1. **Compliance with Regulations**: The contractor (hereinafter includes consultants) will comply with the Acts and the Regulations relative to Non-discrimination in Federally-assisted programs of the U.S. Department of Transportation, the *Federal Highway Administration*, as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.

2. **Non-discrimination**: The contractor, with regard to the work performance by it during the contract, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The contractor will not participate directly or indirectly in the discrimination prohibited by the Acts and the Regulations, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR Part 21.

3. **Solicitations for Subcontracts, Including Procurements of Materials and Equipment**: In all solicitations, either by competitive bidding, or negotiation made by the contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the contractor of the contractor's obligations under this contract and the Acts and Regulations relative to Non-discrimination on the grounds of race, color, or national origin.

4. **Information and Reports**: The contractor will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Recipient or the *Federal Highway Administration* to be pertinent to ascertain compliance with such Acts, Regulations, and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the contractor will so certify to the Recipient or the *Federal Highway Administration*, as appropriate, and will set forth what efforts it has made to obtain the information.

5. **Sanctions for Noncompliance**: In the event of a contractor's noncompliance with the Non-discrimination provisions of this contract, the Recipient will impose such contract sanctions as it or the *Federal Highway Administration*, may determine to be appropriate, including, but not limited to:

   a. withholding payments to the contractor under the contract until the contractor complies; and/or
   b. cancelling, terminating, or suspending a contract, in whole or in part.

6. **Incorporation of Provisions**: The contractor will include the provisions of paragraphs one through six in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. The contractor will take action with request to any subcontract or procurement as the Recipient or the *Federal Highway Administration* may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the contractor becomes involved in, or is threatened with litigation by a subcontractor or supplier because of such direction, the contractor may request the Recipient to enter into any litigation to protect the interests of the Recipient. In addition, the contractor may request the United States to enter into the litigation to protect the interests of the United States.
During the performance of this contract, the contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "contractor") agrees to comply with the following non-discrimination statutes and authorities; including but not limited to:

**Pertinent Non-Discrimination Authorities:**
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 U.S.C. § 4601), (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Federal-Aid Highway Act of 1973, (23 U.S.C. § 324 etseq.), (prohibits discrimination on the basis of sex);
- The Age Discrimination Act of 1975, as amended, (42 U.S.C. § 6101 et seq.), (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC § 471, Section 47123), as amended, (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12131-12189) as implemented by Department of Transportation regulations at 49 C.F.R. parts 37 and 38;
- The Federal Aviation Administration’s Non-discrimination statute (49 U.S.C. § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 Fed. Reg. at 74087 to 74100);
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 U.S.C. 1687 et. seq).

#### PRE-AWARD AUDIT (before issuing purchase order)

A recipient purchasing revenue service rolling stock with FTA funds must ensure that a pre-award audit under this part is completed before the recipient enters into a formal contract for the purchase of such rolling stock.

**49 CFR §663.13** Grantee Responsibility

(a) The grantee shall adhere to the Buy America clause set forth in its grant contract with FTA Section 16, Preference for United States Products and Services:

1. Buy America. Domestic preference procurement requirements of:
   (1) 49 U.S.C. § 5323(j), as amended by FAST Act, and

(b) The recipient must:
   (1) Ensure that each pre-award audit is completed before the grantee enters into a formal contract for the purchase of such rolling stock,
   (2) Ensure that the pre-award audit is conducted in accordance with 49 CFR §663.13,
   (3) Ensure that the pre-award audit is completed before the grantee enters into a formal contract for the purchase of such rolling stock.

**49 CFR §663.23** Description of pre-award audit. A pre-award audit under this part includes—

(a) A Buy America certification as described in §663.25 of this part; and

(b) A purchaser’s requirements certification as described in §663.27 of this part; and

(c) Where appropriate, a manufacturer’s Federal Motor Vehicle Safety certification information as described in §663.41 or §663.43 of this part.

1. **(End 4/15/2020)** A Buy America certification:
   
   a) There is a letter from FTA which grants a waiver OR
   
   b) ADOT reviewed documentation provided by the manufacturer which lists—
      1. Component and subcomponent parts of the rolling stock to be purchased identified by manufacturer of the parts, their source of origin and costs; and
      2. The location of the final assembly point for the rolling stock, including a description of the activities that will take place at the final assembly point and the cost of final assembly.

2. **(End 3/31/2020)** A purchaser’s requirements certification:
   
   a) The rolling stock the recipient is contracting for is the same product described in the purchaser’s solicitation specification, and
   
   b) The proposed manufacturer is a responsible manufacturer with the capability to produce a vehicle that meets the recipient’s needs.

   
   a) If a vehicle purchased under this part is subject to the Federal Motor Vehicle Safety Standards issued by the National Highway Traffic Safety Administration in part 571 of this title, a recipient shall keep on file its certification that it received, both at the pre-award and post-delivery stage, a copy of the manufacturer’s self-certification information that the vehicle complies with relevant Federal Motor Vehicle Safety Standards.

   b) Except for rolling stock subject to paragraph (b) of this section, if a vehicle purchased under this part is not subject to the Federal Motor Vehicle Safety Standards issued by the National Highway Traffic Safety Administration in part 571 of this title, the recipient shall keep on file its certification that it received a statement to that effect from the manufacturer.

</tbody>
</table>

Pursuant to the Uniform Instructions to Offerors, Item B.6, Solicitation Amendments, the above referenced solicitation shall be amended as follows:

1. Specifications
   The following sections are hereby modified to read:
   
   a. Paragraph 2.1 “The State of Arizona Department of Transportation (Department) is seeking to contract with a qualified vendor(s) who can provide new vehicles (all fuel types, hybrid, and full electric) including but not limited to: Sedans, Trucks up to 19,500 GVWR, Vans, Sport Utility Vehicles (SUVs), and Crossovers for the State of Arizona and participating Eligible Agencies. These vehicles will be used to support official organizational goals. These vehicles will be used on highways, city/county roads and shall be designed to operate under typical Arizona ambient temperatures.”
   
   b. Paragraph 3.3.1, 3.5.1 and 3.5.2 is hereby removed.
   
