

# Airport Master Plan

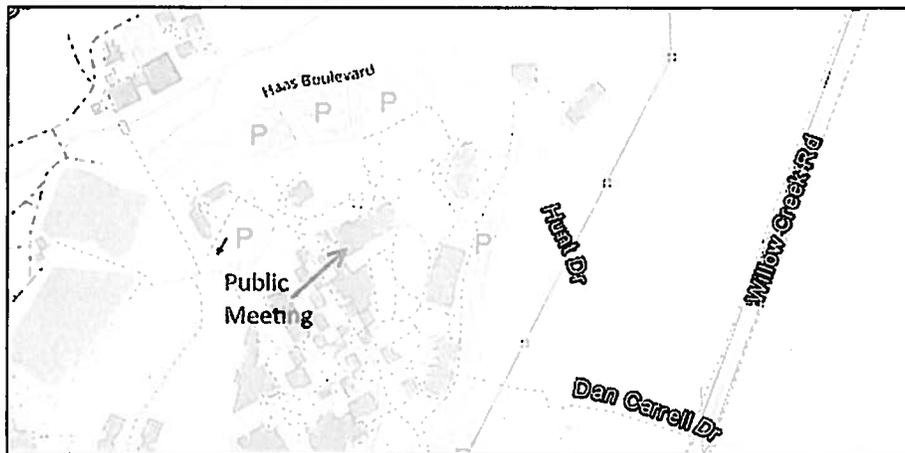

September 2016-  
February 2018

OPEN HOUSE MEETING  
INVITATION

The City of Prescott invites you to attend a regional open house at the Embry-Riddle Aeronautical University Student Union Building on Wednesday, November 1<sup>st</sup> from 5:00 to 7:00 p.m. The City of Prescott is seeking feedback from the public during the development of an Airport Master Plan that will ensure the Region and Airport have a realistic, flexible, and sustainable program to meet the needs of the region.

This meeting is the third of four meetings that will involve public participation during the course of the project. This meeting will cover the fifth chapter of the Master Plan, Alternatives Development and Evaluation. This chapter evaluates several alternatives that were developed for the primary facility requirements identified in the previous chapter. Primary facilities evaluated include runways, taxiways, hangars, and support facilities. Delta Airport Consultants, Regional Officials, City of Prescott Staff, and Airport Stakeholders will be present to obtain feedback and discuss airport benefits.

**The City of Prescott is committed to keeping the region informed and welcomes public input.**
