NEWS RELEASE

Chino Valley Police Department Lobby Closed

Chino Valley Police Department is committed to protecting our community while maintaining public safety and enforcing the law. In order to maintain the health and welfare of our staff as well as the general public we have made the decision to close our lobby.

Officers will still respond to all calls for service. If feasible officers may handle the call for service over the telephone to maintain social distancing. If a call requires in-person contact due to the nature, follow-up or evidence collection, officers will do so.

You may still request copies of police reports by calling our records department at (928) 636-4223 extension 2 during normal business hours. When the request is completed the department will provide it via email or standard mail.

If you need to retrieve property you can schedule an appointment for pickup, with our Evidence and Property technician, by calling (928) 636-4223 extension 2.

All public fingerprinting is still suspended at this time.