   c. Paragraph 4.1: “The Contractors are encouraged to provide a full line of new vehicles (gasoline, hybrid, full electric) including but not limited to the following categories: Sedans, Trucks up to 19,500 GVWR, Vans (cargo, passenger, transit, etc.), Sport Utility Vehicles (SUVs), and Crossovers. Eligible Agencies throughout the State will have varying vehicle needs. Contractors are to provide a full line of manufactured new vehicles and all subsequent variants of each vehicle; including but not be limited to: models and manufacturer options, trim package, etc. to meet each need of an Eligible Agency.”
   
   d. Paragraph 4.1.1 is hereby removed.
   
   e. Paragraph 4.4.1: “The Eligible Agency may request the awarded Contractor(s) to up-fit/modify any vehicle for specific organizational needs. For example, the cab and chassis of ½ ton, ¾ ton, and/or up to 19,500 GVW trucks may require a specialized body (i.e.: dump body, landscape body, etc.). Other vehicles may require interior and/or exterior modifications per the individual Eligible Agency.”
   
   f. Paragraph 4.6.1: ” Anti-slip differential for two-wheel drive pickup trucks, ¾ ton, up to 19,500 GVW.”

2. Special Terms and Conditions
   The following sections are hereby modified to read:
   
   a. Paragraph 11.1, (a-g): “Phase 1 and 2 pricing for vehicles shall be a minimum Percentage off MSRP, less the manufacturer’s rebates and any additional discounts available for that model/power-train combination.

      a. Contractor shall provide a copy of manufacturer’s invoice to the ordering agency upon request. The manufacturer’s invoice shall be unaltered to include original pricing from the manufacturer.”

Pursuant to the Uniform Instructions to Offerors, Item B.6, Solicitation Amendments, the above referenced solicitation shall be amended as follows:

1. **Specifications**
   
   The following sections are hereby modified to read:

   a. **Paragraph 3.5** “For Phase Two (2) vehicles, the Contractor shall supply a quote within five (5) calendar days after receiving a request from the Eligible Agency. The quotation shall include but not be limited to the following information: State contract number, vehicle availability and delivery lead-time, Vehicle Identification Number (VIN), dealer stock number, vehicle base bid price, itemized options, applicable tax, delivery cost, total price, and point of contact. For vehicles requiring up-fit/modifications, all applicable cost may be included in quotation or as a separate quotation.”

   b. **Paragraph 3.10**: “For Phase One (1) the Contractor shall provide the Eligible Agency copies of the manufacturer’s vehicle identification numbers (VIN#) to confirm vehicles have been ordered unless impossible due to manufacture delay within ninety (90) calendar days after receipt of a purchase order. If confirmation of manufacturer’s VIN #(s) is not received within this timeframe the Eligible Agency has the option to award to the second lowest bidder meeting specifications. This shall be considered a mandatory requirement and the timeframe must be met unless there is a manufacture delay. Failure to provide this document for each vehicle ordered may be cause for determination of default of contract.”

2. All other terms, conditions and provisions of this solicitation remain unchanged.

</table>

b. Transportation costs to transfer a vehicle from another dealer for a Phase 2 or purchase from stock may be added to the cost of the vehicle. The justification for this cost is at the discretion of the Eligible Agency.

c. Any reference to Phase 1 pricing shall be in reference to vehicles ordered prior to the factory cut-off date.

d. Any reference to Phase 2 pricing shall be in reference to vehicles purchased from stock or “on the lot”.

e. Phase 2 pricing shall receive the same cost considerations as Phase 1 pricing, all discounts and rebates should be passed onto the Eligible Agency.

f. All vehicles are to be billed at prices in effect at the time of order, not the date of shipment.

g. Pricing for vehicles shall include all discounts and deductions, less Federal and State taxes. Pricing shall be firm for life of contract unless amended by way of contract change order. “

b. Paragraph 22 is hereby replaced with the following: “The Contractor shall furnish Two (2) Usage reports, the first to the Department on a quarterly basis showing purchasing activity under this contract. This usage report shall be provided in a form substantially equivalent to Exhibit 03. Usage reports shall be submitted to the Procurement Officer no later than 30 days after the end of each quarter.

Usage report quarters shall be defined as follows:

- January through March – Report due April 30
- April through June – Report due July 30
- July through September – Report due October 30
- October through December – Report due January 30

Contractor shall submit the second to the State documenting all Contract sales to both Eligible Agencies and Co-Op Buyers, itemized separately. A Quarterly Usage Report shall still be submitted; even if there have been no sales to either Eligible Agencies and/or Co-Op Buyers. Contractor shall further itemize divisions, groups or areas within a given Eligible Agency if they place Orders independently of each other. Failure to submit the report is a material breach of contract, and will entitle State to its remedies under Article 8 and its right to terminate for default under Article 9. Contractor shall submit the report using the forms and following the instructions on the State Procurement Office website:

https://spo.az.gov/contractor-resources/statewide-contracts-administrative-fee”

c. Paragraph 25: Co-op administrative fee has hereby been removed.

<td><em>Ford is increasing the 5-year 60,000-mile limited powertrain warranty to 5-years, 100,000 miles.</em> Only Fleet purchasers with a valid Fleet Identification Number (FIN code) will receive the extended warranty. When the sale is entered into the sales reporting system with a sales type fleet along with a valid FIN code, the warranty extension will automatically be added to the vehicle. The extension will stay with the vehicle even if it is subsequently sold to a non-fleet customer before the expiration. This extension applies to both gas and diesel powertrains. Dealers can check for the warranty extension on eligible fleet vehicles in OASIS. Please refer to the Warranty and Policy Manual section 3.13.00 Gas Engine Commercial Warranty. This change will also be reflected in the printed Warranty Guided distributed with the purchase of every new vehicle.*</td>

September 12, 2023 Study Session Minutes
1) CALL TO ORDER; ROLL CALL

Mayor Miller called the meeting to order at 5:00 p.m.

2) Discussion regarding the Town's Utility Connection Requirements.

