07/15/20	Quarterly (Post-General)	05/03/20 – 06/30/20

## **Candidates**

Candidates who seek office in an election year are required to file reports during the four calendar quarters comprising the 12-month period preceding the second, runoff or general election, regardless of whether the runoff occurs. The candidate's first report in the election cycle must include the entire election cycle to date. A.R.S. § 16-927(B). Campaign finance reporting schedules vary based on whether it is an election year for a specific office. Since elected officials have staggered terms, candidates may not be on the same reporting cycle.

## **Political Action Committees**

Political action committees (PACs) must file reports according to this schedule during election years. Please see the PAC non-election year schedule for quarterly reporting deadlines during non-election years. A.R.S. § 16-927(A).

## **Special Elections**

Special elections, including recall elections, must follow the appropriate election schedule to determine the reporting dates.
