Yavapai County Voter Registration did not send out text messages about your voter registration status!

Our office is receiving many calls from voters regarding text messages they are receiving implying they are not registered to vote.

Though we highly encourage our citizens to register to vote, these text messages are not being sent from the Yavapai County Recorders/Voter Registration Office. These are being sent by third party organizations with the intent of encouraging participation in this election.

Please be aware that you will likely see many types of mailers, calls and text messages as the November 3rd Election approaches.

Please check your voter registration status at MY.ARIZONA.VOTE