Mark Holmes, Water Consultant, presented the following:

- There had been discussion among Council and staff regarding recent development applicants and the question of water and sewer connections.
- Provided common definitions from the Town’s water and sewer codes.
- Provided a map from the General Plan showing the Town water and sewer service areas along with the private water company service areas.
- Highlighted portions of the water code including § 51.041 (A) and (B).
  - These requirements were currently in the works with the Town Council having recently approved the Integrated Water Master Plan (IWMP).
  - Any future developments would follow the IWMP once complete and would identify the sizing and location of infrastructure.
- Highlighted portions of the water code including § 51.075 (A), (B), (E), (F), and (G).
  - (B) referred only to non-exempt wells.
  - Referring to (G), the Town’s water budget could grow and be added to, and the Council had approved some water rights purchases.
Council and Holmes discussed the following:

- Council asked for clarity on § 51.075 (B) referring to non-exempt wells.
  - Staff stated that new developments could continue to use their irrigation rights and not be required to abandon their wells and could even drill a new one.

Frank Marbury, Town Engineer, presented the following:

- Highlighted portions of the sewer code including § 51.155 (A), (B), and (C).
  - There were differences between the sewer and water codes because sewer was required for all houses, whereas for water, a home could utilize a cistern and haul water. But sewer required a septic or sewer connection.
  - (A)(2) did not necessarily mean that a resident could not repair a septic system. If they have some expansion area there may be leeway to keep the septic system. But if the Town or County deemed the situation a menace to public health, it would need to be abandoned.
  - There were procedures the Town could take should someone refuse to connect.

Mark Holmes, Water Consultant, presented the following:

- Discussed the current conditions and the options available to the Town for expansion.
  - The systems were not expanding based on the majority of growth (primarily dry lot and lot split type developments).
  - Small developments were applying for zoning or platting that laid outside of the 300-foot requirement.
- Expansion options included:
  - Modify current water and sewer codes.
  - Increase connection distance required for connections.
  - Mandate water and sewer connections to all lands.
  - Mandate water and sewer for existing residential.

Council and staff discussed the following:

- Council members felt that increasing the distance requirement for new developments would cause the developers to move their developments farther away outside of the hook up requirement.
- One Council member stated that the Town should not be concerned about developer cost.
- Council members expressed being against mandating water and sewer for existing residential.
  - Staff clarified that it only referred to when water and sewer were available at the property line, not forcing connections from miles away. It had been mandatory to connect, even with a working system, until 2016.
  - The code currently allowed homeowners to repair their septic if possible.
  - Council members were agreeable to homeowners connecting to sewer once their septic went out.
  - Code currently required abandoning exempt wells when connecting to the system.
  - Staff offered the option of allowing residents to keep their wells, but hooking them up to Town water when available and collecting monthly fees associated with having the infrastructure in place. Residents would eventually have a well impact, it was just a matter of when.
- Council asked for clarification regarding mandates for commercial hook ups.
  - Staff stated that businesses were mandated to hook up if infrastructure was available.
  - Council asked about specific businesses like a car wash.
    - Staff stated that the business’s treatment would be onsite through County approval.
Staff discussed the likelihood of businesses hooking into sewer. In particular, car washes would rather hook into sewer.

- Council inquired how many incorporated towns or cities allowed subdivisions not to hook into water and sewer.
  - Staff referred to one case in Lake Havasu that ended up contaminating the Colorado River and had to build a water treatment facility, sewer systems, and infrastructure all at once and ended up costing somewhere around $700 million. Prescott had pockets that were historically on well and septic.
  - Staff referred to “growing pains” the Town would endure being a fairly new utility. There was a certain amount of debt the Town would have to bear until the customer base reached a certain level that would allow the Town to afford larger extensions.
  - Council expressed a desire to see it be mandatory for any subdivisions to hook up as sewer was the best tool for recycling water.

- One Council member suggested waiving hookup fees to get more people on the system.
- Council inquired about properties that were set back farther from the property line and would require a sizeable extension to get the home hooked up to sewer.
  - Staff discussed various scenarios and what options the property owner would have depending on engineering feasibility. Staff wanted Council to consider the more difficult situations.
  - Staff stated the code tried to cover every scenario, but there would be unique scenarios where the Public Works director would have to make an independent assessment.

  - Town Attorney, Andrew McGuire, stated there could be a provision that allows this, but there would need to be guardrails on what would or would not be allowed.

- Council inquired about the one-acre rule and whether it referred to a plotted one acre or if it included dedicated land.
  - Staff stated that lots with right-of-way dedications are still given entitlements for one acre to avoid legal issues.
  - Council inquired if that was an industry standard.
    - Andrew McGuire, Town Attorney stated that it would depend on the municipality as they all had different goals in how they measured lots.
- Council inquired if there should be different policies for water or sewer, or if the codes should parallel each other.
  - Staff felt that water should be considered almost as important due to the conservation effort that resulted from being on a meter. Sewer completes the cycle by getting the water back.
- Council asked if Prescott Valley required hook ups.
  - Staff was not familiar with that issue.
- Council inquired if staff had ever seen where a subdivision was allowed water and septic but was required to hook up once the infrastructure became available.
  - Staff stated that developments beyond the set foot amount could be required to put in dry lines so that the home would be ready to connect once the utilities were in place.
  - Staff was concerned about having everyone on sewer so that once the Town began importing water it could be reclaimed, recycled, and brought back for mitigation for the Upper Verde River.
- Council asked what staff had seen as far as distance requirements for mandatory water and sewer hookups.
  - Staff stated that Kingman required all subdivisions to connect, and one subdivision had to run a sewer line three miles. Single lots had to connect if within 500 feet.
  - Staff stated that often utilities would amortize payment so that it wasn’t such a large expense for private homeowners.
Council discussed other options like requiring package plants for subdivisions that were not within hook up distance.

- Council inquired what the Town’s sewer plant capacity was.
  - Staff stated it was close to capacity in terms of treatment. Inflow was at about 60-70%, but certain times of the day when inflow was higher it would max out the treatment. Staff would be presenting options to Council next week of how to even out the treatment and extend timing until they could design the plant expansion.

- Council members individually stated their opinions and what they hoped to see change in the code including:
  - Mandatory hook up for subdivisions.
  - Other options included dry lines or extending the distance that would require hook ups.
  - Leave private residences alone unless the systems began to pose a health risk.
  - Should the Council require hook ups, find a way to waive the hook-up fees.
  - Commercial should be required to hook up to utilities.

3) **ADJOURNMENT**

MOVED by Councilmember Sherri Phillips, seconded by Vice-Mayor Eric Granillo to adjourn the meeting at 5:47 p.m.

