### **Chino Valley Police Department Hosts National Night Out 2023**

The Chino Valley Police Department is pleased to announce our 9<sup>th</sup> annual National Night Out, party in the park, Tuesday October 3<sup>rd</sup>, 5-6:30pm. This event brings first responders together with the community to say “no” to crime in our town. Chino Valley’s Memory Park will be filled with booths from local businesses, churches, and civic groups, who offer fun activities for kids and families. Circling the park will be representatives from numerous public safety agencies including the Chino Valley Police Department, Yavapai County Sheriffs’ Office, Yavapai College Police, Arizona Department of Public Safety, CAFMA and many more. Agencies will have vehicles and equipment on display.

This year the Department is adding something special to our event. At the conclusion of the National Night Out festivities there will be a free concert featuring country music artist Frank Ray from 6:30-8:00pm. Frank has landed songs on the country billboard charts and performed at the Grand Ole Opry. He currently tours the country sharing the stage with performers including Luke Combs, Kane Brown, Brett Eldredge, Luke Bryan and more. Frank is a former Las Cruces NM, Police Officer and recently appeared on Fox News during National Police Week in support of his mental health initiative for First Responders. Bring your chairs and blankets prepared to enjoy this amazing concert.
