

**TOWN OF CHINO VALLEY**  
**DEVELOPMENT SERVICES DEPARTMENT**  
 APPLICATION FOR STAFF ADVISORY COMMITTEES

The Town of Chino Valley invites residents to play an active role in shaping the future of your community as we implement the recently approved "Make it Chino 2040 General Plan." We are seeking engaged individuals to serve as members of two key staff advisory bodies - the Solar Energy Committee or Zoning Code Update Committee.

Solar Energy Committee: Chapter 7 Policy CSF-7.3 of the 2040 General Plan calls for the Town to develop guidelines and regulations for solar energy facilities seeking to locate in Chino Valley. Items to be considered by the committee include: performance standards, minimum distances to other uses lot sizes, taxation, visual impact mitigation, buffering requirements, and wildlife migration.

Zoning Code Update Committee: Chapter 3 Policy LU-1.1 through 1.4 of the 2040 General Plan calls for an update of the Unified Development Ordinance (UDO) to align it with the General Plan and its Future Land Use Map. It combines traditional zoning and subdivision regulations with other desired municipal regulations into a single document that governs and manages development.

You can view the complete General Plan online at [www.MakeltChinoGeneralPlan.com](http://www.MakeltChinoGeneralPlan.com). If you are interested in either of these exciting opportunities, kindly complete and submit both pages of this application to:

Development Services Department, 1982 Voss Drive, Chino Valley;  
 or by email to: [lineberry@chinoaz.net](mailto:lineberry@chinoaz.net).

*Application deadline is Wednesday, January 31<sup>st</sup>, 2024*