1) CALL TO ORDER, PLEDGE OF ALLEGIANCE; ROLL CALL

Mayor Miller called the meeting to order at 6:01 p.m. and led the Pledge of Allegiance.

2) INTRODUCTIONS, PRESENTATIONS, AND PROCLAMATIONS

a) Presentation and discussion from Dan Jackson with Willdan Financial Services regarding the Town's Water and Wastewater Rate Study.

Dan Jackson, Willdan Financial Services, presented the following:

- He had been the Town’s water and wastewater consultant for 20 years. He was giving a summary on the results of the latest water and wastewater rate study including the Town’s costs and usage, and offer some rate plan alternatives to consider.
- It was a difficult topic to discuss because the rates were always increasing and it was important to understand the dynamics at play in the water industry both state and nationwide.
- Water costs were increasing and the average utility was going up 5-6% every year and the trend was expected to continue, even triple in the next 15 years do to increased demand and increased cost due to population growth, and inflation.
- It was important to find a balance between keeping rates as low as possible while investing in the system to ensure it was a quality service. Many municipalities had very low rates.
(30–40% of utilities charge rates that don’t cover the costs), but their systems were often near catastrophic failure. Investment in utilities went into streets of the community, and the future of the Town.

- Studies were conducted in 2013 and 2018. It was determined that the rate adjustments for 2016 and 2017 were not necessary. 2019 and 2021 resulted in rates being reduced. The Town was diligent in ensuring cost savings were passed through to rate payers.
- The Town charged a monthly fee ($6.50/month) and a volumetric rate for water (the more the customer used, the more the customer paid over 8,000 gallons per month) to encourage conservation. The average user only used 5,000–6,000 gallons per month.
- Wastewater had a monthly base charge of $58. Commercial and multi-family had different fixed rates.
- Presented a chart to show rate comparisons of the Town of Chino Valley and other municipalities in the area. Chino Valley was higher than some and lower than others, and about $10 higher than the state average due to the fact that water was more scarce in this part of the state.
- The Town had just under 1,000 water customers and about 2,300 wastewater customers (this was due to the local private water companies).
- Shared 10-year forecasts of water and wastewater usage. The forecasts included considerations such as 50 new accounts per year.
- Discussed current and forecasted future costs. Revenues were currently covering costs but those same revenues would not cover them soon and presented ways to cover costs. The Town’s fund was heavily dependent on hook up fees and general fund transfers for capital improvement projects. The proposed plans would ensure the water and sewer funds stay solvent for the next five years even under worst case scenarios.
- The assumptions used for creating the report included inflation, increases in expenses, buy-in fees, phasing out general fund support, and funding capital improvements.
- The Town was forecasted to invest $18.8 million dollars in the sewer system in the next 10 years.
  - Much of that would be in the next five years requiring that the Town increase rates earlier to ensure payment of the debt service.
- The Town would have to issue $12.85 million in debt over the next 10 years.
  - The debt would be paid over 20 to 30 years but would put assets in place for 40–60 years.
- Provided a break down the Town’s budget and cost of service and a forecast increase for cost of service in the next 10 years.
- Provided recommendations included:
  - Modest percentage increases in the base and volume charges for water and sewer in January of 2024, 2025, and 2026 with no change in rate structure, but implementation of new water resource fee (this would help the Town develop and invest in new water resources).
    - The status quo scenario for water would include an increase in the base charge by $0.20 per year, a nominal increase in volumetric charge, and a water resource fee of $2.00. Wastewater would increase the base charge by $1.75. For someone using 4,000 gallons per month, their bill would increase by $4.57 the first year, $2.71 the second year, and 2.79 the third year.
    - The conservation block-rate scenario would not impact low volume users, but higher volume users would receive financial disincentive. (This scenario was presented to fulfill the grant requirements the rate study was funded by which included looking at potential conservation measures to encourage prudent use of water.)
    - Both scenarios would get the Town the revenue it needed.
  - Rate plans were designed to meet certain objectives and conservation was a key objective.
The rate increases suggested were only 2-3% while many other utilities were raising rates by 5-6%.

- ARS § 9-511 was the statute governing rate adjustments. Council would have to adopt a notice of intent and hold a public hearing 60 days later. Council could then vote to adopt the rate plan or any variation thereof. Once adopted the rate plan would go into effect 30 days later.

Mark Holmes, presented the following:

- The grant awarded to the Town was the Water Demand Rate Study. The goal was to offset the cost of doing a rate analysis and development of a rate concept that would not impact what was used inside the home, but rather the larger volume of water used outdoors to reduce those rates.
- Recommended considering the rate increases for a better conservation effort.

3) CALL TO THE PUBLIC- Individuals requesting to speak, please complete a Speaker Comment Card and return to the Clerk.

Call to the Public is an opportunity for the public to address the Council on any issue within the jurisdiction of the Council that is not on the agenda. Public comment is at the discretion of the Council and not required by law. Individuals are limited to speak for three (3) minutes, yielding of time will not be permitted. The total time for Call to the Public may be up to 30 minutes per meeting. Council action taken as a result of public comment will be limited to directing staff to study the matter, scheduling the matter for further consideration and decision at a later date, or responding to criticism. Disrespectful behavior will not be tolerated; this includes loud outbursts, profanity and disruptive discussions among our audience.

Larry Holt presented the following:

- Territorial days was an absolute success.
- Thanked town staff. He worked on a lot of things with the town, and specifically called out Community Services, Facilities, Parks and Recreation, Roads, and the Police Department. He said staff was everywhere and did everything that was needed.
- He received no bad feedback from the car show on Sunday.
- He hosted an event on Monday, and again it was a great event because of the people previously mentioned.

Al Wittac presented the following:

- He wanted to talk about water and the mine.
- They mine operation reportedly had a 10 gallon per minute well and wanted to run it 24 hours. Verde Springs to Del Rio was dry and Verde Springs to Perkinsville was almost dry. Wells were already going dry with normal usage. If the mining began the residents would be in dire straits.

Rayann Myers presented the following:

- She was not living in Cedar Heights but did previously. She now lived on the south side of Mary’s Mesa in Sullivan’s Butte.
- The Cedar Heights area would not be the only ones affected. Those in her area also share the aquifer and many were on wells.
- The wildlife in the area included mule deer and pronghorn and they would be affected.
- She has a medical issue: allergy induced asthma. The dust from the mine would cause a big issue for her.
Kelly Jo presented the following:
- She stated that the miners were close enough that she could spit on them.
- The noise didn’t bother her, but the toxins that would be going into the ground and water did concern her. She said they should do it by hand.
- She stated that her property was probably worth some money a couple years ago but now it would be worth nothing.
- She stated that it scared her, she didn’t want her and her relatives to be affected by toxins.

Lorne Higgins presented the following:
- He was a resident of Cedar Heights.
- The matter didn’t just affect them, it would affect the Town of Chino Valley.
- ADEQ and ADOT did a study in Arizona and California to bring aggregate closer to the towns, so it could be Chino Valley too. The idea was to bring the mining closer to town so that they wouldn’t use so much diesel fuel. The study was looking for 100 acres plus.
- The aggregate was needed, but if it could happen to Cedar Heights it could happen to Chino Valley as well.

Janice Shanks presented the following:
- She lived right off cedar heights within eyeshot of the proposed reclamation.
- She stated there was no mention of a mine, just a reclamation proposal. This meant they would scar the mountain adjacent to their neighborhood.
- Cedar Heights was a private road and not county maintained.
- Spruce Road was an arterial off Cedar Heights and was just 12 feet wide at the place of entry where the trucks would be entering.
- The meeting in Prescott Valley was to study and accept or reject the proposal. The residence wanted to influence anyone who could be influenced, and anyone who had a stake and could be a stakeholder in the project to reject the project.
- Traffic would be affected in Chino Valley because of big trucks going through Chino Valley to get to the site. Road 5 North was recently paved from Reed to Yuma. Yuma and Cedar Heights would be used and they were maintained by residents.

Randy Dilbeck presented the following:
- He was there on behalf of Cedar Heights.
- If there was a missed blast in the area it would cause issues with water.
- His well was already at 740 feet. They were already running out of water.
- The site bordered residential on all sides. They would all be living inside a mine site and they would be full of silicates as the dust could not be controlled without water.
- He stated he had worked at the Red Lake mine site in Williams and they used anywhere from eight to 12 4,000 gallon truck loads per day to do one shift. This project would double that because they would be working through the night as well.
- He stated that the juniper trees near the mine where he worked were tan because they were covered in dust.
- No one wants to work in a mine site let alone live in a mine site. Workers would take their clothes off before entering their home because they didn’t want that in their homes.
- The wildlife would be affected including deer, squirrels, and cows from local ranchers.

Anthony Cassarelli presented the following:
- His family had lived in the Cedar Heights area since 1994.
- He watched the area grow from just a handful of houses.
- He stated that the ranchers had been utilizing the area to graze their cattle for many years.
and helped establish the Town of Chino Valley.

- He had spoken to a councilmember previously and received a letter back referencing ARS § 11-812(A)(2) which was a restriction that the County had no jurisdiction over anything to do with mining operations. However, the statute states, “Prevent, restrict or otherwise regulate the use or occupation of land or improvements for railroad, mining, metallurgical, grazing or general agricultural purposes, if the tract concerned is five or more contiguous commercial acres.”
- The cattle utilized the area everyday and should take precedence. The large trucks would be a danger to the cattle. He stated that he had seen at least three baby cows dead on the road in the last six months just from the inhabitants of the area. The cows, business, and inhabitants would not be safe.

Danny Brumett presented the following:

- He had lived in the Cedar Heights area for four years, it is their retirement home.
- He had been looking at the plot plans and where they wanted to put the office, take the hill down and put the rock crushing machine. He stated that his house would be 213 feet from the rock crushing machine.
- No one would want that and they were asking for help.

Barbara Merriman presented the following:

- She wanted to talk about the company, which was Rock Supply, LLC.
- She stated that she had been in contact with ADEQ and M-Shaw to ask about the company’s record and mining history. They were a newly established company and they were coming to Chino Valley to learn how to mine. She stated they had no history of being environmentally conscious or conscious of the community and it was evident of how they had treated the local community.
- She stated that she had spent a week digging through laws and contacting anyone connected to the company. State statute stated that they were supposed to have a community representative that the community could contact with questions. The person designated as such is James Cox and he had been refusing phone calls from people.
- She stated the company had moved the property from one owner to the next within the same office so they could abide by the laws and get away with something. She stated the original owner of the property hired a local excavation company to cut the road on the property of the proposed mine site. As far as she could tell there had been no permits from the county to cut the road. She stated that she watched the company cut the road and dump it in the Arroyo across the street from her home.

Kaci Jones-Overs presented the following:

- She was here to ask for help. So many people were lost between all the laws and representations they have that they couldn’t unravel.
- She was asking elected representatives to be their voice, represent them, and look into the situation.
- She lived on 4 ½ North. Her family all had breathing issues to worry about and animals that they were afraid would be affected by the blasting and rumbling of vehicles going down their roads.
- She was concerned about how it would affect their water and families. She was scared, and asking the Council to protect them.
- She stated that the view was that many of the Council didn’t care and had washed their hands of the situation because it was outside the boundaries of Chino Valley.
4) CURRENT EVENT SUMMARIES AND REPORTS

This item is for information only. The Mayor, any Councilmember, or Town Manager may present a brief summary or report of current events. If listed below, there may also be a presentation on information requested by the Mayor and Council and questions may be answered. No action will be taken.

a) Status reports by Mayor and Council regarding current events.

Mayor Miller presented the following:
- Read a letter on behalf of the Council thanking and recognizing the employees responsible for putting on the Territorial Days and 9/11 Memorial events.

Councilmember Perkins presented the following:
- Also thanked those involved in Territorial Days and the 9/11 memorial. The events were an amazing success.

b) Status report by Town Manager Cindy Blackmore regarding Town accomplishments, and current or upcoming projects.

Cindy Blackmore, Town Manager, presented the following:
- Thanked the Mayor for recognizing staff.
- The Chino Valley Grinder event would be hosted on September 16th. It was the longest running gravel grinder and started in 2014.
- Also on the 16th from 4:00 to 7:00 p.m. at Memory Park would be the 5th Annual Hawaiian Luau hosted by the Chino Valley Police Foundation.
- The Chino Valley Annual National Night Out event at Memory Park would be held on Tuesday, October 3rd from 5:00 to 8:00 p.m. Frank Ray would be performing at the event.

5) CONSENT AGENDA

All those items listed below are considered to be routine and may be enacted by one motion. Any Councilmember may request to remove an item from the Consent Agenda to be considered and discussed separately.

a) Consideration and possible action to award a Professional Services Agreement to MTO Janitorial, LLC, for Town Hall and Police Department Cleaning Services in the amount of $5,500 per month.

Councilmember Schacher requested to remove item 5(a).

Josh McIntire, Deputy Police Chief presented the following:
- This item was pulled for clarification.
- Some verbiage was left off in the scope of services regarding bathroom cleaning; it did not specifically mention the bathrooms. The contract was changed to state daily cleaning of the bathrooms.
MOVED by Vice-Mayor Eric Granillo, seconded by Councilmember Tom Armstrong to approve the Professional Services Agreement to MTO Janitorial for cleaning services in the amount of $5,500 per month with the amended scope of work dated September 11, 2023.

AYE: Mayor Jack Miller, Vice-Mayor Eric Granillo, Councilmember Annie Perkins, Councilmember Tom Armstrong, Councilmember John McCafferty, Councilmember Sherri Phillips, Councilmember Robert Schacherer

b) Consideration and possible action to approve a Second amendment to the Professional Services Agreement with EHS Support, LLC, to provide a physical availability determination (PAD) for the Wine Glass Ranch in the Big Chino Sub-basin, to increase the total amount by $10,000 and extend the contract term from September 30, 2023, to March 30, 2024.

Councilmember McCafferty requested to remove item 5(b).

Councilmember McCafferty requested to pull this item so he could learn about the letter of deficiency received from the Arizona Department of Water Resources (ADWR) and the protocols to establish a remedy for such.

Mark Holmes, Water Consultant, presented the following:

- This process started in 2020. It was a long time coming and they were really close to the end. This was the third letter of deficiencies received from ADWR.
- January of 2020 the Town Council approved a scope of work with EHS to complete a Phase 1 Workplan for the renewal of the Wine Glass Ranch Physical Availability Determination (PAD) using the Northern Arizona Regional Groundwater Flow Model (NARGFM) which consists of three models. ADWR had dictated from the beginning that the Town must use that particular groundwater model, and the Town would be the first entity to do so. As EHS was developing the models the Town signed an agreement with The Nature Conservancy (TNC) for a 50/50 cost share of the expense to produce the models so TNC could utilize them as well.
- The latest deficiency stated ADWR did not want three models, they wanted them all combined into one model. ADWR kept referring to policy and rule, so staff asked where the policy and rule was. ADWR finally stated there wasn’t one, it was just the way they had always done business.
- The Town’s Water Rights Attorney then drafted a letter stating that ADWR was overreaching rule and policy and ADWR rescinded the request and would accept the original model.
- January of 2023 staff received another letter of deficiency and wanted the modeling reports and datafiles reconfigured in a format that was more convenient for them.
- This latest letter received in July of this year, after having an agreement, ADWR wanted EHS to go in and extrapolate all existing adequate, inadequate, and assured water supplies from all additional models.
- Staff recently had a meeting with ADWR at which ADWR representatives stated that they did not like that the Town was using the NARGFM model and stated that they never forced the Town to use the model. Staff presented them with a four page letter from a previous Chief Council that stated that Mr. Holmes had asked for reconsideration to the director level to not use the model and the Town would create its own model and was denied.
- Staff felt that if the Town had to use the NARGFM model that all others shall use the model
Council and Staff discussed the following:

- Council inquired if staff was confident this was near the end.
  - Staff stated that as long as the Town meets what ADWR wants there will be no further deficiencies and the attorneys seem to agree. And it was in writing.
- Council asked if the permit will enable the Town to import from Wine Glass Ranch.
  - Staff stated that was correct and noted that this was a mitigation model.

MOVED by Vice-Mayor Eric Granillo, seconded by Councilmember Tom Armstrong to approve the Second Amendment to the Professional Services Agreement with EHS Support, LLC for the PAD at Wine Glass Ranch.

AYE: Mayor Jack Miller, Vice-Mayor Eric Granillo, Councilmember Annie Perkins, Councilmember Tom Armstrong, Councilmember John McCafferty, Councilmember Sherri Phillips, Councilmember Robert Schacherer

6) ACTION ITEMS

The Council may vote to recess the public meeting and hold an Executive Session on any item on this agenda pursuant to A.R.S. § 38-431.03(A)(3) for the purpose of discussion or consultation for legal advice with the Town Attorney. Executive sessions are not open to the public and no action may be taken in executive session.

a) Public hearing, consideration, and possible action regarding an application from Agent Anita Martinez, Family Dollar, LLC, Store #24151 (Beer and Wine Store), for a new Series 10 Liquor License located at 314 Business Park Drive, Chino Valley, AZ 86323.

**Recommended Action:**
(i) Hold Public Hearing.
(ii) Recommend approval for a new Series 10 Liquor License for Family Dollar, LLC, Store #24151.

Sara Burchill, Deputy Town Clerk, presented the following:
- The Town Clerk’s office received the Liquor License application from the State on July 31, 2023.
- A representative for Family Dollar was available via Zoom to answer any questions.
- The application was recommended for approval after being reviewed by the police, fire, and planning departments.
- The establishment was posted with necessary notices meeting all statutory requirements.
- Staff received no written arguments in favor or in opposition to the requested license.

Council and Jonathan Crumly, Family Dollar representative, discussed the following:

- Council inquired about four suspensions (three in Texas and one in Virginia) the corporation had received and inquired about the training their staff would receive for selling alcohol.
  - Mr. Crumly was a consultant for Family Dollar and from the data his company received from Family Dollar their rate of violation for the stores nationwide was less
Family Dollar currently had about 1,500 stores that were licensed to sell beer and wine. Sometimes the training doesn’t stick, usually when there’s a high rate of turnover.

- The company’s policy is that everyone in the store will receive internal training on responsible selling (about two hours) and was comparable to the nationally recognized program TIPS. The training covered everything related to responsible selling from how to ID and verify ID, how to use instore register/scanners to confirm proper ID, the right of any salesperson to deny selling if the purchaser appears intoxicated. The company also had a nationwide zero tolerance policy for sales to underage purchases.

Mayor Miller opened the Public Hearing

Kelly Jo had requested to speak during this item, but began speaking about the mine issue brought up at Call to the Public. Mayor Miller informed her that particular issue was done and asked for speakers regarding the liquor license. There were no other requests to speak.

Mayor Miller closed the Public Hearing

Council discussed the following:

- One councilmember did not see the need for another beer and wine store and wondered if it was a good idea.

MOVED by Vice-Mayor Eric Granillo, seconded by Councilmember Sherri Phillips to recommend approval of a Series 10 Liquor License for the Family Dollar, LLC, Store #24151.

AYE: Mayor Jack Miller, Vice-Mayor Eric Granillo, Councilmember John McCafferty, Councilmember Sherri Phillips, Councilmember Robert Schacherer

NAY: Councilmember Annie Perkins, Councilmember Tom Armstrong

7) ADJOURNMENT

MOVED by Councilmember Sherri Phillips, seconded by Vice-Mayor Eric Granillo to adjourn the meeting at 7:27 p.m.

AYE: Mayor Jack Miller, Vice-Mayor Eric Granillo, Councilmember Annie Perkins, Councilmember Tom Armstrong, Councilmember John McCafferty, Councilmember Sherri Phillips, Councilmember Robert Schacherer

1) CALL TO ORDER; ROLL CALL

Mayor Miller called the meeting to order at 5:00 p.m.

2) Discussion regarding Water Reclamation Facility Capacity and Expansion Analysis and Recommendations.

Mark Holmes, Water Consultant, presented the following:

- Taylor Pierce of PACE Advanced Water Engineering would be presenting with Mr. Holmes to discuss the priority assessment needed for the Town’s water reclamation facility.
- Provided definitions of some common terms that would be used throughout the presentation.
- The facility was experiencing peak flow volumes that required expansion.
- The location of the plant was not ideal for any service area located north of the plant as all sewer connections north of the plant would have to be lifted back to the current facility.
- The facility was connected to the groundwater recycling and recharge underground storage facility at Old Home Manor. That water was being used to recharge the aquifer.
- Facilities located at the north end of Town would allow for gravity flow.
- The presentation and discussion would help to answer the question of whether it was in the best interest of the Town to expand the current facility at a cost of potentially $8 million to $15 million based on the current location and future water importation mitigation needs.
The assessment looked at opportunities and options for minimal capital investment now to provide enough time to evaluate a northern centralized facility at larger expense in the future.

Taylor Pierce, Project Director and Professional Engineer with PACE Advanced Water Engineering, presented the following:

- The evaluation was submitted in June.
- The company looked at the hydraulic and biological capacity of the existing facility, which is a half million gallon per day (MGD) facility.
- Outlined the specifics of the facility and the conditions for which it was designed.
- Shared a graph detailing the Town’s historical flow rates. Flow rates had not exceeded half MGD per day. There was a spike in flow in the mornings when people typically wake up, and again in the evening when people got home.
- For four to five hours per day, the facility was exceeding its rated flow rates by 2,000 to 6,000 gallons per hour. This put unnecessary stress on the system.
- The plant’s biological ratios were unbalanced and without a thorough investigation of the collection system, staff couldn’t know what was causing it. The biological ratios being unbalanced made it difficult to treat excess nitrogen coming into the plant. The current plant could not hold the water long enough to treat the nitrogen. Staff began adding carbon to the system to help treat the nitrogen and the plant was now running better.
- Based on current growth, the Town would not see an average daily flow of 500,000 gallons per day for the next 10 years. The Town was currently at an average flow of about 325,000 gallons per day.
- Presented three recommendations and alternatives to move forward:
  - Alternative 1 – expand another membrane plant north of where the current plant was with larger basins to help treat the nitrogen. This option would give the most capacity and was the most expensive (about $8 million). This would solve the peak flows and water quality challenges. This option would take the plant from half MGD to three-quarter MGD.
  - Alternative 2a – add two 100,000 gallon flow equalization basins that would hold additional flow above what the facility was rated for and divert it to an equalization basin to be pushed back through the plant at night when there was no flow. This would not increase the capacity of the plant, but the Town still had several years of growth the facility could accommodate. This option would cost about $3 million.
  - Alternative 2b – similar to 2a in that it would be used as an equalization tank, and similar to Alternative 1 in that it would be ready to have membranes installed, but would not include the membranes (the most expensive part of the process). This would allow the Town to buy the membranes as needed (for example, if there was a sudden boom in the population). However, adding the membranes would reduce the equalization capacity, potentially reintroducing the problem of higher flux rates. This option would cost about $4 million plus the additional cost of the membranes should the Town choose to install them.

Mark Holmes, Water Consultant, presented the following:

- Nothing was throw away with any of the options.
- Staff felt that options 2a or 2b were the best options for the Town, but that 2a was the most suitable option as it would allow for better management and treatment of the peak flows. Storing the incoming water and processing at a later time would save a lot of operational costs.
- Staff was looking at it as a minimum investment to gain 10 years to further assess the ultimate build out of a northern reclamation facility.
Council, Mr. Pierce, and staff discussed the following:

- Council inquired how long alternative 2a would work before expansion was required.
  - Mr. Pierce stated that he projected 10 years which was based on an increase of 27,000 gallons per year.
  - Staff stated they were recommending 2a over 2b because it would buy them some time to further consider the northern plant which would lead into mitigation efforts for the Verde River.
  - The recent water quality tests added the question of needing to treat the water coming out of the sewer before recharging and if that would be better done at the current plant, or take a little time and see if it would be more economical to consider all the processes in one location.

- Council inquired when the plant needed to expand based on federal regulations.
  - Mr. Pierce and staff stated the Town had to be in planning once the facility reached 80% capacity, which is 400,000 gallons per day for the Town. The Town was far ahead of the requirements. The Town had to be under construction when the facility reached 90% capacity. The facility's treatment capacity was not as high as the facility's flow capacity due to the components of the water coming in.
  - Council felt that an accurate decision needed to be made based on how quickly the Town would have to enlarge the plant after this expansion.
    - Staff stated there had been a consistent rate increase of 20,000 to 25,000 gallons per day for each year of growth.
    - Staff stated the downside of 2b would be that once the Town needed the expansion capacity they would probably need to build another equalization basin. 2a allowed for building the equalization basins first, then staff could work on expanding the plant later if the Town decided to stay at that location. 2b was like building a car without the motor.

- Council inquired if an equalization tank had been approved a few years ago.
  - Staff stated that they had, but they had estimated the cost would be about $1.5 million and when the design concept came in it was over $4 million. That’s when staff decided to bring PACE in to essentially create a cost benefit analysis for how to proceed with improving the current plant and looking toward expansion.

- Council inquired about ongoing maintenance with the equalization basins.
  - Mr. Pierce stated the ongoing maintenance would include aeration and there would be a pump to remove the water when flow rates stabilize. The equipment would require service every year.

- Council inquired how quickly membranes needed to be replaced once damaged in order for the facility to continue running.
  - Mr. Pierce stated that ideally you would replace a membrane within a day.
  - Staff stated there were 4,000 membranes in the plant and they had 50 more in stock. Last year staff removed all the membranes and cleaned them. About 700 were damaged and replaced.

- Council inquired if the existing pumps for the recharge basin were oversized to accommodate growth.
  - Staff stated they were designed for half MGD average flow. If something was done to increase the treatment capacity it would not affect the recharge basin pumps. Currently, about 320,000 gallons were being recharged on average.

- Council inquired if a pad already existed to build on.
  - Staff stated it was just dirt, but it was a cleared-off area available for use for the project.

- Council inquired about the time frame for construction from start to finish.
  - Staff stated that it would be 18 to 24 months before construction would be
Council inquired about the steps staff was taking to make sure the technology put in place today would not be obsolete tomorrow.
- Staff stated that was another reason to buy some time now to see what technology would be available down the road. Some of the equipment in the current facility was already outdated.
- Staff was planning to do some upgrades during this construction.

Council inquired what was meant by "non-construction costs".
- Staff stated that would cover design, permitting, construction management, etc.

Council inquired if there were any grants or possible help from the County or State.
- Mr. Pierce stated that there was a lot of possibility for forgivable loans.
- Staff stated that they would be looking for any additional sources of funds once Council decided which way to go with the project.
- Staff stated that WIFA had lots of money available. The USDA was also a good choice to possibly get a lower interest rate.
- Staff stated that some of the debt the Town took on to build the initial system would be rolling off in the next few years, so the Town would have a little more debt capacity. The Town could clearly afford $3 million (option 2a or 2b). Also, the rate study that was recently done regarding water and wastewater rates had $5 million built in to service the debt needed for capital improvements on the wastewater treatment plant. All of that, with a potentially low interest rate and/or forgivable principle, would put the Town in a good position.

Council sought clarification on the cost difference between options 2b and 1.
- Staff stated that it was a fair assumption that it would cost about $3 million to put in the pumps and membranes if it was done now. Down the road it would cost more.

Council discussed the pros and cons of each option. Council felt that the plant in northern Chino Valley was a dream and considered the possibility of needing option 2b to allow for expansion at the current location, but 2a wouldn’t allow that.
- Staff stated that a factor that might make Council and staff lean one way or the other is whether grant money would only be available for one option or the other.
- Staff stated that 2a was the only option that would provide a flow equalization basin that would address the peak flow and biological surge issues. If option 2b was selected, it would only provide an equalization basin until it was filled with membranes and then the Town would be in the same situation it was in now needing an additional equalization basin. Even though they would have the additional processing capacity, there would still be peak flows every day and the plant would be overloaded.
- Staff stated that the current membrane technology the plant used was old technology and there were other technologies emerging that were more compact and efficient than the membranes the Town currently used. Staff suggested the Council ask themselves if they want to set up the facility to require a specific filter or build the equalization basins and have the option of designing the plant to use a different technology of treatment in the future.
- Mr. Pierce stated there was a new product which was a membrane that would fit the same footprint of the current membranes used by the Town, and nearly double the flow-through capacity. There was a possibility that there could be an alternative within the next 10 years that could replace the facility’s current membranes to allow more volume.

Council inquired if the equalization basin alone would help with the nitrogen issue.
- Mr. Pierce stated that it could help, but the nitrogen issue would be fixed by carbon dosing as needed. Any alternative would require a chemical dosing system unless
staff could determine the source of the excess nitrogen and eliminate it.

- Council asked for Utilities Manager Michael Bovee’s opinion of what option would best suit the Town.
  - Mr. Bovee stated that he felt option 2a was the best because it would take the hydraulic and biologic surges and flatten them out.
  - Currently, the plant was processing in the middle of the day when the costs were the highest. The plant went from idle at night to full throttle during the day. An equalization basin would level everything out so the plant could run at a high idle 24/7 reducing electricity use, wear and tear on equipment, and wear and tear on the membranes.
  - Council asked what his choice would be if he could choose option 1 or option 2a.
    - Mr. Bovee stated that he would still go with 2a even though he's not usually concerned with the money aspect.
- Staff stated that there was concern years ago that the entitled apartments would begin building all at once, but that hadn’t been the case. Over the last five or six years there had been a consistent growth of about 60-80 homes per year. This reduced their urgency to expand the plant.
- Council inquired if there was anything else that could be added to option 2a that would make the plant more successful.
  - Staff stated that drying beds had been designed but had not been put in yet and that would be helpful. The Town’s vactor truck was also very old and was a hazard and needed to be replaced.
  - Mr. Pierce stated that spare membranes were always needed and felt that 50 was probably on the low side of what the Town should keep on hand as the plant employed 4,000. He also suggested looking at additional sludge processing or a sludge storage tank. He stated the UV system was also a little outdated and there may be more energy-efficient low-pressure UV systems that could be installed in the same footprint the facility currently used.
  - Staff also mentioned odor control as something to think about in the event that development began coming closer to the plant.
- Staff requested that the Council decide on an option so that staff could review budgeting and come back to Council with numbers on how much money would be left for the project and options on how to use those additional funds.
- Council individually expressed their preferences.
- After discussing their individual preferences, Council collectively agreed on option 2a.
